the sale had been a sale for cash. The cash sale price may include any taxes, registration, certificate of title, license, and official fees and cash sale prices for services, if any, and for accessories and their installation and for delivering, servicing, repairing, or improving the goods.

(d) "Goods" means all chattels personal, including motor vehicles and merchandise certificates or coupons exchangeable for chattels personal but not including money or things in action. The term includes goods which, at the time of the sale or subsequently, are to be so affixed to realty as to become a part thereof, whether or not severable from it.

(e) "Holder" means the retail seller of the goods or services under the retail installment contract or retail charge account agreement or a person who establishes and administers retail charge account agreements with retail buyers; the assignee, if the retail installment contract or the retail charge account agreement or the balance in the account under either has been sold or otherwise transferred; or any other person entitled to the rights of the retail seller under any retail installment contract or any retail charge account agreement.

(i) "Person" means an individual, partnership, corporation, association, and any other group, however organized.

(j) "Principal balance" means the cash sale price of the goods or services which are the subject matter of a retail installment transaction plus the amounts, if any, included in the sale, if a separate identified charge is made therefor and stated in the contract, for insurance and other benefits and official fees, minus the amount of the buyer's down payment in money or goods.

(k) "Recreational vehicle" means a vehicular type unit that either has its own motor power or is mounted on or drawn by another vehicle, primarily designed as temporary living quarters for recreational, camping, or travel use.

(m) "Retail charge account agreement" means an instrument in writing prescribing the terms of retail installment transactions which may be made under it from time to time under which a retail seller gives to a retail buyer the privilege of using a credit card issued by the retail seller or any other person or other credit confirmation or identification for the purpose of purchasing goods or services from the retail seller, from the retail seller and any other person, or from a person licensed or franchised by the retail seller and under the terms of which a finance charge as defined in this section may be computed in relation to the buyer's *average daily balance* in the account *during the billing cycle or the buyer's balance* from time to time.

(n) "Retail installment contract" or "contract" means an agreement evidencing a retail installment transaction entered into in this state under which a buyer promises to pay in one or more deferred installments the time sale price of goods or services, or both. The term includes a chattel mortgage, conditional sales contract, and a contract for the bailment or leasing of goods by which the bailee or lessee contracts to pay as compensation for its use a sum substantially equivalent to or in excess of its value and by which it is agreed that the bailee or lessee is bound to become, or for no further or a merely nominal consideration has the option of becoming, the owner of the goods upon full compliance with the provisions of the contract.

(q) "Sales finance company" means a person engaged, in whole or in part, in the business of purchasing retail installment contracts from one or more sellers. The term includes but is not limited to a bank, trust company, investment company, or savings and loan association, if so engaged. (2) This part does not apply to the lending of money by banks or other lending institutions and securing loans by chattel mortgages of goods in the ordinary course of lending by those banks or other lending institutions. However, this part pertains to the extension of credit by those banks or other lending institutions under retail installment contracts or credit cards issued by those banks or other lending institutions."

**"31-1-241. Finance charge limitation.** (1) Notwithstanding the provisions of any other law, the finance charge included in a retail installment contract shall be at a rate agreed upon by the retail seller and the buyer.

(2) Notwithstanding the provisions of any other law, the finance charge included in a retail charge account agreement shall be at a rate agreed upon by the retail seller and the buyer.

(a) *Except as provided in subsection (2)(b), the finance charge shall be computed from month to month (which need not be a calendar month) or other regular billing cycle period by using the average daily balance of the account during the billing cycle without including in the computation the amount of purchases charged to the account during that billing cycle.*

(b) *Nothing in this section prevents a retail seller and a buyer from agreeing to the computation of the finance charge by using the ending balance of the account as of the last day of the billing cycle period less the amount of purchases charged to the account during that billing cycle.*

(3) A seller may change the terms of a revolving charge account whether or not the change is authorized by prior agreement. The seller shall give the buyer written notice of any change in the two billing cycles prior to the effective date of the change.

(4) If the retail seller increases his finance charge on a retail charge account agreement, then such increased rate may only be applied to the balance consisting of purchases on other charges incurred on or after the effective date of the increase.

(5) For purposes of determining the balance to which the increased rate applies, all payments may be considered to be applied to the balance existing prior to the change in rate until that balance is paid in full.

(6) If the finance charge determined pursuant to subsection (2) for a monthly period is less than 50 cents, a maximum finance charge not in excess of 50 cents may be charged and collected for such period."

Section 3. **Applicability.** This act applies to finance charges computed on or after October 1, 1987.

Approved March 31, 1987.

(i) *each section is clearly identified as separate; and*

(ii) *such nonpartisan offices and ballot issues appear on each party's ballot.*

(2) It is not necessary to print a primary ballot for a political party which does not have candidates for more than half of the offices on the ballot in even-year elections if no more than one candidate files for nomination by that party for any of the offices on the ballot. The secretary of state shall certify that no primary election is necessary for that party if such is the case and shall certify or instruct the election administrator to certify the names of the candidates for that party for the general election ballot only.

(3) The separate ballots for each party shall be the same size and color. The stubs of each set of party ballots shall bear the same number. *If printed as a separate ballot, the nonpartisan ballot shall be a different size or color than the party ballots, but the stubs shall be numbered in the same order as the party ballots.*

(4) If a ballot issue is to be voted on at a primary election, it may be placed on the nonpartisan ballot or a separate ballot. A separate ballot may be a different size and color than the other ballots in the election, but the stubs shall be numbered in the same order.

(5) Each elector shall receive a set of party ballots and a nonpartisan and a ballot issue ballot if such ballots are printed."

Section 6. Section 13-13-116, MCA, is amended to read:

**"13-13-116. Ballots to be stamped — one ballot to elector.** (1) Before delivering ballots to an elector, the election judges shall stamp the words "official ballot" on the ballot. No part of the stamp may appear on the stub. They shall also stamp the name of the county, the number of the precinct, the date of the election, and any other information the election administrator believes necessary to distinguish the ballots from those used in any other election.

(2) Each elector shall receive from the election judges one of each type of ballot being used at the election."

Section 7. Section 13-13-117, MCA, is amended to read:

**"13-13-117. Method of voting.** (1) On receipt of his ballot, the elector must immediately retire to one of the booths and prepare his ballot.

(2) He shall prepare his ballot by marking an "x" in the square before the name of the individual or individuals for whom he intends to vote.

(3) If the ballot contains a ballot issue, he shall mark an "x" in the applicable square indicating his vote either for or against the issue.

(4) The elector may write the name of an individual for whom he wishes to vote in the blank space or affix a preprinted label in the blank space and may vote for that individual by marking an "x" before the name. When the ballot is marked in this manner, it must be counted the same as though the name were printed upon the ballot and marked by the elector.

(5) *An elector voting a ballot that will be counted by an optical scan ballot tabulating device shall mark his ballot in the manner prescribed on his ballot. However, his ballot must not be invalidated if he marks the voting positions with an "x".*

(6) After preparing his ballot, the elector must fold it so the face of the ballot will be concealed and the official stamp may be seen and hand it to the election judges.

(7) The judge receiving the ballots shall remove the stubs in sight of the elector and deposit each ballot in the ballot box and each stub in a box for detached stubs. The judge must place the ballots in the ballot box immediately without opening or examining them.

(8) No individual except an election judge may put a ballot, any paper resembling a ballot, or anything other than a ballot in a ballot box.

(9) Any elector who spoils his ballot may, on returning the spoiled ballot, receive another in place of it."

Section 8. Section 13-13-119, MCA, is amended to read:

**"13-13-119. Aid to disabled elector.** (1) The election judges or an individual chosen by the disabled elector as specified in subsection (4) may aid an elector who, because of physical disability or inability to read or write, needs assistance in marking his ballot.

(2) The election judges shall require the declaration of disability by the elector to be under oath and may administer the oath.

(3) The elector may be assisted by two judges who represent different parties. The judges must certify on the precinct register opposite the disabled elector's name that the ballot was marked with their assistance. The judges may not reveal information regarding the ballot.

(4) Instead of assistance as provided in subsection (3), the elector may request the assistance of any individual whom he designates to the judges to aid him in the marking of his ballot, and the individual chosen shall sign his name on the precinct register beside the name of the elector assisted. *The individual chosen may not be the elector's employer, an agent of his employer, or an officer or agent of the elector's union.*

(5) No elector other than the one who requires assistance may divulge to anyone within the polling place the name of any candidate for whom he intends to vote or may ask or receive the assistance of any individual within the polling place in the preparation of his ballot."

Section 9. Section 13-13-204, MCA, is amended to read:

**"13-13-204. Authority to vote in person — printing error or ballot destroyed — failure to receive ballot — effect of absentee elector's death.** (1) If an elector has voted by absentee ballot but the absentee ballot contains printing errors or omissions, the elector may vote in person in any manner at his polling place.

(2) *If an elector does not receive his absentee ballot or if the absentee ballot was destroyed, he may appear at his polling place on election day and*

*vote in person after signing an affidavit, in the form prescribed by the secretary of state, swearing that his ballot has not been received or was destroyed. Before the ballot is given to the elector, the election judge shall write upon the back of the ballot the number of the ballot. The ballot may be cast out if it appears to the court to have been wrongfully or illegally voted.*

(3) If an elector votes by absentee ballot and dies between the time of balloting and election day, his ballot does not count."

Section 10. Section 13-13-205, MCA, is amended to read:

**"13-13-205. When ballots to be available.** (1) The election administrator shall ensure that ballots are printed and available for absentee voting at least 45 days prior to an election *for those elections held in compliance with 13-1-104(1) and 13-1-107(1).*

(2) *For elections held in compliance with 13-1-104(2) and (3), and 13-1-107(2), the election administrator shall ensure that ballots are printed and available for absentee voting at least 20 days prior to an election."*

Section 11. Section 13-13-241, MCA, is amended to read:

**"13-13-241. Examination of absentee ballot envelopes and affirmations while polls open — deposit of absentee and unvoted ballots.** (1) While the polls are open, the election judges may compare the signature of the elector on the absentee ballot request and affirmation. If they find that the signatures correspond, that the affirmation is sufficient, and that the absentee elector is qualified, they *may open the absentee ballot envelope.*

(2) If the absentee ballot does not meet the requirements specified in subsection (1), it *must* be rejected. The election judges, without opening the absentee ballot envelope, shall mark across it the reason for rejection and a majority of the judges shall sign their initials. Unopened rejected absentee ballot envelopes *must* be handled in the same manner as provided for rejected ballots in 13-13-243.

(3) *After opening the absentee envelope and without unfolding the ballots or permitting them to be examined, the election judges shall ascertain whether the stubs are attached or enclosed and whether the numbers correspond to the numbers in the certificate of the election administrator. If so, they shall detach the stubs and deposit the stubs and ballots in the proper ballot boxes. In a primary election, the unvoted ballots must be deposited in the unvoted ballot box without being removed from their enclosure envelope.*

(4) *If upon opening the absentee ballot envelope it is found that the number does not correspond to the number on the certificate of the election administrator, the ballot must be rejected. The reason for rejection must be marked on the back of the ballot or ballots, and the statement must be initialed by a majority of the election judges."*

Section 12. Section 13-13-311, MCA, is amended to read:

**"13-13-311. Vote by challenged elector.** (1) Whenever an individual's right to vote at an election is challenged under 13-2-404 or 13-13-301

and the challenge has been determined in favor of the individual challenged as provided in 13-13-307, an election judge shall write in the pollbook at the end of the individual's name the words "challenged and sworn", with the name of the challenger, if known. The elector so challenged *must be allowed to vote*. The election judge shall then write upon the back of the ballot offered by the challenged elector the number of his ballot. The ballot may be cast out if it appears to the court to have been for any reason wrongfully or illegally voted.

(2) Placing information on a ballot or pollbook under *the provisions of subsection (1) or of 13-13-204(2)* or divulging such information in a legal proceeding subsequent to the election does not constitute a violation of 13-35-202 or 13-35-207."

Section 13. Section 13-15-101, MCA, is amended to read:

**"13-15-101. Votes to be publicly counted upon closing of polls.**

(1) When the polls are closed, the election judges shall immediately count the votes. The count shall be public and continue without adjournment until completed and the result is publicly declared.

(2) Immediately after all the ballots are counted by precinct, the election judges shall copy the total votes cast for each candidate and for and against each proposition on the return forms furnished by the election administrator.

(3) The election judges shall immediately post one of the return forms at the place of *counting* and return a copy to the election administrator. Both forms shall be signed by all the election judges completing the count."

Section 14. Section 13-15-104, MCA, is amended to read:

**"13-15-104. Counting board for absentee ballots.** (1) The election administrator shall:

(b) provide the forms and supplies necessary for the board to perform its duties.

(2) The counting board for absentee ballots shall:

(a) be sequestered in a room separate from where ballots are being cast;

(b) at any time prior to the closing of the polls but not before the polls open, start the count of the absentee votes cast; and

(c) follow the procedures outlined in 13-13-241 and 13-15-103 for the counting of the votes cast.

(3) No election judge or other individual having access to any results of early counting may disclose the information while the polls are open, and he must remain sequestered until the closing of the polls.

(4) (a) In addition to the official oath taken and subscribed to by the election judges, the members of the counting board for absentee ballots

shall complete and sign the following affirmation: "I, ....., will not discuss or disclose or allow anyone else to discuss or disclose to anyone the results of the early counting of votes while the polls are open."

(b) The chief election judge shall witness and sign the affirmation."

**Section 15. Withdrawal of signatures.** (1) Signatures may be withdrawn from a petition for constitutional amendment, constitutional convention, initiative, or referendum up to the time of final submission of petition sheets as provided in 13-27-301.

**"13-27-105. Effective date of initiative and referendum issues.**

(1) Unless the petition placing an initiative issue on the ballot states otherwise, an initiative issue, other than a constitutional amendment, approved by the people is effective on October 1 following approval. *If the issue delegates rulemaking authority, it is effective no sooner than October 1 following approval.*

(2) A constitutional amendment proposed by initiative or by the legislature and approved by the people is effective on July 1 following approval *unless the amendment provides otherwise.*

(3) Unless specifically provided by the legislature in an act referred by it to the people or until suspended by a petition signed by at least 15% of the qualified electors in a majority of the legislative representative districts, an act referred to the people is in effect as provided by law until it is approved or rejected at the election. An act that is rejected is repealed effective the date the result of the canvass is filed by the secretary of state under 13-27-503. An act referred to the people that was in effect at the time of the election and is approved by the people remains in effect. An act that was suspended by a petition and is approved by the people is effective the date the result of the canvass is filed by the secretary of state under 13-27-503. An act referred by the legislature that contains an effective date following the election becomes effective on that date if approved by the people. **Section 17.** Section 13-27-303, MCA, is amended to read:

**"13-27-303. Verification of signatures by county official — allocating voters following reapportionment — duplicate signatures.** (1) *Except as required by 13-27-104, within 4 weeks after receiving the sheets or sections of a petition, the county official shall check the names of all signers to verify they are registered electors of the county. In addition, the official shall randomly select signatures on each sheet or section and compare them with the signatures of the electors as they appear in the registration records of the office. If all the randomly selected signatures appear to be genuine, the number of signatures of registered electors on the sheet or section may be certified to the secretary of state*

without further comparison of signatures. If any of the randomly selected signatures do not appear to be genuine, all signatures on that sheet or section must be compared with the signatures in the registration records of the office.

(2) For the purpose of allocating the signatures of voters among the several legislative representative districts of the state as required to certify a petition for a ballot issue under the provisions of this chapter following the filing of a districting and apportionment plan under 5-1-111 and before members of the house of representatives have been elected and qualified under the plan, the legislative representative districts among which the signatures must be allocated must be those in existence when the plan was filed.

*(3) Upon discovery of fraudulent signatures or duplicate signatures of an elector on any one issue, the election administrator may submit the name of the elector or the petition circulator, or both, to the county attorney to be investigated under the provisions of 13-27-106 and 13-35-207."*

Section 18. Section 13-27-402, MCA, is amended to read:

## CHAPTER NO. 299

[SB 276]

AN ACT TO PROVIDE THAT ANY PETITION FOR THE TRANSFER OF TERRITORY FROM ONE HIGH SCHOOL DISTRICT TO ANOTHER MUST BE ACTED UPON BY THE BOARD OF COUNTY COMMISSIONERS TO CERTIFY COMPLIANCE WITH CERTAIN CRITERIA; AND AMENDING SECTION 20-6-320, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-6-320, MCA, is amended to read:

**"20-6-320. Transfer of territory from one high school district to another.** (1) A majority of electors of any high school district who are qualified to vote under the provisions of 20-20-301 and who reside in territory that is a part of a high school district may petition the county superintendent to transfer such territory to another high school district if:

- (a) the territory adjoins the district to which it is to be attached;
- (b) the territory is not located within 3 miles, over the shortest practical route, of an operating school of the district from which it is to be detached;
- (c) the transfer of such territory will not reduce the taxable value of the district to less than \$300,000 unless the remaining territory of the district contains not less than 50,000 acres of nontaxable Indian land; and
- (d) the board of trustees of the school district that would receive the territory has approved the transfer.

(2) The petition must be addressed to the county superintendent and shall:

- (a) describe the territory that is requested to be transferred and to what district it is to be transferred;
- (b) state the reasons why such transfer is requested; and
- (c) state the number of high-school-age children residing in such territory.

(3) On receipt of a valid petition for a territory transfer, the county superintendent shall:

(a) *present the petition to the board of county commissioners for certification that the criteria set forth in subsection (1) have been met. The board*

*shall, within 10 days of receiving the petition, return it to the county superintendent with certification, signed by a majority of the board, that such criteria have been met or with a notation, signed by a majority of the board, that the criteria have not been met. The board's certification is binding on the county superintendent unless the county superintendent believes that the certification is in error. A dispute between the board and the county commissioners must be decided by the superintendent of public instruction and the decision of the superintendent of public instruction on the matter is final.*

- (b) file the petition as certified by the board of county commissioners;
- (c) set a hearing place, date, and time for consideration of the petition that is not more than 40 days after receipt of the petition; and
- (d) give notice of the place, date, and time of the hearing. The notices must be posted in the districts affected by the request in the manner prescribed in this title for school elections, with at least one notice posted in the territory to be transferred.

(4) The county superintendent shall conduct the hearing as scheduled, and any resident or taxpayer of either affected district must be heard. If the county superintendent considers it advisable and in the best interests of the residents of the territory, he shall grant the petitioned request and order the change of district boundaries to coincide with the boundary description in the petition. Otherwise, he shall by order deny the request. Either of the orders shall be final 20 days after its date unless it is appealed to the superintendent of public instruction by a resident of either district affected by the territory transfer. The decision of the superintendent of public instruction, after consideration of the material presented at the county superintendent's hearing, is final 30 days after its date.

(5) If a petition to transfer territory from one high school district to another high school district would create a joint high school district or affect the boundary of any existing joint high school district, the petition must be presented to the county superintendent of the county where the territory is located. The county superintendent shall notify any other county superintendents of counties with districts affected by the petition, and the duties prescribed in this section for the county superintendent must be performed jointly by such county officials."

Approved March 31, 1987.

## CHAPTER NO. 301

[SB 379]

AN ACT PROVIDING IRRIGATION DISTRICTS AUTHORITY TO ENTER INTO CONTRACTS WITH THE STATE OF MONTANA FOR THE PURPOSE OF OBTAINING LOANS FOR IRRIGATION PROJECTS FROM VARIOUS SOURCES, INCLUDING THE COAL SEVERANCE TAX BONDING PROGRAM PROVIDED FOR IN TITLE 17, CHAPTER 5, PART 7, TO CREATE A SINKING FUND AND INVEST FUND SURPLUSES, AND TO ESTABLISH LIENS AGAINST DISTRICT LANDS AND THE IRRIGATION SYSTEM; AUTHORIZING SPECIAL TAXES AND ASSESSMENTS FOR PAYMENT OF OBLIGATIONS UNDER STATE CONTRACTS; REQUIRING APPROVAL OF IRRIGATION DISTRICT LANDOWNERS PRIOR TO THE MAKING OF A CONTRACT WITH THE STATE; AND PROVIDING FOR COURT REVIEW OF IRRIGATION DISTRICT CONTRACTS.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Contracts with the state of Montana — loans, sinking fund, and investments.** (1) The board of commissioners of any irrigation district, whenever considered advisable and in the interest of the district, may enter into any obligation or contract with the state of Montana for the purpose of obtaining a loan of money from various sources, including the coal severance tax bonding program provided for in Title 17, chapter 5, part 7, to be used by the district for:

(a) the liquidation of any bonded or outstanding indebtedness of the district; or

(b) the provision of any construction, improvement, or repair work necessary to place the irrigation system of the district in good operating condition.

(2) The board shall create, by proper levy and collection of assessments, a sinking fund that must be available for the construction of betterments to the irrigation system of the district as may be necessary during the term of any contract made with the state as provided for in subsection (1). The sinking fund must be designated the "... District Sinking Fund for Betterments" and must be created in such an amount and within such time as may be agreed upon between the district and the state of Montana.

(3) The board shall invest any surplus in the sinking fund in legal investments backed, insured, or guaranteed by the United States or the state of Montana, including federal and state agency obligations.

**Section 2. State contracts — assessments.** In any contract entered into between an irrigation district and the state of Montana under [this act], the board of commissioners shall, in compliance with such contract, levy assessments against the lands benefited by the contract within the district including such deficiency assessments as will enable the district to meet established or anticipated delinquencies in making payments to the state of Montana because of the failure of landowners to pay the assessments levied against their lands in the district.

**Section 3. Amount owed the state — lien and special tax.** All amounts owed to the state under any contract made under [this act] between the district and the state of Montana establish a general obligation of the district for payment, and any amounts to be paid to the state of Montana constitute a lien upon the irrigation system of the district. All lands now within the district or hereafter embraced within the district are subject to a special tax or assessment for the payment of all amounts owed to the state under such contract between the district and the state of Montana, and this special tax or assessment constitutes a first and prior lien on the land against which it is levied to the same extent and with the same force and effect as taxes levied for state and county purposes.

**Section 4. Majority vote or petition necessary to contract with the state.** (1) No contract may be made between an irrigation district and the state of Montana under [this act] except upon:

(a) approval by a majority vote of those voting on the question at an election conducted as prescribed in 85-7-1710; or

(b) receipt of a petition signed by at least 60% in number and acreage of the holders of title or evidence of title to lands within the district. Such petition must be addressed to the board of commissioners and must set forth the aggregate amount of money to be borrowed from various sources, including the coal severance tax bonding program provided for in Title 17, chapter 5, part 7, and the purpose for which the money will be used. The petition must include an affidavit certifying the signatures to the petition and must be filed with the secretary of the board of commissioners.

(2) In an election held for approval of a district contract under this section, the voting majority must own at least 50% of the acreage included in the district.

**Section 5. State contracts — court approval required.** (1) The board of commissioners of an irrigation district, before the making of a

contract with the state of Montana under [this act], shall commence a special proceeding in the district court. In such proceeding, the proceedings of the board and of the district leading up to the making of the contract and the validity of the terms thereof must be judicially examined and approved or disapproved.

(2) The practice and procedure for the confirmation of any step or action provided for in subsection (1) must be as nearly as possible in conformity with the practice and procedure established for the confirmation before the issuance and sale of bonds of an irrigation district. The district court may approve such proceedings in part and declare illegal or invalid other parts of the proceedings. However, insofar as possible, the court shall remedy and cure all defects in the proceedings.

**Section 6. Codification instruction.** Sections 1 through 5 are intended to be codified as an integral part of Title 85, chapter 7, and the provisions of Title 85, chapter 7, apply to sections 1 through 5.

(a) enter upon any public or private premises to inspect *equipment* and sample bees;

(b) *by rule establish quarantines to regulate the entry of bees and equipment into areas of Montana specified in the quarantines;*

(c) quarantine any bees or equipment found to be infected or contaminated at *levels exceeding importation or quarantine standards;*

(d) order the disinfection, destruction, or removal of any bees or equipment that does not meet *importation or quarantine standards.*

(7) (a) Whenever the department has reasonable cause to believe a person is in possession of any *bees* or equipment in violation of this part or rules adopted under it, the department may order a quarantine of the suspected bees or equipment and may require any person in possession of such bees or equipment to hold them under specified conditions until notified otherwise in writing by the department.

(b) The department shall release any quarantine upon finding that the bees and equipment are in compliance with this part."

Section 4. Section 80-6-1104, MCA, is amended to read:

**"80-6-1104. Duties of committee.** The committee shall advise the department with respect to any contemplated rulemaking. The committee shall meet *periodically* to review the minimum standards adopted by the department."

Section 5. **Alfalfa leaf-cutting bees — registration.** (1) No person may possess or control alfalfa leaf-cutting bees in this state unless the bees are registered annually as provided in this section.

(2) To register bees, a person must file a completed application form provided by the department, together with the registration fee set by rule. The applicant must provide the following:

(a) name and place of residence;

(b) the general location of bees to be registered; and

(c) other relevant information as may be required by department rule.

(3) One sample of the bees to be registered must be sent to the department by the beekeeper or his agent. This sample must be analyzed for pathogens and parasites at no cost to the beekeeper. Additional samples may be sent to the department for analysis on a fee-for-service basis as established by rule.

(4) The department shall specify the date by which any applicant must apply for reregistration each year. Applications for reregistration received after the date specified must be assessed a penalty equal to 50% of the applicable registration fee.

Section 6. Section 80-6-1105, MCA, is amended to read:

**"80-6-1105. Alfalfa leaf-cutting bees — certification.** (1) *A person possessing or controlling alfalfa leaf-cutting bees in the state of Montana may annually certify all or part of his bees as provided in this section.*

(2) To certify bees, a person must file a completed application form provided by the department, together with the certification fee set by department rule. The applicant must provide the following:

- (a) name and place of residence;
- (b) the general location and number of bees to be registered; and
- (c) other relevant information as may be required by department rule.

(3) After receipt of an application for certification, a sample of the total population of bees to be certified shall be selected by the department or its agent in a manner prescribed by the department. The sample shall be *analyzed* for pathogens, parasites, *predators*, *nest destroyers*, *live larvae count*, and *sex ratio*. If certification standards are *met*, the sample shall be certified.

(4) *All bees to be certified may be stored in containers which can be officially sealed after sampling to maintain their certification identity.*

(5) When the department has in its possession a completed application form, a certification fee, and a report that the sample meets certification standards, it may issue a certificate for the bees.

(6) The department shall specify the date by which any applicant must apply for recertification the following year. Applications for certification received after the date specified shall be assessed a penalty equal to 10% of the applicable certification fee but not exceeding \$50."

Section 7. Section 80-6-1106, MCA, is amended to read:

**"80-6-1106. Bee laboratory authorized.** The department or its agent may develop and maintain a laboratory for the purpose of providing analytical services required to carry out the provisions of this part. The laboratory may be authorized by the department to provide services to persons possessing any bees or equipment on a fee-for-service basis."

Section 8. Section 80-6-1107, MCA, is amended to read:

**"80-6-1107. Restrictions on importing bees and equipment.** (1) *All bees to be imported shall meet importation, quarantine, and certification requirements established under 80-6-1103 and must be registered in accordance with [section 5].*

(2) Prior to the importation of any bee, the importer must file a completed application form as required in 80-6-1105(2) and arrange an approximate date and time for *official sampling*.

(3) Every imported bee must be shipped to a storage facility designated by the department for sampling purposes. Prior to certification, each bee, container, and piece of associated equipment must be quarantined at the designated storage facility.

(4) No *bees* may be imported except in loose cells or as adults. No *bees* may be imported in a drilled board, soda straw, or other equipment that prevents adequate *sampling* of the *bees*.

(5) A representative sample of the population of bees imported shall be the basis for certification.

(6) No person may import used equipment or nesting materials.

(7) No bee may be certified unless all other requirements for certification provided in 80-6-1105 are met."

Section 9. Section 80-6-1108, MCA, is amended to read:

**"80-6-1108. Restrictions on the rearing, moving, selling, and trapping of bees.** (1) No person may rear any bee in a drilled board or a nesting material from which samples of loose larval cells cannot readily be obtained.

(2) No person may move any quarantined bee or equipment except by special permit issued by the department.

(3) No person may wild trap or attempt to wild trap bees unless that person has been issued a permit for such activity in accordance with rules adopted by the department. *The department shall by rule establish the permit fee.*

## CHAPTER NO. 311

[HB 645]

AN ACT SPECIFYING THAT A LARGE-SCALE MINERAL DEVELOPMENT MAY CAUSE AN INFLUX OF PEOPLE DIRECTLY RELATED TO THE AREA OF THE DEVELOPMENT; REQUIRING THAT A MINERAL DEVELOPER IN CONSULTATION WITH AFFECTED LOCAL GOVERNMENT UNITS SHALL ENSURE THAT THE HARD-ROCK MINING IMPACT PLAN MEETS STATUTORY REQUIREMENTS; AND CLARIFYING THAT THE IMPACT PLAN IS APPROVED WITHOUT ANY REVIEW BY THE HARD-ROCK MINING IMPACT BOARD IF NO OBJECTIONS ARE FILED WITHIN THE 90-DAY REVIEW PERIOD; AMENDING SECTIONS 82-4-335, 90-6-301, 90-6-307, 90-6-308, AND 90-6-403, MCA, AND RULE 8.104.203A, ADMINISTRATIVE RULES OF MONTANA; AND PROVIDING AN APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 82-4-335, MCA, is amended to read:

**"82-4-335. Operating permit.** (1) No person shall engage in mining, ore processing, or reprocessing of tailings or waste material or construct or operate a hard-rock mill or disturb land in anticipation of those activities in the state without first obtaining an operating permit from the board to do so. A separate operating permit shall be required for each complex. Prior to receiving an operating permit from the board, any person must pay the basic permit fee of \$25 and must submit an application on a form provided by the board, which shall contain the following information and any other pertinent data required by the rules:

(a) name and address of the operator and, if a corporation or other business entity, the name and address of its principal officers, partners, and the like and its resident agent for service of process, if required by law;

(b) minerals expected to be mined;

(c) a proposed reclamation plan;

(d) expected starting date of operations;

(e) a map showing the specific area to be mined and the boundaries of the land which will be disturbed, topographic detail, the location and names

of all streams, roads, railroads, and utility lines on or immediately adjacent to the area, location of proposed access roads to be built, and the names and addresses of the surface and mineral owners of all lands within the mining area, to the extent known to applicant;

(f) types of access roads to be built and manner of reclamation of road sites on abandonment;

(g) a plan which will provide, within limits of normal operating procedures of the industry, for completion of the operation;

(h) ground water and surface water hydrologic data gathered from a sufficient number of sources and length of time to characterize the hydrologic regime;

(i) a plan detailing the design, operation, and monitoring of impounding structures, including but not limited to tailings impoundments and water reservoirs, sufficient to ensure that such structures are safe and stable;

(j) a plan identifying methods to be used to monitor for the accidental discharge of objectionable materials and remedial action plans to be used to control and mitigate discharges to surface or ground water; and

(k) an evaluation of the expected life of any tailings impoundment or waste area and the potential for expansion of the tailings impoundment or waste site.

(2) Except as provided in subsection (4), the permit provided for in subsection (1) for a large-scale mineral development as defined in 90-6-302 shall be conditioned to provide that activities under the permit may not commence until the impact plan *is approved* under 90-6-307 and until the permittee has provided a written guarantee to the department and to the hard-rock mining impact board of compliance within the time schedule with the commitment made in the *approved* impact plan, as provided in 90-6-307. If the permittee does not comply with that commitment within the time scheduled, the board, upon receipt of written notice from the hard-rock mining impact board, shall suspend the permit until it receives written notice from the hard-rock mining impact board that the permittee is in compliance.

(3) When the department determines that a permittee has become or will become a large-scale mineral developer pursuant to 82-4-339 and 90-6-302(4) and provides notice as required under 82-4-339, within 6 months of receiving the notice, the permittee shall provide the board with proof that he has obtained a waiver of the impact plan requirement from the hard-rock mining impact board or that he has filed an impact plan with the hard-rock mining impact board and the appropriate county or counties. If the permittee does not file the required proof or if the hard-rock mining impact board certifies to the board that the permittee has failed to comply with the hard-rock mining impact review and implementation requirements in Title 90, chapter 6, parts 3 and 4, the board shall suspend the permit until the permittee files the required proof or until the hard-rock mining impact board certifies that the permittee has complied with the hard-rock mining impact review and implementation requirements.

(4) Compliance with 90-6-307 is not required for exploration and bulk sampling for metallurgical testing when the aggregate samples are less than 10,000 tons."

Section 2. Section 90-6-301, MCA, is amended to read:

**"90-6-301. Declaration of necessity and purpose.** The large-scale development of mineral deposits in the state *may cause* an influx of people *directly related to the area of the development*. This influx of people and the corresponding increase in demand for local government facilities and services *may create* a burden on the local taxpayer. There is a significant lag time between the time when additional facilities and services must be provided and the time when additional tax revenue is available as a result of the increased tax base. In addition, local government units in whatever jurisdiction the development is not located may receive substantial adverse economic impacts without benefit of a major increased tax base in the future. There is therefore a need to provide a system to assist local government units in meeting the initial financial impact of large-scale mineral development."

Section 3. Section 90-6-307, MCA, is amended to read:

**"90-6-307. Impact plan to be submitted.** (1) After an application for a permit for a large-scale mineral development is made under 82-4-335, the person seeking the permit shall submit to the affected counties and the board an impact plan describing the economic impact the large-scale mineral development will have on local government units and shall file proof of such submission to the counties with the board. Whenever an environmental impact statement on the permit application is prepared under 75-1-201, the lead agency shall cooperate to the fullest extent practicable with the affected local government units to eliminate duplication of effort in data collection. The governing bodies of the affected counties shall publish notice of the submission of an impact plan at least once in a newspaper of general circulation in the county. *The mineral developer and the affected local government units shall ensure that the impact plan includes:*

(a) a timetable for development, including the opening date of the development and the estimated closing date;

(b) the estimated number of persons coming into the impacted area as a result of the development;

(c) the increased capital and operating cost to local government units for providing services which can be expected as a result of the development;

(d) the financial or other assistance the developer will give to local government units to meet the increased need for services.

(2) In the impact plan, the developer shall commit itself to pay all of the increased capital and net operating cost to local government units that will be a result of the development, as identified in the impact plan, either from tax prepayments, as provided in 90-6-309, special industrial educational impact bonds, as provided in 90-6-310, or other funds obtained from the developer, and shall provide a time schedule within which it will do so. The plan may provide for funding from other revenue sources or funding

mechanisms if the developer guarantees that the amount to be provided from these sources will be paid.

(3) Upon request of the governing body of an affected unit of local government, the mineral developer, prior to the end of the 90-day review period, shall provide financial or other assistance as necessary to prepare for and evaluate the impact plan. The governing body of the affected county must contract with the developer to obtain the requested financial assistance for each unit of local government within the county. Any disbursements to a unit of local government under this subsection shall be credited against future tax liabilities, if any.

(4) *The governing body of the county where the fiscal impacts on local government units are forecasted in the impact plan to be most costly shall, within 90 days after receipt of the impact plan from the developer, conduct a public hearing on the impact plan.*

(5) *An affected local government unit that has not been identified in an impact plan submitted to the board as being likely to experience increased capital and operating costs for providing services which can be expected as a result of the development may object to the impact plan under the provisions of this section if the local government unit clearly demonstrates that it is likely to experience increased capital and operating costs from the mineral development.*

(6) An affected local government unit shall, within 90 days after receipt of the impact plan from the developer, notify the board in writing if that local government unit objects to the impact plan, specifying the reasons why the impact plan is objected to. During the 90-day period, an affected local government unit may petition for one 30-day extension by submitting a written request to the board stating the need and justification for the extension. The board shall grant the extension unless it finds there is no reasonable basis for the request. If no objection is received within the 90-day period or any extension thereof, the impact plan is approved without any review by the board. *An approved plan is binding and may only be altered under the amendment provisions of 90-6-311.*

(7) If objections are received from a local government unit, the board shall, within 10 days, notify the developer and forward a copy of the local government unit's objections to the developer. The local government unit and the developer have 30 days, or a longer period if both the local government unit and the developer request an extension, to resolve the objection. If the objections are not resolved, the board shall conduct a hearing on the validity of the objections, which shall be held in the affected county or, if objections are received from local government units in more than one county, shall be held in the county which, in the board's judgment, is more greatly affected. The provisions of the Montana Administrative Procedure Act shall apply to the conduct of the hearing. The impact plan filed by the developer shall carry no presumption of correctness at the hearing.

(8) Following the hearing, the board shall, within 60 days, make findings as to those portions of the impact plan which were objected to and, if appropriate, amend the impact plan accordingly. The findings and impact plan, as amended, shall be served by the board upon all parties. Any local

government unit or the developer, if aggrieved by the decision of the board, is entitled to judicial review, as provided by Title 2, chapter 4, part 7, in the district court in and for the judicial district in which the hearing was held.

(9) The developer shall, within 30 days of receipt of the approved impact plan, provide the board with a written guarantee that the developer will meet the increased costs of public services and facilities as specified in the approved impact plan and according to the time schedule contained in the approved impact plan.

(10) The developer may make payments as specified in the approved impact plan directly to a local government unit or to the board. The governing body of a local government unit receiving payments shall deposit the payments into an impact fund. The developer and the affected governing body shall each issue to the board written verification of each payment and its intended use in compliance with the impact plan. The board shall deposit payments received from a developer into the hard-rock mining impact account established by 90-6-304.

(11) The board shall notify the department of state lands of its receipt of the written guarantee of payment and of any failure of the developer to comply with this section.

(12) Upon receipt of evidence that an affected local government unit identified in the approved impact plan is providing or is preparing to provide an additional service or facility provided for in the approved impact plan, the board shall, if the hard-rock mining impact account is used to deliver payments to the local government unit, pay to that local government unit, in one sum or in parts, the money from the hard-rock mining impact account identified in the plan as the increased cost to the local government unit of providing that public service or facility.

(13) If it is determined that an objection filed by an affected local government unit under *subsections (5) and (6)* or 90-6-311(3) is valid and it results in some remedial order by the board or court of competent jurisdiction, the local government unit shall be awarded and the developer shall pay reasonable costs and attorney fees associated with any administrative or judicial appeals filed under this section. Any attorney fees and costs awarded shall be in addition to any amounts paid by the developer under this part.

(14) Upon a determination by the department of state lands that a permittee under 82-4-335 has become or will become a large-scale mineral developer, the permittee may petition the board for a waiver of the impact plan requirement. The board may grant a waiver or conditional waiver of this requirement only if it has provided notice and opportunity for hearing to the permittee and to all affected local government units. The board shall adopt criteria under which a waiver may be granted. A waiver issued by the board may be revoked as provided in the conditional waiver or if the permittee and contractors at the mineral development increase their payrolls from the date of the waiver by 75 or more persons, provided the revocation

is requested by an affected local government unit and notice and opportunity for hearing are given to the permittee and all affected local government units. The board shall notify the board of land commissioners of any waiver that has been revoked.

(15) When a person who holds an operating permit under 82-4-335 and who has filed an impact plan fails to comply with the review and implementation requirements in this part and part 4 of this chapter, the board shall certify to the board of land commissioners that the failure to comply has occurred and shall certify when a permittee who has previously failed to comply comes into compliance."

Section 4. Section 90-6-308, MCA, is amended to read:

**"90-6-308. Permit procedure and review of impact plan to run concurrently.** It is intended that the procedure for fulfilling the permit requirement of 82-4-335 and the review of the impact plan by the board under 90-6-307(5) and (6), *if review occurs*, are to run concurrently."

Section 5. Section 90-6-403, MCA, is amended to read:

**"90-6-403. Jurisdictional revenue disparity — conditioned exemption and reallocation of certain taxable valuation.** (1) When an impact plan for a large-scale mineral development approved pursuant to 90-6-307 identifies a jurisdictional revenue disparity, the board shall promptly notify the developer, all affected local government units, and the department of revenue of the disparity. Except as provided in this section and 90-6-404, the increase in taxable valuation of the mineral development that occurs after the issuance and validation of a permit under 82-4-335 is not subject to the usual application of county and school district property tax mill levies. This increase in taxable valuation must be allocated to local government units as provided in 90-6-404. The increase in taxable valuation allocated as provided in 90-6-404 is subject to the application of property tax mill levies in the local government unit to which it is allocated.

(2) The total taxable valuation of a large-scale mineral development remains subject to the statewide mill levies and basic county levies for elementary and high school foundation programs as provided in 20-9-331 and 20-9-333.

(3) The provisions of subsection (1) remain in effect until the large-scale mineral development ceases operations or until the existence of the jurisdictional revenue disparity ceases, as determined by the board."

Section 6. The Hard-Rock Mining Impact Board shall amend Rule 8.104.203A, Administrative Rules of Montana, to read:

**"8.104.203A DEFINITION** For purposes of these rules, the *term* "impacted area" means the jurisdictional area or areas of the affected local government units identified in an impact plan or in an amendment to an impact plan."

Section 7. **Extension of authority.** Any existing authority of the hard-rock mining impact board to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Section 8. **Applicability.** This act applies to all impact plans submitted after the effective date of this act.

Section 9. **Effective date.** This act is effective on passage and approval.

Approved March 31, 1987.

[SB 292]

AN ACT TO ELIMINATE BASELINE STUDIES OF ALTERNATIVE SITES FOR ENERGY GENERATION AND CONVERSION FACILITIES FROM THE MONTANA MAJOR FACILITY SITING ACT; TO CLARIFY RULEMAKING AUTHORITY OF THE BOARD OF NATURAL RESOURCES AND CONSERVATION; AMENDING SECTIONS 75-20-105, 75-20-211, 75-20-216, 75-20-219, 75-20-301, 75-20-304, AND 75-20-1205, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 75-20-105, MCA, is amended to read:

**"75-20-105. Adoption of rules.** The board may adopt rules implementing the provisions of this chapter."

Application — filing and contents — proof of service and notice.** (1) (a) An applicant shall file with the department and department of health a joint application for a certificate under this chapter and for the permits required under the laws administered by the department of health and the board of health in such form as the board requires under applicable rules, containing the following information:

(i) a description of the *proposed* location and of the facility to be built thereon;

(ii) a summary of any studies which have been made of the environmental impact of the facility;

(iii) a statement explaining the need for the facility;

(iv) *for facilities defined in 75-20-104(10)(b) and (10)(c)*, a description of reasonable alternate locations for the facility, a general description of the comparative merits and detriments of each location submitted, and a statement of the reasons why the proposed location is best suited for the facility;

(v) *for facilities as defined in 75-20-104(10)(b) and (10)(c)*, baseline data for the primary and reasonable alternate locations, *or for facilities as defined in 75-20-104(10)(a), (10)(d), and (10)(e)*, baseline data for the proposed location and, at the applicant's option, any alternative locations acceptable to the applicant for siting the facility;

(vi) at the applicant's option, an environmental study plan to satisfy the requirements of this chapter; and

(vii) such other information as the applicant considers relevant or as the board and board of health by order or rule or the department and department of health by order or rule may require.

(b) A copy or copies of the studies referred to in subsection (1)(a)(ii) above shall be filed with the department, if ordered, and shall be available for public inspection.

(2) An application may consist of an application for two or more facilities in combination which are physically and directly attached to each other and are operationally a single operating entity.

(3) An application shall be accompanied by proof of service of a copy of the application on the chief executive officer of each unit of local government, county commissioner, city or county planning boards, and federal agencies charged with the duty of protecting the environment or of planning land use in the area in which any portion of the proposed facility *is proposed or is alternatively proposed to be located* and on the following state government agencies:

- (a) environmental quality council;
- (b) department of public service regulation;
- (c) department of fish, wildlife, and parks;
- (d) department of state lands;
- (e) department of commerce;
- (f) department of highways;
- (g) department of revenue.

(4) The copy of the application shall be accompanied by a notice specifying the date on or about which the application is to be filed.

(5) An application shall also be accompanied by proof that public notice thereof was given to persons residing in the area in which any portion of the proposed facility *is proposed or is alternatively proposed to be located*, by publication of a summary of the application in those newspapers that will substantially inform those persons of the application."

Section 3. Section 75-20-216, MCA, is amended to read:

**"75-20-216. Study, evaluation, and report on proposed facility — assistance by other agencies.** (1) After receipt of an application, the department and department of health shall within 90 days notify the applicant in writing that:

- (a) the application is in compliance and is accepted as complete; or
- (b) the application is not in compliance and list the deficiencies therein; and upon correction of these deficiencies and resubmission by the applicant, the department and department of health shall within 30 days notify

the applicant in writing that the application is in compliance and is accepted as complete.

(2) Upon receipt of an application complying with 75-20-211 through 75-20-215, and this section, the department shall commence an intensive study and evaluation of the proposed facility and its effects, considering all applicable criteria listed in 75-20-301 and 75-20-503 and the department of health shall commence a study to enable it or the board of health to issue a decision, opinion, order, certification, or permit as provided in subsection (3). The department and department of health shall use, to the extent they consider applicable, valid and useful existing studies and reports submitted by the applicant or compiled by a state or federal agency.

(3) The department of health shall within 1 year following the date of acceptance of an application and the board of health or department of health, if applicable, within an additional 6 months, issue any decision, opinion, order, certification, or permit required under the laws administered by the department of health or the board of health and this chapter. The department of health and the board of health shall determine compliance with all standards, permit requirements, and implementation plans under their jurisdiction for the *proposed location or any proposed alternate location* in their decision, opinion, order, certification, or permit. The decision, opinion, order, certification, or permit, with or without conditions, is conclusive on all matters that the department of health and board of health administer, and any of the criteria specified in subsections (2) through (7) of 75-20-503 that are a part of the determinations made under the laws administered by the department of health and the board of health. Although the decision, opinion, order, certification, or permit issued under this subsection is conclusive, the board retains authority to make the determination required under 75-20-301(2)(c). The decision, opinion, order, certification, or permit of the department of health or the board of health satisfies the review requirements by those agencies and shall be acceptable in lieu of an environmental impact statement under the Montana Environmental Policy Act. A copy of the decision, opinion, order, certification, or permit shall be served upon the department and the board and shall be utilized as part of their final site selection process. Prior to the issuance of a preliminary decision by the department of health and pursuant to rules adopted by the board of health, the department of health shall provide an opportunity for public review and comment.

(4) Within 22 months following acceptance of an application for a facility as defined in (a) and (d) of 75-20-104(10) and for a facility as defined in (b) and (c) of 75-20-104(10) which is more than 30 miles in length, and within 1 year for a facility as defined in (b) and (c) of 75-20-104(10) which is 30 miles or less in length, the department shall make a report to the board which shall contain the department's studies, evaluations, recommendations, other pertinent documents resulting from its study and evaluation, and an environmental impact statement or analysis prepared pursuant to the Montana Environmental Policy Act, if any. If the application is for a combination of two or more facilities, the department shall make its report to the board within the greater of the lengths of time provided for in this subsection for either of the facilities.

(5) The departments of highways; commerce; fish, wildlife, and parks; state lands; revenue; and public service regulation shall report to the department information relating to the impact of the proposed site on each department's area of expertise. The report may include opinions as to the advisability of granting, denying, or modifying the certificate. The department shall allocate funds obtained from filing fees to the departments making reports to reimburse them for the costs of compiling information and issuing the required report."

Section 4. Section 75-20-219, MCA, is amended to read:

**"75-20-219. Amendments to a certificate.** (1) Within 30 days after notice of an amendment to a certificate is given as set forth in 75-20-213(1), including notice to all active parties to the original proceeding, the department shall determine whether the proposed change in the facility would result in a material increase in any environmental impact of the facility or a substantial change in the location of all or a portion of the facility as set forth in the *certificate*. If the department determines that the proposed change would result in a material increase in any environmental impact of the facility or a substantial change in the location of all or a portion of the facility, the board shall hold a hearing in the same manner as a hearing is held on an application for a certificate. After hearing, the board shall grant, deny, or modify the amendment with such conditions as it deems appropriate.

(2) In those cases where the department determines that the proposed change in the facility would not result in a material increase in any environmental impact or would not be a substantial change in the location of all or a portion of the facility, the board shall automatically grant the amendment either as applied for or upon such terms or conditions as the board considers appropriate unless the department's determination is appealed to the board within 15 days after notice of the department's determination is given.

(3) If the department or the board, under subsection (4), determines that a hearing is required because the proposed change would result in a material increase in any environmental impact of the facility or a substantial change in the location of all or a portion of the facility, the applicant has the burden of showing by clear and convincing evidence that the amendment should be granted.

(4) If the department determines that the proposed change in the facility would not result in a material increase in any environmental impact or would not be a substantial change in the location of all or a portion of the facility and a hearing is required because the department's determination is appealed to the board as provided in subsection (2), the appellant has the burden of showing by clear and convincing evidence that the proposed change in the facility would result in a material increase in any environmental impact of the facility or a substantial change in the location of all or a portion of the facility as set forth in the *certificate*.

(5) If an amendment is required to a certificate which would affect, amend, alter or modify a decision, opinion, order, certification, or permit issued by the department of health or board of health, such amendment

must be processed under the applicable statutes administered by the department of health or board of health."

Section 5. Section 75-20-301, MCA, is amended to read:

**"75-20-301. Decision of board — findings necessary for certification.** (1) Within 60 days after submission of the recommended decision by the hearing examiner, the board shall make complete findings, issue an opinion, and render a decision upon the record, either granting or denying the application as filed or granting it upon such terms, conditions, or modifications of the construction, operation, or maintenance of the facility as the board considers appropriate.

(2) The board may not grant a certificate either as proposed by the applicant or as modified by the board unless it shall find and determine:

- (a) the basis of the need for the facility;
- (b) the nature of the probable environmental impact;
- (c) that the facility *minimizes* adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives;
- (d) each of the criteria listed in 75-20-503;
- (e) in the case of an electric, gas, or liquid transmission line or aqueduct:
  - (i) what part, if any, of the line or aqueduct shall be located underground;
  - (ii) that the facility is consistent with regional plans for expansion of the appropriate grid of the utility systems serving the state and interconnected utility systems; and
  - (iii) that the facility will serve the interests of utility system economy and reliability;
- (f) that the location of the facility as proposed conforms to applicable state and local laws and regulations issued thereunder, except that the board may refuse to apply any local law or regulation if it finds that, as applied to the proposed facility, the law or regulation is unreasonably restrictive in view of the existing technology, of factors of cost or economics, or of the needs of consumers, whether located inside or outside of the directly affected government subdivisions;
- (g) that the facility will serve the public interest, convenience, and necessity;
- (h) that the department of health or board of health have issued a decision, opinion, order, certification, or permit as required by 75-20-216(3); and
- (i) that the use of public lands for location of the facility was evaluated and public lands were selected whenever their use is as economically practicable as the use of private lands and compatible with the environmental criteria listed in 75-20-503.

(3) In determining that the facility will serve the public interest, convenience, and necessity under subsection (2)(g) of this section, the board shall consider:

- (a) the items listed in subsections (2)(a) and (2)(b) of this section;
- (b) the benefits to the applicant and the state resulting from the proposed facility;
- (c) the effects of the economic activity resulting from the proposed facility;
- (d) the effects of the proposed facility on the public health, welfare, and safety;
- (e) any other factors that it considers relevant.

(4) Considerations of need, public need, or public convenience and necessity and demonstration thereof by the applicant shall apply only to utility facilities."

Section 6. Section 75-20-304, MCA, is amended to read:

**"75-20-304. Waiver of provisions of certification proceedings.**

(1) The board may waive compliance with any of the provisions of 75-20-216 through 75-20-222, 75-20-501, and this part if the applicant makes a clear and convincing showing to the board at a public hearing that an immediate, urgent need for a facility exists and that the applicant did not have knowledge that the need for the facility existed sufficiently in advance to fully comply with the provisions of 75-20-216 through 75-20-222, 75-20-501, and this part.

(2) The board may waive compliance with any of the provisions of this chapter upon receipt of notice by a person subject to this chapter that a facility or associated facility has been damaged or destroyed as a result of fire, flood, or other natural disaster or as the result of insurrection, war, or other civil disorder and there exists an immediate need for construction of a new facility or associated facility or the relocation of a previously existing facility or associated facility in order to promote the public welfare.

(3) The board shall waive compliance with the requirements of subsections (2)(c), (3)(b), and (3)(c) of 75-20-301 and 75-20-501(5) and the requirements of subsections (1)(a)(iv) and (v) of 75-20-211, 75-20-216(3), and 75-20-303(3)(a)(iv) relating to consideration of alternative sites if the applicant makes a clear and convincing showing to the board at a public hearing that:

- (a) a proposed facility will be constructed in a county where a single employer within the county has permanently curtailed or ceased operations causing a loss of 250 or more permanent jobs within 2 years at the employer's operations within the preceding 10-year period;
- (b) the county and municipal governing bodies in whose jurisdiction the facility is proposed to be located support by resolution such a waiver;
- (c) the proposed facility will be constructed within a 15-mile radius of the operations that have ceased or been curtailed; and

(d) the proposed facility will have a beneficial effect on the economy of the county in which the facility is proposed to be located.

(4) The waiver provided for in subsection (3) applies only to permanent job losses by a single employer. The waiver provided for in subsection (3) does not apply to jobs of a temporary or seasonal nature, including but not limited to construction jobs or job losses during labor disputes.

(5) The waiver provided for in subsection (3) does not apply to consideration of alternatives or minimum adverse environmental impact for a facility defined in subsections (10)(b), (c), (d), or (e) of 75-20-104, for an associated facility defined in 75-20-104(3), or for any portion of or process in a facility defined in subsection (10)(a) of 75-20-104 to the extent that the process or portion of the facility is not subject to a permit issued by the department of health or board of health.

(6) The applicant shall pay all expenses required to process and conduct a hearing on a waiver request under subsection (3). However, any payments made under this subsection shall be credited toward the fee paid under 75-20-215 to the extent the data or evidence presented at the hearing or the decision of the board under subsection (3) can be used in making a certification decision under this chapter.

(7) The board may grant only one waiver under subsections (3) and (4) for each permanent loss of jobs as defined in subsection (3)(a)."

Section 7. Section 75-20-1205, MCA, is amended to read:

**"75-20-1205. Emergency approval authority invalid for nuclear facilities.** Notwithstanding the provisions of 75-20-304(2) and (3), the board may not waive compliance with any of the provisions of this part or 75-20-201 through 75-20-203 relating to certification of a nuclear facility."

Section 8. **Extension of authority.** Any existing authority of the board of natural resources and conservation, the board of health and environmental sciences, and the department of health and environmental sciences to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved April 1, 1987.

## CHAPTER NO. 314

[SB 313]

AN ACT PROVIDING A COMMON DEFINITION FOR THE TERM "INDEPENDENT CONTRACTOR" FOR PURPOSES OF THE UNEMPLOYMENT INSURANCE LAW AND THE WORKERS' COMPENSATION ACT; REVISING AND UNIFYING THE PROCEDURE FOR DETERMINING AN INDIVIDUAL'S EMPLOYMENT STATUS AS AN INDEPENDENT CONTRACTOR; AMENDING SECTIONS 39-51-201, 39-51-203, 39-51-310, 39-51-1109, 39-71-120, AND 39-71-401, MCA; AND PROVIDING AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-51-201, MCA, is amended to read:

**"39-51-201. General definitions.** As used in this chapter, unless the context clearly requires otherwise, the following definitions apply:

(1) "Annual payroll" means the total amount of wages paid by an employer, regardless of the time of payment, for employment during a calendar year.

(2) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period shall be that applicable under the unemployment law of the paying state. For an individual who fails to meet the qualifications of 39-51-2105 due to a temporary total disability as defined in 39-71-116 or a similar statute of another state or the United States, the base period

means the first four quarters of the last five quarters preceding the disability if a claim for unemployment benefits is filed within 24 months of the date on which the individual's disability was incurred.

(3) "Benefits" means the money payments payable to an individual, as provided in this chapter, with respect to his unemployment.

(4) "Benefit year", with respect to any individual, means the 52 consecutive-week period beginning with the first day of the calendar week in which such individual files a valid claim for benefits, except that the benefit year shall be 53 weeks if filing a new valid claim would result in overlapping any quarter of the base year of a previously filed new claim. A subsequent benefit year may not be established until the expiration of the current benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state.

(5) "Board" means the board of labor appeals provided for in Title 2, chapter 15, part 17.

(6) "Calendar quarter" means the period of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31.

(7) "Contributions" means the money payments to the state unemployment insurance fund required by this chapter but does not include assessments under 39-51-404(4).

(8) "Department" means the department of labor and industry provided for in Title 2, chapter 15, part 17.

(9) "Employing unit" means any individual or organization, including the state government, any of its political subdivisions or instrumentalities, any partnership, association, trust, estate, joint-stock company, insurance company, or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this state, except as provided under subsections (8) and (9) of 39-51-203. All individuals performing services within this state for any employing unit which maintains two or more separate establishments within this state are considered to be employed by a single employing unit for all the purposes of this chapter. Each individual employed to perform or assist in performing the work of any agent or employee of an employing unit is deemed to be employed by such employing unit for the purposes of this chapter, whether such individual was hired or paid directly by such employing unit or by such agent or employee, provided the employing unit has actual or constructive knowledge of the work.

(10) "Employment office" means a free public employment office or branch thereof operated by this state or maintained as a part of a state-controlled system of public employment offices or such other free public employment offices operated and maintained by the United States government or its instrumentalities as the department may approve.

(11) "Fund" means the unemployment insurance fund established by this chapter to which all contributions and payments in lieu of contributions are required and from which all benefits provided under this chapter shall be paid.

(12) "Gross misconduct" means a criminal act, other than a violation of a motor vehicle traffic law, for which an individual has been convicted in a criminal court or has admitted or conduct which demonstrates a flagrant and wanton disregard of and for the rights or title or interest of a fellow employee or his employer.

(13) "Hospital" means an institution which has been licensed, certified, or approved by the state as a hospital.

(14) *"Independent contractor" means an individual who renders service in the course of an occupation and:*

*(a) has been and will continue to be free from control or direction over the performance of the services, both under his contract and in fact; and*

*(b) is engaged in an independently established trade occupation, profession, or business.*

(15) (a) "Institution of higher education", for the purposes of this part, means an educational institution which:

(i) admits as regular students only individuals having a certificate of graduation from a high school or the recognized equivalent of such a certificate;

(ii) is legally authorized in this state to provide a program of education beyond high school;

(iii) provides an educational program for which it awards a bachelor's or higher degree or provides a program which is acceptable for full credit toward such a degree, a program of postgraduate or postdoctoral studies, or a program of training to prepare students for gainful employment in a recognized occupation; and

(iv) is a public or other nonprofit institution.

(b) Notwithstanding any of the foregoing provisions of this subsection, all colleges and universities in this state are institutions of higher education for purposes of this part.

(16) "State" includes, in addition to the states of the United States of America, the District of Columbia, Puerto Rico, the Virgin Islands, and the Dominion of Canada.

(D) death;

(ii) remuneration paid by any county welfare office from public assistance funds for services performed at the direction and request of such county welfare office.

(19) "Week" means a period of 7 consecutive calendar days ending at midnight on Saturday.

(20) An individual's "weekly benefit amount" means the amount of benefits he would be entitled to receive for 1 week of total unemployment."

Section 2. Section 39-51-203, MCA, is amended to read:

**"39-51-203. Employment defined.** (1) "Employment", subject to other provisions of this section, means service by an individual or by an officer of a corporation, including service in interstate commerce, performed for wages or under any contract of hire, written or oral, express or implied.

(2) (a) The term "employment" includes an individual's entire service performed within or both within and without this state if:

(i) the service is localized in this state; or

(ii) the service is not localized in any state but some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, then the place from which such service is directed or controlled, is in this state; or

(B) the base of operations or place from which such service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(b) Service is considered to be localized within a state if:

(i) the service is performed entirely within such state; or

(ii) the service is performed both within and without such state, but the service performed without such state is incidental to the individual's service within the state, for example, is temporary or transitory in nature or consists of isolated transactions.

(3) Service not covered under subsection (2) of this section and performed entirely without this state with respect to no part of which contributions are required and paid under an unemployment insurance law of any other state or of the federal government is considered to be employment subject to this chapter if the individual performing such services is a resident of this state and the department approves the election of the employing unit for whom such services are performed that the entire service of such individual is considered to be employment subject to this chapter.

(4) Service performed by an individual for wages is considered to be employment subject to this chapter unless and until it is shown to the satisfaction of the department that *the individual is an independent contractor*.

(5) The term "employment" includes service performed after December 31, 1971, by an individual in the employ of this state or any of its instrumentalities (or in the employ of this state and one or more other states or their instrumentalities) for a hospital or institution of higher education located in this state. The term "employment" includes service performed after July 1, 1975, by all individuals, including without limitations those individuals who work for the state of Montana, its university, any of its colleges, public schools, components or units thereof, or any local government unit and one or more other states or their instrumentalities or political subdivisions whose services are compensated by salary or wages.

(6) The term "employment" includes service performed after December 31, 1971, by an individual in the employ of a religious, charitable, scientific, literary, or educational organization.

(7) (a) The term "employment" includes the service of an individual who is a citizen of the United States performed outside the United States, except in Canada, after December 31, 1971, in the employ of an American employer, other than service which is considered employment under the provisions of subsection (2) of this section or the parallel provisions of another state's law, if:

(i) the employer's principal place of business in the United States is located in this state;

(ii) the employer has no place of business in the United States, but:

(A) the employer is an individual who is a resident of this state;

(B) the employer is a corporation which is organized under the laws of this state; or

(C) the employer is a partnership or a trust and the number of the partners or trustees who are residents of this state is greater than the number who are residents of any other state; or

(b) An "American employer", for purposes of this subsection, means a person who is:

- (i) an individual who is a resident of the United States;

- (iv) a corporation organized under the laws of the United States or of any state.

(8) Agricultural labor exempted under 39-51-204 is considered employment subject to this chapter effective January 1, 1978, whenever the employing unit pays \$20,000 or more in cash to workers for agricultural labor in any quarter in the current or preceding calendar year or employs 10 or more workers in agricultural labor on 20 days in 20 different weeks during the current or preceding calendar year. If an employer is otherwise subject to the chapter and has agricultural employment, all employees are covered under the chapter regardless of the amount of money expended for agricultural purposes.

(9) Domestic service exempted under 39-51-204(1)(b) is considered employment subject to this chapter effective January 1, 1978, whenever the employing unit pays \$1,000 or more in cash for domestic service in any quarter during the current or preceding calendar year. If an employer is otherwise subject to the chapter and has domestic employment, all employees are covered under the chapter regardless of the amount of money expended for domestic purposes."

Section 3. Section 39-51-310, MCA, is amended to read:

**"39-51-310. Function of board.** The board shall act in a quasi-judicial capacity for the hearing of disputes concerning the administration of Montana's unemployment insurance laws *and disputes arising under Title 39, chapter 71, not concerning benefits, regarding whether an individual is an employee or an independent contractor as defined in that chapter.*"

Section 4. Section 39-51-1109, MCA, is amended to read:

**"39-51-1109. Tax appeals.** Any person aggrieved by any decision, determination, or redetermination of the department involving contribution liability, contribution rate, application for refund, *employment status*, or the charging of benefit payments to employers making payment in lieu of contributions *may appeal to an appeals referee within 10 days after notice of the decision is mailed to that person's last-known address, except the period for timely appeal may be extended by the referee upon a showing of good cause. The decision of the appeals referee and any appeal therefrom must be made in the same manner as prescribed in 39-51-2403 and 39-51-2404.*"

Section 5. Section 39-71-120, MCA, is amended to read:

**"39-71-120. Independent contractor defined.** (1) An "independent contractor" is one who renders service in the course of an occupation and:

- (a) has been and will continue to be free from control or direction over the performance of the services, both under his contract and in fact; and

(b) is engaged in an independently established trade, occupation, profession, or business.

*(2) An individual performing services for remuneration is considered to be an employee under this chapter unless the requirements of subsection (1) are met."*

Section 6. Section 39-71-401, MCA, is amended to read:

**"39-71-401. Employments covered and employments exempted.**

(1) Except as provided in subsection (2) of this section, the Workers' Compensation Act applies to all employers as defined in 39-71-117 and to all employees as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Every employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows such an election, the Workers' Compensation Act does not apply to any of the following employments:

- (a) household and domestic employment;
- (b) casual employment as defined in 39-71-116(3) except employment of a volunteer under 67-2-105;
- (c) employment of members of an employer's family dwelling in the employer's household;
- (d) employment of sole proprietors or working members of a partnership other than those who consider themselves or hold themselves out as independent contractors and who are not contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home;
- (e) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;
- (f) any person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;
- (g) employment with any railroad engaged in interstate commerce, except that railroad construction work shall be included in and subject to the provisions of this chapter;
- (h) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district.

(3) A sole proprietor or working member of a partnership who holds himself out or considers himself an independent contractor and who is not contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the

board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home must elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3, but he may apply to the division for an exemption from the Workers' Compensation Act for himself. The application must be made in accordance with the rules adopted by the division. The division may deny the application only if it determines that the applicant is not an independent contractor. When an application is approved by the division, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter. *If the division denies the application for exemption, the applicant may contest the denial by petitioning for review of the decision by an appeals referee in the manner provided for in 39-51-1109. An applicant dissatisfied with the decision of the appeals referee may appeal the decision in accordance with the procedure established in 39-51-2403 and 39-51-2404.*

(4) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over such place of business or property for the purpose of carrying on his usual trade, business, or occupation. The sign will be provided by the division, distributed through insurers or directly by the division, and posted by employers in accordance with rules adopted by the division. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a \$50 fine for each citation."

**Section 7. Procedure for resolving disputes regarding independent contractor status.** (1) If an individual, employer, or insurer has a dispute as to whether an individual is an independent contractor or an employee as defined in this chapter, any party may petition a department of labor and industry appeals referee for resolution of the dispute in accordance with 39-51-1109, and may appeal from a decision of the appeals referee in the same manner as prescribed in 39-51-2403 and 39-51-2404.

(2) If a claimant and insurer have a dispute over benefits and the dispute involves an issue of whether the claimant is an independent contractor or employee as defined in this chapter, either party may petition the workers' compensation judge for resolution of the dispute in accordance with 39-71-2905.

(3) Notwithstanding the provisions of subsection (1), an individual may apply to the division for an exemption from the Workers' Compensation Act in accordance with 39-71-401.

**Section 8. Extension of authority.** Any existing authority of the department of labor and industry to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Section 9. **Codification instruction.** Section 7 is intended to be codified as an integral part of Title 39, chapter 71, part 4, and the provisions of Title 39, chapter 71, part 4, apply to section 7.

Section 10. **Effective date.** This act is effective July 1, 1987.

Approved April 1, 1987.

## CHAPTER NO. 315

[HB 4]

AN ACT REVISING LAWS GOVERNING ADMINISTRATION OF THE CULTURAL AND AESTHETIC GRANTS PROGRAM BY THE MONTANA ARTS COUNCIL; ESTABLISHING PRIORITIES FOR GRANT AWARDS; APPROPRIATING MONEY FOR CULTURAL AND AESTHETIC GRANTS; AMENDING SECTIONS 22-2-305, 22-2-306, AND 22-2-309, MCA; AND PROVIDING AN EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 22-2-305, MCA, is amended to read:

**"22-2-305. Allocation and disbursement of funds.** (1) The Montana arts council shall allocate and disburse cultural and aesthetic project account funds as appropriated by the legislature.

(2) If the funds in the cultural and aesthetic projects account are insufficient to fund projects in the amount of the legislative appropriation for the projects, the council shall allocate and disburse the account's funds *in accordance with the provisions of the appropriation act.*"

Section 2. Section 22-2-306, MCA, is amended to read:

**"22-2-306. Grant conditions — additional funds — accounts and reports.** (1) No grant may be awarded unless the grantee accepts the Montana arts council's conditions of the grant and signs a contract stipulating those conditions.

(2) A grantee must agree in writing that:

(a) the grantee is the official and sole agency for the administration of the project described in the grant agreement; and

(b) no person will, on the grounds of race, color, national origin, sex, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity that results from the expenditure of grant funds.

(3) The grantee must agree that the funds granted will be expended solely for the purpose and activities described in the approved proposal. All funds granted to the grantee must be spent or encumbered during the grant period.

(4) Disbursements to grantees must be as follows, based upon the cash flow needs of the projects and the revenues available:

(a) Projects that are to receive more than \$10,000 may receive an amount not exceeding 25% of the grant award in the first 6 months of the biennium, 50% in the first year of the biennium, 75% in the first 18 months of the biennium, and the balance in the remainder of the biennium. Within such limitations, the amount of each payment must be determined by the Montana arts council in its discretion. Each payment may be made only after an examination of the costs incurred in the project and the amount, if any, of the unencumbered or unexpended balance of prior grant payments for the project.

(b) Projects that are to receive \$10,000 or less may receive the total grant in any fiscal quarter if the Montana arts council determines that the cultural and aesthetic project account has funds available and that, after an examination of the costs incurred by the project, total payment is appropriate.

(c) *A grant award budget may be modified in accordance with this subsection. A grantee may modify line items in an approved budget in an amount not to exceed 10% of the total grant award. A grantee may, with permission of the Montana arts council, modify line items in an approved budget in an amount not to exceed 20% of the total grant award. No such modification may increase the grant award or change the scope or purpose of the award.*

(5) The grantee must maintain accounts, records, and other pertinent material pertaining to the costs incurred and expenditures made under the grant. The system of accounting employed by the grantee must be in accordance with generally accepted accounting principles and be applied in a consistent manner so that project costs and expenditures can be clearly identified. Accounts, records, and other pertinent material must be maintained for 3 years from the official termination date of the grant period or until an audit, approved by the council, has been completed and any questions arising from the audit have been resolved to the satisfaction of the council.

(6) Grantees must submit to the council semiannual reports of expenditures during the course of the project and such other financial and descriptive reports as the council may require. The grantee must submit, within 30 days after completion of the project, a final financial report and a narrative report stating what was accomplished with the grant. Five percent of the total grant award must be held pending receipt of final reports by the council.

(7) The council may, at the principal place of business of the grantee and during regular business hours, examine any directly pertinent records, accounts, and documents of the grantee involving transactions related to the grant."

Section 3. Section 22-2-309, MCA, is amended to read:

**"22-2-309. Grant categories.** (1) The following categories are established for grant funds:

(a) special projects which are specific cultural and aesthetic activities, services, or events of limited duration;

(b) operational support for cultural institutions that have been in existence for at least 2 years *and whose budgets reflect only the cost of continuing their current program*;

(c) capital expenditures for acquisition, construction, or renovation of facilities; and

(d) challenge grants for permanent endowments to benefit cultural non-profit grant recipients.

(2) *The Montana arts council may require a match in cash or donated services for special project and operational support grants. There is a presumption that the match must represent \$1 in value for each dollar of the grant. The Montana arts council may accept matches in excess of the presumed value or may in its discretion require a lesser amount.*

(3) Capital expenditures may not exceed 25% of the total grant funds appropriated. Capital expenditure grants require a match of at least \$3 in cash or donated goods and services, which goods and services must be donated specifically for the capital expenditure project, to receive each dollar of grant funds.

(4) Challenge grants require a match of at least \$3 in cash or irrevocable planned or deferred gifts to receive each dollar of grant funds. Challenge grants are available upon meeting the specified match. *Not less than one-third of the specified match must be in cash. Not more than one-third of the match may be in wills, devises, and bequests."*

**Section 4. Appropriation of cultural and aesthetic grant funds — priority of disbursement.** (1) The Montana arts council shall disburse money appropriated by this act with priority given to subsection (2), followed by subsections (3) and (4), respectively. (2) If the funds in the cultural and aesthetic projects account were insufficient in the biennium ending June 30, 1987, to fund projects in the amount for which they were appropriated, the funds appropriated for such projects are reappropriated from such account until funds have been disbursed to fully cover such appropriations or until January 1, 1988, whichever comes first.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 23-5-602, MCA, is amended to read:

**"23-5-602. Definitions.** As used in this part, the following definitions apply:

(1) *"Associated equipment" means all proprietary devices, machines, or parts used in the manufacture or maintenance of a video draw poker machine, including but not limited to integrated circuit chips, printed wired assembly, printed wired boards, printing mechanisms, video display monitors, and metering devices.*

(2) *"Department" means the department of revenue.*

(3) *"Licensed establishment" means an establishment that is licensed to sell alcoholic beverages for consumption on the premises.*

(4) *"Licensee" means an individual, partnership, corporation, or association that has been issued a license by the department for the placement and operation of video draw poker machines in the licensed establishment of the individual, partnership, corporation, or association.*

(5) *"Manufacturer-distributor" means an individual, partnership, corporation, or association that assembles, produces, and makes or supplies video draw poker machines or associated equipment for sale, use, or distribution in this state.*

(6) *"Used video draw poker machine" means a video draw poker machine, as that term is defined in this section, which is owned or possessed by an applicant on the day he applies for a license for the used machine and which was owned or operated in the state prior to February 3, 1984.*

(7) *"Video draw poker machine" means an electronic video game machine that, upon insertion of cash, is available to play or simulate the play of the game of draw poker, as provided in this part, utilizing a video display and microprocessors in which, by the skill of the player or by chance, or both, the player may receive free games or credits that can be redeemed for cash. The term does not include a machine that directly dispenses coins, cash, tokens, or anything else of value."*

**Section 2. Manufacturer-distributor of video draw poker machines — license — fees.** (1) It is unlawful for any person to manufacture, sell, or distribute any video draw poker machine or associated equipment for use or play in this state without having first been issued a manufacturer-distributor's license by the department.

(2) The department shall charge an annual license fee of \$1,000 for the issuance or renewal of a manufacturer-distributor's license.

(3) In addition to other license fees, the department may charge the applicant a one-time manufacturer-distributor's license application processing fee. The processing fee may not exceed the department's actual costs for processing an application.

(4) All manufacturer-distributor's licenses expire on June 30 of each year, and the license fee may not be prorated.

(5) The department shall retain the license and processing fees collected for purposes of administering this part, except 23-5-615.

**Section 3. License qualifications — investigation — right to hearing.** (1) An applicant for issuance or renewal of a manufacturer-distributor's license shall:

(a) apply to the department on forms prescribed by the department;

(b) establish to the satisfaction of the department that the applicant's past record and present status as a manufacturer-distributor of video draw poker machines or associated equipment and as a business person and citizen demonstrate that the applicant is likely to conduct his business in compliance with all laws.

(2) A person denied a manufacturer's or distributor's license has the right to a hearing before the department. The hearing must be conducted in accordance with the provisions of the Montana Administrative Procedure Act.

**Section 4. Determination of unsuitability for licensure — effect.**

(1) If the department determines that a manufacturer-distributor is unsuitable for issuance of a license or if a previously issued license is revoked:

(a) the department may not approve any new video draw poker machine or associated equipment produced by the manufacturer-distributor;

(b) the department may revoke a license for a machine produced by that manufacturer-distributor and owned by a person in the state of Montana, at the time of revocation of the manufacturer-distributor's licensure only if, after a reasonable length of time, the machine remains out of compliance with state requirements; and

(c) a manufacturer-distributor may not sell, transfer, or offer for use or play in this state any new video draw poker machine or associated equipment.

(2) Any association or agreement between the manufacturer-distributor and a licensee is considered to include a provision for its termination without liability on the part of the licensee upon a determination by the department that the manufacturer-distributor is unsuitable for licensure. Failure to include such provisions for termination in an agreement is not a defense in any action brought under the provisions of this section to terminate the agreement.

(3) Failure of a licensee to terminate any association or agreement with a manufacturer-distributor after receiving notice of the department's determination of unsuitability for licensure constitutes grounds for revocation of the licensee's video draw poker machine licenses.

**Section 5. Penalties — hearing.** If the department finds, after a hearing conducted pursuant to the Montana Administrative Procedure Act, that a person licensed under this part has violated any of the provisions of this part or the department's rules, the department may, in addition to the other penalties prescribed:

(1) suspend the license for a period of not more than 180 days;

(2) impose a civil penalty not to exceed \$6,000;

(3) revoke the license;

- (4) deny renewal of the license on expiration thereof; or
- (5) impose a combination of any two of the penalties set forth in subsections (1) through (4).

**Section 6. Examination and approval of new video draw poker machines and associated equipment — fee.** (1) The department shall examine and approve new video draw poker machines and associated equipment which is manufactured, sold, or distributed for use in this state before the video draw poker machine or associated equipment is played or used.

(2) A video draw poker machine or associated equipment may not be examined or approved by the department until the manufacturer-distributor for the machine or associated equipment is licensed as required in [section 2].

(3) The department shall require the manufacturer-distributor seeking the examination and approval of a new video draw poker machine or associated equipment to pay the anticipated actual costs of the examination in advance and, after the completion of the examination, shall refund overpayments or charge and collect amounts sufficient to reimburse the department for underpayments of actual costs.

**Section 7. Judicial review of agency decision.** (1) Any interested party has the right to judicial review of a final decision of the department concerning the grant, denial, renewal, revocation, or suspension of a license required under this part.

(2) A petition for judicial review must conform to the provisions of Title 2, chapter 4, part 7.

**Section 8. Extension of authority.** Any existing authority of the department of revenue to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 9. Authority to proceed with rulemaking.** The department of revenue may initiate rulemaking proceedings under section 8 on or after passage and approval of this act, but no rules under sections 2 through 7 may be made effective prior to the effective dates of those sections.

**Section 10. Codification instruction.** Sections 2 through 7 are intended to be codified as an integral part of Title 23, chapter 5, part 6, and the provisions of Title 23, chapter 5, part 6, apply to sections 2 through 7.

**AN ACT PROVIDING THAT PUBLIC EMPLOYEES WHOSE HOURS ARE TEMPORARILY REDUCED AS A RESULT OF A BUDGET DEFICIT MUST RECEIVE VACATION, SICK LEAVE, AND RETIREMENT CREDITS AS IF THE REDUCTION HAD NOT OCCURRED; AMENDING SECTIONS 2-18-611 AND 2-18-618, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE, AN IMMEDIATE EFFECTIVE DATE, AND A TERMINATION DATE.**

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 2-18-611, MCA, is amended to read:

**"2-18-611. Annual vacation leave.** (1) Each permanent full-time employee shall earn annual vacation leave credits from the first day of employment. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

(2) Seasonal employees shall earn vacation credits. However, such persons must be employed 6 qualifying months before they may use the vacation credits. In order to qualify, such employees must immediately report back for work when operations resume in order to avoid a break in service.

(3) Permanent part-time employees are entitled to prorated annual vacation benefits if they have worked the qualifying period.

(4) An employee may not accrue annual vacation leave credits while in a leave-without-pay status.

(5) Temporary employees do not earn vacation leave credits, except that a temporary employee who is subsequently hired into a permanent position within the same jurisdiction without a break in service and temporary employees who are employed continuously longer than 6 months may count as earned leave credits for the immediate term of temporary employment.

(6) *An employee whose hours have been reduced temporarily from 40 hours a week to less than 40 hours a week as a result of a budget deficit accrues annual vacation leave credits as if he were a full-time employee. A reduction in hours resulting from a budget deficit is temporary if it ends on or before the last day of the current fiscal year."*

Section 2. Section 2-18-618, MCA, is amended to read:

**"2-18-618. Sick leave.** (1) Each permanent full-time employee shall earn sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) shall equal 1 year. Sick leave credits shall be credited at the end of each pay period. Sick leave credits shall be earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) An employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time he terminates his employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment therefor shall be the responsibility of the agency wherein the sick leave accrues. However, no employee forfeits any sick leave rights or benefits he had accrued prior to July 1, 1971. However, where an employee transfers between agencies within the same jurisdiction, he shall not be entitled to a lump-sum payment. In such a transfer the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(6) An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency shall not be credited with any sick leave for which the employee has previously been compensated.

(7) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(8) An employee may contribute any portion of his accumulated sick leave to a nonrefundable sick leave fund for state employees and thereby become eligible to draw upon the fund if an extensive illness or accident

exhausts his accumulated sick leave. The department of administration shall, in consultation with the sick leave advisory council provided for in 2-15-216, administer the sick leave fund and adopt rules to implement this subsection.

*(9) An employee whose hours have been reduced temporarily from 40 hours a week to less than 40 hours a week as a result of a budget deficit shall accrue annual sick leave credits as if he were a full-time employee. A reduction in hours resulting from a budget deficit is temporary if it ends on or before the last day of the current fiscal year. (Subsection (8) terminates July 1, 1989—sec. 3, Ch. 707, L. 1985.)"*

**Section 3. Rules on reduction in hours resulting from budget deficit.** (1) Notwithstanding the provisions of this chapter, the board shall adopt rules providing that a member whose hours have been temporarily reduced as a result of a budget deficit receives the same retirement allowance as if the reduction had not occurred.

(2) Rules adopted under this section apply retroactively to members whose hours were reduced from 40 hours a week to less than 40 hours a week on or after July 1, 1986, but whose hours were restored to 40 hours a week before July 1, 1989.

**Section 4. Extension of authority.** Any existing authority of the department of administration and the public employees' retirement board to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 5. Codification instruction.** Section 3 is intended to be codified as an integral part of Title 19, chapters 3, 6 through 9, and 13, and the provisions of Title 19, chapters 3, 6 through 9, and 13, apply to section 3.

**Section 6. Before constructing a project, the department shall estimate the cost of the project, the cost of *operation and maintenance*, and the revenues to be derived therefrom. A project may not be constructed unless, according to the estimates, the revenues to be derived will be sufficient to pay the cost of *operation and maintenance*, and the principal and interest of *loans or revenue bonds* which may be issued for the cost of the project; however, in connection with the issuance of revenue bonds, the failure of the department to make the estimates required by this section or to make them in proper form does not affect the validity or enforceability of those bonds or of the trust indenture, resolution, or other security therefor.

of the cost of the improvements by more than 5%, the department shall obtain approval from the water user association, whenever an association is involved, before the bid is accepted; however, capital improvements of an emergency nature necessary to protect life or property or to supply immediate needs for water do not require such approval.

(3) A purpose of this chapter is to meet, so far as possible, a statewide need for the conservation and use of water through the construction and operation of projects designed for those purposes. The projects to be finally constructed shall qualify as parts of the statewide program and shall be approved by the board upon the showing of their prospective ability to meet, through the sale of water or other services, the cost of operation and maintenance and the *principal and interest of loans and revenue bonds issued to finance the construction*. The failure of the board to determine the prospective ability of a project does not affect the validity or enforceability of the bonds or of the trust indenture, resolution, or other security therefor."

**"85-1-207. Determination of costs of works.** The department, in determining *how the cost of works must be met, shall consider the value of public benefits and the repayment capacity of the water users. **"85-2-217. Suspension of adjudication.** While negotiations for the conclusion of a compact under part 7 are being pursued, all proceedings to generally adjudicate reserved Indian water rights and federal reserved water rights of those tribes and federal agencies which are negotiating are suspended. Section 2. Section 85-2-702, MCA, is amended to read:

**"85-2-702. Negotiation with Indian tribes.** (1) The reserved water rights compact commission, created by 2-15-212, may negotiate with the Indian tribes or their authorized representatives jointly or severally to conclude compacts authorized under 85-2-701. (b) injuries or damages resulting from the discharge of a firearm or ammunition are not proximately caused by its potential to cause serious injury, damage, or death but are proximately caused by the actual discharge of the product.

(3) The provisions of this section do not affect a products liability cause of action based upon the improper selection of design alternatives.

AN ACT TO REQUIRE THAT A COUNTY TREASURER REMIT INHERITANCE TAX COLLECTIONS, THE \$3 FEE FOR FILING A SECURITY INTEREST AGAINST A MOTOR VEHICLE, THE \$3 FEE FOR ISSUANCE OF A CERTIFIED COPY OF A CERTIFICATE OF OWNERSHIP SUBJECT TO A SECURITY INTEREST, AND THE \$2 FEE FOR APPLICATIONS FOR ORIGINAL CERTIFICATES OF MOTOR VEHICLE OWNERSHIP OR TRANSFER OF REGISTRATION AT THE SAME TIME AS OTHER MONEY BELONGING TO THE STATE IS REMITTED; AND AMENDING SECTIONS 61-3-103, 61-3-203, AND 72-16-215, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 61-3-103, MCA, is amended to read:

**"61-3-103. Filing of security interests, rights, procedure, fees.**

(1) No security interest in a motor vehicle shall be valid as against creditors, subsequent purchasers, or encumbrancers unless a lien notice, on a

form approved by the department, that shows a security interest has been created, has been filed with the department as provided in this section. The department shall not file any security interest or other lien unless it is accompanied by or specified in the application for a certificate of ownership of the vehicle encumbered. If the approved notice form is transmitted to the department, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete vehicle description, amount of lien, and is signed by the debtor. The department shall file the security interest or lien by entering the name and address of the secured party upon the face of the certificate of ownership. The department shall mail a statement certifying to the filing of a security interest or lien to the secured party. The department shall mail the certificate of ownership to the owner at the address given on the certificate; however, if the transfer of ownership and filing of the security interest are paid for by a creditor or secured party, the department shall return the certificate of ownership to the county treasurer where the vehicle is to be registered. The owner of a motor vehicle is the person entitled to operate and possess such motor vehicle.

(2) A security interest in a motor vehicle held as inventory by a dealer licensed under the provisions of 61-4-101, must be perfected in accordance with Title 30, chapter 9, and no endorsement on the certificate of title is necessary for perfection.

(3) Whenever a security interest or lien is filed against a motor vehicle that is subject to two security interests previously perfected by filing under this section, the department shall endorse on the face of the certificate of ownership, "NOTICE. This motor vehicle is subject to additional security interests on file with the Department of Justice." No other information regarding such additional security interests need be endorsed on the certificate.

(4) Satisfactions or statements of release filed with the department under this chapter shall be retained by it for a period of 8 years after receipt, after which they may be destroyed.

(5) The filing of a security interest or other lien, as herein provided, perfects a security interest which has attached at the time the certificate of ownership noting such interest is issued. Issuance of a certificate of ownership constitutes constructive notice to subsequent purchasers or encumbrancers, from the time of filing, of the existence of the security interest.

(6) Upon default under a chattel mortgage or conditional sales contract covering a motor vehicle, the mortgagee or vendor has the same remedies as in the case of other personal property. In case of attachment of motor vehicles all the provisions of 27-18-413, 27-18-414, and 27-18-804 shall be applicable except that deposits must be made with the department.

(7) A conditional sales vendor or chattel mortgagee or assignee who fails to file a satisfaction of a chattel mortgage, assignment, or conditional sales contract within 15 days after receiving final payment shall be required

to pay the department the sum of \$1 for each day thereafter that he fails to file such satisfaction.

(8) Upon receipt of any liens, or notice of liens dependent on possession, or attachments, etc., against the record of any motor vehicle registered in this state, the department shall within 24 hours mail to the owner, conditional sale vendor, mortgagees, or assignees of any thereof a notice showing the name and address of the lien claimant, amount of the lien, date of execution of lien, and in the case of attachment the full title of the court and the action and the name of the attorneys for the plaintiff and/or attaching creditor.

(9) It shall not be necessary to refile with the department any instruments on file in the offices of the county clerk and recorders at the time this law takes effect.

(10) A fee of \$3 shall be paid to the department to file any security interest or other lien against a motor vehicle. The \$3 fee shall include and cover the cost of filing a satisfaction or release of the security interest and also the cost of entering such satisfaction or release on the records of the department and deleting the endorsement of the security interest from the face of the certificate of ownership. A fee of \$3 shall be paid the department for issuing a certified copy of a certificate of ownership subject to a security interest or other lien on file in the office of the department, or for filing an assignment of any security interest or other lien on file with the department. All fees provided for in this section shall be *paid to the county treasurer for deposit in the motor vehicle recording account of the state special revenue fund in accordance with 15-1-504.*"

Section 2. Section 61-3-203, MCA, is amended to read:

**"61-3-203. Fee for original certificate of ownership and transfer of title — disposition.** A charge of \$3 shall be made for issuance of an original certificate of ownership of title and for a transfer of registration which shall be collected by the county treasurer. The fees shall be distributed as follows:

(1) Two dollars of each fee shall be remitted to the department by the county treasurer, *as provided in 15-1-504*, for each application for original certificate of ownership or transfer of registration.

(2) Prior to March 1, 1966 and each March thereafter, the county commissioners of each county shall divide the fees retained by the county to:

(a) the city road fund of each city and town within the county based on the number of motor vehicles registered inside the corporate limits of each city or town; and

(b) the county road fund based on the number of motor vehicles registered outside the corporate limits of cities and towns."

Section 3. Section 72-16-215, MCA, is amended to read:

**"72-16-215. County treasurer — monthly report — payment of collections to state treasurer — interest on unpaid amounts.** *Between the 1st and 20th days of each month, each county treasurer shall*

make a report under oath to the department of revenue listing all payments received by him under the inheritance tax laws during the preceding month and stating for what estate, by whom, and when paid. The form of such report shall be prescribed by the department. He shall at the same time pay the *state treasurer* all the payments received by him under the inheritance tax laws and not previously paid to the *state treasurer*, and for all such payments collected by him and not paid to the *state treasurer* within 5 days from the time herein required, he shall pay interest at the rate of 10% per annum."

Approved April 7, 1987.

If such money is not sufficient to pay all of such warrants, with the interest thereon, then the board of county commissioners shall make an order creating a special warrant district and shall include within such district all of the territory of such adjoining county but shall not include therein any of the territory of such abandoned and abolished county and shall, thereafter and at the time of making levies for county purposes, levy a special tax against all taxable property in such district to pay the warrants, with interest thereon, outstanding against the funds of said county. The board may in its discretion extend such tax levy over a period of not to exceed 3 years.

(2) (a) If it shall appear to the board that it will require too large a tax levy to pay such warrant indebtedness, with interest thereon, within 3 years, such board, instead of creating a special warrant district, shall create and establish a special funding bond district and shall include within the boundaries thereof all of the territory within such adjoining county but shall not include therein any of the territory of the abandoned and abolished county attached to such adjoining county. After all money in the

several funds of said county applicable thereto has been applied in payment of such outstanding warrants and interest thereon and without submitting the question of doing so to an election, such board may issue bonds in an amount sufficient to pay and redeem all such warrants remaining outstanding, with interest thereon.

(b) Such bonds shall be issued in the name of said adjoining county and shall contain recitals to the effect that the principal and interest thereof will be paid by millage tax levies against the property situated within the boundaries of said county as the same existed before the territory of such abandoned and abolished county was attached thereto and that none of the property within the territory of such abandoned and abolished county will be subjected to such levies. Except as otherwise provided herein, said bonds shall be issued and sold and tax levies shall be fixed and made to pay the principal and interest thereof as the same becomes due in the manner provided by 7-7-107, 7-7-108, 7-7-123, 7-7-124, 7-7-2104, 7-7-2106, and parts 22 and 23 of chapter 7 and all the provisions thereof, so far as applicable thereto, shall apply to such bonds."

**"7-2-2748. Special funding bond district bonds.** (1) Bonds issued under 7-2-2747 shall not be issued for a longer period than 10 years and shall be issued without submitting the question of doing so to any election. Such bonds shall be issued in the name of such district and shall be signed by the trustees. The clerk shall attest the same and affix the seal of the district thereof, and they shall be registered in the office of the county treasurer, who shall certify such registration on such bonds. Except as otherwise provided herein and insofar as the same are not in conflict herewith, all of the provisions of 7-7-107, 7-7-108, 7-7-123, 7-7-124, 7-7-2104, 7-7-2106, and parts 22 and 23 of chapter 7 shall apply to, govern, and control the issuance, sale, and payment of such bonds, with the interest thereon, and the levying of taxes for such purposes.

(2) There shall be inserted and made a part of each such bond statements setting forth the purpose for which the same is issued and that said bonds do not incur, create, or constitute any indebtedness or obligation whatever on the part of the county of (naming the county whose board of county commissioners, acting as such trustees, are issuing such bonds) but that the principal and interest thereof will be paid by special millage taxes levied against all of the taxable property situated within the boundaries of such special funding bond district."

Section 7. Section 7-2-2749, MCA, is amended to read:

**"7-2-2749. Payment of outstanding bonds of abandoned county.** (1) If any abandoned and abolished county shall have any bonds outstanding and unpaid at the time it ceases to exist, the territory within the boundaries of such county as they existed when such county so ceased to exist shall constitute a special district for the payment thereof. The board of county commissioners of the county designated in the petition for abandonment as the county to which the territory of such county is to be attached and made a part shall annually levy a tax against all taxable property in such taxing district sufficient to pay the interest and principal of

such bonds as the same become due, and all of the provisions of 7-7-107, 7-7-108, 7-7-123, 7-7-124, 7-7-2104, 7-7-2106, and parts 22 and 23 of chapter 7 shall apply to, govern, and control the levying and collection of such taxes and the payment of interest and principal thereof by the boards and officers of the county within which such district is situated.

(2) Any and all money in any bond sinking and interest funds of such abandoned and abolished county, when transmitted and paid over to the treasurer of the county to which the territory of such abandoned and abolished county has been attached, shall be credited to and deposited in a sinking and interest fund. All taxes levied for the payment of such bonds and interest and delinquent at the time such county ceased to exist, all taxes levied for such sinking and interest fund in accordance with the provisions of 7-2-2742 through 7-2-2750, and all other money coming to the hands of such county treasurer for the use or benefit of such abandoned county, when not required for any other purposes under the provisions of this part, shall be deposited to the credit of such sinking and interest fund and used for the payment of the principal and interest of such bonds and for no other purpose."

(a) interest received on obligations of another state or territory or county, municipality, district, or other political subdivision thereof;

(b) refunds received of federal income tax, to the extent the deduction of such tax resulted in a reduction of Montana income tax liability; and

(c) that portion of a shareholder's income under subchapter S. of Chapter 1 of the Internal Revenue Code of 1954 that has been reduced by any federal taxes paid by the subchapter S. corporation on the income.

(2) Notwithstanding the provisions of the federal Internal Revenue Code of 1954 as labeled or amended, adjusted gross income does not include the following which are exempt from taxation under this chapter:

(a) all interest income from obligations of the United States government, the state of Montana, county, municipality, district, or other political subdivision thereof;

(b) interest income earned by a taxpayer age 65 or older in a taxable year up to and including \$800 for a taxpayer filing a separate return and \$1,600 for each joint return;

(c) all benefits received under the Federal Employees' Retirement Act not in excess of \$3,600;

(d) all benefits, not in excess of \$360, received as an annuity, pension, or endowment under any private or corporate retirement plan or system;

(e) all benefits paid under the teachers' retirement law which are specified as exempt from taxation by 19-4-706;

(f) all benefits paid under The Public Employees' Retirement System Act which are specified as exempt from taxation by 19-3-105;

(g) all benefits paid under the highway patrol retirement law which are specified as exempt from taxation by 19-6-705;

(h) all Montana income tax refunds or credits thereof;

(i) all benefits paid under 19-11-602, 19-11-604, and 19-11-605 to retired and disabled firefighters, their surviving spouses and orphans *or specified as exempt from taxation by 19-13-1003*;

(j) all benefits paid under the municipal police officers' retirement system that are specified as exempt from taxation by 19-9-1005;

(l) all tips covered by section 3402(k) of the Internal Revenue Code of 1954, as amended and applicable on January 1, 1983, received by persons for services rendered by them to patrons of premises licensed to provide food, beverage, or lodging;

(m) all benefits received under the workers' compensation laws; and

(n) all health insurance premiums paid by an employer for an employee if attributed as income to the employee under federal law.

(3) In the case of a shareholder of a corporation with respect to which the election provided for under subchapter S. of the Internal Revenue Code of 1954, as amended, is in effect but with respect to which the election provided for under 15-31-202, as amended, is not in effect, adjusted gross income does not include any part of the corporation's undistributed taxable income, net operating loss, capital gains or other gains, profits, or losses required to be included in the shareholder's federal income tax adjusted gross income by reason of the said election under subchapter S. However, the shareholder's adjusted gross income shall include actual distributions from the corporation to the extent they would be treated as taxable dividends if the subchapter S. election were not in effect.

(4) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in his adjusted gross income the earnings and profits of the DISC in the same manner as provided by federal law (section 995, Internal Revenue Code) for all periods for which the DISC election is effective.

The deduction must be made in the year the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(6) Married taxpayers filing a joint federal return who must include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(7) A taxpayer receiving retirement disability benefits who has not attained age 65 by the end of the taxable year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to \$100 per week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the

amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, permanently and totally disabled means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months. (Subsection (2)(l) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983.)”

The department may abate the penalty if the taxpayer establishes that the failure to file on time was due to reasonable cause and was not due to neglect on his part. If any person, without purposely or knowingly violating any requirement imposed by this chapter, fails to pay any tax on or before its due date (determined with regard to an extension of time granted for filing the return), there shall be added to the tax a penalty of 10% of said tax, but not less than \$5, and interest shall accrue on the tax at the rate of 9% per annum for the entire period it remains unpaid. (2) If any person fails, purposely or knowingly violating any requirement imposed by this chapter, to make a return of income or to pay a tax if one is due at the time required by or under the provisions of this chapter, there shall be added to the tax an additional amount equal to 25% thereof, but such additional amount shall in no case be less than \$25, and interest at 1% for each month or fraction of a month during which the tax remains unpaid.

(3) Any individual, corporation, or partnership or any officer or employee of any corporation or member or employee of any partnership who, with intent to evade any tax or any requirement of this chapter or any lawful requirement of the department thereunder, purposely or knowingly, fails to pay the tax or to make, render, or sign any return or to supply any information within the time required by or under the provisions of this chapter or who, with like intent, purposely or knowingly makes, renders, or signs any false or fraudulent return or statement or supplies any false or fraudulent information shall be liable to a penalty of not more than \$1,000, to be recovered by the attorney general in the name of the state by action in any court of competent jurisdiction, and shall also be guilty of a misdemeanor and shall upon conviction be fined not to exceed \$1,000 or be imprisoned not to exceed 1 year, or both, at the discretion of the court.

(4) With respect to the imposition of a civil penalty, evidence produced by the department to the effect that a tax has not been paid, that a return

has not been filed, or that information has not been supplied as required under the provisions of this chapter is prima facie evidence that the tax has not been paid, the return has not been filed, or the information has not been supplied."

"Security" does not include any insurance or endowment policy or annuity contract under which an insurance company promises to pay a sum of money either in a lump sum or periodically for life or some other specified period.

(13) "State" means any state, territory, or possession of the United States, as well as the District of Columbia and Puerto Rico."

Section 77. Section 30-10-204, MCA, is amended to read:

**"30-10-204. Registration by coordination.** (1) Any security for which a registration statement has been filed under the Securities Act of 1933 or any securities for which filings have been made pursuant to regulation A or regulation E, and amendments thereto, of the general rules and regulations of the United States securities and exchange commission, adopted pursuant to subsection (b) of section 3 of said Securities Act of 1933, in connection with the same offering, may be registered by coordination. A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in 30-10-209:

(a) three copies of the prospectus or offering circular and letter of notification filed under the Securities Act of 1933 or the general rules and regulations thereunder, together with all amendments thereto;

(b) the amount of securities to be offered in this state;

(c) the states in which a registration statement or similar document in connection with the offering has been or is expected to be filed;

(d) any adverse order, judgment, or decree previously entered in connection with the offering by any court or the securities and exchange commission;

(e) if the commissioner by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(f) if the commissioner requests, any other information, or copies of any other documents, filed under the Securities Act of 1933;

(g) an undertaking to forward promptly all amendments to the federal registration statement or offering circular and letter of notification, other than an amendment which merely delays the effective date;

(h) a consent to service of process meeting the requirements of 30-10-208; and

(i) such other information as the commissioner may require.

(2) A registration statement by coordination under this section automatically becomes effective at the moment the federal registration statement or other filing becomes effective if all the following conditions are satisfied:

(a) no stop order is in effect and no proceeding is pending under 30-10-207;

(b) the registration statement has been on file with the commissioner for at least 10 business days; and

(c) a statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for 2 business days or such shorter period as the commissioner permits by rule or otherwise and the offering is made within those limitations.

(3) The registrant shall promptly notify the commissioner of the date and time when the federal registration statement or other filings became effective and the content of the price amendment, if any, and shall promptly file a posteffective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

(4) Upon failure to receive the required notification and posteffective amendment with respect to the price amendment referred to in subsection (3) of this section, the commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with *subsections (2) and (3)* of this section, if he promptly notifies the registrant of the issuance of the order. If the registrant proves compliance with the requirements as to notice and posteffective amendment, the stop order is void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in subsections (2)(b) and (2)(c) of this section. If the federal registration statement or other filing becomes effective before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement or other filing is expected to become effective the commissioner shall promptly advise the registrant whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under 30-10-207; but this advice by the commissioner does not preclude the institution of such a proceeding at any time."

No such rule shall extend, modify, or conflict with any law of this state or the reasonable implications thereof. Any such rule affecting persons or matters other than the personnel or the internal affairs of the commissioner's office shall be made or amended only after a hearing thereon of which notice was given as required by 33-1-703. If reasonably possible the commissioner shall set forth the proposed rule or amendment in or with the notice of hearing. No such rule or amendment as to which a hearing is required shall be effective until it has been on file as a public record in the commissioner's office for at least 10 days.

(3) If for an agent's license, the application must state the kinds of insurance proposed to be transacted and be accompanied by written appointment of the applicant as agent by an authorized insurer, subject to issuance of the license.

(4) If for a solicitor's license, the application must be accompanied by written appointment of applicant as solicitor by a licensed agent, subject to issuance of the license.

(1) The premium for the insurance shall be paid by the policyholder, either from the employer's or union's funds or funds contributed by the employer or union or from funds contributed by the insured employees or members, or from both. If any part of the premium is to be derived from funds contributed by the insured employees or members, the insurance with respect to spouses and children may be placed in force only if at least 75% of the then eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, elect to make the required contribution. If no part of the premium is to be derived from funds contributed by the employees or members, all eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, must be insured with respect to their spouses and children.

If the spouse dies within the period during which he would have been entitled to have an individual policy issued in accordance with this provision, the amount of life insurance which he would have been entitled to have issued under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made.

(2) If the employer is a partnership or sole proprietorship, such employer may elect to include as an employee within the provisions of this chapter any member of such partnership or the owner of the sole proprietorship devoting full time to the partnership or proprietorship business. In the event of such election, the employer must serve upon the employer's insurer written notice naming the partners or sole proprietor to be covered, and no partner or sole proprietor shall be deemed an employee within this chapter until such notice has been given. For premium ratemaking and for the determination of weekly wage for weekly compensation benefits, the

insurance carrier shall assume a salary or wage of such electing employee to be not less than \$900 a month and not more than 1 ½ times the average weekly wage as defined in this chapter."

Section 97. Section 39-71-403, MCA, is amended to read:

**"39-71-403. Plan three exclusive for state agencies — election of plan by other public corporations.** (1) Where a state agency is the employer, the terms, conditions, and provisions of compensation plan No. 3 shall be exclusive, compulsory, and obligatory upon both employer and employee. Any sums necessary to be paid under the provisions of this chapter by any state agency shall be considered to be ordinary and necessary expense of the agency, and the agency shall make appropriation of and pay such sums into the state compensation insurance fund at the time and in the manner provided for in this chapter, notwithstanding that the state agency may have failed to anticipate such ordinary and necessary expense in any budget, estimate of expenses, appropriations, ordinances, or otherwise.

(2) A public corporation, other than a state agency, may elect coverage under compensation plan No. 1, employer; plan No. 2, insurer; or plan No. 3, state insurance fund; separately or jointly with any other public corporation, other than a state agency. A public corporation electing compensation plan No. 1 may purchase reinsurance. A public corporation electing compensation plan No. 1 is subject to the same provisions as a private employer electing compensation plan No. 1.

(3) A public corporation, other than a state agency, that elects plan No. 1 may establish a fund sufficient to pay the compensation and benefits provided for in this chapter and chapter 72 and to discharge all liabilities that reasonably incur during the fiscal year for which the election is effective. Proceeds from the fund must be used only to pay claims covered by this chapter and chapter 72 and for actual and necessary expenses required for the efficient administration of the fund.

(4) All money in the fund established under subsection (3) not needed to meet immediate expenditures must be invested by the governing body of the public corporation, and all proceeds of the investment shall be credited to the fund."

Section 98. Section 40-4-209, MCA, is amended to read:

**"40-4-209. Security or guaranty to secure support.** (1) Upon verified application by a person authorized to enforce or collect a child support obligation, the department of revenue, or the department of social and rehabilitation services showing that a person obligated to pay child support or maintenance pursuant to court or administrative order is delinquent in an amount equal to the total of 6 months' support payments, the court may direct the obligated person to appear and show cause why an order should not be entered ordering that he post bond, give a mortgage, or provide other security or guaranty for the payment of the delinquency.

(2) If the court finds that a delinquency greater than the total of 6 months of support is owed and that the obligated person has the ability to post bond, give a mortgage, or provide security or other guaranty, the court

may enter an order requiring him to post bond, give a mortgage, or provide security or guaranty for so long as there is a support delinquency.

(3) The bond or other security may be in an amount up to the total support due for a 2-year period and must be approved by the court. The bond must include the name and address of the issuer. Any person issuing a bond under this section must, if the bond is cancelled, notify the court and the person or public agency entitled to receive payments under the support order.

(4) If the person obligated to pay child support or maintenance fails to make payments as required by the court or administrative order, the person or public agency entitled to receive payment may recover on the bond or other security. The amount recovered on the bond or other security must first be applied toward satisfaction of any support arrearages.

(5) The department of *revenue* shall adopt guidelines which take into account the payment record of the obligated person, the availability of other remedies, and other considerations which it determines relevant for determining whether the procedure provided in this section would carry out the purpose of enforcing payments of child support or would be appropriate in the circumstances. If after application of the guidelines the department determines an application for an order requiring security is not appropriate, it may not request the order."

Section 99. Section 41-3-611, MCA, is amended to read:

**"41-3-611. Effect of decree.** (1) An order for the termination of the parent-child legal relationship divests the child and the parents of all legal rights, powers, immunities, duties, and obligations with respect to each other as provided in Title 40, chapter 6, part 2, except the right of the child to inherit from the parent.

(2) An order or decree entered pursuant to this part may not disentitle a child to any benefit due him from any third person, including but not limited to any Indian tribe, agency, state, or the United States.

(3) After the termination of a parent-child legal relationship, the former parent is neither entitled to any notice of proceedings for the adoption of the child nor has any right to object to the adoption or to participate in any other placement proceedings held pursuant to 41-3-610."

Section 100. Section 41-5-206, MCA, is amended to read:

**"41-5-206. Transfer to criminal court.** (1) After a petition has been filed alleging delinquency, the court may, upon motion of the county attorney, before hearing the petition on its merits, transfer the matter of prosecution to the district court if:

(a) (i) the youth charged was 12 years of age or more at the time of the conduct alleged to be unlawful and the unlawful act would constitute sexual intercourse without consent as defined in 45-5-503, deliberate homicide as defined in 45-5-102, or mitigated deliberate homicide as defined in 45-5-103, or the attempt, as defined in 45-4-103, of either deliberate or mitigated deliberate homicide if the act had been committed by an adult; or

(ii) the youth charged was 16 years of age or more at the time of the conduct alleged to be unlawful and the unlawful act is one or more of the following:

- (A) negligent homicide as defined in 45-5-104;
- (B) arson as defined in 45-6-103;
- (C) aggravated assault as defined in 45-5-202;
- (D) robbery as defined in 45-5-401;
- (E) burglary or aggravated burglary as defined in 45-6-204;
- (F) aggravated kidnapping as defined in 45-5-303;
- (G) possession of explosives as defined in 45-8-335;
- (H) criminal sale of dangerous drugs for profit as included in 45-9-101;
- (I) attempt as defined in 45-4-103 of any of the acts enumerated in subsections (1)(a)(ii)(A) through (1)(a)(ii)(H);

(b) a hearing on whether the transfer should be made is held in conformity with the rules on a hearing on a petition alleging delinquency, except that the hearing will be to the youth court without a jury;

(c) notice in writing of the time, place, and purpose of the hearing is given to the youth, his counsel, and his parents, guardian, or custodian at least 10 days before the hearing; and

(d) the court finds upon the hearing of all relevant evidence that there are reasonable grounds to believe that:

- (i) the youth committed the delinquent act alleged;
- (ii) the seriousness of the offense and the protection of the community require treatment of the youth beyond that afforded by juvenile facilities; and
- (iii) the alleged offense was committed in an aggressive, violent, or premeditated manner.

(2) In transferring the matter of prosecution to the district court, the court may also consider the following factors:

(a) the sophistication and maturity of the youth, determined by consideration of his home, environmental situation, and emotional attitude and pattern of living;

(b) the record and previous history of the youth, including previous contacts with the youth court, law enforcement agencies, youth courts in other jurisdictions, prior periods of probation, and prior commitments to juvenile institutions. However, lack of a prior juvenile history with youth courts will not of itself be grounds for denying the transfer.

(c) the severity of the offense;

(d) the prospects for adequate protection of the public and the likelihood of reasonable rehabilitation of the youth by the use of procedures, services, and facilities currently available to the youth court.

(3) Upon transfer to district court, the judge shall make written findings of the reasons why the jurisdiction of the court was waived and the case transferred to district court.

(4) The transfer terminates the jurisdiction of the court over the youth with respect to the acts alleged in the petition. No youth may be prosecuted in the district court for a criminal offense originally subject to the jurisdiction of the youth court unless the case has been transferred as provided in this section.

(5) Upon order of the court transferring the case to the district court, the county attorney shall file the information against the youth without unreasonable delay.

(6) Any offense not enumerated in subsection (1) that arises during the commission of a crime enumerated in subsection (1) may be:

(a) tried in youth court;

(b) transferred to district court with an offense enumerated in subsection (1), upon motion of the county attorney and acceptance by the district court judge.

(7) If a youth is found guilty in district court of any of the offenses enumerated in subsection (1) of this section and is sentenced to the state prison, his commitment shall be to the department of institutions which shall confine the youth in whatever institution it considers proper; however, no youth under 16 years of age may be confined in the state prison."

Section 101. Section 41-5-523, MCA, is amended to read:

**"41-5-523. (Temporary) Disposition of delinquent youth and youth in need of supervision.** (1) If a youth is found to be delinquent or in need of supervision, the court may enter its judgment making the following disposition:

(a) place the youth on probation;

(b) place the youth for substitute care into a youth care facility as defined in 41-3-1102 or a home approved by the court;

(c) place the youth in a private agency responsible for the care and rehabilitation of such a youth;

(d) transfer legal custody to the department of institutions; provided, however, that in the case of a youth in need of supervision, such transfer of custody does not authorize the department of institutions to place the youth in a state youth correctional facility and such custody may not continue for a period of more than 6 months without a subsequent court order after notice and hearing;

(e) such further care and treatment or evaluation that the court considers beneficial to the youth; or

(f) order restitution by the youth.

(2) At any time after the youth has been taken into custody, the court may, with the consent of the youth in the manner provided in 41-5-303 for

consent by a youth to a waiver of his constitutional rights or after the youth has been adjudicated delinquent or in need of supervision, order the youth to be evaluated by the department of institutions for a period not to exceed 45 days of evaluation at a reception and evaluation center for youths.

(3) At any time after a youth has been taken into custody, the court may request that the youth be evaluated at the Montana youth treatment center, for a period not to exceed 60 days, for the sole purpose of advising the court as to whether the youth is seriously mentally ill, as defined in 53-21-102, but the court must first find that reasonable grounds exist to believe that the youth is suffering from a mental disorder as defined in 53-21-102.

(4) No evaluation of a youth may be performed at the Montana state hospital unless such youth is transferred to the district court under 41-5-206.

(5) If the court determines that a delinquent youth or youth in need of supervision is in need of treatment at the Montana youth treatment center, the court must first determine, based on testimony of a professional person, as defined in 53-21-102, that the youth is seriously mentally ill as defined in 53-21-102. The youth is entitled to all rights provided by 53-21-114 through 53-21-119.

(6) Upon a finding of serious mental illness, the court may commit a delinquent youth to the department of institutions and recommend that the youth be placed at the Montana youth treatment center. Upon release or discharge from the center, if the court order has not expired or if the youth is less than 21 years of age, he must be retained under the supervision of the department until the expiration of the court order or until he attains the age of 21.

(7) If the court finds that placement in a youth care facility other than a youth group home or youth foster home is necessary and in the best interests of the youth and the community, the court shall determine if the youth can receive appropriate treatment in a youth care facility located in Montana as follows:

(a) If the court finds the youth can receive appropriate treatment in a youth care facility located in Montana that will accept the youth, the court may not place the youth in a youth care facility located outside this state unless an out-of-state facility can provide appropriate treatment that:

(i) can be obtained at a cost less than that offered by any available facility in this state; and

(ii) is available in closer proximity to the youth's place of residence than any facility located in this state.

(b) When the department of social and rehabilitation services is ordered to pay the costs of caring for the child in a youth care facility other than a youth foster home or youth group home, the court shall provide the department at least 5 days' written notice and opportunity to be heard before ordering the placement of the youth.

(8) No youth may be committed or transferred to a penal institution or other facility used for the execution of sentence of adult persons convicted of crimes.

(9) Any order of the court may be modified at any time. In the case of a youth committed to the department of institutions, an order pertaining to the youth may be modified only upon notice to the department and subsequent hearing.

(10) Whenever the court vests legal custody in an agency, institution, or department, it must transmit with the dispositional judgment copies of a medical report and such other clinical, predisposition, or other reports and information pertinent to the care and treatment of the youth.

(11) The order of commitment to the department of institutions shall read as follows:

**41-5-523. (Effective as provided in Compiler's Comments) Disposition of delinquent youth and youth in need of supervision.** (1) If a youth is found to be delinquent or in need of supervision, the court may enter its judgment making the following disposition:

- (a) place the youth on probation;
- (b) place the youth for substitute care into a youth care facility as defined in 41-3-1102 or a home approved by the court;
- (c) place the youth in a private agency responsible for the care and rehabilitation of such a youth;

(d) transfer legal custody to the department of institutions; provided, however, that in the case of a youth in need of supervision, such transfer of custody does not authorize the department of institutions to place the youth in a state youth correctional facility and such custody may not continue for a period of more than 6 months without a subsequent court order after notice and hearing;

(e) such further care and treatment or evaluation that the court considers beneficial to the youth; or

(f) order restitution by the youth.

(2) At any time after the youth has been taken into custody, the court may, with the consent of the youth in the manner provided in 41-5-303 for consent by a youth to a waiver of his constitutional rights or after the youth has been adjudicated delinquent or in need of supervision, order the youth to be evaluated by the department of institutions for a period not to exceed 45 days of evaluation at a reception and evaluation center for youths.

(3) No evaluation of a youth may be performed at the Montana state hospital unless such youth is transferred to the district court under 41-5-206.

(4) If the court finds that placement in a youth care facility other than a youth group home or youth foster home is necessary and in the best interests of the youth and the community, the court shall determine if the youth can receive appropriate treatment in a youth care facility located in Montana as follows:

(a) If the court finds the youth can receive appropriate treatment in a youth care facility located in Montana that will accept the youth, the court may not place the youth in a youth care facility located outside this state unless an out-of-state facility can provide appropriate treatment that:

(i) can be obtained at a cost less than that offered by any available facility in this state; and

(ii) is available in closer proximity to the youth's place of residence than any facility located in this state.

(b) When the department of social and rehabilitation services is ordered to pay the costs of caring for the child in a youth care facility other than a youth foster home or youth group home, the court shall provide the department at least 5 days' written notice and opportunity to be heard before ordering the placement of the youth.

(5) No youth may be committed or transferred to a penal institution or other facility used for the execution of sentence of adult persons convicted of crimes.

(6) Any order of the court may be modified at any time. In the case of a youth committed to the department of institutions, an order pertaining to the youth may be modified only upon notice to the department and subsequent hearing.

(c) provide for the safe operation of vehicles of less than 26,000 pounds gross vehicle weight if they are used to transport passengers for hire or to transport hazardous materials of a type or quantity that requires the vehicle to be marked or placarded in accordance with rules adopted by the department.

(2) Standards of safety adopted pursuant to subsections (1)(b) and (1)(c) must be the same as prescribed for motor carriers, and the same inspection standards and procedures apply. However, standards relating to drivers, other than drivers for motor carriers, do not apply to a vehicle operated exclusively within a 200-mile radius of its work reporting location.

(3) The highway patrol has responsibility for enforcement of standards adopted pursuant to subsection (1)(a). Inspection of a vehicle based in Montana may, at the request of the carrier, be made at the place of business or domicile of the vehicle owner or, if that is not a practicable inspection site, at a designated location and at a mutually agreeable time. After inspection, a vehicle found to conform to the standards adopted pursuant to subsection (1)(a) is entitled to certification and identification to exempt it from further safety inspection until the next required periodic inspection or until a nonconformity with standards is apparent. Nothing in this section prohibits the inspection of a motor vehicle as *provided for* by subsection (1)(a) at a safe location on a public road.

(4) The department shall cooperate with the department of highways to assure minimum duplication and maximum coordination of enforcement effort."

Section 104. Section 46-18-201, MCA, is amended to read:

**"46-18-201. Sentences that may be imposed.** (1) Whenever a person has been found guilty of an offense upon a verdict or a plea of guilty, the court may:

(a) defer imposition of sentence, excepting sentences for driving under the influence of alcohol or drugs, for a period, except as otherwise provided, not exceeding 1 year for any misdemeanor or for a period not exceeding 3 years for any felony. The sentencing judge may impose upon the defendant any reasonable restrictions or conditions during the period of the deferred imposition. Such reasonable restrictions or conditions may include:

- (i) jail base release;
- (ii) jail time not exceeding 180 days;
- (iii) conditions for probation;
- (iv) restitution;
- (v) payment of the costs of confinement;

- (x) any other reasonable conditions considered necessary for rehabilitation or for the protection of society; or
- (xi) any combination of the above.

(b) suspend execution of sentence up to the maximum sentence allowed for each particular offense. The sentencing judge may impose on the defendant any reasonable restrictions or conditions during the period of suspended sentence. Such reasonable restrictions or conditions may include any of those listed in subsections (1)(a)(i) through (1)(a)(xi).

(c) impose a fine as provided by law for the offense;

(d) require payment of costs as provided in 46-18-232 or payment of costs of court-appointed counsel as provided in 46-8-113;

(e) commit the defendant to a correctional institution with or without a fine as provided by law for the offense;

(f) impose any combination of subsections (1)(b) through (1)(e).

(2) If any financial obligation is imposed as a condition under subsection (1)(a), sentence may be deferred for a period not exceeding 2 years for any misdemeanor or for a period not exceeding 6 years for any felony, regardless of whether any other conditions are imposed.

(3) If any restrictions or conditions imposed under subsection (1)(a) or (1)(b) are violated, any elapsed time, except jail time, is not a credit against the sentence unless the court orders otherwise.

(4) Except as provided in 46-18-222, the imposition or execution of the first 2 years of a sentence of imprisonment imposed under the following sections may not be deferred or suspended: 45-5-103(2), 45-5-202(3) *relating to aggravated assault*, 45-5-302(2), 45-5-303(2), 45-5-401(2), 45-5-503(2) and (3), 45-9-101(2) and (3), 45-9-102(3), and 45-9-103(2).

(5) Except as provided in 46-18-222, the imposition or execution of the first 10 years of a sentence of imprisonment imposed under 45-5-102(2) may not be deferred or suspended.

(6) Except as provided in 46-18-222, imposition of sentence in a felony case may not be deferred in the case of a defendant who has been convicted of a felony on a prior occasion whether or not the sentence was imposed, imposition of the sentence was deferred, or execution of the sentence was suspended.

(7) If the victim was less than 16 years old, the imposition or execution of the first 30 days of a sentence of imprisonment imposed under 45-5-502(3), 45-5-503, 45-5-504, 45-5-505, or 45-5-507 may not be deferred or suspended. Section 46-18-222 does not apply to the first 30 days of such imprisonment."

Section 105. Section 46-18-222, MCA, is amended to read:

**"46-18-222. Exceptions to mandatory minimum sentences and restrictions on deferred imposition and suspended execution of sentence.** All mandatory minimum sentences prescribed by the laws of this

state and the restrictions on deferred imposition and suspended execution of sentence prescribed by subsections (4), (5), and (6) of 46-18-201, 46-18-221(3), 46-18-224, and 46-18-502(3) do not apply if:

(1) the defendant was less than 18 years of age at the time of the commission of the offense for which he is to be sentenced;

(2) the defendant's mental capacity, at the time of the commission of the offense for which he is to be sentenced, was significantly impaired, although not so impaired as to constitute a defense to the prosecution. However, a voluntarily induced intoxicated or drugged condition may not be considered an impairment for the purposes of this subsection.

(3) the defendant, at the time of the commission of the offense for which he is to be sentenced, was acting under unusual and substantial duress, although not such duress as would constitute a defense to the prosecution;

(4) the defendant was an accomplice, the conduct constituting the offense was principally the conduct of another, and the defendant's participation was relatively minor; or

(5) where applicable, no serious bodily injury was inflicted on the victim unless a weapon was used in the commission of the offense."

Section 106. Section 46-18-231, MCA, is amended to read:

**"46-18-231. Fines in felony and misdemeanor cases.** (1) Whenever, upon a verdict or a plea of guilty, a person has been found guilty of an offense for which a felony penalty of imprisonment could be imposed, the court may impose a fine, only in accordance with subsection (3), and in lieu of or in addition to a sentence of imprisonment. For those crimes for which penalties are provided in 45-5-103(2), 45-5-202(3), 45-5-302(2), 45-5-303(2), 45-5-401(2), 45-5-502(3), 45-5-503(2) and (3), 45-9-101(2) and (3), 45-9-102(3), and 45-9-103(2), a fine may be imposed in accordance with subsection (3) in addition to a sentence of imprisonment.

(2) Whenever, upon a verdict or plea of guilty, a person has been found guilty of an offense for which a misdemeanor penalty of a fine could be imposed, the court may impose a fine only in accordance with subsection (3).

(3) The court may not sentence a defendant to pay a fine unless the defendant is or will be able to pay the fine. In determining the amount and method of payment, the court shall take into account the nature of the crime committed, the financial resources of the defendant, and the nature of the burden that payment of the fine will impose.

(4) Any fine levied under this section in a felony case shall be in an amount fixed by the court not to exceed \$50,000."

Section 107. Section 46-19-103, MCA, is amended to read:

**"46-19-103. Execution of death sentence.** (1) In pronouncing the sentence of death, the court shall set the date of execution which must not be less than 30 days or more than 60 days from the date the sentence is

pronounced. If execution has been stayed by any court and the date set for execution has passed prior to dissolution of the stay, the court in which the defendant was previously sentenced shall, upon dissolution of the stay, set a new date of execution for not less than 5 or more than 90 days from the day the date is set. The defendant is entitled to be present in court on the day the new date of execution is set.

(2) Pending execution of a sentence of death, the sheriff may deliver the defendant to the state prison for confinement, and the state shall bear the costs of imprisoning the defendant from the date of delivery.

(3) The punishment of death must be inflicted by hanging the defendant by the neck until he is dead or, at the election of the defendant, by administration of a continuous, intravenous injection of a lethal quantity of an ultra-fast-acting barbiturate in combination with a chemical paralytic agent until a licensed physician pronounces that the defendant is dead according to accepted standards of medical practice.

(4) The warden of the Montana state prison shall provide a suitable and efficient room or place in which executions will be carried out, enclosed from public view, within the walls of the state prison, and shall provide all implements necessary to the execution. The warden shall, subject to subsection (5), select the person to perform the execution, and the warden or his designee shall supervise the execution.

(5) An execution carried out by lethal injection must be performed by a person selected by the warden and trained to administer the injection. The person administering the injection need not be a physician, registered nurse, or licensed practical nurse licensed or registered under the laws of this or any other state. The warden must allow the execution to be observed by 12 witnesses, 3 of whom may be designated by the person to be executed.

(6) After the execution, the warden shall make a return upon the death warrant showing time, mode, and manner in which it was executed."

**"67-3-202. Penalty for registration violations.** (1) When an aircraft required to be registered under the provisions of subsections (2) and (4) through (7) of 67-3-201 is not registered on or before March 1 of the current calendar year, a penalty fee of \$100 shall be added to the registration fee and collected. Registration of an aircraft in the name of the applicant for the year immediately preceding the year for which application for registration is made shall be prima facie evidence that the aircraft has been based in this state during the year for which application for registration is made.

(2) Except for aircraft exempt from property taxation as provided in 15-6-210, an application for registration shall be accompanied by a copy of the receipt for or statement of personal property tax paid, signed by the treasurer of the county where the aircraft is registered, or a statement of lien assignment against real property, signed by the county assessor where the aircraft is registered. A person who pays personal property tax on his aircraft to any jurisdiction other than the county where the aircraft is required to be registered is liable for the tax in that county without credit for such other taxes paid. In addition to this civil liability, a person who attempts to establish the situs of his aircraft in any jurisdiction other than the county where the aircraft is required to be registered with intent to avoid payment of taxes to that county commits the offense of false swearing as defined in 45-7-202.

(3) A person who operates an aircraft required to be registered in the state without having displayed upon such aircraft a certificate of registration issued by the department for that aircraft commits a misdemeanor."

Section 128. Section 67-11-303, MCA, is amended to read:

**"67-11-303. Bonds and obligations.** (1) An authority may borrow money for any of its corporate purposes and issue its bonds therefor, including refunding bonds, in such form and upon such terms as it may determine, payable out of any revenues of the authority, including revenues derived from:

- (a) an airport or air navigation facility or facilities;
- (b) taxes levied pursuant to 67-11-301 or other law for airport purposes;
- (c) grants or contributions from the federal government; or
- (d) other sources.

(2) The bonds may be issued by resolution of the authority, without an election and without any limitation of amount, except that no such bonds may be issued at any time if the total amount of principal and interest to become due in any year on such bonds and on any then outstanding bonds for which revenues from the same source or sources are pledged exceeds the amount of such revenues to be received in that year as estimated in the resolution authorizing the issuance of the bonds. The authority shall take all action necessary and possible to impose, maintain, and collect rates, charges, rentals, and taxes, if any are pledged, sufficient to make the revenues from the pledged source in such year at least equal to the amount of such principal and interest due in that year.

(3) The bonds may be sold at public or private sale and may bear interest as provided in 17-5-102. Except as otherwise provided herein, any bonds issued pursuant to this chapter by an authority may be payable as to principal and interest solely from revenues of the authority and shall state on their face the applicable limitations or restrictions regarding the source from which such principal and interest are payable.

(4) Bonds issued by an authority or municipality pursuant to the provisions of this chapter are declared to be issued for an essential public and

governmental purpose by a political subdivision within the meaning of 15-30-111(2)(a).

(5) For the security of any such bonds, the authority or municipality may by resolution make and enter into any covenant, agreement, or indenture and may exercise any additional powers authorized to be exercised by a municipality under Title 7, chapter 7, parts 44 and 45. The sums required from time to time to pay principal and interest and to create and maintain a reserve for the bonds may be paid from any revenues referred to in this chapter, prior to the payment of current costs of operation and maintenance of the facilities.

(6) Subject to the conditions stated in this subsection (6), the governing body of any municipality having a population in excess of 10,000, with respect to bonds issued pursuant to this chapter by the municipality or by an authority in which the municipality is included, may by resolution covenant that in the event that at any time all revenues, including taxes, appropriated and collected for such bonds are insufficient to pay principal or interest then due, it will levy a general tax upon all of the taxable property in the municipality for the payment of such deficiency; and may further covenant that at any time a deficiency is likely to occur within 1 year for the payment of principal and interest due on such bonds, it will levy a general tax upon all the taxable property in the municipality for the payment of such deficiency, and such taxes are not subject to any limitation of rate or amount applicable to other municipal taxes but are limited to a rate estimated to be sufficient to produce the amount of the deficiency. In the event more than one municipality having a population in excess of 10,000 is included in an authority issuing bonds pursuant to this chapter, the municipalities may apportion the obligation to levy taxes for the payment of, or in anticipation of, a deficiency in the revenues appropriated for such bonds in such manner as the municipalities may determine. The resolution shall state the principal amount and purpose of the bonds and the substance of the covenant respecting deficiencies. No such resolution becomes effective until the question of its approval has been submitted to the qualified electors of the municipality at a special election called for that purpose by the governing body of the municipality and a majority of the electors voting on the question have voted in favor thereof. The notice and conduct of the election is governed, to the extent applicable, as provided for municipal general obligation bonds in Title 7, chapter 7, part 42, for an election called by cities and towns, and as provided for county general obligation bonds in Title 7, chapter 7, part 22, for an election called by counties. If a majority of the electors voting thereon vote against approval of the resolution, the municipality has no authority to make the covenant or to levy a tax for the payment of deficiencies pursuant to this section, but such municipality or authority may nevertheless issue bonds under this chapter payable solely from the sources referred to in subsection (1) above."

Whenever any ordinance authorizing the issuance of any bonds pursuant to the

improvement contemplated shall have been adopted, such ordinance shall be published once in a newspaper in which the original notice of hearing was published.

(2) The bonds shall bear interest *as provided in 17-5-102*, payable as specified by the governing body over a period not exceeding 20 years. The bonds shall be of such form and denomination and shall be payable in principal and interest at such times and place and shall be sold, authorized, and issued in such manner as the governing body may determine. The bonds shall be dated no earlier than the date on which the special assessment shall begin to bear interest and shall be secured by and payable from the levy and collection of the special assessments in anticipation of the collection of which they are issued. Any premium received on the sale of the bonds may be applied as other bond proceeds, or if not so applied, the same shall be placed in the fund for the payment of principal of and interest on the bonds.

(b) the application is not in compliance and list the deficiencies therein; and upon correction of these deficiencies and resubmission by the applicant, the department and department of health shall within 30 days notify the applicant in writing that the application is in compliance and is accepted as complete.

**"80-4-427. Injunction.** If a person without a license is found to have engaged in any business for which a license is required under parts 5 and

6 of this chapter, the court shall enjoin him from further business until he has been duly licensed. It is not necessary that the department show that an individual has been injured by the actions complained of in order to issue the injunction. Section 143. Section 82-4-232, MCA, is amended to read:

**"82-4-232. Area mining required — bond — alternative plan.** (1) Area strip mining, a method of operation which does not produce a bench or fill bench, is required where strip mining is proposed. All highwalls must be reduced and the steepest slope of the reduced highwall shall be no greater than 20 degrees from the horizontal. Highwall reduction shall be commenced at or beyond the top of the highwall and sloped to the graded spoil bank. Reduction, backfilling, and grading shall eliminate all highwalls and spoil peaks. The area of land affected shall be restored to the approximate original contour of the land. When directed by the department, the operator shall construct in the final grading such diversion ditches, depressions, or terraces as will accumulate or control the water runoff. Additional restoration work may be required by the department according to rules adopted by the board.

(2) In addition to the backfilling and grading requirements, the operator's method of operation on steep slopes may be regulated and controlled according to rules adopted by the board. These rules may require any measure whatsoever to accomplish the purpose of this part.

(3) For coal mining on prime farmlands, the board shall establish by rule specifications for soil removal, storage, replacement, and reconstruction, and the operator shall as a minimum be required to:

(a) segregate the A horizon of the natural soil, except where it can be shown that other available soil materials will create a final soil having a greater productive capacity; and if not utilized immediately, stockpile this

material separately from other spoil and provide needed protection from wind and water erosion or contamination by other acid or toxic material;

(b) segregate the B horizon of the natural soil, or underlying C horizon or other strata, or a combination of such horizons or other strata that are shown to be both texturally and chemically suitable for plant growth and that can be shown to be equally or more favorable for plant growth than the B horizon in sufficient quantities to create in the regraded final soil a root zone of comparable depth and quality to that which existed in the natural soil; and if not utilized immediately, stockpile this material separately from other spoil and provide needed protection from wind and water erosion or contamination by acid or toxic material;

(c) replace and regrade the root zone material described in (b) above with proper compaction and uniform depth over the regraded spoil material; and

(d) redistribute and grade in a uniform manner the surface soil horizon described in (a) above.

(4) All available topsoil shall be removed in a separate layer, guarded from erosion and pollution, and kept in such a condition that it can sustain vegetation of at least the quality and variety it sustained prior to removal, provided that the operator shall accord substantially the same treatment to any subsurface deposit of material that is capable, as determined by the department, of supporting surface vegetation virtually as well as the present topsoil. After the operation has been backfilled and graded, the topsoil or the best available subsurface deposit of material which is best able to support vegetation shall be returned as the top layer.

(5) As determined by rules of the board, time limits shall be established requiring backfilling, grading, subsidence stabilization, water control, high-wall reduction, topsoiling, planting, and revegetation to be kept current. All backfilling, subsidence stabilization, sealing, grading, and topsoiling shall be completed before necessary equipment is moved from the operation.

(6) (a) The permittee may file a request with the department for the release of all or part of a performance bond or deposit. Within 30 days after any application for bond or deposit release has been filed with the department, the permittee shall submit a copy of an advertisement notice placed at least once a week for 4 successive weeks in a newspaper of general circulation in the locality of the prospecting or mining operation. The notice is considered part of any bond release application and must contain a notification of the precise location of the land affected, the number of acres, the permit and the date approved, the amount of the bond filed, and the portion sought to be released, the type and appropriate dates of reclamation work performed, and a description of the results achieved as they relate to the permittee's approved reclamation plan. In addition, as part of any bond release application, the permittee shall submit copies of letters that he has sent to adjoining property owners, local governmental bodies, planning agencies, and sewage and water treatment authorities or water companies in the locality of the operation, notifying them of his intention to seek release from the bond.

(b) Upon receipt of the request and copies of the notification made under subsection (6)(a), the department shall, within 30 days, conduct an inspection and evaluation of the reclamation work involved. In the evaluation, the department shall consider, among other things, the degree of difficulty in completing any remaining reclamation, whether pollution of surface and subsurface water is occurring, the probability of continuance or future occurrence of such pollution, and the estimated cost of abating such pollution. The department shall notify the permittee in writing of its decision to release or not to release all or part of the performance bond within 60 days of the filing of the request if no public hearing is held pursuant to subsection (6)(f) or, if a public hearing is held pursuant to that subsection, within 30 days thereafter.

(c) The department may release the bond or deposit in whole or in part if it is satisfied the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this part according to the following schedule:

(i) When the permittee completes the plugging, backfilling, regrading, and drainage control of a bonded area in accordance with his approved reclamation plan, the department shall release 60% of the bond or collateral for the applicable permit area.

(ii) After revegetation has been established on the regraded lands in accordance with the approved reclamation plan, the department shall, for the period specified for operator responsibility of reestablishing revegetation, retain that amount of bond for the revegetated area that would be sufficient for a third party to cover the cost of reestablishing revegetation. Whenever a silt dam is to be retained as a permanent impoundment, the portion of bond may be released under this subsection (6)(c)(ii) if provisions for sound future maintenance by the operator or the landowner have been made with the department. No part of the bond or deposit may be released under this subsection (6)(c)(ii):

(A) as long as the lands to which the release would be applicable are contributing suspended solids to streamflow or runoff outside the permit area in excess of the requirements of 82-4-231(10)(k); or

(B) before soil productivity for prime farm lands to which the release would be applicable has returned to equivalent levels of yield as nonmined land of the same soil type in the surrounding area under equivalent management practices, as determined from the soil survey.

(iii) When the permittee has successfully completed all prospecting, mining, and reclamation activities, the department shall release the remaining portion of the bond, but not before the expiration of the period specified for responsibility and not until all reclamation requirements of this part are fully met.

(d) If the department disapproves the application for release of the bond or portion thereof, it shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to secure the release and allowing opportunity for a public hearing.

(e) When an application for total or partial bond release is filed with the department, it shall notify the municipality in which a prospecting or

mining operation is located by certified mail at least 30 days prior to the release of all or a portion of the bond.

(f) Any person with a valid legal interest that might be adversely affected by release of the bond or the responsible officer or head of any federal, state, or local governmental agency which has jurisdiction by law or special expertise with respect to any environmental, social, or economic impact involved in the operation or is authorized to develop and enforce environmental standards with respect to such operations has the right to file written objections to the proposed release from bond to the department within 30 days after the last publication of the notice provided for in subsection (6)(a). If written objections are filed and a hearing requested, the department shall inform all the interested parties of the time and place of the hearing and, within 30 days of the request for such hearing, hold a public hearing in the locality of the operation proposed for bond release. The date, time, and location of the public hearing must be advertised by the department in a newspaper of general circulation in the locality for 2 consecutive weeks, and the hearing must be held in the locality of the operation proposed for bond release or at the state capital, at the option of the objector, within 30 days of the request for such hearing.

(g) Without prejudice to the rights of the objectors or the permittee or the responsibilities of the department pursuant to this section, the department may establish an informal conference to resolve such written objections.

(h) For the purpose of the hearing under subsection (6)(f), the department may administer oaths; subpoena witnesses or written or printed materials; compel the attendance of witnesses or the production of materials; and take evidence, including but not limited to site inspections of the land affected and other operations carried on by the permittee in the general vicinity. A verbatim record of each public hearing required by this section must be made, and a transcript must be made available on the motion of any party or by order of the department.

(7) An operator may propose alternative plans other than backfilling, grading, highwall reduction, topsoiling, or seeding to a permanent diverse vegetative cover if the restoration will be consistent with the purpose of this part. These plans shall be submitted to the department, and after consultation with the landowner, if the plans are approved by the board and complied with within the time limits as may be determined by the board as being reasonable for carrying out the plans, the backfilling, grading, highwall reduction, topsoiling, or revegetation requirements of this part may be modified by the board. An operator who proposes alternative plans that will affect an existing permit shall comply with the notice requirement of 82-4-222(1)(k).

(8) If alternate revegetation is proposed, a management plan must be submitted showing how the area will be utilized and any data necessary to show that the alternate postmining land use can be achieved. Any plan must require the operation as a minimum to:

(a) restore the land affected to a condition capable of supporting the use which it was capable of supporting prior to any mining operation or to

a higher or better use of which there is a reasonable likelihood, if the use or uses do not present any actual or probable threat of water diminution or pollution, and if the permit applicant's proposed land use following reclamation is not deemed to be impractical, unreasonable, or inconsistent with applicable land use policies and plans, would not involve unreasonable delay in implementation, and would not violate federal, state, or local law; and

(b) prevent soil erosion to the extent achieved prior to mining."

Section 144. Section 82-11-131, MCA, is amended to read:

**"82-11-131. Privilege and license tax.** (1) For the purpose of providing funds for defraying the expenses of the operation and enforcement of this chapter and expenses of the board, an operator or producer of oil and gas shall pay an assessment not to exceed 2/10 of 1% of the market value of each barrel of crude petroleum originally produced, saved and marketed, or stored within the state or exported from the state and the same rate on the market value of each 10,000 cubic feet of natural gas produced, saved and marketed, or stored within the state or exported therefrom.

(2) The board shall, by rule adopted pursuant to the provisions of the Montana Administrative Procedure Act, fix the amount of the assessment and may from time to time reduce or increase the amount thereof as the expenses chargeable against the oil and gas conservation fund may require. However, the assessment fixed by the board may not exceed the limits prescribed in this section. The amount of the assessment shall be a percentage factor (not to exceed 100%) of the rate set forth in subsection (1) above, and the same percentage factor shall be applied by the board in fixing the amount of the assessment on each barrel of crude production and each 10,000 cubic feet of natural gas mentioned in that subsection. A producer of the crude petroleum and natural gas shall pay the assessment on each barrel of crude petroleum and each 10,000 cubic feet of natural gas produced for himself, as well as for another, including a royalty holder, and the producer shall be reimbursed for the payments made on crude oil and natural gas produced for another in the same manner as he is reimbursed for net proceeds tax paid *under 15-23-607* on crude petroleum or natural gas produced for another.

(3) The department of revenue shall collect the privilege and license tax assessment in the same manner as the oil and gas severance tax is collected under Title 15, chapter 36."

Section 145. Section 85-2-322, MCA, is amended to read:

**"85-2-322. Hearing — order.** (1) The department shall conduct a hearing on the proposed suspension or closure, or both. Notice of the hearing must be published at least once in each week for 3 successive weeks, not less than 30 days before the date of the hearing, in a newspaper of general circulation in the county or counties in which the source is located. The department shall serve by mail a copy of the notice and proposal not less than 30 days before the hearing upon each person or public agency known from the examination of the records of the department to be a claimant, appropriator, or permitholder of water in the source.

(2) The department may by order suspend action on and shall close the source and refuse to accept a class of applications if it finds on the basis of the hearing that there is substantial evidence in support of the allegations required by 85-2-321 to be contained in the proposal.

(3) As part of fulfilling the requirements of 2-4-623, the order must define the source and must state the class of applications to which the suspension or closure, or both, applies.

(4) Upon adoption of the order, the department shall refuse to accept any application for a permit under this part for the class of application for which closure is ordered under this section and 85-2-321. If the order suspends action on pending applications, the department shall notify the applicant that action on his application is suspended.

(5) Upon notice under 85-2-307 of intent to combine the hearings under 85-2-309 with the hearings under this section, the department may suspend action on pending applications of the class until the hearing is conducted under this section and, as part of its final order, may grant, deny, or condition the applications under 85-2-306(3), 85-2-310, and 85-2-311 or continue the suspension under this section."

Section 146. Section 85-2-421, MCA, is amended to read:

**"85-2-421. Purpose.** The purpose of 85-2-421 through 85-2-424 and 85-2-426 is to facilitate the maintenance of a reliable record of water right ownership on both the state and local levels by requiring that water right transfers be filed with the department and that the department notify the water court and the county clerk and recorder of each transfer filed."

Section 147. Section 85-2-422, MCA, is amended to read:

**"85-2-422. Definition.** As used in 85-2-421 through 85-2-424 and 85-2-426, "water right" means the right to use water as documented by a claim to an existing right, a permit, or a certificate of water right."

Section 148. Section 85-2-507, MCA, is amended to read:

**"85-2-507. Limiting withdrawals — modification of order.** (1) At the time set for the hearing, the board shall proceed to hear oral and written evidence relevant to the designation or modification of the controlled groundwater area presented by the bureau, the department, and any other interested party. A full record shall be kept of all evidence taken at the hearing. The procedure shall be such as to secure a full, fair, and orderly proceeding and to permit all relevant evidence to be received. The common-law and statutory rules of evidence shall apply only upon stipulation of all parties.

(2) After the conclusion of the hearing, the board shall make written findings and an order. The board shall by order declare the area in question to be a controlled groundwater area if the board finds on the basis of the hearing that:

(a) the public health, safety, or welfare requires a corrective control be adopted; and

(b) (i) there is a wasteful use of water from existing wells or undue interference with existing wells;

(ii) any proposed use or well will impair or substantially interfere with existing rights to appropriate surface water or groundwater by others; or

(iii) the facts alleged in the petition as required by 85-2-506(2) are true.

(3) The order shall define the boundary of the controlled groundwater area and shall indicate which of the groundwater aquifers located within the area in question are included within the controlled groundwater area. Any number of groundwater aquifers which wholly or partially overlie one another may be included in the same controlled groundwater area.

(4) The order may include the following corrective control provisions:

(a) a provision closing the controlled groundwater area to further appropriation of groundwater, in which event the department shall thereafter refuse to accept any applications for beneficial water use permits to appropriate groundwater located within such controlled area;

(b) a provision determining a permissible total withdrawal of groundwater in the controlled area by day, month, or year and permitting the board to apportion such permissible total withdrawal among the appropriators holding valid rights to the groundwater in the controlled area in accordance with the relative dates of priority of such rights;

(c) a provision according preference, without reference to relative priorities, to withdrawals of groundwater in the controlled area for domestic and livestock purposes first and thereafter to withdrawals for other beneficial purposes, including but not limited to agricultural, industrial, municipal (other than domestic), and recreational purposes, in such order as the board considers advisable under the circumstances;

(d) a provision reducing the permissible withdrawal of groundwater by any appropriator or well in the controlled area;

(e) when two or more wells in the controlled area are used by the same appropriator, a provision adjusting the total permissible withdrawal of groundwater by the appropriator or a provision forbidding the use of one or more such wells;

(f) a provision requiring and specifying a system of rotation of use of groundwater in the controlled area;

(g) provisions making such additional requirements as are necessary to protect the public health, safety, and welfare in accordance with the intent, purposes, and requirements of this part and the laws of the state.

(5) (a) If at the conclusion of the hearing the board finds that sufficient facts are not available to designate or modify a permanent controlled groundwater area, the board may by order designate the area in question to be a temporary controlled groundwater area. Such order may include the corrective control provisions contained in subsection (4). A temporary controlled groundwater area shall be designated as such for a period not to exceed 2 years from the date of the board's order designating the temporary controlled groundwater area. The board may, for sufficient cause,

extend the time period for an additional 2 years, and in this case all groundwater appropriators in the controlled groundwater area shall be notified of the extension.

(b) During the 2-year period, the department shall commence studies necessary to obtain the facts needed to assist in the designation or modification of a permanent controlled groundwater area. Facts gathered during the study period shall be presented at a hearing prior to the designation or modification of a permanent controlled groundwater area. All parties appearing at the first hearing shall be served notice of this hearing by mail at least 30 days prior to the date set for the hearing. The service shall be complete upon deposit of notice at the post office, postage prepaid, addressed to each person on whom service is to be made. Mailing of the notice, when completed, shall be considered to be sufficient notice of the hearing to all persons directly affected. The department shall file in its records proof of service by its own affidavit. The hearing shall be conducted by the board in the manner of the first hearing, and the board shall make written findings of fact and conclusions of law and issue an order according to the provisions set forth in subsections (1) through (4). In the event the department does not complete the necessary study in the 2-year period or extension thereof, the temporary controlled groundwater area designation will terminate at the end of the 2-year period or extension.

(6) The department may enforce the order and bring an action for an injunction in a district court of a district in which all or part of the area affected is located, in addition to all other remedies.

(7) The order of the board shall be published and mailed by the department in the manner and for the length of time as prescribed by 85-2-506 for the publication and mailing of the notice of hearing, except that a copy of the written findings and order of the board shall be mailed instead of a copy of the proposal and, except further, that a copy of the order, together with a copy of the written findings, shall be mailed to each petitioner at his last-known address. The department shall file a copy of the order with the county clerk of each county within which any part of the controlled groundwater area lies, and the county clerk shall record the order without fee. The department shall file in its records proof of service by its own affidavit of service. Upon publication and mailing of such order as prescribed herein, the order shall be final and conclusive unless an appeal therefrom is taken.

(8) The board may by order suspend, modify, or revoke any order made as provided in this section upon such notice and in such manner as is reasonable under the circumstances. A copy of each suspension, modification, or revocation shall be served or filed and recorded as provided for orders in subsection (7).

(9) While a matter is pending before the board, the department may restrict further development of the subarea."

Section 149. Section 85-8-350, MCA, is amended to read:

**"85-8-350. Judgment on dismissal of proceedings — assessment of costs.** (1) In case the petition or proceedings are dismissed as provided

in 85-8-327, a judgment shall be entered for the costs, expenses, and liabilities incurred in said proceedings against the petitioners and in favor of the commissioners, but for the benefit of those who have rendered services or advanced money in the prosecution of said proceedings or have recovered costs on successful contests therein.

(2) In case the proceedings are dismissed at any time or the district is discontinued for any cause subsequent to the time provided in 85-8-327, a judgment shall be entered directing the commissioners of the district to assess the costs, expenses, and liabilities incurred in said proceedings, up to and including the time of such dismissal and discontinuation, on an acreage basis against the lands in said district, which assessment shall be a lien upon said lands from the date of said judgment superior to the lien of any other judgment, mortgage, or mechanic's lien against said lands. Said assessment shall be verified by the commissioners of the district the same as assessments to pay costs of construction. Such assessments shall be spread upon the tax rolls of the counties in which said district is situated and shall be collected by the county treasurers of such counties the same as assessments to pay costs of construction are collected. Such assessments shall be payable on or before November 30 following the date upon which they are so spread upon the assessment roll of such counties. The money so collected shall be paid out upon warrants issued by the commissioners of the district to those who have rendered service or advanced money in connection with said district or have recovered costs on successful contests therein. Should such assessment, for any cause, be not sufficient for all such costs, expenses, and liabilities, then additional assessments shall be made and collected in like manner until sufficient funds have been raised to pay all such costs, expenses, and liabilities."

Section 150. Section 85-8-624, MCA, is amended to read:

**"85-8-624. Assessments on improvements — taxpayers' approval, limitations, and election procedures.** (1) It shall require a vote of the persons on the assessment rolls in any existing district to make Chapter 409, Laws of 1973, applicable to such districts.

(2) Nothing in Chapter 409, Laws of 1973, confers upon districts created for drainage purposes only the authority to levy assessments on benefits to improvements.

(3) The election provided for by subsection (1) shall be governed by the following rules:

(a) Notice of the election shall be as provided in 13-1-401(4).

(b) The manner of conducting the election shall be as provided in 85-8-302 and as nearly as practicable in accordance with the provisions of the general election laws of the state, except that no registration may be required.

(c) The qualifications of electors shall be as provided in 85-8-305, except that, in addition to persons holding title or evidence of title to lands within the district, any person as therein defined who does not own land within the district but has been assessed or will have his improvements

assessed under Chapter 409, Laws of 1973, or who will be assessed for benefits received shall be entitled to one vote. Commissioners shall prepare a list of such persons and the election administrator or deputy election administrator shall give them notice as provided in 13-1-401(4).

(d) The commissioners of any district in existence prior to March 21, 1973, who wish to hold an election to determine if the district shall be governed by Chapter 409, Laws of 1973, shall at any regular or special meeting adopt a resolution calling for an election to determine whether or not the voters of said district wish to be governed by Chapter 409, Laws of 1973. The resolution shall contain a short summary of the changes made by Chapter 409, Laws of 1973, and the summary must be included in the notice provided for by 13-1-401(4). In addition, the commission shall provide copies of Chapter 409, Laws of 1973, to any person interested in obtaining a copy of the same and the notice to the persons in the district calling the election shall describe where and how copies may be obtained. The commissioners may authorize a reasonable charge for providing said copies, not to exceed 20 cents per page.

(e) The ballot shall include the summary as provided for in the preceding subsection and the form of the ballot shall conform as closely as possible to that provided for in Title 13, chapter 27.

(f) A simple majority of those who cast valid ballots shall determine the outcome of the election."

Section 151. Section 87-1-209, MCA, is amended to read:

**"87-1-209. Acquisition and sale of lands or waters.** (1) The department, with the consent of the commission and, in the case of land acquisition involving more than 100 acres or \$100,000 in value, the approval of the board of land commissioners, may acquire by purchase, lease, agreement, gift, or devise and may acquire easements upon lands or waters for the purposes listed in this subsection. The department may develop, operate, and maintain acquired lands or waters:

- (a) for fish hatcheries, nursery ponds, or game farms;
- (b) as lands or water suitable for game, bird, fish, or fur-bearing animal restoration, propagation, or protection;
- (c) for public hunting, fishing, or trapping areas;
- (d) to capture, propagate, transport, buy, sell, or exchange any game, birds, fish, fish eggs, or fur-bearing animals needed for propagation or stocking purposes or to exercise control measures of undesirable species;
- (e) for state parks and outdoor recreation;
- (f) to extend and consolidate by exchange, lands or waters suitable for these purposes.

(2) The department, with the consent of the commission, may acquire by condemnation lands or structures for the preservation of historical or archaeological sites that are threatened with destruction or alteration.

(3) (a) The department, with the consent of the commission, may dispose of lands and waters acquired by it on those terms after public notice

*as required by subsection (3)(b), without regard to other laws which provide for sale or disposal of state lands and with or without reservation, as it considers necessary and advisable.*

(b) Notice of sale describing the lands or waters to be disposed of shall be published once a week for 3 successive weeks in a newspaper with general circulation printed and published in the county where the lands or waters are situated or, if no newspaper is published in that county, then in any newspaper with general circulation in that county.

(c) The notice shall advertise for cash bids to be presented to the director within 60 days from the date of the first publication. Each bid must be accompanied by a cashier's check or cash deposit in an amount equal to 10% of the amount bid. The highest bid shall be accepted upon payment of the balance due within 10 days after mailing notice by registered or certified mail to the highest bidder. If that bidder defaults on payment of the balance due, then the next highest bidders shall be similarly notified in succession until a sale is completed. Deposits shall be returned to the unsuccessful bidders except bidders defaulting after notification.

(d) The department shall reserve the right to reject any bids which do not equal or exceed the full market value of the lands and waters as determined by the department. If the department does not receive a bid that equals or exceeds fair market value, it may then sell the lands or waters at private sale. The price accepted on any private sale must exceed the highest bid rejected in the bid process. The department shall convey the lands and waters without covenants of warranty by deed executed by the governor or in his absence or disability by the lieutenant governor, attested by the secretary of state and further countersigned by the director.

(4) The department, with the consent of the commission, is authorized to utilize the installment contract method to facilitate the acquisition of wildlife management areas in which game and nongame fur-bearing animals and game and nongame birds may breed and replenish and areas which provide access to fishing sites for the public. In no case may the total cost of such installment contracts exceed the cost of purchases authorized by the department and appropriated by the legislature."

Taking of species for educational, scientific, or other purposes.** (1) The director may permit the taking, possession, transportation, exportation, or shipment of species or subspecies of wildlife which appear on the state list of endangered species, on the United States' list of endangered native fish and wildlife, as amended and accepted in accordance with 87-5-107(5), or on the United States' list of endangered foreign fish and wildlife, as such list may be modified hereafter, for scientific, zoological, or educational purposes, for propagation in captivity of such wildlife, or for other special purposes.

(2) Upon good cause shown and where necessary to alleviate damage to property or to protect human health, endangered species may be removed, captured, or destroyed but only pursuant to permit issued by the director and, where possible, by or under the supervision of an agent of the department. Endangered species may be removed, captured, or destroyed without permit by any person in emergency situations involving an immediate threat to human life. Provisions for removal, capture, or destruction of nongame wildlife for the purposes set forth above shall be set forth in regulations issued by the department pursuant to 87-5-105."

## CHAPTER NO. 371

[HB 69]

**AN ACT TO INCREASE THE TAXABLE VALUATION REQUIRED FOR CREATION OF A NEW ELEMENTARY SCHOOL DISTRICT OR NEW HIGH SCHOOL DISTRICT; TO PROVIDE THAT THERE BE A COMPELLING NEED FOR CREATION OF A NEW DISTRICT; AMENDING SECTIONS 20-6-216, 20-6-217, AND 20-6-325, MCA; AND PROVIDING AN EFFECTIVE DATE.**

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-6-216, MCA, is amended to read:

**"20-6-216. Limitations for creation of new elementary district.** A new elementary district may be created out of the territory of an existing elementary district or districts if:

- (1) the taxable value of the taxable property of the territory proposed to be included in such new district is \$1 million or more, except that when

50,000 acres or more of such new district are nontaxable Indian land, this limitation shall not be applicable;

(2) the taxable value of the taxable property of each existing district from which territory would be detached will be \$2 million or more after the territory is detached;

(3) the ANB in any of the existing districts is not reduced to less than 15;

(4) the territory to be included in the new district shall consist only of parcels of land that are contiguous; and

(5) *there is a compelling need, such as a significant increase in school-age population of the territory to be included in the new district, the extreme isolation of such population, or an emergency situation."*

Section 2. Section 20-6-217, MCA, is amended to read:

**"20-6-217. Procedure for creation of new elementary district.**

(1) The petition requesting the creation of a new elementary district out of the territory of an elementary district or districts shall be addressed to the county superintendent and shall:

(a) describe the territory that is requested to be incorporated in the new district and the taxable value of such territory as shown by the last completed assessment roll;

(b) state the reasons why the creation of a new district is requested, in accordance with the provisions of 20-6-216(5); and

(c) be signed by the parents or guardians of not less than 10 children between the ages of 6 and 16 years who reside in the territory that would be included in the new district and who reside more than 3 miles over the shortest practical route from an operating school.

(2) When a county superintendent receives a valid petition requesting the creation of a new district, he shall:

(a) file such petition;

(b) set a hearing place, date, and time for consideration of such petition that is not more than 40 days after the receipt of the petition; and

(c) give notice of the place, date, and time of the hearing. The notices shall be posted in the districts affected by the request in the manner prescribed in this title for school elections, with at least one such notice posted in the territory to be included in the new district.

(3) The county superintendent shall conduct the hearing as scheduled unless before or at the time of the hearing he receives a protest petition signed by a majority of the electors of the proposed new district who are qualified to vote under the provisions of 20-20-301. A valid protest petition shall conclusively deny the creation of a new district. If a hearing is conducted, any resident or taxpayer of the affected districts shall be heard. If the county superintendent considers it advisable and in the best interests of the residents of the proposed new district and the residents of the

remaining district, he shall grant the petitioned request and order the creation of a new elementary district with its boundaries coinciding with the boundaries defined in the petition. Otherwise, he shall, by order, deny the request. In the order creating the new district, the county superintendent shall establish the effective date for its creation and the procedures for effecting an orderly transition.

(4) Either of the county superintendent's orders may be appealed to the board of county commissioners within 30 days after the date of such order. Such appeal shall be in writing, signed by not less than three resident taxpayers, and shall state sufficient facts to show the appellants' right to appeal the order. The board of county commissioners shall call a hearing of such appeal for the first regular meeting of the commission that will allow notice of the hearing to be given in accordance with the requirements for notice of school elections. After considering the material presented at the county superintendent's hearing and such other material as is presented at its hearing, the board of county commissioners shall render a decision on the creation of such new elementary district. Such decision shall be final.

(5) When a new elementary district is created, the county superintendent shall appoint the trustees of the new district, giving preference in his selections to any trustees who were trustees of an old district and who reside in the new district. Any trustee position vacancies that may occur in the other districts shall be filled in the manner provided for filling trustee position vacancies for such district. Any trustee appointed under the provisions of this section shall serve until a successor is elected at the next regular school election and qualified.

(6) The order of the county superintendent or, if his order is appealed, the decision of the board of county commissioners creating a new district under this section shall be null and void, and the new district shall cease to exist, if such district does not open and operate a school within 2 years after the date of such order or decision. If the new district does not satisfy this requirement, the territory shall be reincorporated in the district or districts in which it was located before the creation of such new district and the trustees shall thereafter be without capacity to act.

(7) If a petition has been filed under the provisions of this section and denied by the county superintendent, no new petition may be filed until 1 year after the final decision on the original petition."

Section 3. Section 20-6-325, MCA, is amended to read:

**"20-6-325. Procedure for creation of new high school district out of existing districts — limitation for creation.** (1) To create a new high school district, a petition requesting the creation of a new high school district out of the territory of an existing high school district or districts must be addressed to the county superintendent and must:

(a) describe the territory that is requested to be incorporated in the new district and the taxable value of such territory as shown by the last completed assessment roll;

(b) state the reasons why the creation of a new district is requested; and

(c) be signed by the parents or guardians of not less than 50 children who are at least 14 years old but less than 18 years old and who reside in the territory that would be included in the new district and who reside more than 20 miles over the shortest practical route from an operating high school.

(2) When a county superintendent receives a valid petition requesting the creation of a new district, he shall:

(a) file such petition;

(b) set a hearing place, date, and time for consideration of the petition that is not more than 40 days after the receipt of the petition; and

(c) give notice of the place, date, and time of the hearing. Notices must be posted in the high school districts affected by the request in the manner prescribed in 20-20-204 for school elections, with at least one such notice posted in the territory to be included in the new district.

(3) The county superintendent shall conduct the hearing as scheduled unless before or at the time of the hearing he receives a protest petition signed by a majority of the electors of the proposed new district who are qualified to vote under the provisions of 20-20-301. A valid protest petition conclusively denies the creation of a new district. If a hearing is conducted, any resident or taxpayer of the affected districts must be heard. If the county superintendent considers it advisable and in the best interests of the residents of the proposed new district, he shall grant the petitioned request and order the creation of a new district with its boundaries coinciding with the boundaries defined in the petition. Otherwise, he shall by order deny the request. In the order creating the new district, the effective date for its creation must be the following July 1.

(4) The county superintendent's order may be appealed to the superintendent of public instruction within 30 days after the date of such order. An appeal must be in writing and be signed by not less than 10 residents of the proposed new district. The superintendent of public instruction shall:

(a) call a hearing on the appeal not less than 20 days or more than 30 days from receipt of the appeal;

(b) provide notice of the hearing in the manner prescribed in subsection (2)(c);

(c) consider the material presented at the county superintendent's hearing and pertinent other material; and

(d) render a decision on the creation of such new high school district. The decision is final.

(5) When a new high school district is created, the trustees of the elementary district in which the high school buildings are located are the trustees of the new district. A trustee appointed under the provisions of this section shall serve until a successor is elected at the next regular school election and is qualified.

(6) If the district does not open and operate a school within 1 year after the effective date of the creation of the new district, the order of the

county superintendent or, if his order is appealed, the decision of the superintendent of public instruction creating a new district under this section is void and the new district ceases to exist. If the new district does not satisfy this requirement, the territory must be reincorporated in the district or districts in which it was located before the creation of the new district and the trustees are without capacity to act.

(7) If a petition has been filed under the provisions of this section and denied by the county superintendent, no new petition may be filed until 1 year after the final decision on the original petition.

(8) For the purposes of this section, the taxable value of the taxable property of the territory proposed to be included in the new district must be at least \$1 million, unless 50,000 acres or more of such proposed new district are nontaxable Indian land, *and the taxable value of the taxable property of each existing district from which territory would be detached must be at least \$2 million after the territory is detached.*"

Section 4. **Effective date.** This act is effective July 1, 1987.

Approved April 7, 1987.

(2) "Approximate percentage" and "approximate number" mean the percentage or number with the variations above and below that value as allowed according to the tolerance limits defined in the "rules for seed testing" adopted by the association of official seed analysts.

(3) "Bin-run seed sales" means seed sales from one farmer to another farmer with seeds sold "as is" without guaranty or analysis.

(4) "Certifying agency" means:

(a) an agency authorized under the laws of a state, territory, or possession of the United States to officially certify seed and which has standards and procedures to assure the genetic purity and identity of the seed certified; or

(b) an agency of a foreign country determined by the department to adhere to procedures and standards for seed certification that are comparable to those adhered to generally by the seed certifying agencies described in subsection (4)(a).

(5) "Controlling the pollination" means to use a method of hybridization that will produce pure seed which is at least 75% hybrid seed. Hybrid designations must be treated as variety names.

(6) "Flower seeds" means seeds of herbaceous plants grown for their blooms, ornamental foliage, or other ornamental parts and that are commonly known and sold under the name of flower seeds in this state.

(7) "Hybrid", as the term applies to varieties of seed, means the first generation seed of a cross produced by controlling the pollination and by combining:

(b) one inbred or a single cross with an open pollinated variety; or

(c) two or more selected clones, seed lines, varieties, or species.

(8) "Indigenous seeds" means the seeds of those plants that are naturally adapted to an area where the intended use is for revegetation of disturbed sites. These plants include grasses, forbs, shrubs, and legumes.

Section 2. Section 80-5-102, MCA, is amended to read:

**"80-5-102. Labeling of agricultural seeds.** Any person offering for sale a package, parcel, or lot of agricultural seeds, as defined in [section 1], that contains 1 pound or more of agricultural seeds, whether in package or in bulk, must have affixed to it a label specifying:

(1) a lot number or other distinguishing mark;

(2) kind. The name of each kind of seed present in excess of 5% shall be shown on the label and need not be accompanied by the word "kind". When two or more kinds of seed are named on the label, the name of each kind shall be accompanied by the percentage of each. When only one kind of seed is present in excess of 5% and no variety name or type designation is shown, the percentage of that kind may be shown as "pure seed" and such percentage shall apply to seed of the kind named.

(3) variety, as follows:

(a) the following kinds of agricultural seeds shall be labeled to show the variety name or the words "variety not stated":

|                 |                      |
|-----------------|----------------------|
| alfalfa         | oat                  |
| barley          | pea, field           |
| bean, field     | rye                  |
| beet, field     | safflower            |
| brome, smooth   | sorghum              |
| clover, crimson | sorghum-sudan hybrid |
| clover, red     | soybean              |
| clover, white   | sudan grass          |
| corn, field     | sunflower            |
| corn, pop       | trefoil, birdsfoot   |
| fescue, tall    | wheat, club          |
| flax            | wheat, common        |
| millet, foxtail | wheat, durum         |

(b) if the name of the variety is given, the name may be associated with the name of the kind with or without the words "kind and variety". The percentage in this case may be shown as "pure seed" and shall apply only to seed of the variety named. If separate percentages for the kind and the variety or hybrid are shown, the name of the kind and the name of the variety or the term "hybrid" shall be clearly associated with the respective percentages. When two or more varieties are present in excess of 5% and are named on the label, the name of each variety shall be accompanied by the percentage of each.

(4) that the seed is hybrid, if any one kind or kind and variety of seed present in excess of 5% is "hybrid" seed. The percentage that is hybrid shall be at least 95% of the percentage of pure seed shown unless the percentage of pure seed which is hybrid seed is shown separately. If two or more kinds or varieties are present in excess of 5% and are named on the label, each that is hybrid shall be designated as "hybrid" on the label. No one kind or variety of seed may be labeled as "hybrid" if the pure seed contains less than 75% hybrid seed. Any one kind or kind and variety that has

pure seed which is less than 95% but more than 75% hybrid seed as a result of incompletely controlled pollination in a cross shall be labeled to show:

- (a) the percentage of pure seed that is hybrid seed; or
- (b) a statement such as "Contains from 75% to 95% hybrid seed";
- (5) state or country of origin, if known, of alfalfa, red clover, white clover, native range grasses, and field corn other than hybrid. If the origin is unknown, the fact shall be stated.
- (6) the approximate percentage of germination of agricultural seed, together with the date of test of germination. In all cases where hard seeds remain at the end of the germination test, the percentage of actual germination and the percentage of hard seeds shall be stated separately, with the provision that any portion or all of the percentage of hard seeds may be added to the percentage of germination and stated as "total germination and hard seed".
- (7) *the germination date that must include the calendar month and year in which the germination test was completed;*
- (8) *the purity analysis that must include:*
  - (a) the approximate percentage by weight of pure seed, meaning the freedom of agricultural seeds from inert matter and from other seeds;
  - (b) the approximate percentage by weight of sand, dirt, broken seeds, sticks, chaff, and other inert matter combined in agricultural seeds;
  - (c) the approximate total percentage by weight of weed seeds;
  - (d) the approximate percentage by weight of other crop seeds in agricultural seeds; and
  - (e) the name and approximate number of each kind or species of restricted noxious weed seeds occurring per pound of seed;
- (9) the full name and address of the seedsman, importer, dealer or agent, or other person, firm, or corporation selling the seed;
- (10) in the case of mixtures of agricultural seeds which contain two or more kinds of seed in excess of 5% by weight of each, when sold as mixtures:
  - (a) name of mixture;
  - (b) name and approximate percentage by weight of each kind of agricultural seed present in the mixture in excess of 5% by weight of the total mixture;
  - (c) approximate percentage by weight of broken seeds and other inert matter in the mixture of agricultural seeds;
  - (d) approximate percentage by weight of weed seeds as defined in [section 1];
  - (e) approximate percentage by weight of other crop seeds in the mixture of agricultural seeds;

(f) name and approximate number of each kind or species of restricted noxious weed seeds occurring per pound of mixtures of agricultural seeds, subject, however, to restrictions *established by rule*;

(g) approximate percentage of germination of each kind of agricultural seed present in the mixture in excess of 5% by weight, together with the month and year the seed was tested. In all cases where hard seeds remain at the end of the germination test, the percentage of actual germination and the percentage of hard seeds shall be stated separately, with the provision that any portion or all of the hard seed may be added to the percentage of germination and stated as "total germination and hard seed".

(h) full name and address of the vendor of the mixture."

Section 3. Section 80-5-103, MCA, is amended to read:

**"80-5-103. Exchange of seed between labelers.** (1) When seed is exchanged or transferred from one seed labeler to another, it shall be accompanied by a shipping document which clearly shows the kind(s) of seed and quantity of each kind. Each container of seed in a lot shall carry a lot number designation.

(2) *While seed is in the possession of a licensed seed labeler, it must carry a lot number on each container at all times. When seed is made available for sale or sold, a complete label must be attached to each container of a lot."*

Section 4. Section 80-5-104, MCA, is amended to read:

**"80-5-104. Labeling of vegetable, flower, and indigenous seeds.** (1) Vegetable and flower seeds in packets and in larger containers shall be labeled with the required information as follows:

(iii) the name and number per pound of each kind of restricted noxious weed seeds as prescribed by rules adopted under 80-5-105;

(iv) in the case of seed which has a percentage of germination less than the standard prescribed in the Federal Seed Act:

(A) the percentage of germination;

(B) the percentage of hard seed, if more than 1%;

(C) the month and year the test to determine the data required by this section was completed;

(D) the words "below standard germination" in not less than 8-point boldface type;

  - (vi) the month and year the test to determine the data required by this section was completed;
  - (vii) the name and address of the person who labeled the seed or who sells the seed within this state.
- (2) Indigenous seeds, as defined in [section 1], in amounts of 1 pound or more, whether in package or bulk, must be labeled with the following information:
- (a) the statement "Labeled only for reclamation purposes";
  - (b) lot number or other distinguishing mark;
  - (c) the common name, genus, species, and subspecies when applicable, including the name of each kind of seed present in excess of 5%. When two or more kinds of seed are named on the label, the label shall specify the percentage of each. When only one kind of seed is present in excess of 5% and no variety name or type designation is shown, the percentage must apply to seed of the kind named. If the name of the variety is given, the name may be associated with the name of the kind. The percentage in this case may be shown as "pure seed" and must apply only to seed of the variety named.
  - (d) state or country of origin, if known. If the origin is unknown, that fact shall be stated.

    - (b) the seed bears an official label issued for such seed by a seed certifying agency certifying that the seed is of a specified class and a specified kind, species (and subspecies, if appropriate), or variety;

(6) is labeled with a variety name for which a U.S. certificate of plant variety protection has been issued or applied for under the provisions of the Plant Variety Protection Act (7 U.S.C. 2321, et. seq.) without the authority of the owner of the variety or is labeled with a variety name but not certified by an official seed certifying agency when it is a variety for which the certificate or application for "protection" specifies sale only as a class of certified seed, provided that seed from a certified lot may be labeled as to variety name when used in a mixture by or with approval of the owner of the variety."

Section 6. Section 80-5-107, MCA, is amended to read:

**"80-5-107. Exemptions.** *Seed or mixtures of same shall be exempt from the provisions of this part:*

- (1) when possessed, exposed for sale, or sold for food purposes only;

tests of any seed samples made under the authority of the department, is presumptive evidence of the correctness of the facts stated in it."

Section 11. Section 80-5-112, MCA, is amended to read:

**"80-5-112. Enforcement — rules.** The department shall administer and enforce 80-5-102 through 80-5-113. For that purpose, the department may adopt rules. The department may issue and enforce a written or printed "stop sale" order to the owner or custodian of any lot of seed which the department finds in violation of 80-5-102 through 80-5-113. The order shall prohibit further sale of the seed until the department has evidence that the law has been complied with. The seed may not be confiscated or destroyed. Upon proper correction, by reconditioning, labeling, or otherwise, and when, in the judgment of the department, the requirements of 80-5-102 through 80-5-113 have been met, the stop sale order shall be lifted and the seed may be sold. The department shall adopt all necessary rules relating to the agricultural experiment station's duties under 80-5-102 through 80-5-113."

The court may order the trial closed to the public for the protection of the respondent.

(4) The professional person may testify as to the ultimate issue of whether the respondent is *mentally ill* or seriously mentally ill. *Testimony*

*from a professional person or others must be received on each element of the definition of mentally ill or seriously mentally ill as those terms are defined in 53-21-102.*

The court shall consider and shall describe in its order what alternatives for treatment of the respondent are available, what alternatives were investigated, and why the investigated alternatives were not deemed suitable. The court shall enter into the record a detailed statement of the facts upon which it found the respondent to be seriously mentally ill.

(3) *If it is determined in a proceeding under 53-21-121(1)(b) that the respondent is mentally ill within the meaning of this part, the court shall order that he receive treatment for a period of no more than 30 days. *appropriate to the needs of the respondent is available. The court shall also indicate on the order the name of the facility that is to be responsible for the management and supervision of the respondent's treatment. (b) Upon the filing of the petition, the court shall give written notice of the filing of the petition to the patient, his next of kin, if reasonably available, the friend of respondent appointed by the court, and the patient's counsel. If any person so notified requests a hearing prior to the termination of the previous detention authority, the court shall immediately set a time and place for a hearing on a date not more than 10 days from the receipt of the request and notify the same people, including the professional person in charge of the patient. *Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 61-3-203, MCA, is amended to read:

**"61-3-203. Fee for original certificate of ownership and transfer of title — disposition.** A charge of \$4 *must* be made for issuance of an original certificate of ownership of title and for a transfer of registration which *must* be collected by the county treasurer. The fees *must* be distributed as follows:

(1) *Three* dollars of each fee *must* be remitted to the department by the county treasurer with each application for original certificate of ownership or transfer of registration.

(2) Prior to March 1, 1966, and each March thereafter, the county commissioners of each county shall divide the fees retained by the county to:

(a) the city road fund of each city and town within the county based on the number of motor vehicles registered inside the corporate limits of each city or town; and

(b) the county road fund based on the number of motor vehicles registered outside the corporate limits of cities and towns."

Section 2. Section 61-3-204, MCA, is amended to read:

**"61-3-204. Lost certificates.** In the event any certificate of ownership is lost, mutilated, or becomes illegible, the owner shall immediately make application for and obtain a duplicate thereof, upon furnishing satisfactory evidence of such facts and upon payment of a fee of \$3. Revenue from this fee *must* be deposited in the motor vehicle recording account of the state special revenue fund."

Section 3. Section 61-3-103, MCA, is amended to read:

**"61-3-103. Filing of security interests, rights, procedure, fees.** (1) No security interest in a motor vehicle shall be valid as against creditors, subsequent purchasers, or encumbrancers unless a lien notice, on a form approved by the department, that shows a security interest has been created, has been filed with the department as provided in this section. The department shall not file any security interest or other lien unless it is accompanied by or specified in the application for a certificate of ownership of the vehicle encumbered. If the approved notice form is transmitted

to the department, the security agreement or other lien instrument that creates the security interest must be retained by the secured party. A copy of the security agreement is sufficient as a lien notice if it contains the name and address of the debtor and the secured party, the complete vehicle description, amount of lien, and is signed by the debtor. The department shall file the security interest or lien by entering the name and address of the secured party upon the face of the certificate of ownership. The department shall mail a statement certifying to the filing of a security interest or lien to the secured party. The department shall mail the certificate of ownership to the owner at the address given on the certificate; however, if the transfer of ownership and filing of the security interest are paid for by a creditor or secured party, the department shall return the certificate of ownership to the county treasurer where the vehicle is to be registered. The owner of a motor vehicle is the person entitled to operate and possess such motor vehicle.

(2) A security interest in a motor vehicle held as inventory by a dealer licensed under the provisions of 61-4-101, must be perfected in accordance with Title 30, chapter 9, and no endorsement on the certificate of title is necessary for perfection.

(3) Whenever a security interest or lien is filed against a motor vehicle that is subject to two security interests previously perfected by filing under this section, the department shall endorse on the face of the certificate of ownership, "NOTICE. This motor vehicle is subject to additional security interests on file with the Department of Justice." No other information regarding such additional security interests need be endorsed on the certificate.

(4) Satisfactions or statements of release filed with the department under this chapter shall be retained by it for a period of 8 years after receipt, after which they may be destroyed.

(5) The filing of a security interest or other lien, as herein provided, perfects a security interest which has attached at the time the certificate of ownership noting such interest is issued. Issuance of a certificate of ownership constitutes constructive notice to subsequent purchasers or encumbrancers, from the time of filing, of the existence of the security interest.

(6) Upon default under a chattel mortgage or conditional sales contract covering a motor vehicle, the mortgagee or vendor has the same remedies as in the case of other personal property. In case of attachment of motor vehicles all the provisions of 27-18-413, 27-18-414, and 27-18-804 shall be applicable except that deposits must be made with the department.

(7) A conditional sales vendor or chattel mortgagee or assignee who fails to file a satisfaction of a chattel mortgage, assignment, or conditional sales contract within 15 days after receiving final payment shall be required to pay the department the sum of \$1 for each day thereafter that he fails to file such satisfaction.

(8) Upon receipt of any liens, or notice of liens dependent on possession, or attachments, etc., against the record of any motor vehicle registered in this state, the department shall within 24 hours mail to the owner,

conditional sale vendor, mortgagees, or assignees of any thereof a notice showing the name and address of the lien claimant, amount of the lien, date of execution of lien, and in the case of attachment the full title of the court and the action and the name of the attorneys for the plaintiff and/or attaching creditor.

(9) It shall not be necessary to refile with the department any instruments on file in the offices of the county clerk and recorders at the time this law takes effect.

(10) A fee of \$4 *must* be paid to the department to file any security interest or other lien against a motor vehicle. The \$4 fee shall include and cover the cost of filing a satisfaction or release of the security interest and also the cost of entering such satisfaction or release on the records of the department and deleting the endorsement of the security interest from the face of the certificate of ownership. A fee of \$4 *must* be paid the department for issuing a certified copy of a certificate of ownership subject to a security interest or other lien on file in the office of the department, or for filing an assignment of any security interest or other lien on file with the department. All fees provided for in this section *must* be deposited by the department in the motor vehicle recording account of the state special revenue fund."

Section 4. Section 61-3-321, MCA, is amended to read:

**"61-3-321. Registration fees of vehicles — public-owned vehicles exempt from license or registration fees — disposition of fees.**

(1) Registration or license fees shall be paid upon registration or reregistration of motor vehicles, trailers, housetrailleurs, and semitrailers, in accordance with this chapter, as follows:

(i) trailers and semitrailers over 6,000 pounds maximum gross loaded weight, \$10;

(j) trailers used exclusively in the transportation of logs in the forest or in the transportation of oil and gas well machinery, road machinery, or bridge materials, new and secondhand, shall pay a fee of \$15 annually, regardless of size or capacity.

(2) All rates shall be 25% higher for motor vehicles, trailers, and semitrailers not equipped with pneumatic tires.

(3) "Tractor", as specified in this section, means any motor vehicle except passenger cars used for towing a trailer or semitrailer.

(4) If any motor vehicle, housetrailer, trailer, or semitrailer is originally registered 6 months after the time of registration as set by law, the registration or license fee for the remainder of the year shall be one-half of the regular fee.

(5) An additional fee of \$3 per year for each registration of a vehicle shall be collected as a registration fee. Revenue from this fee shall be forwarded by the respective county treasurers to the state treasurer for deposit in the motor vehicle recording account of the state special revenue fund.

(6) The provisions of this part with respect to the payment of registration fees shall not apply to or be binding upon motor vehicles, trailers or semitrailers, or tractors owned or controlled by the United States of America or any state, county, or city.

(7) The provisions of this section relating to the payment of registration fees do not apply when number plates are transferred to a replacement vehicle under 61-3-317, 61-3-332(7), or 61-3-335."

## CHAPTER NO. 379

[HB 566]

AN ACT TO PROVIDE THAT AN AWARD OF JOINT CUSTODY IN A SEPARATION OR DISSOLUTION OF MARRIAGE PROCEEDING IS NOT IN THE BEST INTEREST OF THE CHILD IF THERE IS A FINDING BY THE COURT OF SPOUSE ABUSE OR CHILD ABUSE BY ONE OF THE PARENTS; TO ADD CHEMICAL DEPENDENCY OR ABUSE BY ONE OF THE PARENTS TO THE RELEVANT FACTORS THE COURT MUST CONSIDER; AND AMENDING SECTIONS 40-4-212 AND 40-4-224, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 40-4-212, MCA, is amended to read:

**"40-4-212. Best interest of child.** The court shall determine custody in accordance with the best interest of the child. The court shall consider all relevant factors including, *but not limited to:*

(1) the wishes of the child's parent or parents as to his custody;

- (2) the wishes of the child as to his custodian;
- (3) the interaction and interrelationship of the child with his parent or parents, his siblings, and any other person who may significantly affect the child's best interest;
- (4) the child's adjustment to his home, school, and community;
- (5) the mental and physical health of all individuals involved;
- (6) *physical abuse or threat of physical abuse by one parent against the other parent or the child; and*
- (7) *chemical dependency, as defined in 53-24-103, or chemical abuse on the part of either parent."*

Section 2. Section 40-4-224, MCA, is amended to read:

**"40-4-224. Joint custody — modification — consultation with professionals.** (1) Upon application of either parent or both parents for joint custody, the court shall presume joint custody is in the best *interest* of a minor child unless the court finds, under the factors set forth in 40-4-212, that joint custody is not in the best *interest* of the minor child. If the court declines to enter an order awarding joint custody, the court shall state in its decision the reasons for denial of an award of joint custody. Objection to joint custody by a parent seeking sole custody is not a sufficient basis for a finding that joint custody is not in the best *interest* of a child, nor is a finding that the parents are hostile to each other. *However, a finding that one parent physically abused the other parent or the child is a sufficient basis for finding that joint custody is not in the best interest of the child.*

(2) For the purposes of this section, "joint custody" means an order awarding custody of the minor child to both parents and providing that the physical custody and residency of the child shall be allotted between the parents in such a way as to assure the child frequent and continuing contact with both parents. The allotment of time between parties shall be as equal as possible; however, each case shall be determined according to its own practicalities with the best *interest* of the child as the primary consideration.

(3) Any order for joint custody may be modified pursuant to 40-4-219 to terminate the joint custody.

(4) The court may, at any time, direct the parties to consult with appropriate professionals for the purpose of assisting the parties to formulate a plan for implementation of the custody order or to resolve any controversy that has arisen in the implementation of a plan for custody."

Section 2. **Effective date.** This act is effective July 1, 1987.

Approved April 7, 1987.

**CHAPTER NO. 383**

[HB 804]

AN ACT TO LIMIT THE PREFERENCE RIGHT OF A LESSEE TO RENEW A LEASE FOR STATE AGRICULTURAL OR GRAZING LAND IF THE LESSEE SUBLEASES THE LAND; AMENDING SECTIONS 77-6-205, 77-6-208, AND 77-6-210, MCA; AND PROVIDING AN APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, section 77-6-205, MCA, provides an existing lessee of state land a preference right to renew the lease; and

WHEREAS, the Montana Supreme Court in Jerke v. State Department of Lands, 182 Mont. 294, 597 P.2d 49 (1979), held that it is an unconstitutional application of the preference right statute to allow a lessee to exercise a preference right if the lessee subleases the land and does not use it himself; and

WHEREAS, in Skillman v. Department of State Lands, 188 Mont. 383, 613 P.2d 1389 (1980), the Supreme Court applied the rule in Jerke to deny a lessee a preference right to lease state grazing land when the lessee did not himself use such land; and

WHEREAS, state lands are to be held in trust for the people of Montana; and

WHEREAS, allowing the preference right to be exercised by a lessee who subleases the land would be to install the lessee as the trustee of state land; and

WHEREAS, there are situations where a lessee permits another person to use all or a portion of a lease that should not result in the loss of the preference right.

THEREFORE, the Legislature of the State of Montana finds it appropriate to enact legislation to limit the preference right if a lessee subleases state land in certain circumstances.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 77-6-205, MCA, is amended to read:

**"77-6-205. Renewal leases.** (1) A lessee of state land classed as agricultural, grazing, town lot, city lot, or land valuable for commercial development who has paid all rentals due from him to the state is entitled to have his lease renewed for a period not to exceed the maximum lease period provided in 77-6-109 at any time within 30 days prior to its expiration if no other applications for lease of the land have been received 30 days prior to the expiration of his lease. The renewal shall be at the rental rate provided by law for the renewal period and subject to any other conditions at the time of the renewal imposed by law as terms of the lease. *Except as provided in [section 4], if other applications have been received, the holder of the lease has the preference right to lease the land covered by his former lease by meeting the highest bid made by any other applicant. Applications for lease of lands in this section shall be given preference in the order of their receipt at the office of the department.*

(2) The board shall accept the highest bid. If the lessee exercises the preference right and believes the bid to be excessive, he may request an administrative hearing. Such request must contain a statement of reasons why the lessee believes the bid not to be in the state's best interest and must be accompanied by a deposit equal to 20% of the competitive bid in the case of grazing lands and \$1 per acre in the case of agricultural lands. The department shall grant the request for a hearing if it determines that the statement indicates evidence that the bid may not be in the state's best interests. The board may, after the hearing, reduce the rental from the amount bid if the lessee shows that the bid is not in the best interest of the state because it is above community standards for a lease of such land, would cause damage to the tract, or impair its long-term productivity. If the board reduces the bid, it shall set forth its findings and conclusions in writing and so inform the lessee and competitive bidder. It is the duty of

the board to secure the best lessees possible, so that the state may receive the maximum return possible with the least injury occurring to the land.

(3) A renewal lease may be canceled pursuant to 77-6-113, 77-6-208, 77-6-209, or 77-6-210 for a violation by the lessee that occurred during the previous lease term but no more than 3 years prior to the date on which the notice of cancellation required by 77-6-211 is issued. Cancellation procedures instituted but not completed before renewal are applicable to the renewal lease."

Section 2. Section 77-6-208, MCA, is amended to read:

**"77-6-208. Assignment of leases — subleasing — loss of preference right.** (1) Leases to state lands may be assigned on blanks prescribed by the department, but no assignment is binding on the state unless the assignment is filed with the department, approved by it and payment made of the assignment fee under 77-1-302.

(2) Preference shall always be given to the applicant who wants the land for his own individual use, so that the full advantage coming from the leasing and use of the lands may reach those who actually till the soil and so that they are not compelled to pay a higher rental than that due the state.

(3) If a lessee subleases state lands on terms less advantageous to the sublessee than the terms given by the state, the department shall cancel the lease, subject to the appeal procedure provided in 77-6-211. *If a lessee subleases state lands without filing a copy of the sublease with the department and without receiving its approval, the department may cancel the lease, subject to the appeal procedure provided in 77-6-211.*

(4) *The subleasing of state land may result in loss of the preference right to renew the lease as provided in [section 4].*

(5) *No assignment or series of assignments may be made to avoid the loss of the preference right under [section 4]."*

Section 3. Section 77-6-210, MCA, is amended to read:

**"77-6-210. Cancellation of leases.** (1) The department may cancel a lease for any of the following causes:

(a) fraud, misrepresentation, or concealment of facts relating to its issue, which if known would have prevented its issue in the form or to the party issued;

(b) *subleasing state land contrary to the provisions of [section 4];*

(c) using the land for other purposes than those authorized by the lease; and

(d) for any other cause which in the judgment of the department makes the cancellation of the lease necessary in order to do justice to all parties concerned and to protect the interests of the state.

(2) *Cancellation of a lease under this section does not entitle the lessee to any refund of rentals paid or exemption from the payment of any rentals, penalties, or other compensation due the state."*

**Section 4. Loss of preference right — cancellation of lease — subleasing — pasturing agreements.** (1) Except as provided in subsections (3) and (4), a lessee of state land classed as agricultural or grazing land may not exercise the preference right provided in 77-6-205 if he subleases the land for more than 2 years in the term of the lease.

(2) The department shall cancel a lease of state agricultural or grazing land if the lessee subleases the land for more than 3 years during the term of the lease, unless the sublease is made between members of a family as provided in subsection (3).

(3) A lessee under subsection (1) or (2) may sublease the land for a period of not more than 5 years without losing the preference right or the lease to state land if, during the term of the lease, the land is subleased only to a spouse, son, daughter, adopted child, or sibling of the lessee.

(4) The lessee does not lose the preference right or right to lease because of subleasing as provided under this section if:

(a) the sublease is one-third or less acres of the lease; or

(b) the sublease is considered to be a pasturing agreement and is approved in writing by the department prior to the initiation of the agreement.

(5) For purposes of this section, a sublease may not be considered a pasturing agreement unless the lessee personally retains management and physical control of the land and livestock. "Management" means but is not limited to:

(a) providing all costs for improvements, land maintenance, and range renovation, if range renovation is approved by the department;

(b) making all decisions regarding rotation or other placement of livestock on state land;

(c) making all decisions regarding turn-in and turn-out dates of the livestock on state land; and

(d) making all decisions regarding proper range management, including placement of water, fencing, and salt.

**Section 5. Extension of authority.** Any existing authority of the board of land commissioners to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 6. Codification instruction.** Section 4 is intended to be codified as an integral part of Title 77, chapter 6, part 2, and the provisions of Title 77, chapter 6, part 2, apply to section 4.

**Section 7. Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

**Section 8. Applicability.** (1) Except as provided in subsection (2), this act does not apply to a lessee who has subleased state land during the term of an existing state lease.

(2) This act applies to a lessee of state agricultural or grazing land if, after the effective date of this act, the lessee enters into an agreement to sublease the land to another person.

**Section 9. Effective date.** This act is effective on passage and approval.

Approved April 7, 1987.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 33-3-103, MCA, is amended to read:

**"33-3-103. Applicability of general corporation statutes.** (1) The applicable laws of this state as to domestic corporations formed for profit

shall apply as to domestic stock insurers and domestic mutual insurers except where in conflict with the express provisions of this code and the reasonable implications of such provisions.

*(2) Except as provided in [sections 2 through 5], 35-1-901 through 35-1-912 apply to the voluntary dissolution of a domestic insurer."*

**Section 2. Voluntary dissolution of domestic insurers — plan of dissolution.** At least 60 days before an insurer submits a proposed voluntary dissolution to shareholders or policyholders under 35-1-902 or 35-1-903 or voluntarily dissolves under 35-1-901, the insurer must file the plan for dissolution with the commissioner. The commissioner may require the submission of additional information to establish the financial condition of the insurer or other facts relevant to the proposed dissolution. If the shareholders or policyholders adopt the resolution to dissolve, the commissioner shall, within 30 days after the adoption of the resolution, begin to examine the insurer. The commissioner shall approve the dissolution unless, after a hearing, the commissioner finds the insurer is insolvent or may become insolvent in the process of dissolution. If the commissioner approves the voluntary dissolution, the insurer may dissolve under 35-1-903 through 35-1-912, except that 35-1-906(3) does not apply. The papers required by 35-1-901 through 35-1-912 to be filed with the secretary of state must instead be filed with the commissioner. The duties required by 35-1-912 to be performed by the secretary of state must instead be performed by the commissioner. **Section 4. Revocation of voluntary dissolution.** If an insurer revokes the voluntary dissolution proceedings under 35-1-907 or 35-1-908, the insurer shall file a copy of the revocation of voluntary dissolution proceedings with the commissioner.

**Section 5. Distribution of assets of a mutual insurer.** The maximum amount that a mutual insurer may pay to a policyholder upon dissolution, in addition to the benefits promised in the insurance policy, is the total of the premium payments made by the policyholder with interest at the legal rate compounded annually. Any excess over such amounts must be deposited with the state treasurer to the credit of the state general fund. A person may participate in the distribution of assets of a mutual insurer only if he has a policy in effect 180 days before the insurer files its plan for dissolution with the commissioner. The amount that a person eligible to participate in the distribution of assets of a mutual insurer may receive must be in the proportion that the premiums paid by the policyholder bear to the total premiums paid to the mutual insurer by all policyholders who had policies in effect 180 days before the insurer filed its plan for dissolution with the commissioner.

(3) The trustees of the district where the child wishes to attend school shall approve or disapprove any tuition application submitted to them under the provisions of this section within 15 days after the receipt of the application.

(4) The county superintendent shall notify the parent or guardian and the trustees of the district where the child wishes to attend school of the tuition agreement approval or disapproval. - (a) "ditch company" means a private, not-for-profit irrigation ditch or water user cooperative, corporation, association, or organization;

(b) "employee" means a director, officer, or employee of a ditch company.

(2) An employee of a ditch company is not individually liable for actions and omissions within the course and scope of his employment or position, except as provided in subsection (6). The immunity granted by this subsection does not apply to the liability of a not-for-profit cooperative, corporation, association, or organization.

(3) Upon receiving service of a summons and complaint in an action against him, the employee shall give written notice to his supervisor requesting that a defense to the action be provided by the ditch company. If the employee has no supervisor, he shall give notice of the action to the attorney of the ditch company defending legal actions of that type. Except as provided in subsection (6), the ditch company shall offer a defense to the action on behalf of the employee. The defense may consist of a defense provided directly by the ditch company. The ditch company shall notify the employee, within 15 days after receipt of notice, whether a direct defense will be provided. If the ditch company refuses or is unable to provide a direct defense, the employee may retain other counsel. Except as provided in subsection (6), the ditch company shall pay all expenses relating to the retained defense and pay any judgment for damages entered in the action that may otherwise be payable under this section.

(4) The employee must be indemnified by the ditch company for any money judgments or legal expenses, including attorney fees either incurred by the employee or awarded to the claimant, or both, to which the employee may be subject as a result of the suit unless the employee's conduct falls within the exclusions provided in subsection (6).

(5) Recovery against a ditch company is a complete bar to any action or recovery of damages by the claimant, by reason of the same subject matter, against the employee whose negligence or wrongful act, error, or omission or other actionable conduct gave rise to the claim. In an action against a ditch company, the employee whose conduct gave rise to the suit is immune from liability by reasons of the same subject matter if the ditch company acknowledges or is bound by a judicial determination that the conduct upon which the claim is brought arises out of the course and scope of the employee's employment unless the claim constitutes an exclusion provided in subsections (6)(b) through (6)(d).

(6) The employee may not be defended or indemnified by the ditch company for any money judgments or legal expenses, including attorney fees, to which the employee may be subject as a result of the suit if a judicial determination is made that:

(a) the conduct upon which the claim is based constitutes oppression, fraud, or malice or for any other reason does not arise out of the course and scope of the employee's employment or position;

(b) the conduct of the employee is a criminal offense as defined in Title 45, chapters 4 through 7;

(c) the employee compromised or settled the claim without the consent of the ditch company; or

(d) the employee failed or refused to cooperate reasonably in the defense of the case.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-38-202, MCA, is amended to read:

**"15-38-202. Investment of resource indemnity trust fund — expenditure — minimum balance.** (1) All moneys paid into the resource indemnity trust fund shall be invested at the discretion of the

board of investments. All the net earnings accruing to the resource indemnity trust fund shall annually be added thereto until it has reached the sum of \$10 million. Thereafter, only the net earnings may be appropriated and expended until the fund reaches \$100 million. Thereafter, all net earnings and all receipts shall be appropriated by the legislature and expended, provided that the balance in the fund may never be less than \$100 million.

(2) Beginning in fiscal year 1982, provided the amount in the resource indemnity trust fund is greater than \$10 million, 30% of the interest income of the resource indemnity trust fund must be allocated to the water development state special revenue account created by 85-1-604.

(3) Beginning in fiscal year 1988, 12% of the interest income of the resource indemnity trust fund must be allocated to the *hazardous waste/CERCLA special revenue account provided for in [section 2].*"

**Section 2. Hazardous waste/CERCLA special revenue account.** (1) There is a hazardous waste/CERCLA special revenue account within the state special revenue fund established in 17-2-102.

(2) There must be paid into the hazardous waste/CERCLA account:

(a) revenues obtained from the interest income of the resource indemnity trust fund under the provisions of 15-38-202, together with interest accruing on those revenues;

(b) all proceeds of bonds or notes issued under [section 4] and all interest earned on proceeds thereof; and

(c) revenues from penalties or damages collected under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended in 1986 (CERCLA).

(3) Appropriations may be made from the hazardous waste/CERCLA account only for the following purposes and subject to the following conditions:

(a) funds are statutorily appropriated, as provided in 17-7-502(4), to the CERCLA match debt service account necessary to make principal, interest, and premium payments due on CERCLA bonds;

(b) not more than one-half of the interest income received for any biennium from the resource indemnity trust fund may be appropriated on a biennial basis for:

(i) implementation of the Montana Hazardous Waste Act, including regulation of underground storage tanks and the state share to obtain matching federal funds;

(ii) implementation of Title 75, chapter 10, part 6, pertaining to state assistance to and cooperation with the federal government for remedial action under CERCLA;

(iii) expenses of the administration of the environmental sciences division of the department in administering and overseeing the implementation of Title 75, chapter 10, parts 4 and 6; and

(iv) state expenses relating to investigation and remedial action for any hazardous substance defined in 75-10-602; and

(c) to the extent funds are available after the appropriations in subsections (3)(a) and (3)(b), the department may, as appropriate, seek authorization from the legislature or, when the legislature is not in session, through the budget amendment process provided for in Title 17, chapter 7, part 4, to spend funds for:

(i) state participation in remedial action under section 104 of CERCLA;

(ii) state costs for maintenance of sites at which remedial action under CERCLA has been completed; and

(iii) the state share to obtain matching federal funds for underground storage tank corrective action.

(4) For the purposes of subsection (3)(c), the legislature finds that a need for state special revenue to obtain matching federal funds for underground storage tank corrective action or for remedial action under section 104 of CERCLA constitutes a serious unforeseen and unanticipated circumstance for the purpose of meeting the definition of "emergency" in 17-7-401. The legislature further finds that the inability of the department to match such federal funds as may become available would seriously impair the functions of the department in carrying out its responsibilities under Title 75, chapter 10, parts 4 and 6.

(5) There is no dollar limit to the hazardous waste/CERCLA account. Unused balances remain in the account until such time as appropriated by the legislature for the purposes specified in this section.

**Section 3. CERCLA match debt service fund.** (1) There is a CERCLA match debt service fund within the debt service fund type established in 17-2-102.

(2) The state pledges, allocates, and directs to be credited to the CERCLA match debt service fund as received an amount necessary to satisfy principal and interest payments due on outstanding CERCLA bonds.

**Section 4. CERCLA bonds.** (1) When authorized by the legislature and within limits of the authorization and the further limitations established in this section, the board of examiners may issue and sell CERCLA bonds of the state in the amount and manner it considers necessary and proper to finance the match requirements under section 104 of CERCLA and to finance the match requirements for federal money for underground storage tank corrective action. The full faith and credit and taxing powers of the state are pledged for the prompt and full payment of all bonds so issued and interest and redemption premiums payable thereon according to their terms.

(2) Each series of CERCLA bonds may be issued by the board of examiners upon request of the department of health and environmental sciences, at public or private sale, in such denominations and forms, whether payable to bearer with attached interest coupons or registered as to principal or as to both principal and interest, with such provisions for conversion or

exchange and for the issuance of notes in anticipation of the issuance of definitive bonds, bearing interest at such rate or rates, maturing at such rate or rates, maturing at such time or times not exceeding 30 years from date of issue, subject to optional or mandatory redemption at such earlier times and prices and upon such notice, with such provisions for payment and discharge by the deposit of funds or securities in escrow for that purpose, and payable at the office of such banking institution or institutions within or outside the state, as the board of examiners determines subject to the limitations contained in 17-5-731 and this section.

(3) In the issuance of each series of CERCLA bonds, the interest rates, maturities, and any mandatory redemption provisions thereof must be established in such manner that the funds then specifically pledged and appropriated by law to the CERCLA match debt service fund will, in the judgment of the board of examiners, be received in an amount sufficient in each year to pay all principal, redemption premiums, and interest due and payable in that year with respect to that and all prior series of such bonds, except outstanding bonds as to which the obligation of the state has been discharged by the deposit of funds or securities sufficient for their payment in accordance with the terms of the resolutions by which they are authorized to be issued.

(4) In all other respects, the board of examiners is authorized to prescribe the form and terms of the bonds and notes and shall do whatever is lawful and necessary for their issuance and payment. Such bonds, notes, and any interest coupons appurtenant thereto must be signed by the members of the board of examiners, and the bonds and notes must be issued under the great seal of the state of Montana. The bonds, notes, and coupons may be executed with facsimile signatures and seal in the manner and subject to the limitations prescribed by law. The state treasurer shall keep a record of all such bonds and notes issued and sold.

(5) All proceeds of bonds or notes issued under this section must be deposited in the hazardous waste/CERCLA special revenue account established in [section 2].

(6) All actions taken by the board of examiners under this section must be authorized by a vote of a majority of the members.

**Section 5. Appropriations.** (1) Any revenues that remain at the end of the 1986-87 biennium from the interest income of the resource indemnity trust fund appropriated to the department of health and environmental sciences for that biennium under the provisions of 15-38-202 is appropriated to the hazardous waste/CERCLA special revenue account provided for in section 2.

(2) There is appropriated \$200,000 from the hazardous waste/CERCLA special revenue account created in section 2 to the department of health and environmental sciences for use during the 1988-89 biennium for costs incurred in the pursuit or evaluation of lawsuits that the department has instituted or may institute under section 107 of CERCLA.

**Section 6. Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this

act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 7. **Effective date.** This act is effective July 1, 1987.

Approved April 7, 1987.

A person whose license has been revoked twice shall not again be eligible for any license under this code.

(4) If the license of a *partnership* or corporation is so suspended or revoked, no member of such *partnership* or officer or director of such corporation shall be licensed or be designated in any license to exercise the powers thereof during the period of such suspension or revocation unless the commissioner determines upon substantial evidence that such member, officer, or director was not personally at fault and did not acquiesce in the matter on account of which the license was suspended or revoked."

**"33-17-1101. Place of business — display of license — records.** (1) Every *resident* agent shall have and maintain a place of business in this state accessible to the public. A *nonresident* agent may maintain a place of business in this state. An agent's place of business must be that wherein he principally conducts transactions under his license. The *street* address of such place shall appear upon the license, and the licensee shall promptly notify the commissioner of any change in his *street* or *mailing* address.

Nothing in this section prohibits maintenance of such place of business in the licensee's place of residence.

(2) The license of the licensee and the license of each solicitor appointed by and representing the licensee *must* be conspicuously displayed in such place of business *at the street address shown on the license* in a part thereof customarily open to the public.

(3) The agent shall keep at his place of business complete records pertaining to transactions under his license and the licenses of his solicitors, for a period of at least 3 years after completion of the respective transactions, except that title agents, as defined in 33-25-105, shall retain records as provided in 33-25-214 and 33-25-216."

Except for a title agent as defined in 33-25-105, an agent may deposit and commingle in the same such separate deposit all such funds belonging to others so long as the amount of such deposit so held for each respective other person is reasonably ascertainable from the records and accounts of the licensee.*

**"33-17-1103. Exchange of business — sharing commissions.** (1) An agent may, *under rules adopted by the commissioner*, place an insurance coverage with an insurer as to which he is not then licensed or appointed as an agent, and the insurer shall accept such business, only when placed through an agent, licensed under this chapter and appointed by the insurer. Both agents involved in such an exchange of business must be licensed as to all of the kinds of insurance represented by the coverage so placed.

(2) The agents involved in a lawful exchange of business under subsection (1) above may divide between them the commission or compensation payable on account of such coverage.

(3) No agent or solicitor shall directly or indirectly share his commissions or other compensation received or to be received by him on account of a transaction under his license with any person not also licensed under this chapter as to the same kind or kinds of insurance involved in such transactions, except as provided in 33-17-1113. This provision shall not affect payment of the regular salaries due employees of the licensee or the distribution in regular course of business of compensation and profits among members or stockholders if the licensee is a firm or corporation or use of funds for family or personal purposes.

(4) This section does not apply as to those transactions with surplus lines agents which are lawful under 33-2-306 or as to life or disability insurance placed as provided in 33-17-1104."

Placement of persons in community-based services is governed by 53-20-209.

**Section 2.** Section 53-20-124, MCA, is amended to read:

**"53-20-124. Outcome of evaluation and treatment — recommendation for community-based treatment. — hearing.** (1) If, as a

The recommendation shall be accompanied by a written report indicating the factual basis for the recommendation and describing any tests or evaluation devices which the professional person has employed in evaluating the respondent. (2) If any of the parties listed in the preceding subsection object to the community-based course of treatment, they may request the court to conduct a hearing on the matter. If a responsible person has not yet been appointed, the court may appoint a responsible person prior to the hearing. Notice of the time, date, and place of the hearing shall be mailed or delivered to all of the parties listed in the preceding subsection and to the attorney for the parents or guardian, if any. Section 3. Section 53-20-125, MCA, is amended to read:

The report shall include the factual basis for the recommendation and shall describe any tests or evaluation devices which have been employed in evaluating the patient. If no responsible person has yet been appointed, the court may appoint one at this time. If there is no parent or guardian, the court shall appoint a responsible person. At the request of the respondent, his parents or guardian, or the responsible person, the court shall appoint counsel for the respondent. (3) If the court finds that the respondent is seriously developmentally disabled and that available community-based services are not adequate to protect the life and physical safety of the person and others or to provide appropriate treatment and habilitation, it shall order the respondent admitted to a residential facility for an extended course of treatment and habilitation. If the court finds that the respondent is developmentally disabled, in need of developmental disability services, *and eligible for placement in community-based services* and that available community-based services are adequate to protect the life and physical safety of the person and others and to provide appropriate treatment and habilitation, it shall *dismiss the petition and refer the respondent to the department of social and rehabilitation services to be considered for placement in community-based services according to 53-20-209*. If the court finds that the respondent is not developmentally disabled or is not in need of developmental disability services, it shall dismiss the *petition*.

(4) If none of the parties notified of the recommendation request a hearing, the court may issue an order authorizing the person to be admitted to the residential facility for an extended period of treatment and habilitation or the court may initiate its own inquiry as to whether the order should be granted. The court may refuse to authorize admission of a person to a residential facility for an extended period of treatment and habilitation if such admission is not in the best interests of the person."

Section 4. Section 53-20-128, MCA, is amended to read:

**"53-20-128. Extension of admission period — hearing.** (1) If the professional person in charge of the resident determines that the admission to the residential facility should continue beyond the period specified in the court order, he shall, at least 15 days before the end of the period set out in the court order, send written notice of his recommendation and request for renewal of the order to the court which issued the order, the resident, his parents or guardian, the next of kin, if known, the attorney who most recently represented the resident, if any, and the responsible person appointed by the court, if any. The recommendation and request shall be accompanied by a written report which shall describe the habilitation plan which has been undertaken for the resident and the future habilitation plan which is anticipated by the professional person.

(2) If any person so notified requests a hearing, the court shall set a time and place for the hearing and shall mail or deliver notice to all of the persons informed of the recommendation. The hearing shall be conducted in the manner set out in 53-20-125. If the court finds that the residential admission is still justified, it may order continuation of the admission to that residential facility or transfer of the resident to a different residential facility. If the court finds that the resident is still in need of developmental disabilities services but does not require residential treatment or if all parties are willing for the resident to participate in a community-based program of habilitation, it shall *refer the respondent to the department of*

*social and rehabilitation services to be considered for placement in community-based services according to 53-20-209. If the person is placed in community-based services or if the need for developmental disabilities services no longer exists, the court shall dismiss the petition. The court shall not order continuation of admission to a residential facility which does not have an individualized habilitation plan for the resident. In its order, the court shall make findings of fact on which its order is based. The court may on its own initiative inquire concerning the suitability of continuing an admission to a residential facility."*

*(1) to protect and restore the environment from damages resulting from mineral development; and*

*(2) to support a variety of development programs that benefit the economy of the state and the lives of Montana citizens."*

(b) *if at the beginning of any biennium the unobligated cash balance in the environmental contingency account is less than \$750,000, then an amount less than or equal to the difference between the unobligated cash balance and \$750,000, but not to exceed \$175,000, must be allocated to the environmental contingency account from the interest income of the resource indemnity trust fund.*

(3) Funds are statutorily appropriated, as provided in 17-7-502, from the environmental contingency account upon the authorization of the governor to meet unanticipated public needs consistent with the following objectives:

(2) Whenever the definition of an offense excludes conduct with a spouse, the exclusion shall be deemed to extend to persons living as husband and wife regardless of the legal status of their relationship. The exclusion shall be inoperative as respects spouses living apart whether under a decree of judicial separation or otherwise. Where the definition of an offense excludes conduct with a spouse, this shall not preclude conviction of a spouse in a sexual act which he or she causes another person, not within the exclusion, to perform.

(3) In a prosecution under the preceding sections on sexual crimes (45-5-502 through 45-5-504) in which the victim's lack of consent is based solely upon his incapacity to consent because he was mentally incapacitated, it is a defense to such prosecution that the victim was a voluntary social companion of the defendant and the intoxicating substance was voluntarily and knowingly taken.

(4) No evidence concerning the sexual conduct of the victim is admissible in prosecutions under this part except:

- (a) evidence of the victim's past sexual conduct with the offender;
  - (b) evidence of specific instances of the victim's sexual activity to show the origin of semen, pregnancy, or disease which is at issue in the prosecution.
- (5) If the defendant proposes for any purpose to offer evidence described in subsection (4)(a) or (4)(b), the trial judge shall order a hearing out of the presence of the jury to determine whether the proposed evidence is admissible under subsection (4).
- (6) Evidence of failure to make a timely complaint or immediate outcry does not raise any presumption as to the credibility of the victim.
- (7) *Resistance by the victim is not required to show lack of consent. Force, fear, or threat is sufficient alone to show lack of consent.*

Approved April 9, 1987.

[HB 720]

### THE MONTANA CLOSE CORPORATION ACT; AND PROVIDING AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Short title.** This chapter shall be known and may be cited as the "Montana Close Corporation Act".

**Section 2. Application of Montana Business Corporation Act and Montana Professional Corporation Act.** (1) The Montana Business Corporation Act applies to statutory close corporations to the extent not inconsistent with the provisions of this chapter.

(2) This chapter applies to a professional corporation organized under the Montana Professional Corporation Act whose articles of incorporation contain the statement required by [section 3] except insofar as the Montana Professional Corporation Act contains inconsistent provisions.

(3) This chapter does not repeal or modify any statute or rule of law that applies to a corporation that is organized under the Montana Business Corporation Act or the Montana Professional Corporation Act and that does not elect to become a statutory close corporation under [section 3].

**Section 3. Definition and election of statutory close corporation status.** (1) A statutory close corporation is a corporation whose articles of

incorporation contain a statement that the corporation is a statutory close corporation.

(2) A corporation having 25 or fewer shareholders may become a statutory close corporation by amending its articles of incorporation to include the statement required by subsection (1). The amendment must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the corporation, voting as separate voting groups, whether or not otherwise entitled to vote on amendments. If the amendment is adopted, a shareholder who voted against the amendment is entitled to assert dissenters' rights under 35-1-810 and 35-1-812.

**Section 4. Notice of statutory close corporation status on issued shares.** (1) The following statement must appear conspicuously on each share certificate issued by a statutory close corporation:

The rights of shareholders in a statutory close corporation may differ materially from the rights of shareholders in other corporations. Copies of the articles of incorporation and bylaws, shareholders' agreements, and other documents, any of which may restrict transfers and affect voting and other rights, may be obtained by a shareholder on written request to the corporation.

(2) Within a reasonable time after the issuance or transfer of uncertificated shares, the corporation shall send to the shareholders a written notice containing the information required by subsection (1).

(3) The notice required by this section satisfies all requirements of this chapter and of 35-1-617 that notice of share transfer restrictions be given.

(4) A person claiming an interest in shares of a statutory close corporation that has complied with the notice requirement of this section is bound by the documents referred to in the notice. A person claiming an interest in shares of a statutory close corporation that has not complied with the notice requirement of this section is bound by any documents of which he or a person through whom he claims has knowledge or notice.

(5) A corporation shall provide to any shareholder upon his written request and without charge copies of provisions that restrict transfer or affect voting or other rights of shareholders appearing in articles of incorporation, bylaws, or shareholders' or voting trust agreements filed with the corporation.

**Section 5. Share transfer prohibition.** (1) An interest in shares of a statutory close corporation may not be voluntarily or involuntarily transferred, by operation of law or otherwise, except to the extent permitted by the articles of incorporation or under [section 6].

(2) Except to the extent the articles of incorporation provide otherwise, this section does not apply to a transfer:

(a) to the corporation or to any other holder of the same class or series of shares;

(b) to members of the shareholder's immediate family or to a trust, all of whose beneficiaries are members of the shareholder's immediate family,

which immediate family consists of his spouse, parents, lineal descendants including adopted children and stepchildren and the spouse of any lineal descendant, and brothers and sisters;

(c) that has been approved in writing by all of the holders of the corporation's shares having general voting rights;

(d) to an executor or administrator upon the death of a shareholder or to a trustee or receiver as the result of a bankruptcy, insolvency, dissolution, or similar proceeding brought by or against a shareholder;

(e) by merger or share exchange under Title 35, chapter 1, part 8, or an exchange of existing shares for other shares of a different class or series in the corporation;

(f) by a pledge as collateral for a loan that does not grant the pledgee any voting rights possessed by the pledgor; and

(g) made after termination of the corporation's status as a statutory close corporation.

**Section 6. Share transfer after first refusal by corporation.** (1) A person desiring to transfer shares of a statutory close corporation subject to the transfer prohibition of [section 5] must first offer them to the corporation by obtaining an offer to purchase the shares for cash from a third person who is eligible to purchase the shares under subsection (2). The offer by the third person must be in writing and state the offeror's name and address, the number and class or series of shares offered, the offering price per share, and the other terms of the offer.

(2) A third person is eligible to purchase the shares if:

(a) he is eligible to become a qualified shareholder under any federal or state tax statute the corporation has adopted and he agrees in writing not to terminate his qualification without the approval of the remaining shareholders; and

(b) his purchase of the shares will not impose a personal holding company tax or similar federal or state penalty tax on the corporation.

(3) The person desiring to transfer shares shall deliver the offer to the corporation and by doing so offers to sell the shares to the corporation on the terms of the offer. Within 20 days after the corporation receives the offer, the corporation shall call a special shareholders' meeting, to be held not more than 40 days after the call, to decide whether the corporation should purchase all, but not less than all, of the offered shares. The offer must be approved by the affirmative vote of the holders of a majority of votes entitled to be cast at the meeting, excluding votes in respect of the shares covered by the offer.

(4) The corporation must deliver to the offering shareholder written notice of acceptance within 75 days after receiving the offer or the offer is rejected. If the corporation makes a counteroffer, the shareholder must deliver to the corporation written notice of acceptance within 15 days after receiving the counteroffer or the counteroffer is rejected. If the corporation accepts the original offer or the shareholder accepts the corporation's

counteroffer, the shareholder shall deliver to the corporation duly endorsed certificates for the shares, or instruct the corporation in writing to transfer the shares if uncertificated, within 20 days after the effective date of the notice of acceptance. The corporation may specifically enforce the shareholder's delivery or instruction obligation under this subsection.

(5) A corporation accepting an offer to purchase shares under this section may allocate some or all of the shares to one or more of its shareholders or to other persons if all the shareholders voting in favor of the purchase approve the allocation. However, if the corporation has more than one class or series of shares, the remaining holders of the class or series of shares being purchased are entitled to a first option to purchase the shares not purchased by the corporation in proportion to their shareholdings or in some other proportion agreed to by all the shareholders participating in the purchase.

(6) If an offer to purchase shares under this section is rejected, the offering shareholder, for a period of 120 days after the corporation received his offer, is entitled to transfer to the third-person offeror all but not less than all of the offered shares in accordance with the terms of his offer to the corporation.

**Section 7. Attempted share transfer in breach of prohibition.** (1) An attempt to transfer shares in a statutory close corporation in violation of a prohibition against transfer binding on the transferee is ineffective.

(2) An attempt to transfer shares in a statutory close corporation in violation of a prohibition against transfer that is not binding on the transferee, either because the notice required by [section 4] was not given or because the prohibition is held unenforceable by a court, gives the corporation an option to purchase the shares from the transferee for the same price and on the same terms that he purchased them. To exercise its option, the corporation must give the transferee written notice within 30 days after they are presented for registration in the transferee's name. The corporation may specifically enforce the transferee's sale obligation upon exercise of its purchase option.

**Section 8. Compulsory purchase of shares after death of shareholder.** (1) This section and [sections 9 through 11] apply to a statutory close corporation only if so provided in its articles of incorporation. If these sections apply, the executor or administrator of the estate of a deceased shareholder may require the corporation to purchase or cause to be purchased all but not less than all of the decedent's shares or to be dissolved.

(2) The provisions of [sections 9 through 11] may be modified only if the modification is set forth or referred to in the articles of incorporation.

(3) An amendment to the articles of incorporation to provide for application of [sections 9 through 11], or to modify or delete the provisions of these sections, must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the statutory close corporation, voting as separate voting groups, whether or not otherwise entitled to vote on amendments. If the corporation has no shareholders when the amendment is proposed, it must be approved by at least two-thirds of the subscribers for shares, if any, or if none, by all of the incorporators.

(4) A shareholder who votes against an amendment to modify or delete the provisions of [sections 9 through 11] is entitled to dissenters' rights under 35-1-810 and 35-1-812 if the amendment upon adoption terminates or substantially alters his existing rights under these sections to have his shares purchased.

(5) A shareholder may waive his and his estate's rights under [sections 9 through 11] by a signed writing.

(6) [Sections 9 through 11] do not prohibit any other agreement providing for the purchase of shares upon a shareholder's death, nor do they prevent a shareholder from enforcing any remedy he has independently of [sections 9 through 11].

**Section 9. Exercise of compulsory purchase right.** (1) A person entitled and desiring to exercise the compulsory purchase right described in [section 8] shall deliver a written notice to the corporation, within 120 days after the death of the shareholder, describing the number and class or series of shares beneficially owned by the decedent and requesting that the corporation offer to purchase the shares.

(2) Within 20 days after the effective date of the notice, the corporation shall call a special shareholders' meeting, to be held not more than 40 days after the call, to decide whether the corporation should offer to purchase the shares. A purchase offer must be approved by the affirmative vote of the holders of a majority of votes entitled to be cast at the meeting, excluding votes in respect of the shares covered by the notice.

(3) The corporation shall deliver a purchase offer to the person requesting it within 75 days after the effective date of the request notice. A purchase offer must be accompanied by the corporation's balance sheet as of the end of a fiscal year ending not more than 16 months before the effective date of the request notice, an income statement for that year, a statement of changes in shareholders' equity for that year, and the latest available interim financial statements, if any. The person must accept the purchase offer in writing within 15 days after receiving it or the offer is rejected.

(4) A corporation agreeing to purchase shares under this section may allocate some or all of the shares to one or more of its shareholders or to other persons if all the shareholders voting in favor of the purchase offer approve the allocation. However, if the corporation has more than one class or series of shares, the remaining holders of the class or series of shares being purchased are entitled to a first option to purchase the shares not purchased by the corporation in proportion to their shareholdings or in some other proportion agreed to by all the shareholders participating in the purchase.

(5) If price and other terms of a compulsory purchase of shares are fixed or are to be determined by the articles of incorporation, bylaws, or a written agreement, the price and terms so fixed or determined govern the compulsory purchase unless the purchaser defaults, in which event the buyer is entitled to commence a proceeding for dissolution under [section 10].

**Section 10. Court action to compel purchase.** (1) (a) If an offer to purchase shares made under [section 9] is rejected or if no offer is made, the person exercising the compulsory purchase right may commence a proceeding against the corporation to compel the purchase in the district court of the county where the corporation's principal office is located, or if there is no principal office in this state, its registered office.

(b) The corporation at its expense shall notify in writing all of its shareholders, and any other person the court directs, of the commencement of the proceeding.

(c) The jurisdiction of the court in which the proceeding is commenced under this subsection is plenary and exclusive.

(2) (a) The court shall determine the fair value of the shares subject to compulsory purchase in accordance with the standards set forth in [section 24] together with terms for the purchase.

(b) Upon making these determinations, the court shall order the corporation to purchase or cause the purchase of the shares or empower the person exercising the compulsory purchase right to have the corporation dissolved.

(3) After the purchase order is entered, the corporation may petition the court to modify the terms of purchase and the court may do so if it finds that changes in the financial or legal ability of the corporation or other purchaser to complete the purchase justify a modification.

(4) If the corporation or other purchaser does not make a payment required by the court's order within 30 days of its due date, the seller may petition the court to dissolve the corporation and, absent a showing of good cause for not making the payment, the court shall do so.

(5) A person making a payment to prevent or cure a default by the corporation or other purchaser is entitled to recover the payment from the defaulter.

**Section 11. Court costs and other expenses.** (1) The court in a proceeding commenced under [section 10] shall determine the total costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court and of counsel and experts employed by the parties. Except as provided in subsection (2), the court shall assess these costs equally against the corporation and the party exercising the compulsory purchase right.

(2) The court may assess all or a portion of the total costs of the proceeding:

(a) against the person exercising the compulsory purchase right if the court finds that the fair value of the shares does not substantially exceed the corporation's last purchase offer made before commencement of the proceeding and that the person's failure to accept the offer was arbitrary, vexatious, or otherwise not in good faith; or

(b) against the corporation if the court finds that the fair value of the shares substantially exceeds the corporation's last sale offer made before

commencement of the proceeding and that the offer was arbitrary, vexatious, or otherwise not made in good faith.

**Section 12. Shareholder agreements.** (1) All the shareholders of a statutory close corporation may agree in writing to regulate the exercise of the corporate powers and the management of the business and affairs of the corporation or the relationship among the shareholders of the corporation.

(2) An agreement authorized by this section is effective even though:

(a) it eliminates a board of directors;

(b) it restricts the discretion or powers of the board or authorizes director proxies or weighted voting rights;

(c) its effect is to treat the corporation as a partnership; or

(d) it creates a relationship among the shareholders or between the shareholders and the corporation that would otherwise be appropriate only among partners.

(3) If the corporation has a board of directors, an agreement authorized by this section restricting the discretion or powers of the board relieves directors of liability imposed by law and imposes that liability on each person in whom the board's discretion or power is vested to the extent that the discretion or powers of the board of directors are governed by the agreement.

(4) A provision eliminating a board of directors in an agreement authorized by this section is not effective unless the articles of incorporation contain a statement to that effect as required by [section 13].

(5) A provision entitling one or more shareholders to dissolve the corporation under [section 21] is effective only if a statement of this right is contained in the articles of incorporation.

(6) To amend an agreement authorized by this section, all the shareholders shall approve the amendment in writing unless the agreement provides otherwise.

(7) Subscribers for shares may act as shareholders with respect to an agreement authorized by this section if shares are not issued when the agreement was made.

(8) This section does not prohibit any other agreement between or among shareholders in a statutory close corporation.

**Section 13. Elimination of board of directors.** (1) A statutory close corporation may operate without a board of directors if its articles of incorporation contain a statement to that effect.

(2) An amendment to articles of incorporation eliminating a board of directors must be approved by all the shareholders of the corporation whether or not otherwise entitled to vote on amendments, or if no shares have been issued, by all the subscribers for shares, if any, or if there are no subscribers, by all the incorporators.

(3) While a corporation is operating without a board of directors as authorized by subsection (1):

(a) all corporate powers must be exercised by or under the authority of and the business and affairs of the corporation managed under the direction of the shareholders;

(b) unless the articles of incorporation provide otherwise:

(i) action requiring director approval or both director and shareholder approval is authorized if approved by the shareholders; and

(ii) action requiring a majority or greater percentage vote of the board of directors is authorized if approved by the majority or greater percentage of the votes of shareholders entitled to vote on the action;

(c) a shareholder is not liable for his act or omission, even though a director would be, unless the shareholder was entitled to vote on the action;

(d) a requirement by a state or the United States that a document delivered for filing contain a statement that specified action has been taken by the board of directors is satisfied by a statement that the corporation is a statutory close corporation without a board of directors and that the action was approved by the shareholders; and

(e) the shareholders may by resolution appoint one or more shareholders to sign documents as "designated directors".

(4) An amendment to articles of incorporation deleting the statement eliminating a board of directors must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the corporation, voting as separate voting groups, whether or not otherwise entitled to vote on amendments. The amendment must also specify the number, names, and addresses of the corporation's directors or describe who will perform the duties of a board under 35-1-401 or 35-1-515.

**Section 14. Bylaws.** (1) A statutory close corporation need not adopt bylaws if provisions required by law to be contained in bylaws are contained in either the articles of incorporation or a shareholder agreement authorized by [section 12].

(2) If a corporation does not have bylaws when its statutory close corporation status terminates under [section 19], the corporation shall immediately adopt bylaws under 35-1-214.

**Section 15. Annual meeting.** (1) The annual meeting date for a statutory close corporation is the first business day after May 31 unless its articles of incorporation, bylaws, or a shareholder agreement authorized by [section 12] fixes a different date.

(2) A statutory close corporation need not hold an annual meeting unless one or more shareholders deliver written notice to the corporation requesting a meeting at least 30 days before the meeting date determined under subsection (1).

**Section 16. Execution of documents in more than one capacity.** Notwithstanding any law to the contrary, an individual who holds more

than one office in a statutory close corporation may execute, acknowledge, or verify in more than one capacity any document required to be executed, acknowledged, or verified by the holders of two or more offices.

**Section 17. Limited liability.** The failure of a statutory close corporation to observe the usual corporate formalities or requirements relating to the exercise of its corporate powers or management of its business and affairs is not a ground for imposing personal liability on the shareholders for liabilities of the corporation.

**Section 18. Merger — share exchange — sale of assets.** (1) A plan of merger or share exchange:

(a) that if effected would terminate statutory close corporation status must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the statutory close corporation, voting as separate voting groups, whether or not the holders are otherwise entitled to vote on the plan; and

(b) that if effected would create the surviving corporation as a statutory close corporation must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the surviving corporation, voting as separate voting groups, whether or not the holders are otherwise entitled to vote on the plan.

(2) A sale, lease, exchange, or other disposition of all or substantially all of the property of a statutory close corporation, with or without the good will, if not made in the usual and regular course of business, must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the corporation, voting as separate voting groups, whether or not the holders are otherwise entitled to vote on the transaction.

**Section 19. Termination of statutory close corporation status.** (1) A statutory close corporation may terminate its statutory close corporation status by amending its articles of incorporation to delete the statement that it is a statutory close corporation. If the statutory close corporation has elected to operate without a board of directors under [section 13], the amendment must either comply with 35-1-401 or 35-1-515 or delete the statement dispensing with the board of directors from its articles of incorporation.

(2) An amendment terminating statutory close corporation status must be approved by the holders of at least two-thirds of the votes of each class or series of shares of the corporation, voting as separate voting groups, whether or not the holders are otherwise entitled to vote on amendments.

(3) If an amendment to terminate statutory close corporation status is adopted, each shareholder who voted against the amendment is entitled to assert dissenters' rights under 35-1-810 and 35-1-812.

**Section 20. Effect of termination of statutory close corporation status.** (1) A corporation that terminates its status as a statutory close corporation is thereafter subject to all provisions of the Montana Business Corporation Act or, if incorporated under the Montana Professional Corporation Act, to all provisions of that act.

(2) Termination of statutory close corporation status does not affect any right of a shareholder or of the corporation under an agreement or the articles of incorporation unless this chapter, the Montana Business Corporation Act, or another law of this state invalidates the right.

**Section 21. Shareholder option to dissolve corporation.** (1) The articles of incorporation of a statutory close corporation may authorize one or more shareholders, or the holders of a specified number or percentage of shares of any class or series, to dissolve the corporation at will or upon the occurrence of a specified event or contingency. The shareholder or shareholders exercising this authority shall give written notice of the intent to dissolve to all the other shareholders. Thirty-one days after the effective date of the notice, the corporation shall begin to wind up and liquidate its business and affairs and file articles of dissolution under 35-1-911 and 35-1-912.

(2) Unless the articles of incorporation provide otherwise, an amendment to the articles of incorporation to add, change, or delete the authority to dissolve described in subsection (1) must be approved by the holders of all the outstanding shares whether or not otherwise entitled to vote on amendments, or if no shares have been issued, by all the subscribers for shares, if any, or if there are no subscribers, by all the incorporators.

**Section 22. Court action to protect shareholders.** (1) Subject to satisfying the conditions of subsections (3) and (4), a shareholder of a statutory close corporation may petition the district court for any of the relief described in [sections 23 through 25] if:

(a) the directors or those in control of the corporation have acted, are acting, or will act in a manner that is illegal, oppressive, fraudulent, or unfairly prejudicial to the petitioner, whether in his capacity as shareholder, director, or officer of the corporation;

(b) the directors or those in control of the corporation are deadlocked in the management of the corporation's affairs, the shareholders are unable to break the deadlock, and the corporation is suffering or will suffer irreparable injury or the business and affairs of the corporation can no longer be conducted to the advantage of the shareholders generally because of the deadlock; or

(c) there exists one or more grounds for judicial dissolution of the corporation under 35-1-921.

(2) A shareholder shall commence a proceeding under subsection (1) in the district court of the county where the corporation's principal office is located, or if there is no principal office in this state, its registered office. The jurisdiction of the court in which the proceeding is commenced is plenary and exclusive.

(3) If a shareholder has agreed in writing to pursue a nonjudicial remedy to resolve disputed matters, he may not commence a proceeding under this section with respect to the matters until he has exhausted the nonjudicial remedy.

(4) If a shareholder has dissenters' rights under this chapter or 35-1-810 and 35-1-812 with respect to proposed corporate actions, he must commence a proceeding under this section before he is required to give notice of his intent to demand payment under 35-1-812 or to demand payment under 35-1-810, or the proceeding is barred.

(5) Except as provided in subsections (3) and (4), a shareholder's right to commence a proceeding under this section and the remedies available under [sections 23 through 25] are in addition to any other right or remedy he may have.

**Section 23. Ordinary relief.** (1) If the court finds that one or more of the grounds for relief described in [section 22(1)] exist, it may order one or more of the following types of relief:

(a) the performance, prohibition, alteration, or setting aside of any action of the corporation or of its shareholders, directors, or officers or of any other party to the proceeding;

(b) the cancellation or alteration of any provision in the corporation's articles of incorporation or bylaws;

(c) the removal from office of any director or officer;

(d) the appointment of any individual as a director or officer;

(e) an accounting with respect to any matter in dispute;

(f) the appointment of a custodian to manage the business and affairs of the corporation;

(g) the appointment of a provisional director who has all the rights, powers, and duties of a duly elected director to serve for the term and under the conditions prescribed by the court;

(h) the payment of dividends;

(i) the award of damages to any aggrieved party.

(2) If the court finds that a party to the proceeding acted arbitrarily, vexatiously, or otherwise not in good faith, it may award one or more other parties their reasonable expenses, including counsel fees and the expenses of appraisers or other experts, incurred in the proceeding.

**Section 24. Extraordinary relief — share purchase.** (1) If the court finds that the ordinary relief described in [section 23(1)] is or would be inadequate or inappropriate, it may order the corporation dissolved under [section 25] unless the corporation or one or more of its shareholders purchases all the shares of the shareholder for their fair value and on terms determined under subsection (2).

(2) If the court orders a share purchase, it shall:

(a) determine the fair value of the shares, considering among other relevant evidence:

(i) the going concern value of the corporation;

(ii) any agreement among some or all of the shareholders fixing the price or specifying a formula for determining share value for any purpose;

(iii) the recommendations of appraisers, if any, appointed by the court; and

(iv) any legal constraints on the corporation's ability to purchase the shares;

(b) specify the terms of the purchase, including if appropriate:

(i) terms for installment payments;

(ii) subordination of the purchase obligation to the rights of the corporation's other creditors;

(iii) security for a deferred purchase price; and

(iv) a covenant not to compete or other restriction on the seller;

(c) require the seller to deliver all his shares to the purchaser upon receipt of the purchase price or the first installment of the purchase price;

(d) provide that after the seller delivers his shares he has no further claim against the corporation, its directors, officers, or shareholders, other than a claim to any unpaid balance of the purchase price and a claim under any agreement with the corporation or the remaining shareholders that is not terminated by the court; and

(e) provide that if the purchase is not completed in accordance with the specified terms, the corporation is to be dissolved under [section 25].

(3) After the purchase order is entered, any party may petition the court to modify the terms of the purchase and the court may do so if it finds that changes in the financial or legal ability of the corporation or other purchaser to complete the purchase justify a modification.

(4) If the corporation is dissolved because the share purchase was not completed in accordance with the court's order, the selling shareholder has the same rights and priorities in the corporation's assets as if the sale had not been ordered.

**Section 25. Extraordinary relief — dissolution.** (1) The court may dissolve the corporation if it finds:

(a) one or more grounds for judicial dissolution under 35-1-921; or

(b) all other relief ordered by the court under [section 23 or section 24] has failed to resolve the matters in dispute.

(2) In determining whether to dissolve the corporation, the court shall consider among other relevant evidence the financial condition of the corporation but may not refuse to dissolve solely because the corporation has accumulated earnings or current operating profits.

**Section 26. Codification instruction.** Sections 1 through 25 are intended to be codified as an integral part of Title 35, and the provisions of Title 35 apply to sections 1 through 25.

Section 27. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 28. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 29. **Applicability.** This act applies to all corporations electing statutory close corporation status under this act on and after the effective date of this act.

## CHAPTER NO. 433

[HB 730]

### AN ACT TO REQUIRE A CERTIFICATE OF OWNERSHIP FOR MOTORBOATS AND CERTAIN SAILBOATS; AMENDING SECTION 23-2-502, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Certificate of ownership.** (1) Except as provided in subsection (9), no motorboat or sailboat 12 feet in length or longer may be operated upon the waters of the state unless a certificate of ownership has first been obtained from the department of justice in accordance with the laws of this state.

(2) The owner of a motorboat or sailboat 12 feet in length or longer shall apply for a certificate of ownership and a certificate of number with the county treasurer of the county in which the owner resides, upon forms furnished by the department of justice. The forms must require the following information:

- (a) name of the owner;
- (b) residence of the owner, by town or county;
- (c) business or home address of the owner;
- (d) name and address of any lienholder;
- (e) amount due under any contract or lien;
- (f) name of the manufacturer;
- (g) model number or name;
- (h) identification number;
- (i) name and address of the dealer or other person from whom acquired, if known; and

(j) such other information as the department of justice may require.

(3) The application is to be accompanied by documentation of ownership, such as an invoice, bill of sale, foreign title, official certificate of boat number, tax receipt, certification from the department of revenue that the motorboat or sailboat 12 feet in length or longer is listed with the applicant's taxable property, or a certificate of ownership of a trailer purchased with the motorboat or sailboat. An applicant who fails to provide such proof of ownership shall provide a certified statement describing how the motorboat or sailboat 12 feet in length or longer was acquired, from whom acquired if known, and other information requested by the department of justice.

(4) If a certificate of ownership has previously been issued under the provisions of this part, the application for a new certificate must be accompanied by the immediately previous certificate. This subsection does not apply to motorboats or sailboats 12 feet in length or longer that are purchased as new and unused machines or that were operated when the provisions of this part were not in force and effect.

(5) Any motorboat or sailboat 12 feet in length or longer that does not have a manufacturer's or other identifying number thereon must be assigned an identification number by the department of fish, wildlife, and parks. A fee of \$1 must be paid to the department for an assignment of number.

(6) Upon completion of the application, the county treasurer shall issue to the applicant two copies of the certificate of number application, one of which must be marked "file copy". The treasurer shall forward one copy and the original application for a certificate of ownership to the department of justice, which shall enter the information contained in the application upon the corresponding records of its office, and shall furnish the applicant a certificate of ownership containing that information in the application considered necessary by the department and a permanent boat number. The certificate of ownership need not be renewed annually and is valid as long as the person holding it owns the vessel.

(7) The owner shall at all times retain possession of the certificate of ownership, except when it is being transmitted to and from the department of justice for endorsement or cancellation.

(8) Upon application for a certificate of ownership, a fee of \$6 must be paid to the county treasurer, \$4 of which must be forwarded by the county treasurer to the department of justice and deposited in the motor vehicle recording account of the state special revenue fund.

(9) A person who, on [the effective date of this act], is the owner of a motorboat or sailboat 12 feet in length or longer with a valid certificate of number issued by the state is not required to file an application for a certificate of ownership for the motorboat or sailboat 12 feet in length or longer unless he transfers a part of his interest in the motorboat or sailboat 12 feet in length or longer or he renews the certificate of number for the motorboat or sailboat 12 feet in length or longer.

**Section 2. Lost or mutilated certificate.** (1) If a certificate of ownership is lost, mutilated, or becomes illegible, the person to whom it was

issued shall immediately make application for and obtain a duplicate, upon payment of a fee of \$6.

(2) The duplicate certificate of ownership must be plainly marked "duplicate" across its face and be mailed or delivered to the applicant.

**Section 3. Transfer of interest.** (1) Except as provided in subsection (3), upon a transfer of a certificate of ownership to a motorboat or sailboat 12 feet in length or longer registered as required under the provisions of this part, the person whose title or interest is to be transferred shall sign the certificate of ownership issued for the motorboat or sailboat 12 feet in length or longer in the appropriate space provided on the reverse side of the certificate, and such signature must be acknowledged before a notary public.

(2) Within 20 calendar days thereafter, the transferee shall make application for transfer of the certificate of ownership so endorsed with the county treasurer of the county in which the transferee resides and also make application for registration of the motorboat or sailboat 12 feet in length or longer. The county treasurer shall forward the application to the department of justice, which shall file the certificate upon receipt. No certificate of ownership may be issued by the department until any outstanding certificate is surrendered to the department or its loss established to the department's reasonable satisfaction. The county treasurer shall collect a fee of \$6 for each application for transfer of ownership, of which \$4 must be forwarded to the department of justice for deposit in the motor vehicle recording account of the state special revenue fund.

(3) A purchaser of a new or used motorboat or sailboat 12 feet in length or longer from a licensed dealer has a grace period of 20 calendar days from the date of purchase to register the motorboat or sailboat 12 feet in length or longer, make application for a certificate of ownership, and obtain a decal [indicating that the fee in lieu of property tax has been paid on the vessel for the current year]. It is not a violation of this part or any other law for the purchaser to operate a newly acquired motorboat or sailboat 12 feet in length or longer without a certificate of ownership, certificate of registration, and decal during the 20-day grace period. During this period the sticker provided for in subsection (4) must remain affixed to the motorboat or sailboat 12 feet in length or longer.

(4) Prior to the delivery of the motorboat or sailboat 12 feet in length or longer to the purchaser, the dealer shall issue and affix to a motorboat or sailboat 12 feet in length or longer constructed after October 31, 1972, a sticker as prescribed by the department of justice. The sticker must contain the name and address of the purchaser, the date of sale, the name and address of the dealer, and a description of the motorboat or sailboat 12 feet in length or longer, including its serial number. The dealer shall keep a copy of the sticker for his records and shall send a copy of the sticker to the department of justice.

(5) The provisions of subsection (2) do not apply in the event of the transfer of a motorboat or sailboat 12 feet in length or longer to a duly licensed dealer intending to resell the motorboat or sailboat 12 feet in length or longer and who operates it only for demonstration purposes, but

every such dealer, upon transferring such interest, shall deliver the certificate of ownership with an application for a new certificate executed by the new owner in accordance with the provisions of this part. The department of justice, upon receipt of the certificate of ownership and application for a new certificate containing notice of a security interest, if any, shall issue a new certificate of ownership, together with a statement of any conditional sales contract, mortgage, or other lien.

[HB 737]

AN ACT TO ALLOW THE PROFESSIONAL PERSON IN CHARGE OF A PATIENT AT THE MONTANA STATE HOSPITAL TO FILE A PETITION FOR AN EXTENSION OF INVOLUNTARY COMMITMENT IN THE DISTRICT COURT OF THE COUNTY IN WHICH THE PATIENT IS DETAINED; AND AMENDING SECTION 53-21-128, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 53-21-128, MCA, is amended to read:

**"53-21-128. Petition for extension of commitment period.**

(1) (a) Not less than 2 calendar weeks prior to the end of the 3-month period of detention provided for in 53-21-127(2), the professional person in charge of the patient at the place of detention may petition the *district court in the county where the patient is detained* for extension of the detention period, *unless otherwise ordered by the original committing court*. The petition shall be accompanied by a written report and evaluation of the patient's mental and physical condition. The report shall describe any tests and evaluation devices which have been employed in evaluating the patient, the course of treatment which has been undertaken for the patient, and the future course of treatment anticipated by the professional person.

(b) Upon the filing of the petition, the court shall give written notice of the filing of the petition to the patient, his next of kin, if reasonably available, the friend of respondent appointed by the court, and the patient's counsel. If any person so notified requests a hearing prior to the termination of the previous detention authority, the court shall immediately set a time and place for a hearing on a date not more than 10 days from the receipt of the request and notify the same people, including the professional person in charge of the patient. If a hearing is not requested, the court shall enter an order of commitment for a period not to exceed 6 months.

ordered by the court. Court costs and witness fees, if any, shall be paid by the county that paid the same costs in the initial commitment proceedings.

(d) If upon the hearing the court finds the patient not seriously mentally ill within the meaning of this part, he shall be discharged and the petition dismissed. If the court finds that the patient continues to suffer from serious mental illness, the court shall order commitment, custody in relatives, outpatient therapy, or other order as set forth in 53-21-127(2) except that no order may affect his custody for more than 6 months. *Be it enacted by the Legislature of the State of Montana:*

**Section 1. Authorization for sale of CERCLA bonds.** The board of examiners is authorized to issue and sell CERCLA general obligation bonds in an amount not exceeding \$10 million upon the request of the department of health and environmental sciences, as provided for in section 4 of

House Bill No. 777. Proceeds of the bonds or notes are appropriated to the hazardous waste/CERCLA special revenue account provided for in section 2 of House Bill No. 777 to fund state participation in remedial action under section 104 of the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), state costs for maintenance of sites at which remedial action under CERCLA has been completed, the state share required to obtain matching federal funds for underground storage tank corrective action, and costs of issuance of the bonds or notes.

**Section 2. Agreement with department of health and environmental sciences.** For the proceeds of bonds or notes authorized and appropriated by this act, the board of examiners and the department of health and environmental sciences may enter into an agreement under the terms of which the department shall pay the state treasurer, for deposit in accordance with 17-2-101 through 17-2-107, as determined by the state treasurer, an amount sufficient to pay the principal and interest as due on the bonds or notes from which the appropriation was made and to accumulate and maintain reserves as may be required under such bonds. The agreement must further provide that income from the investment of bond proceeds and the reserves not required for the purposes presented in section 1 must be credited against the department's payment obligation. The agreement must also allow for the accumulation of reserves during the first year the bonds are outstanding, if required. Payments by the department must be made from funds available therefor.

**Section 3. Benefit of state.** The agreement made pursuant to section 2 is solely for the benefit of the state of Montana and is not enforceable by bondholders or other third-party beneficiaries.

**Section 4. Department of health and environmental sciences — bond payment.** The department of health and environmental sciences shall transfer to the department of administration, after issuance of bonds and prior to the payment date, sufficient funds to retire general obligation bonds authorized by the 50th legislature and issued by the board of examiners. This payment obligation is for the benefit of the state and is not enforceable by bondholders.

**Section 5. Requirements for approval of state debt — severability.** Because section 1 authorizes the creation of a state debt, a vote of two-thirds of the members of each house of the legislature is required for enactment of section 1. If section 1 is not approved by the required vote, this act is void.

**Section 6. Coordination.** If House Bill No. 777 is not passed and approved, this act is void.

**Section 7. Effective date.** This act is effective July 1, 1987.

Approved April 9, 1987.

## CHAPTER NO. 440

[SB 139]

AN ACT DEFINING THE RESPONSIBILITY AND LIABILITY OF SNOWMOBILE AREA OPERATORS AND THE RESPONSIBILITY AND RISK BORNE BY SNOWMOBILERS; AMENDING SECTIONS 27-1-701 AND 70-16-302, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Purpose.** The legislature recognizes that there are inherent risks in the sport of snowmobiling that are essentially impossible for a snowmobile area operator to eliminate but that should be known by a reasonable and prudent snowmobiler. The purpose of [this act] is to define those areas of responsibility and the acts for which a snowmobile area operator is liable for death or injury to any person or property and those risks for which a snowmobiler expressly assumes or must be considered to have voluntarily assumed the risk of death or injury and for which there can be no recovery.

Section 2. **Definitions.** As used in [this act], the following definitions apply:

- (1) "Snowmobile" means a vehicle defined in 23-2-601(10).
- (2) "Snowmobile area" means those areas designated as snowmobile trails or areas open to the operation of snowmobiles.
- (3) "Snowmobile area operators" means those persons responsible for the maintenance of snowmobile trails and open areas or those persons providing rental snowmobile equipment. Operators may include but are not limited to the United States forest service, the Montana department of fish, wildlife, and parks, the Montana snowmobile association, individual snowmobile clubs, landowners or their tenants, persons who offer snowmobile equipment for rent, and private trail grooming contractors.

- (4) "Snowmobiler" means any person operating or riding a snowmobile.

Section 3. **Snowmobile area operators — duties — restriction on liability.** (1) The person responsible for the maintenance of or operation of a snowmobile area shall mark all trail maintenance vehicles and furnish the vehicles with flashing or rotating lights that must be in operation whenever the vehicles are working or are in movement in the snowmobile area.

(2) A snowmobile area operator is liable for death or injury to a snowmobiler or other person or property only for an act or omission that constitutes gross negligence.

(3) Except as provided in this section, a snowmobile area operator has no duty to eliminate, alter, control, or lessen the risk inherent in the sport of snowmobiling. A snowmobile area operator who attempts to eliminate, alter, control, or lessen the risk inherent in the sport of snowmobiling is liable only for an act or omission that constitutes gross negligence.

**Section 4. Snowmobiler's assumption of responsibility — duties.**

(1) A snowmobiler assumes the risk and all legal responsibility for death or injury to himself or other persons or property that results from the risks inherent in the sport of snowmobiling. The assumption of risk includes but is not limited to death or injury caused by the following: variations in terrain, surface or subsurface snow or ice conditions, cornices, avalanches, poor visibility, bare spots, rocks, trees, other forms of forest growth or debris, and plainly marked trail maintenance equipment.

(2) A snowmobiler is responsible for:

(a) knowing the range of his own ability to snowmobile any slope, trail, or area and for snowmobiling within the limits of his ability considering the conditions;

(b) maintaining control of his speed and course at all times while snowmobiling;

(c) heeding all posted warnings; and

(d) refraining from acting in a manner that may cause or contribute to the injury of anyone.

(3) The provisions of this section do not affect a products liability cause of action based upon the design or manufacture of snowmobile equipment or products or safety equipment used incidental to the operation of a snowmobile.

**Section 5. Maintenance of rental snowmobiles.** A person who engages in the business of renting snowmobiles to another shall:

(1) maintain rental snowmobiles in a safe condition; and

(2) offer each renter instructions in the mechanical operation of the rental snowmobile.

**Section 6. Effect of comparative negligence.** Notwithstanding any comparative negligence law in this state, a person is barred from recovery from a snowmobile area operator for death or injury to person or property resulting from any risk inherent in the sport of snowmobiling as described in [section 4].

**Section 7.** Section 27-1-701, MCA, is amended to read:

**"27-1-701. Liability for negligence as well as willful acts.** *Except as otherwise provided by law, everyone* is responsible not only for the results of his willful acts but also for an injury occasioned to another by

his want of ordinary care or skill in the management of his property or person except so far as the latter has willfully or by want of ordinary care brought the injury upon himself."

Section 8. Section 70-16-302, MCA, is amended to read:

**"70-16-302. Restriction on liability to permittee.** (1) A landowner or tenant who permits, by act or implication, any person to enter upon any property in the possession or under the control of such landowner or tenant for any recreational purpose without accepting a valuable consideration therefor does not by granting such permission extend any assurance that such property is safe for any purpose or confer upon such a person the status of invitee or licensee to whom any duty of care is owed, and such landowner or tenant shall not be liable to such person for any injury to person or property resulting from any act or omission of such landowner or tenant unless such act or omission constitutes willful or wanton misconduct.

(2) *The department of fish, wildlife, and parks, when operating under an agreement with a landowner or tenant to provide recreational snowmobiling opportunities, including but not limited to a snowmobile area, subject to the provisions of subsection (1) on the landowner's property, and when not also acting as a snowmobile area operator on the property, does not extend any assurance that such property is safe for any purpose, and the department, the landowner, or the landowner's tenant may not be liable to any person for any injury to person or property resulting from any act or omission of the department unless such act or omission constitutes willful or wanton misconduct.*"

Section 9. **Two-thirds vote required.** Since this act limits governmental liability, Article II, section 18, of the Montana constitution requires a vote of two-thirds of the members of each house for passage.

Section 10. **Effective date.** This act is effective on passage and approval.

Approved April 9, 1987.

## CHAPTER NO. 441

[SB 160]

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 27-2-102, MCA, is amended to read:

**"27-2-102. When action commenced.** (1) For the purposes of statutes relating to the time within which an action must be commenced:

(b) *an action is commenced when the complaint is filed.*

(2) *Unless otherwise provided by statute, the period of limitation begins when the claim or cause of action accrues. Lack of knowledge of the claim or cause of action, or of its accrual, by the party to whom it has accrued, does not postpone the beginning of the period of limitation.*

(3) *The period of limitation does not begin on any claim or cause of action for an injury to person or property until the facts constituting the claim have been discovered or, in the exercise of due diligence, should have been discovered by the injured party if:*

(a) *the facts constituting the claim are by their nature concealed or self-concealing; or*

(b) *before, during, or after the act causing the injury, the defendant has taken action which prevents the injured party from discovering the injury or its cause.*

(4) *Subsection (3) does not apply to actions involving the limitations contained in 27-2-205."*

Section 2. Section 27-2-301, MCA, is amended to read:

**"27-2-301. When demand necessary to perfect right to action.** Where a right exists but a demand is necessary to entitle a person to maintain an action, the time within which the action must be commenced must be computed from the time when the demand is *made*, except where the right grows out of the receipt or detention of money or property by an agent, trustee, attorney, or other person acting in a fiduciary capacity, the time must be computed from the time when the person having the right to make the demand has actual knowledge of the facts upon which that right depends."

Section 3. Section 27-2-401, MCA, is amended to read:

**"27-2-401. When person entitled to bring action is under a disability.** (1) If a person entitled to bring an action mentioned in part 2, except 27-2-211(3), is, at the time the cause of action accrues, either a minor, seriously mentally ill, or imprisoned on a criminal charge or under a sentence for a term less than for life, the time of such disability is not a part of the time limited for commencing the action. However, the time so limited cannot be extended more than 5 years by any such disability except minority.

(2) If an action is barred by 27-2-304, any of the heirs, devisees, or creditors who at the time of the transaction upon which the action might have been founded was under one of the disabilities mentioned in subsection (1) may, within 5 years after the cessation of such disability, maintain an action to recover damages. In such action he may recover such sum or the value of such property as he would have received upon the final distribution of the estate if an action had been seasonably commenced by the *personal representative*.

(3) No person may avail himself of a disability unless it existed when his right of action or entry accrued.

(4) When two or more disabilities coexist at the time the right of action or entry accrues, the limitation does not attach until *all* are removed."

Section 4. Section 27-2-402, MCA, is amended to read:

**"27-2-402. When defendant is out of state.** *When the cause of action accrues against a person who is out of the state and cannot be served with process, the action may be commenced within the term herein limited after his return to the state; and if after the cause of action accrues he departs from the state and cannot be served with process, the time of his absence is not part of the time limited for the commencement of the action."*

Section 5. Section 27-2-408, MCA, is amended to read:

**"27-2-408. Assertion of counterclaim.** *(1) A defendant is entitled to assert against a plaintiff, by pleading or amendment, any counterclaim arising out of the transaction or occurrence that is the subject matter of the plaintiff's claim against him.*

*(2) The time period between the commencement and termination of an action is not part of the time limit for the commencement of an action by a defendant to recover for a counterclaim or to interpose it in that action or another action by the same plaintiff or a successor arising out of the same transaction or occurrence."*

Section 6. Section 27-2-409, MCA, is amended to read:

**"27-2-409. Acknowledgment of debt or part payment.** *An acknowledgment or the part payment of a debt is sufficient evidence to cause the relevant statute of limitations to begin running anew.*

*(1) An acknowledgment must be contained in some writing signed by the party to be charged thereby.*

*(2) Part payment is any payment of principal or interest."*

Section 22. Section 61-5-205, MCA, is amended to read:

**"61-5-205. Mandatory revocation of license upon proper authority.** The department upon proper authority shall revoke the *driver's license, including the commercial vehicle operator's endorsement, or the operating privilege* of any *driver* upon receiving a record of the *driver's* conviction or forfeiture of bail not vacated of any of the following offenses, when such conviction or forfeiture has become final:

- (1) negligent homicide resulting from the operation of a motor vehicle;
- (2) driving a motor vehicle while under the influence of alcohol or narcotic drug, or willfully or knowingly under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle, or a combination thereof except as provided in 61-5-208, or operation of a motor vehicle by a person with a blood alcohol concentration of 0.10 or more;

(a) has been involved as a driver in any accident resulting in the death or personal injury of another or serious property damage;

(b) has been convicted with such frequency of serious offenses against traffic regulations governing the movement of vehicles as to indicate a disrespect for traffic laws and a disregard for the safety of other persons on the highways;

(c) is an habitually reckless or negligent driver of a motor vehicle;

(d) is incompetent to drive a motor vehicle;

(e) has permitted an unlawful or fraudulent use of such license as specified in 61-5-302;

(f) has committed an offense in another state which if committed in this state would be grounds for suspension or revocation; or

(g) has falsified his date of birth on his application for a driver's license.

(2) However, the department may, in its discretion and in lieu of such suspension of license or driving privilege, issue a probationary license to a *driver*, without preliminary hearing, upon a showing by its records or other sufficient evidence that the licensee's driving record is such as would authorize suspension as provided in subsection (1) hereof. Upon issuance of a probationary license the licensee shall be subject to the restrictions set forth thereon. The licensee's driving privilege may be suspended upon conviction or forfeiture of bail not vacated of any traffic violation during the period of such probation. The licensee shall surrender to the department all driver licenses theretofore issued to him before such probationary license shall be issued. His refusal or neglect to surrender such licenses upon demand shall be ground for suspending all such licenses. Probationary licenses may be issued for a period not to exceed 12 months.

(3) Upon suspending the license of any person or upon placing such person on probation, as hereinbefore in this section authorized, the department shall immediately notify the licensee in writing and upon his request shall afford him an opportunity for a hearing as early as practical within not to exceed 20 days after receipt of such request in the county wherein the licensee resides unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the department through its duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or probation, or, good cause appearing therefor, may affirm, reduce, or extend the period of probation or suspension of such license."

Reexamination — when required.** The department having good cause to believe that a licensed *driver* is incompetent or otherwise not qualified to be licensed *or to have a commercial vehicle operator's endorsement*, may upon written notice of at least 5 days to the licensee require him to submit to an examination. Upon the conclusion of such examination the department shall take action as may be appropriate and may suspend or revoke the license *and commercial vehicle operator's endorsement, or just the commercial vehicle operator's endorsement* of such person or permit him to retain such license, or may issue a license subject to restrictions as permitted under 61-5-113. **"61-5-208. Period of suspension or revocation.** (1) The department may not suspend or revoke a driver's license, *commercial vehicle operator's endorsement*, or privilege to drive a motor vehicle on the public highways for a period of more than 1 year, except as permitted under 61-5-207, 61-5-212, 61-6-123, and 61-11-211.

(2) Any person whose license, *commercial vehicle operator's endorsement*, or privilege to drive a motor vehicle on the public highways has been suspended or revoked is not entitled to have such license, *endorsement*, or privilege renewed or restored unless the revocation was for a cause which has been removed, except that after the expiration of the period of such revocation or suspension, the person may make application for a new license *or endorsement* as provided by law but the department may not then issue a new license *or endorsement* unless and until it is satisfied, after investigation of the driving ability of the person and upon a showing by its records or other sufficient evidence, that the person is eligible to be licensed to drive in this state. When any person is convicted or forfeits bail or collateral not vacated for the offense of operating or being in actual physical control of a motor vehicle while under the influence of alcohol or a narcotic drug or knowingly or willingly under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle, or a combination thereof, or for the offense of operation of a motor vehicle by a person with alcohol concentration of 0.10 or more, the department shall, upon receiving a report of such conviction or forfeiture of bail or collateral not vacated, suspend the license, *including any commercial vehicle operator's endorsement*, or driving privilege of the person for a period of 6 months. Upon receiving a report of a conviction or forfeiture of bail or collateral for a second, third, or subsequent offense within 5 years of the first offense, the department shall revoke the license, *including any commercial vehicle operator's endorsement*, or driving privilege of the person for a period of 1 year.

(3) The period for all revocations made mandatory by 61-5-205 shall be 1 year except as provided in subsection (2) of this section.

**"61-5-209. Section 28. Section 61-5-211, MCA, is amended to read:

**"61-5-211. Right of appeal to court.** Any person denied a *driver's license, commercial motor vehicle operator's endorsement*, or whose license or *endorsement* has been canceled, suspended, or revoked by the department except where such cancellation or revocation is mandatory under the provisions of this chapter shall have the right to file a petition within 30 days thereafter for a hearing in the matter in the district court in the county wherein such person shall reside. Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon 30 days' written notice to the department, and thereupon to take testimony and examine into the facts of the case and to determine whether the petitioner is entitled to a license or *commercial vehicle operator's endorsement* or is subject to suspension, cancellation, or revocation of the license or *endorsement* under the provisions of this chapter."

Section 29. Section 61-5-212, MCA, is amended to read:

(2) Registration of a timeshare offering may be renewed for an additional 1-year period by filing a renewal application with the board no later than 30 days before the expiration of the registration period and paying the prescribed fee. A renewal application must contain any information the board requires to indicate any substantial changes in the information contained in the original application.

(3) If a materially adverse change in the condition of the developer or an affiliate occurs during any year, an amendment to the documents filed under [section 4] must be filed, along with the prescribed fee.

**Section 6. Alternative filing documents.** (1) In lieu of the documents required to be filed with an application under [section 4], the board may accept:

(a) a disclosure document filed with an agency of the United States or any other state; or

(b) a disclosure document compiled in accordance with a rule of an agency of the United States or any other state.

(2) The board shall prescribe by rule those documents acceptable under subsection (1).

**Section 7. Exemption from registration.** The registration requirements of [this act] do not apply to:

If the applicant or registrant does not request a hearing, the order remains in effect until the board modifies or vacates it.

**Section 9. Conditions upon registration.** To protect the public interest, the board may require as a condition of registration that the registrant establish an independent trust, escrow, or similar arrangement that assures a purchaser quiet enjoyment of the timeshare unit.

**Section 10. Waiver of liability.** The fact that an application for registration has been filed or that a timeshare offering has been registered does not constitute a finding by the board that any document filed under [this act] is complete, true, and not misleading. The filing or registration does

not mean that the board has given approval to, recommended, or determined the merits or qualifications of any person, timeshare, or transaction.

**Section 11. Approval of advertising.** (1) No person may publish an advertisement in this state offering a timeshare that is subject to the registration requirements of [section 3] unless a true copy of the advertisement has first been filed in the office of the board at least 7 days before publication or such other period as the board may establish by rule.

(2) Nothing in [this act] applies to any radio or television station or any publisher, printer, or distributor of any newspaper, magazine, billboard, or other advertising medium that accepts advertising in good faith without reasonable knowledge of its violation of any provision of [this act].

**Section 12. Licensure of timeshare brokers and timeshare salespersons.** (1) A person offering timeshare units for his own account or for the account of others must be licensed as a timeshare salesperson or timeshare broker unless the offering is exempt under [section 7]. (a) upon completion of an application and personal disclosure statement and passage of an examination prescribed by the board demonstrating knowledge of the timeshare industry and [this act]; and

(b) upon successful completion of a course of education related to the timeshare industry that has been approved by the board. The board shall then issue a certificate of completion to the applicant.

(2) A person licensed as a real estate broker or salesperson under Title 37, chapter 51, may act as a timeshare salesperson or timeshare broker upon successful completion of a course of education related to the timeshare industry that has been approved by the board. The board shall then issue a certificate of completion to the applicant. No license other than that issued pursuant to Title 37, chapter 51, is required.

**Section 13. Denial, suspension, or revocation of license or application.** The board may by an order, subject to [section 25], deny, suspend, or revoke a timeshare salesperson's or timeshare broker's license or application for license if the board finds that the order is in the public interest and that the applicant or licensee:

(1) has filed an application for licensure and personal disclosure statement as a timeshare salesperson or timeshare broker that is incomplete in any material respect or contains any statement that is, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(2) has violated or failed to comply with any provision of [this act], rules adopted under [this act], or Title 37, chapter 51;

(3) has been convicted of a felony involving theft, fraud, or any consumer protection statute or a felony involving moral turpitude and related to the occupation of timeshare salesperson or timeshare broker;

(5) has engaged in dishonest or unethical practices in the timeshare business; or

(6) has not complied with any condition imposed by the board or is not qualified on the basis of knowledge of the timeshare industry or [this act].

**Section 14. Disclosure document.** A person who offers or sells a timeshare shall provide the prospective purchaser with a written disclosure document before the prospective purchaser signs an agreement for the purchase of a timeshare. The disclosure document must include:

(d) a statement of the maximum number of timeshares that may be created or a statement that there is no maximum;

(5) a description of the types of financing offered by the promoter;

(7) copies of any agreements or leases to be signed by purchasers at closing and a copy of the timeshare instrument;

(8) the identity of the managing entity and the name, address, and telephone number of the person or persons in charge, and the manner, if any, whereby the developer may change the managing entity;

(13) a full and accurate disclosure of whether the timeshare owners are permitted or required to become members of or participate in any program for the exchange of property rights among themselves or with the timeshare owners of other timeshare units, or both, and a complete description of the program; and

(14) any additional information the board finds necessary to fully inform prospective purchasers, including but not limited to the financial and background information required by [section 4].

**Section 15. Disclosure to purchaser — cancellation of agreement.** The developer or any person offering a timeshare shall provide a prospective purchaser with a copy of the disclosure document described in [section. 14] before the execution of any agreement for the purchase of a timeshare. A purchaser may, within 3 days following receipt of a disclosure document or signing of a timeshare purchase agreement, whichever is later, cancel the agreement and receive a refund of any consideration paid by providing written notice of the cancellation to the promoter or promoter's agent either by certified mail or personal delivery. If the purchaser does not receive the disclosure document, the agreement is voidable by the purchaser until the purchaser receives the document and for 3 days thereafter. The provisions of this section may not be waived.

**Section 16. Transfer of developer's interest.** A developer may not sell, lease, assign, or otherwise transfer his interest in a project unless the transferee agrees in writing to honor the purchaser's right to use and occupy the timeshare unit, to honor the purchaser's right to cancel, and to comply with [this act]. Each purchaser whose contract may be affected must be given written notice of a transfer immediately after the transfer is made.

**Section 17. Good faith requirement — prohibited provisions. (1)** The parties to a timeshare agreement shall deal with each other in good faith.

(2) A developer may not require a purchaser to agree to a release, assignment, novation, waiver, or any other provision that relieves a person from a duty imposed by [this act].

(3) Any provision in a timeshare instrument that designates jurisdiction or venue in a forum outside this state or the state or other jurisdiction where the project is located is void with respect to any cause of action that is enforceable in this state.

**Section 18. Illegal practices. (1)** It is unlawful for any person in connection with the offer, sale, or lease of a timeshare interest in this state to:

**Section 19. Civil liability.** Any person who offers, sells, or materially aids in the offer or sale of a timeshare in violation of [this act] is liable to the person buying the timeshare, who may sue to recover the consideration paid for the timeshare, together with interest at the current legal rate from date of payment and costs, upon the tender of the timeshare or for damages if the person no longer owns the timeshare.

**Section 20. Prize and gift promotional offers — filing.** (1) A separate filing for each prize and gift promotional offer to be used in the sale of timeshare intervals must be made with the board at least 14 days prior to the use of such offer by the developer. No advertising material related to a prize and gift promotional offer may be distributed unless it is first filed with the board. ## CHAPTER NO. 451

[HB 222]

AN ACT ALLOWING CORPORATIONS IN AN AFFILIATED GROUP TO FILE A CONSOLIDATED CORPORATION INCOME TAX RETURN IF ALL CORPORATIONS ARE INCORPORATED IN MONTANA, OWNED BY MONTANA RESIDENTS, AND FILING A CONSOLIDATED FEDERAL RETURN; AMENDING SECTION 15-31-141, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 15-31-141, MCA, is amended to read:

**"15-31-141. Consolidated returns — computation and procedure — prohibition on financial institutions.** (1) Corporations which

are affiliated may not file a consolidated return unless at least 80% of all classes of stock of each corporation involved is owned directly or indirectly by one or more members of the affiliated group.

(2) Corporations may not file a consolidated return unless the operation of the affiliated group constitutes a unitary business and, *except for a unitary business operation described in subsection (2)(b)*, permission to file a consolidated return is given by the department of revenue. For purposes of this section, a "unitary business operation" means one in which:

(a) the business operations conducted by the corporations in the affiliated group are interrelated or interdependent to the extent that the net income of one corporation cannot reasonably be determined without reference to the operations conducted by the other corporations; or

(b) *all of the corporations in the affiliated group are incorporated and operate exclusively in Montana, are not multistate corporations, and have filed a consolidated federal return for the tax year.*

(3) *The election to file a consolidated return is binding as long as the affiliated group continues to file a federal consolidated return.*

(4) If the conditions of subsections (1) and (2) of this section are met, the department may require corporations to file a consolidated return when the department considers a consolidated return necessary.

(5) Any corporation liable to report under this chapter and owning or controlling, either directly or indirectly, at least 80% of all classes of stock of each corporation involved may be required to make a consolidated report showing the combined net income, such assets of the corporation as are required for the purposes of this chapter, and such other information as the department may require, but excluding intercorporate stockholdings and intercorporate accounts. Any corporation liable to report under this chapter and owned or controlled, either directly or indirectly, by another corporation may be required to make a report consolidated with the owning company, showing the combined net income, such assets of the corporation as are required for the purposes of this chapter, and such other information as the department may require, but excluding intercorporate stockholdings and intercorporate accounts. In case it shall appear to the department that any arrangement exists in such a manner as to improperly reflect the business done, the segregable assets, or the entire net income earned from business done in this state, the department is authorized and empowered to equitably adjust the tax in such manner as it may determine.

(6) (a) A majority of the corporation license tax collected from financial institutions is paid to local government areas in which each financial institution is located. However, consolidated returns for financial institutions do not reflect the true tax attributable to each local government. In addition, consolidated returns would permit financial institutions to offset income against losses of nonfinancial institutions, thereby distorting the true income of each financial organization.

(b) In accordance with subsection (6)(a), financial institutions are prohibited from filing consolidated returns under this section."

**Section 2. Extension of authority.** Any existing authority of the department of revenue to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 3. Effective date — applicability.** (1) This act is effective on passage and approval.

(2) This act applies retroactively, within the meaning of 1-2-109, to taxable years beginning after December 31, 1986.

Approved April 9, 1987.

The commissioner may, after notice and hearing, disapprove any proposed change, alteration, or amendment to the business plan. The commissioner may make reasonable rules exempting from the filing requirements of this subsection those items he considers unnecessary.

(5) An applicant or a health maintenance organization holding a certificate of authority shall file with the commissioner all contracts of reinsurance and any modifications thereto. An agreement between a health maintenance organization and an insurer is subject to Title 33, chapter 2, part 12. A reinsurance agreement must remain in full force and effect for at least 90 days following written notice of cancellation by either party by certified mail to the commissioner.

(6) Each health maintenance organization shall maintain, at its administrative office, and make available to the commissioner upon request executed copies of all provider contracts.

(7) The commissioner may make reasonable rules exempting an insurer or health service corporation operating a health maintenance organization as a plan from the filing requirements of this section if information requested in the application has been submitted to the commissioner under other laws and rules administered by the commissioner.

**Section 4. Issuance of certificate of authority.** (1) Upon receipt of an application for issuance of a certificate of authority, the commissioner shall transmit copies of the application and accompanying documents to the department of health. The department of health shall determine whether the applicant for a certificate of authority, with respect to health care services to be furnished, has:

(a) demonstrated the willingness and potential ability to assure that it will provide health care services in a manner assuring availability and accessibility of adequate personnel and facilities and enhancing availability, accessibility, and continuity of service;

(b) arrangements, established in accordance with the rules made by the department of health, for an ongoing quality assurance program concerning health care availability, accessibility, and continuity of service; and

(c) a procedure, established in accordance with rules of the department of health, to develop, compile, evaluate, and report statistics relating to the cost of its operations, the pattern of utilization of its services, the availability and accessibility of its services, and any other matters as may be reasonably required by the department of health.

(2) Within 60 days of receipt of the application from a health maintenance organization for issuance of a certificate of authority, the department of health shall certify to the commissioner that the proposed health maintenance organization meets the requirements of subsection (1) or shall, after notice and hearing, notify the commissioner that the health maintenance organization does not meet those requirements and specify in what respects it is deficient. The director may extend by not more than an additional 30 days the period within which he may certify to the commissioner that the proposed health maintenance organization meets or does not meet the requirements of subsection (1) by giving notice of the extension to the commissioner and the health maintenance organization before the expiration of the initial 60-day period.

(3) The commissioner shall issue or deny a certificate of authority to any person filing an application pursuant to [section 3] within 180 days of receipt of the certification from the department of health. The commissioner shall grant a certificate of authority upon payment of the application fee prescribed in [section 22] if the commissioner is satisfied that each of the following conditions is met:

(a) The persons responsible for the conduct of the applicant's affairs are competent and trustworthy.

(b) The department of health certifies, in accordance with subsection (2), that the health maintenance organization's proposed plan of operation meets the requirements of subsection (1).

(c) The health maintenance organization will effectively provide or arrange for the provision of basic health care services on a prepaid basis, through insurance or otherwise, except to the extent of reasonable requirements for copayments.

(d) The health maintenance organization is financially responsible and can reasonably be expected to meet its obligations to enrollees and prospective enrollees. In making this determination, the commissioner may in his discretion consider:

(i) the financial soundness of the arrangements for health care services and the schedule of charges used in connection therewith;

(ii) the adequacy of working capital;

(iii) any agreement with an insurer, a health service corporation, a government, or any other organization for ensuring the payment of the cost of health care services or the provision for automatic applicability of an alternative coverage in the event of discontinuance of the health maintenance organization;

(iv) any agreement with providers for the provision of health care services;

(v) any deposit of cash or securities submitted in accordance with [section 13]; and

(vi) any additional information as the commissioner may reasonably require.

(e) The enrollees will be afforded an opportunity to participate in matters of policy and operation pursuant to [section 6].

(f) Nothing in the proposed method of operation, as shown by the information submitted pursuant to [section 3] or by independent investigation, violates any provision of [sections 1 through 29] or rules adopted by the commissioner or the department of health.

(g) Any deficiencies identified by the department of health have been corrected.

(4) The commissioner may in his discretion deny a certificate of authority only if he complies with the requirements of [section 21].

**Section 5. Powers of health maintenance organizations.** (1) The powers of a health maintenance organization include but are not limited to the following:

(a) the purchase, lease, construction, renovation, operation, or maintenance of a hospital, a medical facility, or both, its ancillary equipment, and such property as may reasonably be required for its principal office or for such purposes as may be necessary in the transaction of the business of the organization;

(b) the making of loans to a medical group under contract with it in furtherance of its program or the making of loans to a corporation under its control for the purpose of acquiring or constructing a medical facility or hospital or in furtherance of a program providing health care services to enrollees;

(c) the furnishing of health care services through a provider who is under contract with or employed by the health maintenance organization;

(d) the contracting with a person for the performance on its behalf of certain functions, such as marketing, enrollment, and administration;

(e) the contracting with an insurer authorized to transact insurance in this state, or with a health service corporation authorized to do business in this state, for the provision of insurance, indemnity, or reimbursement against the cost of health care services provided by the health maintenance organization; and

(f) the offering of other health care services in addition to basic health care services.

(2) A health maintenance organization shall file notice, with adequate supporting information, with the commissioner before exercising a power granted in subsection (1)(a), (1)(b), or (1)(d). The commissioner may, after notice and hearing, within 60 days disapprove the exercise of a power under subsection (1)(a), (1)(b), or (1)(d) only if, in his opinion, it would substantially and adversely affect the financial soundness of the health maintenance organization and endanger its ability to meet its obligations. The commissioner may make reasonable rules exempting from the filing requirement of this subsection those activities having a de minimis effect. The commissioner may exempt certain contracts from the filing requirement whenever exercise of the authority granted in this section would have

little or no effect on the health maintenance organization's financial condition and ability to meet obligations.

(3) Nothing in this section exempts the activities of a health maintenance organization from any applicable certificate of need requirements under Title 50, chapter 5, parts 1 and 3.

**Section 6. Governing body.** (1) The governing body of a health maintenance organization may include providers or other individuals, or both.

(2) The governing body shall establish a mechanism to give the enrollees an opportunity to participate in matters of policy and operation through the establishment of advisory panels, by the use of advisory referenda on major policy decisions, or through the use of other mechanisms.

**Section 7. Fiduciary responsibilities.** (1) Any director, officer, employee, or partner of a health maintenance organization who receives, collects, disburses, or invests funds in connection with the activities of the health maintenance organization is responsible for the funds in the manner of a fiduciary to the health maintenance organization.

(2) A health maintenance organization shall maintain in force a fidelity bond on employees and officers in an amount not less than \$100,000 or such other sum as may be prescribed by the commissioner. Each bond must be written with at least a 1-year discovery period and, if written with less than a 3-year discovery period, must contain a provision that a cancellation or termination of the bond, whether by or at the request of the insured or by the underwriter, may not take effect prior to the expiration of 90 days after written notice of the cancellation or termination has been filed with the commissioner unless the commissioner approves an earlier cancellation or termination date.

**Section 8. Evidence of coverage and charges for health care services.** (1) Every enrollee residing in this state is entitled to an evidence of coverage. The health maintenance organization shall issue the evidence of coverage, except that if the enrollee obtains coverage through an insurance policy issued by an insurer or a contract issued by a health service corporation, whether by option or otherwise, the insurer or the health service corporation shall issue the evidence of coverage.

(2) A health maintenance organization may not issue or deliver an enrollment form, an evidence of coverage, or an amendment to an approved enrollment form or evidence of coverage to a person in this state before a copy of the enrollment form, the evidence of coverage, or the amendment to the approved enrollment form or evidence of coverage is filed with and approved by the commissioner.

(3) An evidence of coverage issued or delivered to a person resident in this state may not contain a provision or statement that is untrue, misleading, or deceptive as defined in [section 14(1)]. The evidence of coverage must contain:

(a) a clear and concise statement, if a contract, or a reasonably complete summary, if a certificate, of:

(i) the health care services and the insurance or other benefits, if any, to which the enrollee is entitled;

(ii) any limitations on the services, kinds of services, or benefits to be provided, including any deductible or copayment feature;

(iii) the location at which and the manner in which information is available as to how services may be obtained;

(iv) the total amount of payment for health care services and the indemnity or service benefits, if any, that the enrollee is obligated to pay with respect to individual contracts; and

(v) a clear and understandable description of the health maintenance organization's method for resolving enrollee complaints.

(b) definitions of geographical service area, emergency care, urgent care, out-of-area services, dependent, and primary provider, if these terms or terms of similar meaning are used in the evidence of coverage and have an effect on the benefits covered by the plan. The definition of geographical service area need not be stated in the text of the evidence of coverage if the definition is adequately described in an attachment, which is given to each enrollee along with the evidence of coverage.

(c) clear disclosure of each provision that limits benefits or access to service in the exclusions, limitations, and exceptions sections of the evidence of coverage. The exclusions, limitations, and exceptions that must be disclosed include but are not limited to:

(i) emergency and urgent care;

(ii) restrictions on the selection of primary or referral providers;

(iii) restrictions on changing providers during the contract period;

(iv) out-of-pocket costs, including copayments and deductibles;

(v) charges for missed appointments or other administrative sanctions;

(vi) restrictions on access to care if copayments or other charges are not paid; and

(vii) any restrictions on coverage for dependents who do not reside in the service area.

(d) clear disclosure of any benefits for home health care, skilled nursing care, kidney disease treatment, diabetes, maternity benefits for dependent children, alcoholism and other drug abuse, and nervous and mental disorders;

(e) a provision requiring immediate accident and sickness coverage, from and after the moment of birth, to each newborn infant of an enrollee or his dependents;

(f) a provision requiring medical treatment and referral services to appropriate ancillary services for mental illness and for the abuse of or addiction to alcohol or drugs in accordance with the limits and coverage provided in Title 33, chapter 22, part 7; however:

(i) after the primary care physician refers an enrollee for treatment of and appropriate ancillary services for mental illness, alcoholism, or drug addiction, the health maintenance organization may not limit the enrollee to a health maintenance organization provider for the treatment of and appropriate ancillary services for mental illness, alcoholism, or drug addiction;

(ii) if an enrollee chooses a provider other than the health maintenance organization provider for such treatment and referral services, the enrollee's designated provider must limit his treatment and services to the scope of the referral in order to receive payment from the health maintenance organization;

(iii) the amount paid by the health maintenance organization to the enrollee's designated provider may not exceed the amount paid by the health maintenance organization to one of its providers for equivalent treatment or services;

(g) a provision as follows:

"Conformity With State Statutes: Any provision of this evidence of coverage that on its effective date is in conflict with the statutes of the state in which the insured resides on that date is hereby amended to conform to the minimum requirements of those statutes."

(h) a provision that the health maintenance organization shall issue, without evidence of insurability, to the enrollee, his dependents, or family members continuing coverage on the enrollee, his dependents, or family members:

(i) if the evidence of coverage or any portion of it on an enrollee, his dependents, or family members covered under the evidence of coverage ceases because of termination of employment or of his membership in the class or classes eligible for coverage under the policy or because his employer discontinues his business or the coverage;

(ii) if the enrollee had been enrolled in the health maintenance organization for a period of 3 months preceding the termination of group coverage; and

(iii) if the enrollee applied for continuing coverage within 31 days after the termination of group coverage. The conversion contract may not exclude, as a preexisting condition, any condition covered by the group contract from which the enrollee converts.

(i) a provision that clearly describes the amount of money an enrollee shall pay to the health maintenance organization to be covered for basic health care services.

(4) A health maintenance organization may amend an enrollment form or an evidence of coverage in a separate document if the separate document is filed with and approved by the commissioner and issued to the enrollee.

(5) (a) A health maintenance organization shall provide the same coverage for newborn infants, required by subsection (3)(e), as it provides for

enrollees, except that for newborn infants there may be no waiting or elimination periods. A health maintenance organization may not assess a deductible or reduce benefits applicable to the coverage for newborn infants unless the deductible or reduction in benefits is consistent with the deductible or reduction in benefits applicable to all covered persons.

(b) A health maintenance organization may not issue or amend an evidence of coverage in this state if it contains any disclaimer, waiver, or other limitation of coverage relative to the accident and sickness coverage or insurability of newborn infants of an enrollee or his dependents from and after the moment of birth.

(c) If a health maintenance organization requires payment of a specific fee to provide coverage of a newborn infant beyond 31 days of the date of birth of the infant, the evidence of coverage may contain a provision that requires notification to the health maintenance organization, within 31 days after the date of birth, of the birth of an infant and payment of the required fee.

(6) A health maintenance organization may not use a schedule of charges for enrollee coverage for health care services or an amendment to a schedule of charges before it files a copy of the schedule of charges or the amendment to it with the commissioner. A health maintenance organization may evidence a subsequent amendment to a schedule of charges in a separate document issued to the enrollee. The charges in the schedule must be established in accordance with actuarial principles for various categories of enrollees, except that charges applicable to an enrollee must not be individually determined based on the status of his health.

(7) The commissioner shall, within 60 days, approve a form if the requirements of subsections (1) through (5) are met. A health maintenance organization may not issue a form before the commissioner approves the form. If the commissioner disapproves the filing, he shall notify the filer. In the notice, the commissioner shall specify the reasons for his disapproval. The commissioner shall grant a hearing within 30 days after he receives a written request by the filer.

(8) The commissioner may in his discretion require a health maintenance organization to submit any relevant information he considers necessary in determining whether to approve or disapprove a filing made pursuant to this section.

**Section 9. Annual statement — revocation for failure to file — penalty for perjury.** (1) Unless it is operated by an insurer or a health service corporation as a plan, each authorized health maintenance organization shall annually on or before March 1 file with the commissioner a full and true statement of its financial condition, transactions, and affairs as of the preceding December 31. The statement must be in the general form and content required by the commissioner. The statement must be verified by the oath of at least two principal officers of the health maintenance organization. The commissioner may in his discretion waive any verification under oath.

(2) At the time of filing its annual statement, the health maintenance organization shall pay the commissioner the fee for filing its statement as

prescribed in [section 22]. The commissioner may refuse to accept the fee for continuance of the insurer's certificate of authority, as provided in [section 22], or may in his discretion suspend or revoke the certificate of authority of a health maintenance organization that fails to file an annual statement when due.

(3) The commissioner may, after notice and hearing, impose a fine not to exceed \$5,000 per violation upon a director, officer, partner, member, agent, or employee of a health maintenance organization who knowingly subscribes to or concurs in making or publishing an annual statement required by law that contains a material statement which is false.

(4) The commissioner may require such reports as he considers reasonably necessary and appropriate to enable him to carry out his duties under [sections 1 through 29], including but not limited to a statement of operations, transactions, and affairs of a health maintenance organization operated by an insurer or a health service corporation as a plan.

**Section 10. Information to enrollees.** Each authorized health maintenance organization shall provide to its enrollees 30 days' advance notice in writing of any material change in the operation of the health maintenance organization that will affect them directly.

**Section 11. Complaint system.** (1) (a) Each authorized health maintenance organization shall establish and maintain a complaint system to provide reasonable procedures to resolve written complaints initiated by enrollees. A health maintenance organization may not use a complaint system:

- (i) before the commissioner approves it; and
  - (ii) unless the health maintenance organization describes it in each evidence of coverage issued or delivered to an enrollee in this state.
- (b) Each time the health maintenance organization denies a claim or initiates disenrollment, cancellation, or nonrenewal, it shall notify the affected enrollee of the right to file a complaint and the procedure for filing a complaint.
- (c) Each health maintenance organization shall acknowledge a complaint within 10 days of receiving it.
- (d) Each health maintenance organization shall retain records of all complaints for 3 years and shall develop a summary for each year that must include:
- (i) a description of the procedures of the complaint system;
  - (ii) the total number of complaints handled through the complaint system, a compilation of causes underlying the complaints filed, the date on which each complaint was filed, the date on which each complaint was resolved, the disposition of each complaint filed, the time it took to process each complaint, and a summary of each administrative change made because of a complaint; and
  - (iii) the number, amount, and disposition of malpractice claims made by enrollees of the health maintenance organization that were settled during the year by the health maintenance organization.

(e) The health maintenance organization shall annually on or before March 1 file with the commissioner the summary described in subsection (1)(d) for the preceding year.

(2) The commissioner shall hold in confidence the information provided by the health maintenance organization pursuant to subsection (1)(d)(iii).

(3) The commissioner may examine a complaint system.

**Section 12. Investment regulations.** Except for a health maintenance organization operated as a plan by a health service corporation, a domestic health maintenance organization may invest its funds only as prescribed in Title 33, chapter 2, part 8.

**Section 13. Protection against insolvency.** (1) Except as provided in subsections (4) through (7), each authorized health maintenance organization shall deposit with the commissioner cash, securities, or any combination of cash or securities acceptable to the commissioner in the amount set forth in this section.

(2) The amount of the deposit for a health maintenance organization during the first year of its operation must be the greater of:

(a) 5% of its estimated expenditures for health care services for its first year of operation;

(b) twice its estimated average monthly uncovered expenditures for its first year of operation; or

(c) \$100,000.

(3) At the beginning of each succeeding year, unless not applicable, the health maintenance organization shall deposit with the commissioner cash, securities, or any combination of cash or securities acceptable to the commissioner, in an amount equal to 4% of its estimated annual uncovered expenditures for that year.

(4) Unless not applicable, a health maintenance organization that is in operation on [the effective date of this act] shall make a deposit equal to the greater of:

(a) 1% of the preceding 12 months' uncovered expenditures; or

(b) \$100,000 on the first day of the fiscal year beginning 6 months or more after [the effective date of this act]. In the second fiscal year, if applicable, the amount of the additional deposit must be equal to 2% of its estimated annual uncovered expenditures. In the third fiscal year, if applicable, the additional deposit must be equal to 3% of its estimated annual uncovered expenditures for that year. In the fourth fiscal year and subsequent years, if applicable, the additional deposit must be equal to 4% of its estimated annual uncovered expenditures for each year. Each year's estimate after the first year of operation must reasonably reflect the preceding year's operating experience and delivery arrangements.

(5) The commissioner may in his discretion waive any of the deposit requirements set forth in subsections (1) through (4) whenever he is satisfied that:

(a) the health maintenance organization has sufficient net worth and an adequate history of generating net income to assure its financial viability for the next year;

(b) the health maintenance organization's performance and obligations are guaranteed by an organization with sufficient net worth and an adequate history of generating net income; or

(c) the health maintenance organization's assets or its contracts with insurers, health service corporations, governments, or other organizations are reasonably sufficient to assure the performance of its obligations.

(6) When a health maintenance organization achieves a net worth not including land, buildings, and equipment of at least \$1 million or achieves a net worth including organization-related land, buildings, and equipment of at least \$5 million the annual deposit requirement under subsection (3) does not apply. The annual deposit requirement under subsection (3) does not apply to a health maintenance organization if the total amount of the accumulated deposit is greater than the capital requirement for the formation or admittance of a disability insurer in this state. If the health maintenance organization has a guaranteeing organization that has been in operation for at least 5 years and has a net worth not including land, buildings, and equipment of at least \$1 million or that has been in operation for at least 10 years and has a net worth including organization-related land, buildings, and equipment of at least \$5 million, the annual deposit requirement under subsection (3) does not apply. If the guaranteeing organization is sponsoring more than one health maintenance organization, however, the net worth requirement is increased by a multiple equal to the number of such health maintenance organizations. This requirement to maintain a deposit in excess of the deposit required of a disability insurer does not apply during any time that the guaranteeing organization maintains for each health maintenance organization it sponsors a net worth at least equal to the capital and surplus requirements for a disability insurer.

(7) All income from deposits belongs to the depositing health maintenance organization and must be paid to it as it becomes available. A health maintenance organization that has made a securities deposit may withdraw the deposit or any part of it after making a substitute deposit of cash, securities, or any combination of cash or securities of equal amount and value. A health maintenance organization may not substitute securities without prior approval by the commissioner.

(8) In any year in which an annual deposit is not required of a health maintenance organization, at the health maintenance organization's request, the commissioner shall reduce the previously accumulated deposit by \$100,000 for each \$250,000 of net worth in excess of the amount that allows the health maintenance organization to be exempt from the annual deposit requirement. If the amount of net worth no longer supports a reduction of its required deposit, the health maintenance organization shall immediately redeposit \$100,000 for each \$250,000 of reduction in net worth, except that its total deposit may not be required to exceed the maximum required under this section.

(9) Unless it is operated by an insurer or a health service corporation as a plan, each health maintenance organization shall have a minimum capital of at least \$200,000 in addition to any deposit requirements under this section. The capital account must be in excess of any accrued liabilities and be in the form of cash, securities, or any combination of cash or securities acceptable to the commissioner.

(10) Each health maintenance organization shall demonstrate that if it becomes insolvent:

(a) enrollees hospitalized on the date of insolvency will be covered until discharged; and

(b) enrollees will be entitled to similar alternate insurance coverage that does not contain any medical underwriting or preexisting limitation requirements.

**Section 14. Prohibited practices.** (1) A health maintenance organization, or representative thereof, may not cause or knowingly permit the use of advertising that is untrue or misleading, solicitation that is untrue or misleading, or any form of evidence of coverage that is deceptive. For purposes of [sections 1 through 29]:

(a) a statement or item of information is considered to be misleading, whether or not it may be literally untrue, if, in the total context in which the statement is made or the item of information is communicated, a reasonable person, not possessing special knowledge regarding health care coverage, may reasonably understand the statement or item of information as indicating a benefit or advantage or the absence of an exclusion, limitation, or disadvantage of possible significance to an enrollee of, or person considering enrollment in, a health maintenance organization if the benefit or advantage or absence of limitation, exclusion, or disadvantage does not in fact exist; and

(b) an evidence of coverage is considered to be deceptive if, when taken as a whole and with consideration given to typography, format, and language, it can cause a reasonable person, not possessing special knowledge regarding health maintenance organizations, to expect benefits, services, charges, or other advantages that the evidence of coverage does not provide or which the health maintenance organization issuing the evidence of coverage does not regularly make available to enrollees covered under the evidence of coverage.

(2) Title 33, chapter 18, applies to health maintenance organizations and evidences of coverage issued by a health maintenance organization, except to the extent that the commissioner determines that the nature of health maintenance organizations and evidences of coverage render the chapter clearly inappropriate.

(3) A health maintenance organization shall clearly disclose in the evidence of coverage the circumstances under which it may disenroll, cancel, or refuse to renew an enrollee. A health maintenance organization may only disenroll, cancel, or refuse to renew an enrollee if the enrollee:

(a) has failed to pay required premiums by the end of the grace period;

(b) has committed acts of physical or verbal abuse that pose a threat to providers or other enrollees of the health maintenance organization;

(c) has allowed a nonenrollee to use the health maintenance organization's certification card to obtain services or has knowingly provided fraudulent information in applying for coverage;

(d) has moved outside of the geographical service area of the health maintenance organization;

(e) has violated rules of the health maintenance organization stated in the evidence of coverage;

(f) has violated rules adopted by the commissioner for enrollment in a health maintenance organization; or

(g) is unable to establish or maintain a satisfactory physician-patient relationship with the physician responsible for the enrollee's care. Disenrollment of an enrollee for this reason must be permitted only if the health maintenance organization can demonstrate that it provided the enrollee with the opportunity to select an alternate primary care physician, made a reasonable effort to assist the enrollee in establishing a satisfactory physician-patient relationship, and informed the enrollee that he may file a grievance on this matter.

(4) A health maintenance organization may not disenroll an enrollee under subsection (3) for reasons related to the physical or mental condition of the enrollee or for any of the following reasons:

(a) failure of the enrollee to follow a prescribed course of treatment; or

(b) administrative actions, such as failure to keep an appointment.

(5) (a) A health maintenance organization that disenrolls a group certificate holder for any reason not listed in subsection (3) or provided in rules adopted by the commissioner shall make arrangements to provide similar alternate insurance coverage to enrollees. The insurance coverage must be continued until the disenrolled group certificate holder finds its own coverage or a period of 12 months elapses, whichever comes first. The premium on the individual coverage must be at the then-customary rate applicable to the individual coverage offered by the insurer, health service corporation, or health maintenance organization that provides the alternate insurance coverage.

(b) If a health maintenance organization disenrolls an enrollee covered on an individual basis for any reason not listed in subsection (3) or provided in rules adopted by the commissioner, coverage must be continued until the anniversary date of the policy or for 1 year, whichever is earlier. A health maintenance organization that disenrolls an individual enrollee for failure to pay a required premium or for fraudulent statements on the enrollment form need not provide alternate insurance coverage to that enrollee.

(6) A health maintenance organization may not refer to itself as an insurer unless licensed as an insurer or use a name deceptively similar to

the name or description of an insurer authorized to transact insurance in this state.

(7) A person may not refer to itself as a health maintenance organization or HMO unless it holds a valid certificate of authority issued by the commissioner.

**Section 15. Agent license required — application, issuance, renewal, fees — penalty.** (1) No individual, partnership, or corporation may act as or hold himself out to be an agent of a health maintenance organization unless he is:

(a) licensed as a disability insurance agent by the commissioner pursuant to chapter 17, parts 1, 2, and 4 of this title or licensed as an enrollment representative under 33-30-311 through 33-30-313; and

(b) appointed or authorized by the health maintenance organization to solicit health care service agreements on its behalf.

(2) Application, appointment and qualification for a health maintenance organization agent license, fees applicable to and the issuance of a health maintenance organization agent license, and renewal of a health maintenance organization agent license must be in accordance with the provisions of chapter 17 that apply to a disability insurance agent.

(3) An individual, partnership, or corporation who holds a disability insurance agent license on [the effective date of this act] need not requalify by an examination to be licensed as a health maintenance organization agent.

(4) The commissioner may, in accordance with 33-1-313, 33-1-317, 33-17-411, and chapter 17, part 10, suspend, revoke, refuse to issue or renew a health maintenance organization agent license, or impose a fine upon the licensee.

**Section 16. Powers of insurers and health service corporations.**

(1) An insurer authorized to transact insurance in this state or a health service corporation authorized to do business in this state may, either directly or through a subsidiary or affiliate, organize and operate a health maintenance organization under the provisions of [sections 1 through 29]. Notwithstanding any other law which may be inconsistent with this section, two or more insurers, health service corporations, or subsidiaries or affiliates thereof may jointly organize and operate a health maintenance organization. The business of insurance is considered to include the provision of health care services by a health maintenance organization owned or operated by an insurer or a subsidiary thereof.

(2) Notwithstanding any insurance or health service corporation laws, an insurer or a health service corporation may contract with a health maintenance organization to provide insurance or similar protection against the cost of care provided through a health maintenance organization and to provide coverage if the health maintenance organization fails to meet its obligations.

(3) The enrollees of a health maintenance organization constitute a permissible group under this title. The insurer or health service corporation

may make benefit payments to health maintenance organizations for health care services rendered by providers under the contracts described in subsection (2).

(4) Nothing in this section exempts a health maintenance organization that provides health care services from complying with the applicable certificate of need requirements under Title 50, chapter 5, parts 1 and 3.

**Section 17. Examination.** (1) The commissioner may examine the affairs of a health maintenance organization as often as is reasonably necessary to protect the interests of the people of this state. The commissioner shall make such an examination at least once every 3 years.

(2) The department of health may examine the availability, accessibility, and continuity of the health care services provided by any health maintenance organization and the providers with whom the health maintenance organization has contracts, agreements, or other arrangements as often as is reasonably necessary to protect the interests of the people of this state. The department of health shall make such an examination at least once every 3 years.

(3) Each authorized health maintenance organization and provider shall submit its relevant books and records for the examinations and in every way facilitate the examinations. For the purpose of examination, the commissioner and the department of health may administer oaths to and examine the officers and agents of the health maintenance organization and the principals of the providers concerning their business.

(4) (a) (i) Upon presentation of a detailed account of the charges and expenses of examinations by the commissioner, the health maintenance organization being examined shall pay to the examiner as necessarily incurred on account of the examination the actual travel expenses, a reasonable living-expense allowance, and a per diem, all at reasonable rates customary therefor and as established or adopted by the commissioner. The commissioner may present such an account periodically during the course of the examination or at the termination of the examination as the commissioner considers proper. A person may not pay and an examiner may not accept any additional emolument on account of any such examination.

(ii) If a health maintenance organization fails to pay the charges and expenses as referred to in subsection (4)(a)(i), the commissioner shall pay them out of the funds of the commissioner in the same manner as other disbursements of such funds. The amount so paid must be a lien upon all of the person's assets and property in this state and may be recovered by suit by the attorney general on behalf of the state of Montana and restored to the appropriate fund.

(b) The expenses of examination conducted by the director under this section must be assessed against the health maintenance organization and remitted to the director. Such remitted expenses are statutorily appropriated to the department of health as provided in 17-7-502.

(5) In lieu of an examination, the commissioner or the director may accept the report of an examination made by the commissioner or the director of another state.

**Section 18. Suspension or revocation of certificate of authority.**

(1) The commissioner may in his discretion suspend or revoke any certificate of authority issued to a health maintenance organization under [sections 1 through 29] if he finds that any of the following conditions exist:

(a) The health maintenance organization is operating in contravention of its basic organizational document or in a manner contrary to that described in any other information submitted under [section 3] and provided that such operation adversely affects the health maintenance organization's ability to provide benefits and operate under the application approved by the commissioner, unless amendments to such submissions have been filed with and approved by the commissioner.

(b) The health maintenance organization issues evidences of coverage or uses a schedule of charges for health care services that do not comply with the requirements of [section 8].

(c) The health maintenance organization does not provide or arrange for basic health care services.

(d) The director, after notice and hearing, certifies to the commissioner that:

(i) the health maintenance organization does not meet the requirements of [section 4(1)]; or

(ii) the health maintenance organization is unable to fulfill its obligations to furnish health care services.

(e) The health maintenance organization is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to enrollees or prospective enrollees.

(f) The health maintenance organization has failed to implement a mechanism affording the enrollees an opportunity to participate in matters of policy and operation under [section 6].

(g) The health maintenance organization has failed to implement the complaint system required by [section 11] to resolve valid complaints in a reasonable manner.

(h) The health maintenance organization, or any person on its behalf, has advertised or merchandised its services in an untrue, misrepresentative, misleading, deceptive, or unfair manner.

(i) The continued operation of the health maintenance organization would be hazardous to its enrollees.

(j) The health maintenance organization has otherwise failed to substantially comply with [sections 1 through 29].

(2) The commissioner may in his discretion suspend or revoke a certificate of authority only if he complies with the requirements of [section 21].

(3) When the certificate of authority of a health maintenance organization is suspended, the health maintenance organization may not, during the period of such suspension, enroll any additional enrollees except newborn

infants or other newly acquired dependents of existing enrollees and may not engage in any advertising or solicitation.

(4) If the commissioner revokes the certificate of authority of a health maintenance organization, the health maintenance organization shall proceed, immediately following the effective date of the order of revocation, to wind up its affairs and may not transact further business except as may be essential to the orderly conclusion of its affairs. It may not engage in further advertising or solicitation following the effective date of the order of revocation. The commissioner may by written order permit further operation of the health maintenance organization if he finds further operation to be in the best interest of enrollees to the extent that enrollees will be afforded the greatest practical opportunity to obtain continuing health care coverage.

**Section 19. Supervision, rehabilitation, or liquidation of a health maintenance organization.** (1) The supervision, rehabilitation, or liquidation of a health maintenance organization is considered to be the supervision, rehabilitation, or liquidation of an insurer and must be conducted under the supervision of the commissioner pursuant to chapter 2, part 13. The commissioner may apply for an order directing him to supervise, rehabilitate, or liquidate a health maintenance organization upon any one or more grounds set out in 33-2-1321, 33-2-1331, or 33-2-1341 or when in his opinion the continued operation of the health maintenance organization would be hazardous either to the enrollees or to the people of this state. Enrollees shall have the same priority in the event of liquidation or rehabilitation as the law provides to policyholders of an insurer.

(2) A claim by a health care provider for an uncovered expenditure has the same priority as a claim by an enrollee if the provider of services agrees not to assert the claim against any enrollee of the health maintenance organization.

**Section 20. Rules.** (1) The commissioner may, after notice and hearing, make reasonable rules necessary to effectuate [sections 1 through 29].

(2) The department of health may make reasonable rules necessary to effectuate [sections 1 through 29].

**Section 21. Administrative procedures.** (1) When the commissioner has cause to believe that grounds for the denial of an application for a certificate of authority exist or that grounds for the suspension or revocation of a certificate of authority exist, he shall give written notice to the health maintenance organization and the department of health specifically stating the grounds for denial, suspension, or revocation and fixing a time of at least 30 days after the notice for a hearing on the matter.

(2) The director or his designated representative may attend the hearing and may participate in the proceeding. The recommendations and findings of the director with respect to matters relating to the availability, accessibility, and continuity of health care services provided in connection with any decision regarding denial, suspension, or revocation of a certificate of authority must be conclusive and binding upon the commissioner. After the hearing, or upon the failure of the health maintenance organization to

appear at the hearing, the commissioner shall make written findings and act as he considers advisable. The commissioner shall mail the written findings to the health maintenance organization and submit a copy to the director. The action of the commissioner and the recommendations and findings of the director are subject to review by the district court having jurisdiction. The court may, in disposing of the issue before it, modify, affirm, or reverse the order of the commissioner in whole or in part.

(3) Where notice and hearing are required with regard to actions taken by the commissioner under [sections 1 through 29], the requirements of 33-1-314 through 33-1-316 and Title 33, chapter 1, part 7, apply, except that the formal rules of pleading and evidence must be observed. To the extent that 33-1-314 through 33-1-316 and Title 33, chapter 1, part 7, do not address the notice and hearing requirements of [sections 1 through 29], the provisions of Title 2, chapter 4, parts 6 and 7, apply.

(4) Where notice and hearing are required with regard to actions taken by the director under [sections 1 through 29], the provisions of Title 2, chapter 4, parts 6 and 7, apply.

**Section 22. Fees.** (1) Each health maintenance organization shall pay to the commissioner the following fees:

(a) for filing an application for a certificate of authority or amendment thereto, \$300;

(b) for filing an amendment to the organization documents that requires approval, \$25;

(c) for filing each annual statement, \$25;

(d) for annual continuation of certificate of authority, \$300.

(2) All fees and miscellaneous charges, except fines or penalties or those amounts received pursuant to [sections 9(3) and 23], collected by the commissioner pursuant to [sections 1 through 29] and the rules adopted thereunder must be deposited in the insurance regulatory trust account pursuant to 17-2-121 through 17-2-123.

(3) The director may assess fees necessary and adequate to cover the expenses of the director's functions under this chapter. Such fees are statutorily appropriated to the department of health as provided in 17-7-502.

**Section 23. Penalties and enforcement.** (1) The commissioner may, in addition to suspension or revocation of a certificate of authority under [section 18], after notice and hearing, impose an administrative penalty in an amount not less than \$500 or more than \$10,000 if he gives reasonable notice in writing of the intent to levy the penalty and the health maintenance organization has a reasonable time within which to remedy the defect in its operations that gave rise to the penalty citation.

(2) If the commissioner or the director has cause to believe that a violation of [sections 1 through 29] has occurred or is threatened, the commissioner or the director may:

(a) give notice to the health maintenance organization and to the representatives or other persons who appear to be involved in the suspected violation;

(b) arrange a conference with the alleged violators or their authorized representatives to attempt to ascertain the facts relating to the suspected violation; and

(c) if it appears that a violation has occurred or is threatened, arrive at an adequate and effective means of correcting or preventing the violation.

(3) (a) The commissioner may issue an order directing a health maintenance organization or its representative to cease and desist from engaging in an act or practice in violation of [sections 1 through 29].

(b) Within 15 days after service of the cease and desist order, the respondent may request a hearing to determine whether acts or practices in violation of [sections 1 through 29] have occurred. The hearing must be conducted pursuant to Title 2, chapter 4, part 6, and judicial review must be available as provided by Title 2, chapter 4, part 7.

(4) If a health maintenance organization violates a provision of [sections 1 through 29] and the commissioner elects not to issue a cease and desist order or if the respondent does not comply with a cease and desist order issued pursuant to subsection (3), the commissioner may institute a proceeding to obtain injunctive or other appropriate relief in the district court of Lewis and Clark County.

**Section 24. Statutory construction and relationship to other laws.** (1) Except as otherwise provided in [sections 1 through 29], the insurance or health service corporation laws do not apply to any health maintenance organization authorized to transact business under [sections 1 through 29]. This provision does not apply to an insurer or health service corporation licensed and regulated pursuant to the insurance or health service corporation laws of this state except with respect to its health maintenance organization activities authorized and regulated pursuant to [sections 1 through 29].

(2) Solicitation of enrollees by a health maintenance organization granted a certificate of authority or its representatives may not be construed as a violation of any law relating to solicitation or advertising by health professionals.

(3) A health maintenance organization authorized under [sections 1 through 29] may not be considered to be practicing medicine and is exempt from Title 37, chapter 3, relating to the practice of medicine.

(4) The provisions of [sections 1 through 29] do not exempt a health maintenance organization from the applicable certificate of need requirements under Title 50, chapter 5, parts 1 and 3.

**Section 25. Filings and reports as public documents.** All applications, filings, and reports required under [sections 1 through 29], except those that contain trade secrets or privileged or confidential commercial or financial information (other than an annual financial statement that the commissioner may require under [section 9]), are public documents.

**Section 26. Confidentiality of medical information.** (1) Any data or information pertaining to the diagnosis, treatment, or health of an enrollee or applicant obtained from the enrollee, applicant, or a provider by a health

maintenance organization must be held in confidence and may not be disclosed to any person except:

(a) to the extent that it may be necessary to carry out the purposes of [sections 1 through 29];

(b) upon the express consent of the enrollee or applicant;

(c) pursuant to statute or court order for the production of evidence or the discovery thereof; or

(d) in the event of claim or litigation between the enrollee or applicant and the health maintenance organization wherein the data or information is pertinent.

(2) A health maintenance organization is entitled to claim the same statutory privileges against disclosure that the provider who furnished the information to the health maintenance organization is entitled to claim.

**Section 27. Authority of director to contract.** The director in carrying out his obligations under [sections 4(1), 17(2), and 18(1)] may contract with qualified persons to make recommendations concerning the determinations he is required to make. The contractors' recommendations may be accepted or rejected in full or in part by the director.

**Section 28. Acquisition, control, or merger of a health maintenance organization.** (1) Except as provided in 33-2-1106 and subsection (2), no person may tender for, request, or invite tenders of, or enter into an agreement to exchange securities for or acquire in the open market or otherwise, any voting security of a health maintenance organization or enter into any other agreement if, after the consummation thereof, that person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of the health maintenance organization.

**Section 29. Dual choice.** An employer in this state that offers its employees the option to enroll in a health maintenance organization and an employee benefit fund in this state that offers its members the option to enroll in a health maintenance organization may not be required to pay more for health benefits provided by the health maintenance organization than it would otherwise be required to provide by any prevailing collective bargaining agreement or other contract for the provision of health benefits to its employees, if the employer or benefits fund pays to the health maintenance organization chosen by each employee or member an amount equal to the lesser of:

(1) the amount paid on behalf of its other employees or members of health benefits; or

(2) the health maintenance organization's charge for coverage approved by the commissioner pursuant to [section 8].

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 76-12-102, MCA, is amended to read:

**"76-12-102. Legislative findings.** The legislature finds that:

(1) in the expanses of Montana there are natural areas possessing significant scenic, educational, scientific, biological, and/or geological values or areas possessing these characteristics to a degree promising their restoration to a natural state;

(2) since the development of these areas is an irreversible commitment of a finite and diminishing resource of fundamental importance, *selected* areas should be preserved for the benefit of this and future generations;

(3) currently there are no regulations promulgated by the state or local governments to insure adequate protection for natural areas;

(4) *it is necessary to establish a process for developing a system of natural areas and to encourage public and private participation in the establishment of a natural areas system for the benefit of the citizens of the state; and*

(5) *designations of natural areas should first consider protected natural features in publicly owned and privately dedicated lands, such as nature preserves, natural areas, parks, and wilderness areas, and should avoid duplication of these features."*

Section 2. Section 76-12-104, MCA, is amended to read:

**"76-12-104. Definitions.** (1) "Board" means the board of land commissioners.

(2) "Council" means the natural areas advisory council *provided for in [section 6]*.

(b) an important or rare ecological or geological feature or other rare or significant natural feature worthy of preservation for scientific, educational, or ecological purposes.

(i) assure equitable representation of the diversity of natural area types that are found to occur on private, county, state, and federal lands; and

(ii) include identification of important natural area needs, viable methods to make eligible lands a part of the natural areas system, responsible management entities, goals for establishing natural areas, obligations of cooperating agencies, organizations, and individuals, and administrative procedures for registering natural areas with the department;

(3) consider the concerns and comments of the council, the board, and the public in preparing and implementing the administrative plan described in subsection (2);

The department of state lands assumes any levy under 7-22-2142 in natural areas, lessee is not responsible for fire suppression costs in natural areas, and lessee is not responsible for keeping natural areas free of garbage and debris.

All obligations must be authorized by resolution of the board.

(2) Subject to the limitations contained in this section, the board may issue, in one or more series from time to time, refunding bonds or notes, or both, as the board considers necessary to refund any obligations that have been issued under this section, including the payment of any redemption premium and any interest accrued or to accrue to the date of payment or early redemption, if any.

(3) (a) Each series of obligations may be issued in such denominations and forms, whether payable to bearer with attached interest coupons or registered as to principal or as to both principal and interest, with such provisions, if any, for conversion or exchange and for the issuance of temporary obligations in anticipation of the issuance of definitive obligations, as the board determines. The obligations shall bear interest, if any, at such rate or rates as provided in the resolution authorizing their issuance. The obligations shall mature on such date or dates not exceeding 13 years from [the effective date of sections 1 through 20], subject to such optional or mandatory redemption at such earlier times and prices and upon such notice, with such provisions for payment and discharge by the deposit of money or securities in escrow for that purpose and payable at the office of such banking institution within or outside the state, as the board determines.

Each trust indenture or an executed counterpart thereof must be filed in the office of the secretary of state. The filing is constructive notice of its contents to all persons from the time of the filing. The recording of the trust indenture or its contents is not necessary. The trust indenture or the resolution may contain provisions for protecting and enforcing the rights and remedies of the holders of the obligations as determined by the board to be reasonable and proper and not in violation of law.

**Section 8. Provisions of resolution on investment.** If permitted in the resolution authorizing the issuance of the refunding bonds or notes or the trust agreement securing them, the proceeds of the refunding bonds or notes may be invested as provided by the board pending the application of the proceeds of the refunding bonds or notes, with other available funds, to the payment of principal of and redemption premium, if any, and interest on the obligations being refunded and to the payment of interest on the refunding bonds and notes and the expenses related to refunding.

(3) Obligations by their terms no longer having a claim to be paid from amounts to be paid into the technology investment program debt service

fund by reason of the deposit of money or securities in escrow for such purpose are not considered outstanding for purposes of subsection (1).

**Section 12. Technology investment program — statutory appropriation.** (1) To further state policy, the board shall pursue a program of making technology investments with money in the technology development account for technology development projects that are seed capital projects, start-up capital projects, or expansion capital projects. Prior to making an investment, the board shall determine, after technical and financial review by the board or committees thereof in accordance with procedures established by the board, that the project, if successful, will accelerate development and application of advanced and innovative technology in the state's economy by encouraging or facilitating the development of new products, processes, or technologies that make the state's economy more productive and profitable and have commercial application in existing and new businesses.

(2) Money in the technology development account is statutorily appropriated for the purpose of making technology investments and the payment of the obligations as provided in 17-7-502. Money in the technology development account may be used for administrative costs of the board and its staff for the technology investment program to the extent authorized by the legislature.

**Section 13. Criteria for technology investments.** (1) Technology investments may be made from money in the technology development account only upon a favorable determination by the board of:

(a) the relevance of the proposed technology development project to the purpose of this part;

(b) the prospects for collaboration on the project between public and private sectors of the state's economy in mineral technology, agricultural technology, forestry technology, biotechnology, microelectronics and computer sciences, energy technology, information sciences, and materials science;

(c) the prospects for achieving commercial success in general and for creating significant numbers of new jobs in the state in particular;

(d) the quality of the specific product and business development methodology proposed;

(e) the suitability of any proposed milestone for evaluating progress of technology development project results; and

(f) the availability of matching funds required under 90-3-301(2).

(2) In this evaluation process, the board shall consider the investment's:

(a) job creation potential;

(b) potential benefit for existing industry;

(c) potential for creating new industry; and

(d) involvement of existing institutional research strength or whether it involves a newly targeted technology area with development potential.

(3) Each return-on-investment agreement for technology investment made from money in the technology development account shall:

(a) require periodic financial and progress reports concerning the technology development project and any other reports the board determines necessary to monitor the progress of the technology development project;

(b) require the technology development project to be conducted in the state; and

(c) contain any other provision the board considers appropriate in light of the purpose of the technology investment program.

**Section 14. Technology investment requirements.** A technology investment may be made from money in the technology development account only if the board anticipates receiving repayment of the investment within 12 years from [the effective date of this part]. The return-on-investment agreement must provide for the payment of interest at a rate determined by the board. The agreement need not require payments on a date or dates certain but may be payable on the occurrence of certain events or from certain specified sources, including but not limited to a percentage of gross sales revenues or a sales override on products, processes, services, or technologies derived in whole or in part from the proceeds of the technology investment. The board may use the technology development account only for technology investments from which it expects repayment on a schedule and in aggregate amounts sufficient to pay principal and interest on obligations.

**Section 15. Montana capital companies.** (1) The board shall make at least 20% of the technology development account available for investment in certified Montana capital companies in order to further the development of private sector seed, start-up, and expansion capital resources available for investment in technology-oriented business development and expansion activities. Certified Montana capital companies must be selected for investment by the board on the basis of the capital company's demonstrated ability to make sound investments and its business development experience. The board shall adopt rules governing such investments to ensure that any money made available to certified Montana capital companies is used to make technology investments that meet the requirements of [sections 13 and 14].

(2) The board may make technology investments in start-up or expansion capital projects from money in the technology development account only after then-existing certified Montana capital companies have been offered the opportunity to invest or coinvest in such projects. However, a decision by any certified Montana capital company to make any technology investment in such a project may not obligate the board to make any technology investment. Offers to and investment by certified Montana capital companies must be made in accordance with rules adopted by the board to carry out the purposes of this part.

**Section 16. Transfer of portion of coal severance tax permanent trust fund.** (1) (a) There must be deposited into the technology investment program debt service fund from the coal severance tax permanent

trust fund maintained pursuant to 17-6-203 such amounts, not to exceed \$38 million, as are necessary from time to time, after application of all other money in the technology investment program debt service fund, to pay principal of and premium, if any, and interest on obligations when due.

(b) The chairman of the board shall advise the state treasurer prior to the date on which any payment is due of the amount needed to be transferred.

(2) After all obligations have been paid or payment has been provided for under the terms of the obligations, any interest, principal, royalty, and other payments received by the board with respect to technology investments made from money in the technology development account must be deposited into the coal severance tax permanent trust fund.

(3) The legislature shall provide for the continued assessment, levy, collection, and deposit into the coal severance tax permanent trust fund so there is sufficient money to make the deposits into the technology investment program debt service fund under this section.

(4) This section may not be amended to reduce the security for an obligation prior to the time it is paid or provision for its payment has been made under its terms.

**Section 17. Personal liability — suit to compel performance.** (1) The members of the board and officers and employees of state agencies are not personally liable or accountable on or by reason of the issuance of any obligation.

**Section 19. Effect of federal taxation — legal investments.** (1) Obligations may be issued whether or not interest thereon is exempt from federal income tax. The resolution authorizing their issuance may contain agreements of the state, and the board is authorized to enter into agreements, to comply with provisions of the Internal Revenue Code of 1986 with respect to obligations.

(2) Obligations are:

**"41-5-601. Publicity.** (1) No publicity shall be given to the identity of an arrested youth or to any matter or proceeding in the youth court involving a youth proceeded against as, or found to be, a delinquent youth or youth in need of supervision except as provided in subsections (2) and (3).

(2) When a petition is filed under 41-5-501, publicity may not be withheld as to the identity of any youth formally charged with or proceeded against or found to be a delinquent youth as a result of the commission of any offense that would be punishable as a felony if the youth were an adult.

(3) *The identity of any youth who admits violating or is adjudicated as having violated 45-5-624 or 45-9-102 may be disclosed by youth court officials to the administrative officials of the school in which the youth is a student for purposes of referral for enrollment in a substance abuse program or enforcement of school disciplinary procedures that existed at the time of the admission or adjudication. The information may not be further disclosed and may not be made part of the student's permanent records."*

[SB 303]

AN ACT REVISING THE PROCEDURES TO BE FOLLOWED IN PROSECUTING CHILD ABUSE CASES; ADDING PSYCHOLOGICAL CARE TO THE DEFINITION OF "ADEQUATE HEALTH CARE"; AUTHORIZING PETITIONS FOR PERMANENT LEGAL CUSTODY WITH THE RIGHT TO CONSENT TO ADOPTION; PROVIDING FOR SERVICE BY PUBLICATION; AMENDING SECTIONS 41-3-102 AND 41-3-401, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 41-3-102, MCA, is amended to read:

**"41-3-102. Definitions.** As used in this chapter, the following definitions apply:

- (1) "Child" or "youth" means any person under 18 years of age.
- (2) An "abused or neglected child" means a child whose normal physical or mental health or welfare is harmed or threatened with harm by the acts or omissions of his parent or other person responsible for his welfare.
- (3) "Harm to a child's health or welfare" means the harm that occurs whenever the parent or other person responsible for the child's welfare:
  - (a) inflicts or allows to be inflicted upon the child physical or mental injury, including injuries sustained as a result of excessive corporal punishment;
  - (b) commits or allows to be committed a sexual assault against the child or exploits the child or allows the child to be exploited for sexual purposes or commits or allows to be committed the act of sexual abuse of children as defined in subsection (1) of 45-5-625;
  - (c) causes failure to thrive or otherwise fails to supply the child with adequate food or fails to supply clothing, shelter, education, or health care, though financially able to do so or offered financial or other reasonable means to do so;
  - (d) abandons the child by leaving him under circumstances that make reasonable the belief that the parent or other person does not intend to resume care of the child in the future or by willfully surrendering physical custody for a period of 6 months and during that period does not manifest to the child and the person having physical custody of the child a firm intention to resume physical custody or to make permanent legal arrangements for the care of the child; or
  - (e) is unknown and has been unknown for a period of 90 days and reasonable efforts to identify and locate the parents have failed.
- (4) "Adequate health care" means any medical or nonmedical remedial health care, including the prevention of the withholding of medically indicated treatment or *medically indicated psychological care* permitted or authorized under state law.
- (5) "Withholding of medically indicated treatment" means the failure to respond to an infant's life-threatening conditions by providing treatment (including appropriate nutrition, hydration, and medication) that, in the treating physician's or physicians' reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all such conditions. However, the term does not include the failure to provide treatment (other than appropriate nutrition, hydration, or medication) to an infant when, in the treating physician's or physicians' reasonable medical judgment:
  - (a) the infant is chronically and irreversibly comatose;
  - (b) the provision of such treatment would:
    - (i) merely prolong dying;
    - (ii) not be effective in ameliorating or correcting all of the infant's life-threatening conditions; or

(iii) otherwise be futile in terms of the survival of the infant; or

(c) the provision of such treatment would be virtually futile in terms of the survival of the infant and the treatment itself under such circumstances would be inhumane. For purposes of this subsection, "infant" means an infant less than 1 year of age or an infant 1 year of age or older who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability. The reference to less than 1 year of age may not be construed to imply that treatment should be changed or discontinued when an infant reaches 1 year of age or to affect or limit any existing protections available under state laws regarding medical neglect of children over 1 year of age.

(6) "Threatened harm" means imminent risk of harm.

(7) "A person responsible for a child's welfare" means the child's parent, guardian, or foster parent; an employee of a public or private residential institution, facility, home, or agency; or any other person legally responsible for the child's welfare in a residential setting.

(8) "Physical injury" means death, permanent or temporary disfigurement, or impairment of any bodily organ or function.

(9) "Mental injury" means an identifiable and substantial impairment of the child's intellectual or psychological functioning.

(10) "Dependent youth" means a youth:

(a) who is abandoned;

(b) who is without parents or guardian or not under the care and supervision of a suitable adult;

(c) who has no proper guidance to provide for his necessary physical, moral, and emotional well-being;

(d) who is destitute;

(e) who is dependent upon the public for support; or

(f) whose parent or parents have voluntarily relinquished custody of the child and whose legal custody has been transferred to a licensed agency.

(11) "Youth in need of care" means a youth who is dependent, abused, or neglected as defined in this section.

(12) "Supervision" means the authority granted by a youth court or by a voluntary agreement of a parent to determine the foster care placement of a child and the length of stay of a child in foster care and provide for the needs of a child under subsection (1) of 41-3-1122.

(13) "Department" means the department of social and rehabilitation services provided for in 2-15-2201.

(14) "Limited emancipation" means a status conferred on a dependent youth by a court after a dispositional hearing in accordance with 41-3-406 under which the youth is entitled to exercise some but not all of the rights and responsibilities of a person who is 18 years of age or older."

Section 2. Section 41-3-401, MCA, is amended to read:

**"41-3-401. Abuse, neglect, and dependency petitions.** (1) The county attorney, attorney general, or an attorney hired by the county welfare department or office of human services shall be responsible for filing all petitions alleging abuse, neglect, or dependency. The county attorney or attorney general, or an attorney hired by the county welfare department or office of human services with the written consent of the county attorney or attorney general, may require all state, county, and municipal agencies, including law enforcement agencies, to conduct such investigations and furnish such reports as may be necessary. Investigations as to financial status may not be made prior to the adjudicatory hearing provided for in 41-3-404.

(2) Upon receipt of a petition, the court shall set a date for an adjudicatory hearing on the petition. Such petitions shall be given preference by the court in setting hearing dates.

(3) A petition alleging abuse, neglect, or dependency is a civil action brought in the name of the state of Montana. The rules of civil procedure shall apply except as herein modified. Proceedings under a petition are not a bar to criminal prosecution.

(4) The parents or parent, guardian, or other person or agency having legal custody of the youth named in the petition, if residing in the state, shall be served personally with a copy of the petition and summons at least 5 days prior to the date set for hearing. If such person or agency *cannot be served personally, the person or agency may be served by publication in the manner provided by the Montana Rules of Civil Procedure for other types of proceedings.*

(5) In the event *personal* service cannot be made upon the parents or parent, guardian, or other person or agency having legal custody, the court shall appoint an attorney to represent the unavailable party where in the opinion of the court the interests of justice require.

(6) If a parent of the child is a minor, notice shall be given to the minor parent's parents or guardian, and if there is no guardian the court shall appoint one.

(7) Any person interested in any cause under this chapter has the right to appear.

(8) Except where the proceeding is instituted or commenced by a representative of the department of social and rehabilitation services, a citation shall be issued and served upon a representative of the department prior to the court hearing.

(9) The petition shall:

- (a) state the nature of the alleged abuse, neglect, or dependency;
- (b) state the full name, age, and address of the youth and the name and address of his parents or guardian or person having legal custody of the youth;
- (c) state the names, addresses, and relationship to the youth of all persons who are necessary parties to the action.

- (10) The petition may ask for the following relief:
- (a) temporary investigative authority and protective services;
  - (b) temporary legal custody;
  - (c) termination of the parent-child legal relationship *and permanent legal custody with the right to consent to adoption*;
  - (d) any combination of the above or such other relief as may be required for the best interest of the youth.
- (11) The petition may be modified for different relief at any time within the discretion of the court.
- (12) The court may at any time on its own motion or the motion of any party appoint counsel for any indigent party."

Section 3. **Appeals.** Appeals of court orders or decrees made under this part shall be given precedence on the calendar of the supreme court over all other matters, unless otherwise provided by law. An appeal does not stay the order or decree appealed from; however, the supreme court may order a stay upon application and hearing if suitable provision is made for the care and custody of the child.

Section 4. **Codification instruction.** Section 6 is intended to be codified as an integral part of Title 41, chapter 3, part 4, and the provisions of Title 41, chapter 3, part 4, apply to section 6.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 14, 1987.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Declaration of public policy.** For the purposes of interpreting and applying Title 39, chapters 71 and 72, the following is the public policy of this state:

(1) It is an objective of the Montana workers' compensation system to provide, without regard to fault, wage supplement and medical benefits to a worker suffering from a work-related injury or disease. Wage-loss benefits are not intended to make an injured worker whole; they are intended to assist a worker at a reasonable cost to the employer. Within that limitation, the wage-loss benefit should bear a reasonable relationship to actual wages lost as a result of a work-related injury or disease.

(2) A worker's removal from the work force due to a work-related injury or disease has a negative impact on the worker, the worker's family, the employer, and the general public. Therefore, it is an objective of the workers' compensation system to return a worker to work as soon as possible after the worker has suffered a work-related injury or disease.

(3) Montana's workers' compensation and occupational disease insurance systems are intended to be primarily self-administering. Claimants should be able to speedily obtain benefits, and employers should be able to provide coverage at reasonably constant rates. To meet these objectives, the system must be designed to minimize reliance upon lawyers and the courts to obtain benefits and interpret liabilities.

(4) Title 39, chapters 71 and 72, must be construed according to their terms and not liberally in favor of any party.

Section 2. Section 39-71-116, MCA, is amended to read:

**"39-71-116. Definitions.** Unless the context otherwise requires, words and phrases employed in this chapter have the following meanings:

(1) "Average weekly wage" means the mean weekly earnings of all employees under covered employment, as defined and established annually by the Montana department of labor and industry. It is established at the nearest whole dollar number and must be adopted by the division of workers' compensation prior to July 1 of each year.

(2) "Beneficiary" means:

(a) a surviving spouse living with or legally entitled to be supported by the deceased at the time of injury;

(b) an unmarried child under the age of 18 years;

(d) an invalid child over the age of 18 years who is dependent upon the decedent for support at the time of injury;

(e) a parent who is dependent upon the decedent for support at the time of the injury (however, such a parent is a beneficiary only when no beneficiary, as defined in subsections (2)(a) through (2)(d) of this section, exists); and

(f) a brother or sister under the age of 18 years if dependent upon the decedent for support at the time of the injury (however, such a brother or

sister is a beneficiary only until the age of 18 years and only when no beneficiary, as defined in subsections (2)(a) through (2)(e) of this section, exists).

(14) "Permanent partial disability" means a condition, after a worker has reached maximum healing, in which a worker:

(a) has a medically determined physical restriction as a result of an injury as defined in 39-71-119; and

(b) is able to return to work in the worker's job pool pursuant to one of the options set forth in [section 36] but suffers impairment or partial wage loss, or both.

(15) "Permanent total disability" means a condition resulting from injury as defined in this chapter, after a worker reaches maximum healing, in

*which a worker is unable to return to work in the worker's job pool after exhausting all options set forth in [section 36].*

(16) The term "physician" includes "surgeon" and in either case means one authorized by law to practice his profession in this state.

(20) "Reasonably safe tools and appliances" are such tools and appliances as are adapted to and are reasonably safe for use for the particular purpose for which they are furnished.

(21) "Temporary total disability" means a condition resulting from an injury as defined in this chapter that results in total loss of wages and exists until the injured worker *reaches maximum healing*.

(22) "Year", unless otherwise specified, means calendar year."

Section 3. Section 39-71-119, MCA, is amended to read:

**"39-71-119. Injury and accident defined.** (1) "Injury" or "injured" means:

(a) *internal or external physical harm to the body;*

(b) *damage to prosthetic devices or appliances, except for damage to eyeglasses, contact lenses, dentures, or hearing aids; or*

(c) *death.*

(2) *An injury is caused by an accident. An accident is:*

(a) *an unexpected traumatic incident or unusual strain;*

(c) *identifiable by member or part of the body affected; and*

(d) *caused by a specific event on a single day or during a single work shift.*

(3) "Injury" or "injured" does not mean a physical or mental condition arising from:

(a) *emotional or mental stress; or*

(b) *a nonphysical stimulus or activity.*

(4) "Injury" or "injured" does not include a disease that is not caused by an accident.

*(5) A cardiovascular, pulmonary, respiratory, or other disease, cerebrovascular accident, or myocardial infarction suffered by a worker is an injury only if the accident is the primary cause of the physical harm in relation to other factors contributing to the physical harm."*

**Section 4. Wages defined.** (1) "Wages" means the gross remuneration paid in money, or in a substitute for money, for services rendered by an employee. Wages include but are not limited to:

(a) commissions, bonuses, and remuneration at the regular hourly rate for overtime work, holidays, vacations, and sickness periods;

(b) board, lodging, rent, or housing if it constitutes a part of the employee's remuneration and is based on its actual value; and

(c) payments made to an employee on any basis other than time worked, including but not limited to piecework, an incentive plan, or profit-sharing arrangement.

(2) Wages do not include:

(a) employee travel expense reimbursements or allowances for meals, lodging, travel, and subsistence;

(b) special rewards for individual invention or discovery;

(c) tips and other gratuities received by the employee in excess of those documented to the employer for tax purposes;

(d) contributions made by the employer to a group insurance or pension plan; or

(e) vacation or sick leave benefits accrued but not paid.

(3) For compensation benefit purposes, the average actual earnings for the four pay periods immediately preceding the injury are the employee's wages, except if:

(a) the term of employment for the same employer is less than four pay periods, in which case the employee's wages are the hourly rate times the number of hours in a week for which the employee was hired to work; or

(b) for good cause shown by the claimant, the use of the four pay periods does not accurately reflect the claimant's employment history with the employer, in which case the insurer may use additional pay periods.

**Section 5.** Section 39-71-203, MCA, is amended to read:

**"39-71-203. Powers of division — rules.** (1) The division is hereby vested with full power, authority, and jurisdiction to do and perform any and all things, whether herein specifically designated or in addition thereto, that are necessary or convenient in the exercise of any power, authority, or jurisdiction conferred upon it under this chapter.

(2) *The division may adopt rules to carry out the provisions of this chapter."*

**Section 6.** Section 39-71-204, MCA, is amended to read:

**"39-71-204. Rescission, alteration, or amendment by division of its orders, decisions, or awards — effect — appeal.** (1) *The division has continuing jurisdiction over all its orders, decisions, and awards and may, at any time, upon notice, and after opportunity to be heard is given to the parties in interest, rescind, alter, or amend any such order, decision, or award made by it upon good cause appearing therefor.*

(2) Any order, decision, or award rescinding, altering, or amending a prior order, decision, or award *has the same effect as original orders or awards.*

(3) *If a party is aggrieved by a division order, the party may appeal the dispute to the workers' compensation judge."*

**Section 7. Filing true claim — obtaining benefits through deception or other fraudulent means.** (1) A person filing a claim under this chapter or chapter 72 of this title, by signing the claim, affirms the information filed is true and correct to the best of that person's knowledge.

(2) A person who obtains or assists in obtaining benefits to which the person is not entitled under this chapter or chapter 72 of this title may be guilty of theft under 45-6-301. A county attorney may initiate criminal proceedings against the person.

**Section 8. Disputes — jurisdiction — evidence — settlement requirements — mediation.** (1) A dispute concerning benefits arising under this chapter or chapter 72, other than the disputes described in subsection (2), must be brought before a department mediator as provided in [sections 52 through 57]. If a dispute still exists after the parties satisfy the mediation requirements in [sections 52 through 57], either party may petition the workers' compensation court for a resolution.

(2) A dispute arising under this chapter that does not concern benefits or a dispute for which a specific provision of this chapter gives the division jurisdiction must be brought before the division.

(3) An appeal from a division order may be made to the workers' compensation court.

(4) The common law and statutory rules of evidence do not apply in a case brought to hearing before the division.

(5) Except as otherwise provided in this chapter, before a party may bring a dispute concerning benefits before a mediator, the parties shall attempt to settle as follows:

(a) The party making a demand shall present the other party with a specific written demand that contains sufficient explanation and documentary evidence to enable the other party to thoroughly evaluate the demand.

(b) The party receiving the demand shall respond in writing within 15 working days of receipt. If the demand is denied in whole or in part, the response shall state the basis of the denial.

(c) Upon motion of a party, the mediator has the authority to dismiss a petition if he finds that either party did not comply with this subsection,

but the mediator's decision may be reviewed by the workers' compensation court upon motion of a party.

(d) Nothing in this subsection relieves a party of an obligation otherwise contained in this chapter.

**Section 9. Financial incentives to institute safety programs.** The state compensation insurance fund, plan No. 3, and private insurers, plan No. 2, may provide financial incentives to an employer who implements a formal safety program. The insurance carrier may provide to an employer a premium discount that reflects the degree of risk diminished by the implemented safety program.

**Section 10.** Section 39-71-401, MCA, is amended to read:

**"39-71-401. Employments covered and employments exempted.**

(1) Except as provided in subsection (2) of this section, the Workers' Compensation Act applies to all employers as defined in 39-71-117 and to all employees as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Every employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows such an election, the Workers' Compensation Act does not apply to any of the following employments:

- (a) household and domestic employment;
- (b) casual employment as defined in 39-71-116;
- (c) employment of members of an employer's family dwelling in the employer's household;
- (d) employment of sole proprietors or working members of a partnership, *except as provided in subsection (3)*;
- (e) *employment of a broker or salesman performing under a license issued by the board of realty regulation;*
- (f) *employment of a direct seller engaged in the sale of consumer products, primarily in the customer's home;*
- (g) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;
- (h) *employment of any person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;*
- (i) employment with any railroad engaged in interstate commerce, except that railroad construction work is included in and subject to the provisions of this chapter;
- (j) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district.

(3) A sole proprietor, or a working member of a partnership who holds himself out or considers himself an independent contractor, must elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3, but he may apply to the division for an exemption from the Workers' Compensation Act for himself. The application must be made in accordance with the rules adopted by the division. The division may deny the application only if it determines that the applicant is not an independent contractor. When an application is approved by the division, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(4) (a) *A private corporation shall provide coverage for its officers and other employees under the provisions of compensation plan No. 1, 2, or 3. However, pursuant to such rules as the division promulgates and subject in all cases to approval by the division, an officer of a private corporation may elect not to be bound as an employee under this chapter by giving a written notice, on a form provided by the division, served in the following manner:*

(i) *if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the employer and the division; or*

(ii) *if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the employer, the division, and the insurer.*

(b) *If the employer changes plans or insurers, the officer's previous election is not effective and the officer shall again serve notice as provided if he elects not to be bound.*

(c) *The appointment or election of an employee as an officer of a corporation for the purpose of excluding the employee from coverage under this chapter does not entitle the officer to elect not to be bound as an employee under this chapter. In any case, the officer must sign the notice required by subsection (4)(a) under oath or affirmation, and he is subject to the penalties for false swearing under 45-7-202 if he falsifies the notice.*

(5) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over such place of business or property for the purpose of carrying on his usual trade, business, or occupation. The sign will be provided by the division, distributed through insurers or directly by the division, and posted by employers in accordance with rules adopted by the division. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a \$50 fine for each citation."

Section 11. Section 39-71-407, MCA, is amended to read:

**"39-71-407. Liability of insurers — limitations.** (1) Every insurer is liable for the payment of compensation, in the manner and to the extent

hereinafter provided, to an employee of an employer it insures who receives an injury arising out of and in the course of his employment or, in the case of his death from such injury, to his beneficiaries, if any.

(2) (a) *An insurer is liable for an injury as defined in 39-71-119 if the claimant establishes it is more probable than not that:*

(i) *a claimed injury has occurred; or*

(ii) *a claimed injury aggravated a preexisting condition.*

(b) *Proof that it was medically possible that a claimed injury occurred or that such claimed injury aggravated a preexisting condition is not sufficient to establish liability.*

(3) *An employee who suffers an injury or dies while traveling is not covered by this chapter unless:*

(a) (i) *the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement; and*

(ii) *the travel is necessitated by and on behalf of the employer as an integral part, or condition, of the employment; or*

(b) *the travel is required by the employer as part of the employee's job duties.*

(4) *An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the sole and exclusive cause of the injury or death. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply."*

Section 12. Section 39-71-414, MCA, is amended to read:

**"39-71-414. Subrogation.** (1) If an action is prosecuted as provided for in 39-71-412 or 39-71-413 and except as otherwise provided in this section, the insurer is entitled to subrogation for all compensation and benefits paid or to be paid under the Workers' Compensation Act. The insurer's right of subrogation is a first lien on the claim, judgment, or recovery.

(2) (a) If the injured employee intends to institute the third party action, he shall give the insurer reasonable notice of his intention to institute the action.

(b) The injured employee may request that the insurer pay a proportionate share of the reasonable cost of the action, including attorneys' fees.

(c) The insurer may elect not to participate in the cost of the action. If this election is made, the insurer waives 50% of its subrogation rights granted by this section.

(d) If the injured employee or the employee's personal representative institutes the action, the employee is entitled to at least one-third of the amount recovered by judgment or settlement less a proportionate share of reasonable costs, including attorneys' fees, if the amount of recovery is

insufficient to provide the employee with that amount after payment of subrogation.

(3) If an injured employee refuses or fails to institute the third party action within 1 year from the date of injury, the insurer may institute the action in the name of the employee and for the employee's benefit or that of the employee's personal representative. If the insurer institutes the action, it shall pay to the employee any amount received by judgment or settlement which is in excess of the amounts paid or to be paid under the Workers' Compensation Act after the insurer's reasonable costs, including attorneys' fees for prosecuting the action, have been deducted from the recovery.

(4) An insurer may enter into compromise agreements in settlement of subrogation rights.

(5) If the amount of compensation and other benefits payable under the Workers' Compensation Act have not been fully determined at the time the employee, the employee's heirs or personal representatives, or the insurer have settled in any manner the action as provided for in this section, the division shall determine what proportion of the settlement shall be allocated under subrogation. The division's determination may be appealed to the workers' compensation judge.

(6) (a) *The insurer is entitled to full subrogation rights under this section, even though the claimant is able to demonstrate damages in excess of the workers' compensation benefits and the third-party recovery combined. The insurer may subrogate against the entire settlement or award of a third party claim brought by the claimant or his personal representative, without regard to the nature of the damages.*

(b) *If no survival action exists and the parties reach a settlement of a wrongful death claim without apportionment of damages by a court or jury, the insurer may subrogate against the entire settlement amount, without regard to the parties' apportionment of the damages, unless the insurer is a party to the settlement agreement."*

Section 13. Section 39-71-502, MCA, is amended to read:

**"39-71-502. Creation and purpose of uninsured employers' fund.** There is created an uninsured employers' fund. The purpose of the fund is to pay to an injured employee of an uninsured employer the same benefits the employee would have received if the employer had been properly enrolled under compensation plan No. 1, 2, or 3, *except as provided in 39-71-503(2).*"

Section 14. Section 39-71-503, MCA, is amended to read:

**"39-71-503. Administration of fund.** (1) The division shall administer the fund and shall pay all proper benefits to injured employees of uninsured employers.

(2) *Surpluses and reserves shall not be kept for the fund. The division shall make such payments as it considers appropriate as funds become available from time to time. The payment of weekly disability benefits takes preference over the payment of medical benefits. No lump-sum payments of*

*future projected benefits, including impairment awards, may be made from the fund. The board of investments shall invest the moneys of the fund. The cost of administration of the fund shall be paid out of the money in the fund."*

Section 15. Section 39-71-605, MCA, is amended to read:

**"39-71-605. Examination of employee by physician — effect of refusal to submit to examination — report and testimony of physician — cost.** (1) (a) Whenever in case of injury the right to compensation under this chapter would exist in favor of any employee, he shall, upon the written request of the insurer, submit from time to time to examination by a physician or panel of physicians, who shall be provided and paid for by such insurer, and shall likewise submit to examination from time to time by any physician or panel of physicians selected by the division.

(b) The request or order for such examination shall fix a time and place therefor, due regard being had to the convenience of the employee and his physical condition and ability to attend at the time and place fixed. The employee shall be entitled to have a physician present at any such examination. So long as the employee, after such written request, shall fail or refuse to submit to such examination or shall in any way obstruct the same, his right to compensation shall be suspended. Any physician or panel of physicians employed by the insurer or the division who shall make or be present at any such examination may be required to testify as to the results thereof.

(2) In the event of a dispute concerning the physical condition of a claimant or the cause or causes of the injury or disability, if any, the division, at the request of the claimant or insurer, as the case may be, shall require the claimant to submit to such examination as it may deem desirable by a physician or panel of physicians within the state or elsewhere who have had adequate and substantial experience in the particular field of medicine concerned with the matters presented by the dispute. The physician or panel of physicians making the examination shall file a written report of findings with the division for its use in the determination of the controversy involved. The division shall pay the physician or panel of physicians for the examination and shall be reimbursed by the party who requested it.

(3) *This section does not apply to impairment evaluations provided for in [section 24]."*

Section 16. Section 39-71-611, MCA, is amended to read:

**"39-71-611. Costs and attorneys' fees payable on denial of claim or termination of benefits later found compensable.** (1) *The insurer shall pay reasonable costs and attorney fees as established by the workers' compensation court if:*

(a) *the insurer denies liability for a claim for compensation or terminates compensation benefits;*

(b) *the claim is later adjudged compensable by the workers' compensation court; and*

(c) *in the case of attorneys' fees, the workers' compensation court determines that the insurer's actions in denying liability or terminating benefits were unreasonable.*

(2) *A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18."*

Section 17. Section 39-71-612, MCA, is amended to read:

**"39-71-612. Costs and attorneys' fees that may be assessed against an insurer by workers' compensation judge.** (1) If an insurer pays or submits a written offer of payment of compensation under chapter 71 or 72 of this title but controversy relates to the amount of compensation due, the case is brought before the workers' compensation judge for adjudication of the controversy, and the award granted by the judge is greater than the amount paid or offered by the insurer, a reasonable attorney's fee and costs as established by the workers' compensation judge if the case has gone to a hearing may be awarded by the judge in addition to the amount of compensation.

(2) *An award of attorneys' fees under subsection (1) may only be made if it is determined that the actions of the insurer were unreasonable. Any written offer of payment made 30 days or more before the date of hearing must be considered a valid offer of payment for the purposes of this section.*

(3) *A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18."*

Section 18. Section 39-71-613, MCA, is amended to read:

**"39-71-613. Regulation of attorneys' fees — forfeiture of fee for noncompliance.** (1) When an attorney represents or acts on behalf of a claimant or any other party on any workers' compensation claim, the attorney shall submit to the division a contract of employment, *on a form provided by the division*, stating specifically the terms of the fee arrangement between the attorney and the claimant.

(2) The administrator of the division may regulate the amount of the attorney's fee in any workers' compensation case. In regulating the amount of the fee, the administrator shall consider:

(a) *the benefits the claimant gained due to the efforts of the attorney;*

(b) *the time the attorney was required to spend on the case;*

(c) *the complexity of the case; and*

(d) *any other relevant matter the administrator may consider appropriate.*

(3) If an attorney violates a provision of this section, a rule adopted under this section, or an order fixing an attorney's fee under this section, he shall forfeit the right to any fee which he may have collected or been entitled to collect."

Section 19. Section 39-71-614, MCA, is amended to read:

**"39-71-614. Calculation of attorney fees — limitation.** (1) The amount of an attorney's fee assessed against an insurer under 39-71-611 or 39-71-612 must be based exclusively on the time spent by the attorney in representing the claimant on the issues brought to hearing. The attorney must document the time spent, *but the judge is not bound by the documentation submitted.*

(2) The judge shall determine a reasonable attorney fee and assess costs. The hourly rate applied to the time spent must be based on the attorney's customary and current hourly rate for legal work performed in this state, *subject to a maximum established by the division.*

(3) This section does not restrict a claimant and an attorney from entering into a contingency fee arrangement under which the attorney receives a percentage of the amount of compensation payments received by the claimant because of the efforts of the attorney. However, an amount equal to any fee and costs assessed against an insurer under 39-71-611 or 39-71-612 and this section must be deducted from the fee an attorney is entitled to from the claimant under a contingency fee arrangement."

Section 20. **Employer not to terminate worker for filing claim — preference — jurisdiction over dispute.** (1) An employer may not use as grounds for terminating a worker the filing of a claim under this chapter or chapter 72 of this title.

(2) When an injured worker is capable of returning to work within 2 years from the date of injury and has received a medical release to return to work, the worker must be given a preference over other applicants for a comparable position that becomes vacant if the position is consistent with the worker's physical condition and vocational abilities.

(3) This preference applies only to employment with the employer for whom the employee was working at the time the injury occurred.

(4) The division, department, and workers' compensation court do not have jurisdiction to administer or resolve a dispute under this section. Exclusive jurisdiction is with the district court.

Section 21. Section 39-71-701, MCA, is amended to read:

**"39-71-701. Compensation for temporary total disability.** (1) *Subject to the limitation in 39-71-736, a worker is eligible for temporary total disability benefits when the worker suffers a total loss of wages as a result of an injury and until the worker reaches maximum healing.*

(2) *The determination of temporary total disability must be supported by a preponderance of medical evidence.*

(3) Weekly compensation benefits for injury producing temporary total disability shall be 66 ⅔% of the wages received at the time of the injury. The maximum weekly compensation benefits shall not exceed the state's average weekly wage at the time of injury. Temporary total disability benefits shall be paid for the duration of the worker's temporary disability. The

*weekly benefit amount may not be adjusted for cost of living as provided in 39-71-702(5).*

(4) In cases where it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for such week, which amount is to be calculated from the date of the disability social security entitlement.

(5) *Notwithstanding subsection (3), beginning July 1, 1987, through June 30, 1989, weekly compensation benefits for temporary total disability may not exceed the state's average weekly wage of \$299 established July 1, 1986."*

Section 22. Section 39-71-702, MCA, is amended to read:

**"39-71-702. Compensation for permanent total disability.** (1) *If a worker is no longer temporarily totally disabled and is unable to return to work due to injury, the worker is eligible for permanent total disability benefits. At an insurer's request, an evaluation of all options under [section 36] must be made before permanent total disability status is determined. Permanent total disability benefits must be paid for the duration of the worker's permanent total disability, subject to 39-71-710 and [section 47].*

(2) *The determination of permanent total disability must be supported by a preponderance of medical evidence.*

(3) *Weekly compensation benefits for an injury resulting in permanent total disability shall be 66 ⅔% of the wages received at the time of the injury. The maximum weekly compensation benefits shall not exceed the state's average weekly wage at the time of injury.*

(4) In cases where it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for such week, which amount is to be calculated from the date of the disability social security entitlement.

(5) *A worker's benefit amount must be adjusted for a cost-of-living increase on the next July 1 after 104 weeks of permanent total disability benefits have been paid, and on each succeeding July 1. A worker may not receive more than 10 such adjustments. The adjustment must be the percentage increase, if any, in the state's average weekly wage as adopted by the division over the state's average weekly wage adopted for the previous year, or 3%, whichever is less.*

(6) *Notwithstanding subsection (3), beginning July 1, 1987, through June 30, 1989, the maximum weekly compensation benefits for permanent total disability may not exceed the state's average weekly wage of \$299 established July 1, 1986."*

Section 23. Section 39-71-703, MCA, is amended to read:

**"39-71-703. Compensation for permanent partial disability — impairment awards and wage supplements.** (1) *The benefits available*

for permanent partial disability are impairment awards and wage supplements. A worker who has reached maximum healing and is not eligible for permanent total disability benefits but who has a medically determined physical restriction as a result of a work-related injury may be eligible for an impairment award and wage supplement benefits as follows:

(a) The following procedure must be followed for an impairment award:

(i) Each percentage point of impairment is compensated in an amount equal to 5 weeks times 66 ⅔% of the wages received at the time of the injury, subject to a maximum compensation rate of one-half of the state's average weekly wage at the time of injury.

(ii) When a worker reaches maximum healing, an impairment rating is rendered by one or more physicians as provided for in [section 24]. Impairment benefits are payable beginning the date of maximum healing.

(iii) An impairment award may be paid biweekly or in a lump sum, at the discretion of the worker. Lump sums paid for impairments are not subject to the requirements set forth in 39-71-741, except that lump-sum conversions for benefits not accrued may be reduced to present value at the rate set forth by the division in 39-71-741(5).

(iv) If a worker becomes eligible for permanent total disability benefits, the insurer may recover any lump-sum advance paid to a claimant for impairment, as set forth in 39-71-741(5). Such right of recovery does not apply to lump-sum benefits paid for the period prior to claimant's eligibility for permanent total disability benefits.

(v) If a worker suffers additional injury, an impairment award payable for the additional injury must be reduced by the amount of a previous award paid for impairment to the same site on the body.

(b) The following procedure must be followed for a wage supplement:

(i) A worker must be compensated in weekly benefits equal to 66 ⅔% of the difference between the worker's actual wages received at the time of the injury and the wages the worker is qualified to earn in the worker's job pool, subject to a maximum compensation rate of one-half the state's average weekly wage at the time of injury.

(ii) Eligibility for wage supplement benefits begins at maximum healing and terminates at the expiration of 500 weeks minus the number of weeks for which a worker's impairment award is payable, subject to 39-71-710. A worker's failure to sustain a wage loss compensable under subsection (1)(b)(i) does not extend the period of eligibility. However, if a worker becomes eligible for temporary total disability, permanent total disability, or total rehabilitation benefits after reaching maximum healing, the eligibility period for wage supplement benefits is extended by any period for which a worker is compensated by those benefits after reaching maximum healing.

(2) The determination of permanent partial disability must be supported by a preponderance of medical evidence.

(3) Notwithstanding subsection (1), beginning July 1, 1987, through June 30, 1989, the maximum weekly compensation benefits for permanent

*partial disability may not exceed \$149.50, which is one-half the state's average weekly wage established July 1, 1986."*

**Section 24. Impairment evaluation — ratings.** (1) An impairment rating:

(a) is a purely medical determination and must be determined by an impairment evaluator after a claimant has reached maximum healing;

(b) must be based on the current edition of the Guides to Evaluation of Permanent Impairment published by the American Medical Association; and

(c) must be expressed as a percentage of the whole person.

(2) A claimant or insurer, or both, may obtain an impairment rating from a physician of the party's choice. If the claimant and insurer cannot agree upon the rating, the procedure in subsection (3) must be followed.

(3) (a) Upon request of the claimant or insurer, the division shall direct the claimant to an evaluator for a rating. The evaluator shall:

(i) evaluate the claimant to determine the degree of impairment, if any, that exists due to the injury; and

(ii) submit a report to the division, the claimant, and the insurer.

(b) Unless the following procedure is followed, the insurer shall begin paying the impairment award, if any, within 30 days of the evaluator's mailing of the report:

(i) Either the claimant or the insurer, within 15 days after the date of mailing of the report by the first evaluator, may request that the claimant be evaluated by a second evaluator. If a second evaluation is requested, the division shall direct the claimant to a second evaluator, who shall determine the degree of impairment, if any, that exists due to the injury.

(ii) The reports of both examinations must be submitted to a third evaluator, who may also examine the claimant or seek other consultation. The three evaluators shall consult with one another, and then the third evaluator shall submit a final report to the division, the claimant, and the insurer. The final report must state the degree of impairment, if any, that exists due to the injury.

(iii) Unless either party disputes the rating in the final report as provided in subsection (6), the insurer shall begin paying the impairment award, if any, within 45 days of the date of mailing of the report by the third evaluator.

(4) The division shall appoint impairment evaluators to render ratings under subsection (1). The division shall adopt rules that set forth the qualifications of evaluators and the locations of examinations. An evaluator must be a physician licensed under Title 37, chapter 3. The division may seek nominations from the board of medical examiners.

(5) The cost of impairment evaluations is assessed to the insurer, except that the cost of an evaluation under subsection (3)(b)(i) or (3)(b)(ii) is assessed to the requesting party.

(6) A party may dispute a final impairment rating rendered under subsection (3)(b)(ii) by filing a petition with the workers' compensation court within 15 days of the evaluator's mailing of the report. Disputes over impairment ratings are not subject to 39-71-605 or to mandatory mediation.

(7) An impairment rating rendered under subsection (3) is presumed correct. This presumption is rebuttable.

Section 25. Section 39-71-704, MCA, is amended to read:

**"39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates.** (1) In addition to the compensation provided by this chapter and as an additional benefit separate and apart from compensation, the following shall be furnished:

(a) After the happening of the injury, the insurer shall furnish, without limitation as to length of time or dollar amount, reasonable services by a physician or surgeon, reasonable hospital services and medicines when needed, and such other treatment as may be approved by the division for the injuries sustained.

(b) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(2) A relative value fee schedule for medical, chiropractic, and paramedical services provided for in this chapter, excluding hospital services, shall be established annually by the workers' compensation division and become effective in January of each year. The maximum fee schedule must be adopted as a relative value fee schedule of medical, chiropractic, and paramedical services, with unit values to indicate the relative relationship within each grouping of specialties. Medical fees must be based on the median fees as billed to the state compensation insurance fund during the year preceding the adoption of the schedule. The division shall adopt rules establishing relative unit values, groups of specialties, the procedures insurers must use to pay for services under the schedule, and the method of determining the median of billed medical fees. These rules shall be modeled on the 1974 revision of the 1969 California Relative Value Studies.

(3) *Beginning January 1, 1988, the division shall establish rates for hospital services necessary for the treatment of injured workers. Approved rates must be in effect for a period of 12 months from the date of approval. The division may coordinate this ratesetting function with other public agencies that have similar responsibilities.*

(4) *Notwithstanding subsection (2), beginning January 1, 1988, and ending January 1, 1990, the maximum fees payable by insurers must be limited to the relative value fee schedule established in January 1987. Notwithstanding subsection (3), the hospital rates payable by insurers must be limited to those set in January 1988, until December 31, 1989."*

Section 26. Section 39-71-708, MCA, is amended to read:

**"39-71-708. Compensation for disfigurement.** (1) The division may award proper and equitable benefits for serious face, head, or neck disfigurement, not to exceed \$2,500, in addition to benefits payable under 39-71-703.

(2) No payment under this section shall be in lieu of the separate benefit of medical and hospital services or of any benefits paid under 39-71-701 for temporary total disability."

Section 27. Section 39-71-710, MCA, is amended to read:

**"39-71-710. Termination of benefits upon retirement.** (1) If a claimant is receiving disability or rehabilitation compensation benefits and the claimant receives social security retirement benefits or is eligible to receive full social security retirement benefits, the claimant is considered to be retired. When the claimant is considered retired, the liability of the insurer is ended for payment of wage supplement, permanent total disability, and rehabilitation compensation benefits. However, the insurer remains liable for temporary total disability benefits, any impairment award, and medical benefits.

(2) If a claimant who is eligible to receive social security retirement benefits and is gainfully employed suffers a work-related injury, the insurer retains liability for temporary total disability benefits, any impairment award, and medical benefits."

Section 28. **Benefits not due while claimant is incarcerated.** A claimant is not eligible for any disability or rehabilitation compensation benefits while the claimant is incarcerated as the result of conviction of a felony. The insurer remains liable for medical benefits. No time limit on benefits otherwise provided in this chapter is extended due to a period of incarceration.

Section 29. Section 39-71-721, MCA, is amended to read:

**"39-71-721. Compensation for injury causing death — limitation.** (1) (a) If an injured employee dies and the injury was the proximate cause of such death, then the beneficiary of the deceased is entitled to the same compensation as though the death occurred immediately following the injury. A beneficiary's eligibility for benefits commences after the date of death, and the benefit level is established as set forth in subsection (2).

(b) The insurer is entitled to recover any overpayments or compensation paid in a lump sum to a worker prior to death but not yet recouped. The insurer shall recover such payments from the beneficiary's biweekly payments as provided in 39-71-741(5).

(2) To beneficiaries as defined in 39-71-116(2)(a) through (2)(d), weekly compensation benefits for an injury causing death are 66 ⅔% of the decedent's wages. The maximum weekly compensation benefit may not exceed the state's average weekly wage at the time of injury. The minimum weekly compensation benefit is 50% of the state's average weekly wage, but in no event may it exceed the decedent's actual wages at the time of his death.

(3) To beneficiaries as defined in 39-71-116(2)(e) and (2)(f), weekly benefits must be paid to the extent of the dependency at the time of the

injury, subject to a maximum of 66 ⅔% of the decedent's wages. The maximum weekly compensation may not exceed the state's average weekly wage at the time of injury.

(4) If the decedent leaves no beneficiary as defined in 39-71-116(2), a lump-sum payment of \$3,000 must be paid to the decedent's surviving parent or parents.

(5) If any beneficiary of a deceased employee dies, the right of such beneficiary to compensation under this chapter ceases. Death benefits must be paid to a surviving spouse for 500 weeks subsequent to the date of the deceased employee's death or until the spouse's remarriage, whichever occurs first. After benefit payments cease to a surviving spouse, death benefits must be paid to beneficiaries, if any, as defined in 39-71-116(2)(b) through (2)(d).

(6) In all cases, benefits must be paid to beneficiaries, as defined in 39-71-116(2).

(7) *Benefits paid under this section may not be adjusted for cost of living as provided in 39-71-702.*

(8) *Notwithstanding subsections (2) and (3), beginning July 1, 1987, through June 30, 1989, the maximum weekly compensation benefits for injury causing death may not exceed the state's average weekly wage of \$299 established July 1, 1986. Beginning July 1, 1987, through June 30, 1989, the minimum weekly compensation for injury causing death shall be \$149.50, which is 50% of the state's average weekly wage established July 1, 1986, but in no event may it exceed the decedent's actual wages at the time of death."*

Section 30. Section 39-71-736, MCA, is amended to read:

**"39-71-736. Compensation — from what date paid.** (1) (a) No compensation may be paid for the first 6 days loss of wages due to an injury. A claimant is eligible for compensation starting with the 7th day of wage loss.

(b) However, separate benefits of medical and hospital services shall be furnished from the date of injury.

(2) *For the purpose of this section, an injured worker is not considered to have a wage loss if the worker is receiving sick leave benefits, except that each day for which the worker elects to receive sick leave counts 1 day toward the 6-day waiting period."*

Section 31. Section 39-71-737, MCA, is amended to read:

**"39-71-737. Compensation to run consecutively — exceptions.** Compensation shall run consecutively and not concurrently, and payment shall not be made for two classes of disability over the same period except that impairment awards and auxiliary rehabilitation benefits may be paid concurrently with other classes of benefits, and wage supplement and partial rehabilitation benefits may be paid concurrently."

Section 32. Section 39-71-741, MCA, is amended to read:

**“39-71-741. Compromise settlements, lump-sum payments, and lump-sum advance payments. (1) (a) Benefits may be converted in whole to a lump sum:**

*(i) if a claimant and an insurer dispute the initial compensability of an injury; and*

*(ii) if the claimant and insurer agree to a settlement.*

*(b) The agreement is subject to division approval. The division may disapprove an agreement under this section only if there is not a reasonable dispute over compensability.*

*(c) Upon approval, the agreement constitutes a compromise and release settlement and may not be reopened by the division or by any court.*

*(d) The parties' failure to reach an agreement is not a dispute over which a mediator or the workers' compensation court has jurisdiction.*

*(2) (a) If an insurer has accepted initial liability for an injury, permanent total and permanent partial wage supplement benefits may be converted in whole to a lump-sum payment.*

*(b) The conversion may be made only upon agreement between a claimant and an insurer.*

*(c) The agreement is subject to division approval. The division may approve an agreement if:*

*(i) there is a reasonable dispute concerning the amount of the insurer's future liability or benefits; or*

*(ii) the amount of the insurer's projected liability is reasonably certain and the settlement amount is not substantially less than the present value of the insurer's liability.*

*(d) The parties' failure to reach agreement is not a dispute over which a mediator or the workers' compensation court has jurisdiction.*

*(e) Upon approval, the agreement constitutes a compromise and release settlement and may not be reopened by the division or by any court.*

*(3) (a) Permanent partial wage supplement benefits may be converted in part to a lump-sum advance.*

*(b) The conversion may be made only upon agreement between a claimant and an insurer.*

*(c) The agreement is subject to division approval. The division may approve an agreement if the parties demonstrate that the claimant has financial need that:*

*(i) relates to the necessities of life or relates to an accumulation of debt incurred prior to injury; and*

*(ii) arises subsequent to the date of injury or arises because of reduced income as a result of the injury.*

*(d) The parties' failure to reach an agreement is not a dispute over which a mediator or the workers' compensation court has jurisdiction.*

(4) *Permanent total disability benefits may be converted to a lump-sum advance. The total of all lump-sum advance payments to a claimant may not exceed \$20,000. A conversion may be made only upon the written application of the injured worker with the concurrence of the insurer. Approval of the lump-sum advance payment rests in the discretion of the division. The approval or award of a lump-sum advance payment by the division or court must be the exception. It may be given only if the worker has demonstrated financial need that:*

(a) *relates to:*

(i) *the necessities of life;*

(ii) *an accumulation of debt incurred prior to the injury; or*

(iii) *a self-employment venture as set forth in [section 47]; and*

(b) *arises subsequent to the date of injury or arises because of reduced income as a result of the injury.*

(5) (a) *An insurer may recoup any lump-sum advance amortized at the rate established by the division, prorated biweekly over the projected duration of the compensation period.*

(b) *The rate adopted by the division must be based on the average rate for United States 10-year treasury bills in the previous calendar year, rounded to the nearest whole number.*

(c) *If the projected compensation period is the claimant's lifetime, the life expectancy must be determined by using the most recent table of life expectancy as published by the United States national center for health statistics.*

(6) *The division has full power, authority, and jurisdiction to allow, approve, or condition compromise settlements or lump-sum advances agreed to by workers and insurers. All such compromise settlements and lump-sum payments are void without the approval of the division. Approval by the division must be in writing. The division shall directly notify a claimant of a division order approving or denying a claimant's compromise or lump-sum payment.*

(7) *Subject to [section 8], a dispute between a claimant and an insurer regarding the conversion of biweekly payments into a lump-sum advance under subsection (4) is considered a dispute, for which a mediator and the workers' compensation court have jurisdiction to make a determination. If an insurer and a claimant agree to a compromise and release settlement or a lump-sum advance but the division disapproves the agreement, the parties may request the workers' compensation court to review the division's decision."*

Section 33. Section 39-71-803, MCA, is amended to read:

**"39-71-803. Occupational deafness distinguished from traumatic loss of hearing.** Occupational deafness as herein provided is distinguished from traumatic loss of hearing, which may be compensated under parts 7 and 10 of this chapter."

Section 34. **Definitions.** As used in this chapter, the following definitions apply:

(1) "Board of rehabilitation certification" means the nonprofit, independent, fee-structured organization that is a member of the national commission for health certifying agencies and that is established to certify rehabilitation practitioners.

(2) "Disabled worker" means one who has a medically determined restriction resulting from a work-related injury that precludes the worker from returning to the job the worker held at the time of the injury.

(3) "I.W.R.P." means an individualized, written rehabilitation program prepared by the department of social and rehabilitation services.

(4) "Rehabilitation benefits" means benefits provided in [sections 44 through 46] and 39-71-1003.

(7) (a) "Worker's job pool" means those jobs typically available for which a worker is qualified, consistent with the worker's age, education, vocational experience and aptitude and compatible with the worker's physical capacities and limitations as the result of the worker's injury. Lack of immediate job openings is not a factor to be considered.

(b) A worker's job pool may be either local or statewide, as follows:

(i) a local job is one either in a central city that has within its economically integrated geographical area a population of less than 50,000 or in a city with a population of more than 50,000 as determined by the division; or

(ii) a statewide job is one anywhere in the state of Montana.

Section 35. Section 39-71-1003, MCA, is amended to read:

**"39-71-1003. Eligibility for vocational rehabilitation expenses.** *Upon certification by the department of social and rehabilitation services, a disabled worker may be paid vocational rehabilitation expenses from funds provided in 39-71-1004, in addition to benefits payable under the Workers' Compensation Act."*

Section 36. **Rehabilitation goal and options.** (1) The goal of rehabilitation services is to return a disabled worker to work, with a minimum of retraining, as soon as possible after an injury occurs.

(2) The first appropriate option among the following must be chosen for the worker:

(a) return to the same position;

- (b) return to a modified position;
  - (c) return to a related occupation suited to the claimant's education and marketable skills;
  - (d) on-the-job training;
  - (e) short-term retraining program (less than 24 months);
  - (f) long-term retraining program (48 months maximum); or
  - (g) self-employment.
- (3) Whenever possible, employment in a worker's local job pool must be considered and selected prior to consideration of employment in a worker's statewide job pool.

**Section 37. Rehabilitation services — required and provided by insurers and the department of social and rehabilitation services.**

(1) Rehabilitation services are required for disabled workers and may be initiated by:

- (a) an insurer by designating a rehabilitation provider and notifying the division;
- (b) the division by requiring the insurer to designate a rehabilitation provider; or
- (c) a disabled worker through a request to the division. The division shall then require the insurer to designate a rehabilitation provider.

(2) Rehabilitation services provided under this part must be delivered:

- (a) through a rehabilitation counselor certified by the board of rehabilitation certification;
- (b) by a vocational rehabilitation counselor employed by the department of social and rehabilitation services; or
- (c) by both.

(3) A disabled worker served by the department of social and rehabilitation services may receive only those vocational rehabilitation services as provided in Title 53, chapter 7, parts 1 and 2.

**Section 38. Designated rehabilitation provider — evaluation and report.** (1) If a disabled worker is capable of returning to work, the designated rehabilitation provider shall evaluate and determine the return-to-work capabilities of the disabled worker pursuant to [section 36(2)(a) through 36(2)(d)].

(2) If an insurer's designated rehabilitation provider has determined that all appropriate services have been provided to the disabled worker under [section 36(2)(a) through 36(2)(d)] and the worker has returned to work, the insurer shall document that determination to the division.

(3) If the worker has not returned to work as provided in subsection (2), the insurer shall notify the division. The division shall then designate

a rehabilitation panel as provided in [section 39] and refer the worker to the panel.

**Section 39. Rehabilitation panels.** (1) The division shall designate and administer rehabilitation panels. The purpose of a panel is to advise the division on a worker's eligibility for rehabilitation services. Each panel shall issue to the division a report as provided in [section 40].

(2) Each panel must be composed of at least:

(a) a representative of the department of social and rehabilitation services;

(b) a representative from the department who has expertise in job service listings, occupational supply and demand in Montana, and other Montana career information; and

(c) a representative from the division, who shall chair the panel.

(3) The division shall pay the cost of the panel.

(4) The insurer shall provide the panel with the worker's medical records, rehabilitation reports, and other pertinent information in its possession.

(5) The panel may consult with the worker, insurer, medical and rehabilitation providers, and any other person and may have access to any information it considers pertinent to carry out its responsibility.

(6) Information received by the panel is confidential, except that it may be disclosed to the worker, insurer, and division.

**Section 40. Rehabilitation panel report.** (1) The rehabilitation panel shall:

(a) review all records, statements, and other pertinent information; and

(b) prepare a report to the division, with copies to the insurer and worker.

(2) The report must:

(a) identify the first appropriate rehabilitation option by following the priorities set forth in [section 36]; and

(b) contain findings of why a higher listed priority, if any, is not appropriate.

(3) Depending on which option the panel identifies as appropriate, the report also must contain findings that:

(a) identify jobs in the local or statewide job pool and the worker's anticipated earnings from each job;

(b) describe an appropriate on-the-job training program, the worker's anticipated earnings, and anticipated insurer's contribution, if any;

(c) describe an appropriate retraining program, short- or long-term, the employment opportunities anticipated upon the worker's completion of the program, and the worker's anticipated earnings; or

(d) describe the worker's potential for specific self-employment, limitations the worker might have in such self-employment and any assistance necessary, and the worker's anticipated earnings.

(4) An insurer or a worker on his own motion may submit information to the panel prior to the time the panel issues its final report.

**Section 41. Division's order of determination — exception — hearing.** (1) The division shall issue an initial order of determination within 10 working days of receipt of a report from a rehabilitation panel. If the initial order of determination differs from the findings and recommendations of the panel, the order must state the reasons for the difference.

(2) Within 10 working days from the date the initial order of determination is mailed, a party may submit a written exception to the order. On its own motion or at the request of any party, the division shall conduct a hearing. The division shall issue a final order of determination within 20 working days of the hearing.

(3) If no party submits an exception within 10 working days, the initial order of determination becomes the final order of determination and must be issued by the division.

(4) Within 10 working days after the date of mailing of the division's final order of determination, an appeal may be taken to the workers' compensation court.

**Section 42. Referral to department of social and rehabilitation services for retraining — benefits — appeals.** (1) If in its final order of determination the division considers a worker able to return to work in the worker's job pool, the insurer is not liable for rehabilitation benefits, even though the worker independently may pursue a training program of the worker's own choice or seek vocational rehabilitation services from the department of social and rehabilitation services.

(2) If in its final order of determination the division finds the worker needs retraining, the division shall determine the maximum duration for which funds under 39-71-1003 may be used for rehabilitation services under [section 36(2)(d) through 36(2)(f)] and shall refer the worker to the department of social and rehabilitation services for a determination of vocational handicap.

(3) If the department of social and rehabilitation services determines that a disabled worker has a vocational handicap, the worker is eligible for funds under 39-71-1003 up to the maximum duration established in the division's final order of determination.

(4) If a disabled worker seeks vocational rehabilitation services from the department of social and rehabilitation services without giving the insurer the opportunity to designate a rehabilitation provider or, subsequently, without giving the division the opportunity to designate a rehabilitation panel to provide a report, the insurer is not liable for rehabilitation benefits. The insurer may terminate rehabilitation and other benefits, if any, being received by the worker by following the procedure set forth in [section 49].

(5) The department of social and rehabilitation services, in providing rehabilitation services to a worker referred to it by the division, shall consider but is not bound by the rehabilitation panel report.

(6) If the department of social and rehabilitation services has determined that all appropriate rehabilitation services have been provided to a disabled worker, the department shall document that determination to the division.

(7) The appeal process before the board of social and rehabilitation appeals provided for in 53-7-106 is the exclusive remedy for a person aggrieved in the receipt of services provided by the department of social and rehabilitation services.

**Section 43. Agreement between worker and insurer regarding option.** A worker and an insurer may agree that an option in [section 36] is appropriate without following the procedures provided in this part. Failure to reach agreement is not a dispute under [section 8].

**Section 44. Total rehabilitation benefits during period of rehabilitation services — limitation — termination.** (1) A worker who no longer is temporarily totally disabled but meets the definition of a disabled worker may be eligible for total rehabilitation benefits.

(2) Eligibility for total rehabilitation benefits begins on the date of maximum healing or the date notice is given to the division by the insurer that a rehabilitation provider has been designated, whichever is later.

(3) Benefits must be paid at the disabled worker's temporary total disability rate for a period not exceeding 26 weeks from the date of eligibility, except that the division may extend the period for good cause. The insurer may extend the benefits without division approval but must notify the division of the extension.

(4) Total rehabilitation benefits under this section terminate when:

(a) a worker returns to work;

(b) a worker is qualified to return to work under the priorities in [section 36] pursuant to a division order; or

(c) an I.W.R.P. is submitted to the division by the department of social and rehabilitation services.

(5) The insurer shall provide written notice to the worker and division that benefits have been terminated.

**Section 45. Wage supplement and partial rehabilitation benefits.** (1) A worker who is in a rehabilitation program under [section 42] in accordance with and for the maximum duration established by a final order of determination by the division is eligible to receive the following benefits:

(a) wage supplement benefits as provided in 39-71-703 but with the rate based on 66 ⅔% of the worker's actual wages received at the time of injury, subject to a maximum of one-half the state's average weekly wage; and

(b) a partial rehabilitation benefit that, together with the wage supplement provided in subsection (1)(a), provides the worker with weekly benefits equal to the worker's temporary total disability rate.

(2) After the worker completes the rehabilitation program, the worker's further eligibility, if any, for wage supplement benefits under 39-71-703 is reduced by the number of weeks of wage supplement benefits received under subsection (1)(a).

(3) Notwithstanding subsection (1)(a), beginning July 1, 1987, through June 30, 1989, the maximum weekly compensation benefit under that subsection may not exceed \$149.50, which is one-half the state's weekly wage established July 1, 1986.

**Section 46. Auxiliary rehabilitation benefits.** In addition to benefits otherwise provided in this chapter, separate benefits not exceeding a total of \$4,000 may be paid by the insurer for:

- (1) reasonable travel and relocation expenses used to:
  - (a) search for new employment;
  - (b) return to work but in a new location; and
  - (c) implement a rehabilitation program pursuant to a final order of determination by the division; and
- (2) reasonable participation with an employer in an on-the-job training program.

**Section 47. Self-employment — criteria.** (1) A worker who is eligible for permanent total disability benefits may be eligible for a self-employment venture. A lump sum of \$20,000 or less of permanent total disability benefits may be granted under 39-71-741 to assist the worker in the self-employment venture. Any previous lump-sum advance made under 39-71-741(4) must be considered so that the total amount of lump-sum payments of permanent total disability benefits does not exceed \$20,000.

(2) In addition to meeting the requirements set forth in 39-71-741, the self-employment venture must be considered feasible under criteria set forth by the division.

(3) When the worker begins the self-employment venture, his eligibility for permanent total disability benefits ends but the worker may be eligible for permanent partial disability benefits under 39-71-703.

(4) If a worker again becomes eligible for permanent total disability benefits, the insurer may recoup any lump sum of permanent total disability benefits awarded for a self-employment venture, as provided in 39-71-741.

**Section 48. Exchange of information.** The department of social and rehabilitation services, the insurer's designated rehabilitation provider, and the division shall provide to one another case information as necessary to carry out the purposes of this part.

**Section 49. Termination of benefits for noncooperation with rehabilitation provider or the department of social and rehabilitation services — division hearing and appeal.** (1) If an insurer believes a worker is refusing unreasonably to cooperate with the rehabilitation provider or the department of social and rehabilitation services, the insurer, with 14 days' notice to the worker and division on a form approved by the division, may terminate any rehabilitation benefits the worker is receiving under this part until the worker cooperates. If the worker is receiving wage supplement benefits, those benefits must continue until the division's determination under subsection (3) is made.

(2) The worker may contest the insurer's termination of benefits by filing a written exception to the division within 10 working days after the date of the 14-day notice. The worker or insurer may request a hearing or the division may hold a hearing on its own motion. The division shall issue an order within 30 days of the hearing.

(3) If no exceptions are timely filed or the division determines the worker unreasonably refused to cooperate, the insurer may terminate wage loss supplement benefits the worker is receiving until the worker cooperates with the rehabilitation provider. If the worker prevails at a hearing before the division, it may award attorney fees and costs to the worker under 39-71-612.

(4) Within 10 working days after the division mails its order to the party's last-known address, a party may appeal to the workers' compensation court.

**Section 50. Division jurisdiction over rehabilitation disputes — appeals.** In addition to pursuing the hearing opportunities provided in [sections 41 and 49], a party may bring a dispute arising under the provisions of this part, except for a dispute over which the department of social and rehabilitation services has jurisdiction under [section 42], before the division under the contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, and any rules promulgated by the division. Within 10 days after mailing of the division's final order, an interested party may appeal to the workers' compensation court.

Section 51. Section 39-71-2106, MCA, is amended to read:

**"39-71-2106. Requiring security of employer.** (1) *The division may require any employer who elects to be bound by compensation plan No. 1 to provide a security deposit. Such security deposit may be a surety bond, government bond, or letter of credit approved by the division and must be the greater of:*

(a) *\$250,000; or*

(b) *an average of the workers' compensation liabilities incurred by the employer in Montana for the past 3 calendar years.*

(2) If the division finds that an employer has lost his solvency or financial ability to pay the compensation herein provided to be paid which might reasonably be expected to be chargeable to the employer during the fiscal year to be covered by the permission or that the employer is an association, corporation, or organization of individual employers seeking

permission to operate under compensation plan No. 1, the division must require the employer, before granting to him permission or before continuing or engaging in such employment subject to the provisions of compensation plan No. 1, to give security *in addition to the security described in subsection (1)* for the payment of compensation, which security must be in such an amount as the division finds is reasonable and necessary to meet all liabilities of the employer which may reasonably and ordinarily be expected to accrue during the fiscal year.

(3) The security *provided for in subsection (2)* must be deposited with the division and may be a certain estimated percent of the employer's last preceding annual payroll or a certain percent of the established amount of his annual payroll for the fiscal year; or the security may be in the form of a bond or undertaking executed to the division in the amount to be fixed by it with two or more sufficient sureties, which undertaking must be conditioned that the employer will well and truly pay or cause to be paid all sums and amounts for which the employer shall become liable under the terms of this chapter to his employees during the fiscal year; or such security may consist of any state, county, municipal, or school district bonds or the bonds or evidence of indebtedness of any individuals or corporations which the division deems solvent; and every such deposit and the character and amount of such securities shall at all times be subject to approval, revision, or change by the division as in its judgment may be required, and upon proof of the final payment of the liability for which such securities are given, such securities or any remaining part thereof shall be returned to the depositor.

(4) The division is liable for the value and safekeeping of all such deposits or securities and shall, at any time, upon demand of a bondsman or the depositor, account for the same and the earnings thereof."

**Section 52. Purpose.** The purpose of [sections 52 through 57] is to prevent when possible the filing in the workers' compensation court of actions by claimants or insurers relating to claims under chapter 71 or 72 of this title if an equitable and reasonable resolution of the dispute may be effected at an earlier stage. To achieve this purpose, [section 52 through 57] provide for a procedure for mandatory, nonbinding mediation.

**Section 53. Department authority — rules.** (1) The department shall designate mediators and shall implement the provisions of [sections 52 through 57].

(2) The department may adopt the rules necessary to implement [sections 52 through 57]. The rules may prescribe:

- (a) the qualifications of mediators; and
- (b) a procedure for the conduct of mediation proceedings.

(3) The cost to the department of implementing [sections 52 through 57] must be paid out of the workers' compensation administration fund.

**Section 54. Mandatory, nonbinding mediation.** (1) Except as otherwise provided, in a dispute arising under chapter 71 or 72 of this title, the insurer and claimant shall mediate any issue concerning benefits and the

mediator shall issue a report following the mediation process recommending a solution to the dispute before either party may file a petition in the workers' compensation court.

(2) The resolution recommended by the mediator is without administrative or judicial authority and is not binding on the parties.

**Section 55. Duties of mediator.** A mediator shall assist the parties in negotiating a resolution to their dispute by:

- (1) facilitating an exchange of information between the parties;
- (2) assuring that all relevant evidence is brought forth during the mediation process;
- (3) suggesting possible solutions to issues of dispute between the parties;
- (4) recommending a solution; and
- (5) assisting the parties to voluntarily resolve their dispute.

**Section 56. Limitations on mediation proceedings.** (1) Mediation proceedings are:

- (a) held in private;
  - (b) informal and held without a verbatim record; and
  - (c) confidential.
- (2) All communications, verbal or written, from the parties to the mediator and any information and evidence presented to the mediator during the proceeding are confidential.
- (3) A mediator's files and records are closed to all but the parties.
- (4) (a) A mediator may not be called to testify in any proceeding concerning the issues discussed in the mediation process.
- (b) Neither the mediator's report nor any of the information or recommendations contained in it are admissible as evidence in any action subsequently brought in any court of law.
- (5) Notwithstanding subsections (1) through (4), a mediator may issue a report and the parties and the mediator may be required to attend a conference as set forth in [section 57].

**Section 57. Mediation procedure.** (1) Except as otherwise provided, a claimant or an insurer having a dispute relating to benefits under chapter 71 or 72 of this title may petition the department for mediation of the dispute.

(2) A party may take part in mediation proceedings with or without representation.

(3) The mediator shall review the division file for the case and may receive any additional documentation or evidence either party submits.

(4) The mediator shall request that each party offer argument summarizing the party's position. A party's argument must include the evidence the party would present if the case were being presented to the worker's compensation judge but is not limited by the rules of evidence.

(5) After the parties have presented all their information and evidence to the mediator, he shall recommend a solution to the parties within a reasonable time to be established by rule.

(6) A party shall notify the mediator within 45 days of the mailing of his report whether the party accepts the mediator's recommendation. If either party does not accept the mediator's recommendation, the party may petition the workers' compensation court for resolution of the dispute.

(7) (a) If a mediator determines that either party failed to cooperate in the mediation process, the mediator shall prepare a written report setting forth the determination and the grounds for the determination. The report must be mailed to the parties and to the workers' compensation court. Unless a party disputes the determination as set forth in subsection (7)(c), the parties shall repeat the mediation process, but only one time.

(b) A mediator may determine that a party has failed to cooperate in the mediation process only if the party failed to:

(i) supply information or offer a summary of the party's position as reasonably requested by the mediator;

(ii) attend scheduled mediation conferences unless excused by the mediator; or

(iii) listen to and review the information and position offered by the opposing party.

(c) If a party disputes a mediator's determination that the party failed to cooperate in the mediation process, the party may file a petition with the workers' compensation court. Upon receipt of a petition, the court shall summon the parties and the mediator to determine by oral discussion whether the mediator's determination of noncooperation is supportable. If the court finds that the mediator's determination is supportable, the court may order the parties to attempt a second time to mediate their dispute.

Section 58. Section 39-71-2901, MCA, is amended to read:

If the dispute relates to benefits due a claimant under chapter 71, the judge shall fix and determine any benefits to be paid and specify the manner of payment. *After parties have satisfied dispute resolution requirements provided elsewhere in this chapter, the workers' compensation judge has exclusive jurisdiction to make determinations concerning disputes under chapter 71, except as provided in 39-71-516 and [section 20].* The penalties and assessments allowed against an insurer under chapter 71 are the exclusive penalties and assessments that can be assessed by the workers' compensation judge against an insurer for disputes arising under chapter 71."

Section 61. Section 39-71-2907, MCA, is amended to read:

**"39-71-2907. Increase in award for unreasonable delay or refusal to pay.** (1) When payment of compensation has been unreasonably delayed or refused by an insurer, either prior or subsequent to the issuance of an order by the workers' compensation judge granting a claimant compensation benefits, the full amount of the compensation benefits due a claimant, between the time compensation benefits were delayed or refused and the date of the order granting a claimant compensation benefits, may be increased by the workers' compensation judge by 20%. The question of unreasonable delay or refusal shall be determined by the workers' compensation judge, and such a finding constitutes good cause to rescind, alter, or amend any order, decision, or award previously made in the cause for the purpose of making the increase provided herein.

(2) *A finding of unreasonableness under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.*"

Section 62. Section 39-71-2909, MCA, is amended to read:

**"39-71-2909. **Section 63. Signing of petitions, pleadings, motions, and other papers — requirements — sanctions.** (1) Every petition, pleading, motion, or other paper of a party appearing before the workers' compensation court and represented by an attorney must be signed by at least one attorney of record in his individual name. The signer's address also must be stated.

(2) A party who is not represented by an attorney shall sign his petition, pleading, motion, or other paper and state his address.

(3) The signature of an attorney or party constitutes a certificate by him that:

(4) If a petition, pleading, motion, or other paper is signed in violation of this section, the court, upon motion or upon its own initiative, shall impose an appropriate sanction upon the person who signed it, a represented party, or both. In that event, he is eligible for only a proportion of the benefits specified in 19-12-404, determined by multiplying the benefits by a fraction, the numerator of which is the number of years of active service completed and the denominator of which is 20.

(c) The years of active service are cumulative and need not be continuous. The service need not be acquired with one single fire company but may be a total of separate periods of active service with different fire companies in different fire districts.

(d) Effective March 1, 1965, the annual period of service for the purpose of this chapter is the fiscal year. No fractional part of any year may count toward the service requirement, and to receive credit for any particular year, a volunteer firefighter must serve with one particular volunteer fire company throughout that entire fiscal year.

(i) for a member with less than 10 years of service, a pension calculated as provided in subsection (1)(b) in which the numerator equals 10; or

(ii) for a member with 10 years or more of service, a pension calculated as provided in subsection (1)(b).

(3) During each of the years for which he claims credit under subsection (1), he must have completed a minimum of 30 hours of instruction in matters pertaining to firefighting under a program formulated and supervised by the chief or foreman of his volunteer fire company.

(4) Effective July 1, 1965, no volunteer firefighter may receive credit for any year of membership in a volunteer fire company unless, throughout the year:

(a) the company maintained firefighting equipment in serviceable condition of a value of \$2,500 or more; and

(b) the company or the fire district served by it was rated in class 5, 6, 7, 8, 9, or 10 by the board of fire underwriters for the purpose of fire insurance premium rates.

(5) He must have ceased to be an active member of any volunteer fire company, and if he applies for and receives pension benefits hereunder, he will not thereafter be eligible to become an active member of any volunteer fire company."

Notice of acceptance of an appeal must be given to the county tax appeal board by the state tax appeal board. The state board shall set such appeal for hearing either in its office in the capital or such county seat as the board considers advisable to facilitate the performance of its duties or to accommodate parties in interest and shall*

No reduction must be made unless such person or agent makes an application, as provided in 15-15-102, and attends and answers all questions pertinent to the inquiry. The testimony of all witnesses upon such hearing must be taken in shorthand or by stenotype or electronically recorded and preserved for 1 year. If the decision of the county tax appeal board is appealed, all testimony must be transcribed or otherwise reduced to writing and forwarded, together with all exhibits, to the state tax appeal board. The date of hearing, the proceedings before the board, and the decision

must be entered upon the minutes of the board, and the board shall notify the applicant of its decision by mail within 3 days thereafter. A copy of the minutes of the county tax appeal board must be transmitted to the state tax appeal board no later than 3 days after the board holds its final hearing of the year.

## CHAPTER NO. 472

[SB 142]

AN ACT TO GIVE THE IMMEDIATELY PRECEDING OWNER OF FORECLOSED AGRICULTURAL LAND THE RIGHT TO PURCHASE OR LEASE SUCH LAND BY MEETING THE TERMS AND CONDITIONS OF THE HIGHEST OFFER MADE TO PURCHASE OR LEASE SUCH LAND; AND PROVIDING AN APPLICABILITY DATE, AN IMMEDIATE EFFECTIVE DATE, AND A TERMINATION DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Definitions.** As used in [this act], the following definitions apply:

(1) "Agricultural land" means real property that is principally used for the production of livestock, poultry, field crops, fruit, or other animal or vegetable matter for food or fiber.

(2) "Holder of foreclosed agricultural land" means a national- or state-chartered bank, a mutual or stock insurance company regulated by any state, a mortgage company, a farm credit system lender, or a state or federal agency that has acquired the right to dispose of agricultural land through foreclosure of a mortgage on the land or through execution of a judgment obtained by it against the immediately preceding owner of the land.

**Section 2. Right of first refusal.** (1) A holder of foreclosed agricultural land shall, when leasing such land or any portion thereof to a third party, make a good faith offer to lease the land or portion thereof to the immediately preceding owner if such owner has financial resources and farm management skills and experience to assure a reasonable prospect of success in the proposed farming operation. The offer to lease land to the immediately preceding owner must be upon the same terms and conditions offered by a third party that are acceptable to the lessor.

(2) A holder of foreclosed agricultural land shall, when selling such land or any portion thereof to a third party, make a good faith offer to sell the land or portion thereof to the immediately preceding owner for the same price offered by a third party that is acceptable to the seller.

(3) An offer to lease to the immediately preceding owner is required each time the foreclosed agricultural land is leased to a third party, except that once the immediately preceding owner fails to meet the terms of a lease offer, the right to meet future offers is extinguished and no offer to lease is required. An offer to sell to the immediately preceding owner is required only the first time the property is sold to a third party.

(4) An offer sent by certified mail to the name and address filed by the immediately preceding owner under [section 4] is a good faith offer.

(5) This section does not apply to foreclosed agricultural land if such land is owned by the state pursuant to The Enabling Act (Act of February 22, 1889, Ch. 180, 25 Stat. 676).

**Section 3. Time to exercise right.** (1) An immediately preceding owner of foreclosed agricultural land may not exercise the right to lease agricultural land later than 15 days after receiving an offer to lease under [section 2] and may not exercise the right to purchase agricultural land later than 60 days after receiving an offer to sell under [section 2].

(2) The right of the immediately preceding owner to purchase or lease any foreclosed agricultural land under [section 2] applies only for the same length of time that real estate may be held by a bank under 32-1-423(2).

**Section 4. Notice required from immediately preceding owner.**

(1) An immediately preceding owner must notify in writing the holder of foreclosed agricultural land of the name and current address of one individual who is authorized to exercise the right of first refusal on behalf of the immediately preceding owner. If the immediately preceding owner is an entity for which no single individual is ordinarily authorized to act, the notice shall also indicate the necessary transfer of authority that enables the individual named in the notice to act.

(2) Failure of the immediately preceding owner to file the notice required by subsection (1) within 25 days after publication of notice of foreclosure or execution sale is served or within 15 days after a change of his address operates as a waiver of the right of first refusal.

(3) A foreclosing creditor, within the definition of holder of foreclosed agricultural land, or a sheriff must advise the immediately preceding owner at the time notice of foreclosure or writ of execution is served of the right

of first refusal granted in [section 2] and of the notice requirement of subsection (1).

**Section 5. Applicability.** This act applies to agricultural land acquired by foreclosure or by judgment in satisfaction of debt after the effective date of this act until June 30, 1991, and no right of first refusal under this act may accrue after June 30, 1991.

**Section 6. Effective date — termination date.** This act is effective on passage and approval and terminates June 30, 1996.

Approved April 15, 1987.

## CHAPTER NO. 474

[SB 187]

**AN ACT ALLOWING SPECIAL VEHICLE COMBINATIONS TO OPERATE BY SPECIAL PERMIT UPON INTERSTATE HIGHWAYS; INCREASING THE SPECIAL PERMIT FEES FOR SPECIAL COMBINATIONS; ESTABLISHING A 55 MILE PER HOUR SPEED LIMIT ON THE OPERATION OF SPECIAL COMBINATION VEHICLES; AUTHORIZING THE DEPARTMENT OF HIGHWAYS TO PRESCRIBE DRIVER QUALIFICATIONS, EQUIPMENT, AND SAFETY STANDARDS SPECIFICALLY FOR SPECIAL VEHICLE COMBINATIONS; AMENDING SECTIONS 61-8-312, 61-10-107 AND 61-10-124, MCA; AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE.**

**WHEREAS, Montana is surrounded by states and provinces that allow motor carriers to pull special vehicle combinations upon their four-lane highways while Montana prohibits such combinations; and**

WHEREAS, shippers will increasingly route their shipments around Montana to the detriment of Montana's transportation industry and of public revenues if special vehicle combinations continue to be excluded here; and

WHEREAS, highway traffic safety will be enhanced by the allowance and strict regulation of special vehicle combinations.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 61-8-312, MCA, is amended to read:

**"61-8-312. Special speed limitations on trucks, truck tractors, motor-driven cycles, and vehicles towing house trailers.** (1) No person shall operate any truck or truck tractor the gross weight of which exceeds 8,000 pounds at a speed greater than 65 miles per hour on those completed sections of interstate and four-lane divided highways and 60 miles per hour on those completed sections of primary and secondary highways. However, the truck nighttime speed limit shall not exceed that of automobiles as stated in 61-8-303.

(2) *No person shall operate any truck-trailer-trailer or truck tractor-semitrailer-trailer-trailer combination of vehicles subject to special permits under 61-10-124(4) at a speed greater than 55 miles per hour.*

(3) No person shall operate any motor-driven cycle at any time mentioned in 61-9-201 at a speed greater than 35 miles per hour unless such motor-driven cycle is equipped with a headlamp or lamps which are adequate to reveal a person or vehicle at a distance of 300 feet ahead.

(4) No person shall operate a vehicle which is towing a house trailer at a speed greater than a maximum of 50 miles per hour."

Section 2. Section 61-10-124, MCA, is amended to read:

**"61-10-124. Special permits — fee.** (1) Except as provided in subsections (2)(b) and (4), in addition to the regular registration and gross vehicle weight fees, a fee of \$10 for each trip permit and a fee of \$75 for each term permit issued for size and weight in excess of that specified in 61-10-101 through 61-10-110 shall be paid for all movements under special permits on the public highways under the jurisdiction of the department.

(2) (a) Except as provided in subsections (2)(b) and (4), term or blanket permits may not be issued for an overwidth vehicle, combination of vehicles, load, or other thing in excess of 15 feet; an overlength vehicle, combination of vehicles, load, object, or other thing in excess of 95 feet; and an overheight vehicle, combination of vehicles, load, or other thing in excess of 13 ½ feet, or of a limit determined by the department. A vehicle, combination of vehicles, load, or other thing in excess of these dimensions is limited to trip permits. Special permits for vehicle combinations of more than two trailers or more than two units designed for or used to carry a load are not permitted except as provided in subsection (4). Special permits for vehicle combinations may specify and special permits under subsection (4) must specify highway routing and otherwise limit or prescribe conditions of operation of the vehicle or combination, including but not limited

to required equipment, speed, stability, operational procedures, and insurance.

(b) A term permit may be issued to a dealer in implements of husbandry and self-propelled machinery for an overwidth or overlength vehicle referred to in subsection (2)(a). The fee for this permit is \$75. This permit covers a period of 1 year and expires on December 31 of each year with no grace period.

(c) With payment of the appropriate gross weight fee required by 61-10-203 and with payment of the fee prescribed in subsection (1), allowable gross weight of a five-axle combination logging vehicle is 80,000 pounds.

(3) Except as provided in subsection (2)(b), a permit may not be issued for a period of time greater than the period for which the GVW license is valid as provided in this title, including grace periods allowed by this title. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department, purchase permits to expire with their registration. A license required by the state governs the issuance of a special permit.

(4) *The department may issue special permits to the operating company for a truck-trailer-trailer or truck tractor-semitrailer-trailer-trailer combination of vehicles under the following conditions:*

*(a) the combination may be operated only on highways that are part of the federal-aid interstate system as defined in 60-1-103 and within a 2-mile radius of an interchange on the interstate system on other highways only in order to obtain necessary services or to load or unload at a terminal. When a terminal is beyond a 2-mile radius, the department may authorize travel between the terminal and the interchange.*

*(b) a combination of vehicles powered by a cab-over (tilt cab) type truck-tractor or a truck may not exceed overall length of 105 feet, inclusive of front and rear bumpers and overhang;*

*(c) a combination of vehicles powered by a conventional truck-tractor may not exceed overall length of 110 feet, inclusive of front and rear bumpers and overhang;*

*(d) no individual cargo unit of the combination may exceed 28 ½ feet in length and 102 inches in width;*

*(e) gross weight fees under 61-10-203 must be paid on the truck or truck tractor for the declared registered gross weight of the special vehicle combination, but not to exceed the formula in 61-10-107;*

*(f) the combination must have a restricted route permit under 61-10-107(3) and a special overlength permit issued at a fee of \$200 for a term permit or \$20 for each trip permit;*

*(g) travel of the combination may be restricted to specific routes, hours of operation, specific days, or seasonal periods; and*

*(h) the department may enforce any other restrictions determined by the department to be necessary."*

Section 3. Section 61-10-107, MCA, is amended to read:

**"61-10-107. Maximum gross weight — when permit required.**

(1) An axle may not carry a load in excess of 20,000 pounds, and no two consecutive axles more than 40 inches or less than 96 inches apart may carry a load in excess of 34,000 pounds. For purposes of this section, axles 40 inches or less apart are considered as a single axle. A vehicle or combination may not have more than nine axles. The maximum gross weight allowed on a vehicle, group of axles, or combination of vehicles shall be determined by the formula  $W \text{ equals } 500 (LN/N \text{ minus } 1 \text{ plus } 12N \text{ plus } 36)$  in which  $W$  equals gross weight,  $L$  equals wheel base in feet, and  $N$  equals number of axles, except that two consecutive sets of tandem axles may carry a gross load of 34,000 pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is 36 feet or more.

(2) Notwithstanding a vehicle's conformance with the requirements of subsection (1), its maximum load per inch of tire width, excluding the steering axle, may not exceed 600 pounds, based on the table in 61-10-105(3).

(3) If the gross weight of a vehicle or combination exceeds 80,000 pounds, the vehicle or combination must have a special permit, which may be issued in the discretion of the department of highways based on evaluation of safety, highway capacity, and economics of highway maintenance and vehicle operation. The fee shall be \$20 per trip permit or \$100 per term permit. A term permit may not be issued for a period of time greater than the period for which the GVW license is valid. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department, purchase permits to expire with their registration. Permits may specify *and permits issued under 61-10-124(4) must specify highway routing.*

(4) A special permit issued under subsection (3) for the transportation of agricultural products by farm vehicles from a harvesting combine or other harvesting machinery to the point of first unloading shall be for the full term of the harvest season of the agricultural product transported.

(5) This section does not apply to highways which are a part of the national system of interstate and defense highways (as referred to in 23 U.S.C. 127) when application of this section would prevent this state from receiving federal funds for highway purposes."

**Section 4. Violation — penalty.** A person, firm, or corporation convicted of violating any provision of 61-10-124(4) or any restriction on the special permits issued by the department under 61-10-124(4) shall be punished by a fine of not less than \$500 or more than \$1,000 and all special permits issued for the operation of the combination in violation shall be confiscated. The combination must be separated into combinations of legal length before the units may proceed.

**Section 5. Rules regarding overlength vehicles.** The department of highways may adopt rules to implement 61-10-124(4) and may by rule prescribe standards for the qualifications of drivers operating special vehicle combinations under 61-10-124(4) and for the equipping and operation of such combinations to enhance highway traffic safety.

**Section 6. Codification instruction.** Sections 4 and 5 are intended to be codified as an integral part of Title 61, chapter 10, part 1, and the provisions of Title 61 apply to sections 4 and 5.

**Section 7. Effective date.** This act is effective July 1, 1987.

**Section 8. Termination date.** This act shall terminate on July 1, 1989.

Approved April 15, 1987.

**Section 2. Placement of youth before probable cause hearing.** (1) Before the probable cause hearing, a youth, except for a youth alleged to be a youth in need of care, may be held in a jail or other facility for adults only if:

In making this recommendation, the referee may consider mitigating circumstances. Final approval rests with the department and must be made within 10 days of the referee's recommendation.

(6) The youth may appeal from the decision at the hearing to the district court of the county in which the hearing was held by serving and filing a notice of appeal with the court within 10 days of the department's decision. The youth may obtain a written transcript of the hearing from the department by giving written notice of appeal. The district court, upon receipt of a notice of appeal, shall order the department to promptly certify to the court a record of all proceedings before the department and shall proceed to a prompt hearing on the appeal based upon the record on appeal. The decision of the department shall not be altered except for abuse of discretion or manifest injustice.

(7) Pending the hearing on a violation and pending the department's decision, a youth may not be detained except when his detention or care is required to protect the person or property of the youth or of others or he may abscond or be removed from the community. Procedures for taking into custody and detention of a youth charged with violation of his after-care agreement shall be as provided in 41-3-1111, [section 1], [section 2], and 41-5-306.

retirement program. Benefits are payable to a participant and his beneficiaries only by the designated company or companies in accordance with the terms of the contracts.

**Section 8. Exemption from taxation, legal process, and assessments.** All contracts, benefits, and contributions under the optional retirement program and the earnings thereon are:

- (1) exempt from any state, county, or municipal tax;
- (2) not subject to execution, garnishment, attachment, or other process;
- (3) not covered or assessable by an insurance guaranty association; and
- (4) unassignable except as specifically provided in the contracts.

**Section 9. Actuarial investigation to determine unfunded liability.** (1) On June 30, 1990, the teachers' retirement board shall make an actuarial investigation of the teachers' retirement system to determine the past service unfunded liability of active, inactive, and retired members of the Montana university system. The valuation must determine the effect on the amortization of the unfunded liability of the teachers' retirement system caused by persons electing to participate in the optional retirement program. The board shall report its findings to the 52nd legislature.

(2) If the valuation determines that the percentage contribution established in [section 6(2)(b)] has an adverse effect on the amortization of the unfunded liability, then the board of regents shall pay an additional sum over a period of 40 years to rectify the adverse effect.

(3) Changes in the teachers' retirement system occurring after July 1, 1987, that create additional unfunded liabilities may not be considered in the valuation, and the board of regents may not be required to pay any additional sum on that account except to the extent that those changes benefit members of the teachers' retirement system who are employees of the Montana university system.

(4) If the valuation determines that the board of regents is paying an amount in excess of that needed to amortize the unfunded liability, the teachers' retirement board shall credit the board of regents for the excess payments. The board of regents shall credit the active participants in the optional retirement program with the excess payments.

**Section 10.** Section 15-30-111, MCA, is amended to read:

**"15-30-111. Adjusted gross income.** (1) Adjusted gross income shall be the taxpayer's federal income tax adjusted gross income as defined in section 62 of the Internal Revenue Code of 1954 or as that section may be labeled or amended and in addition shall include the following:

(a) interest received on obligations of another state or territory or county, municipality, district, or other political subdivision thereof;

(b) refunds received of federal income tax, to the extent the deduction of such tax resulted in a reduction of Montana income tax liability; and

(c) that portion of a shareholder's income under subchapter S. of Chapter 1 of the Internal Revenue Code of 1954 that has been reduced by any federal taxes paid by the subchapter S. corporation on the income.

(2) Notwithstanding the provisions of the federal Internal Revenue Code of 1954 as labeled or amended, adjusted gross income does not include the following which are exempt from taxation under this chapter:

(a) all interest income from obligations of the United States government, the state of Montana, county, municipality, district, or other political subdivision thereof;

(b) interest income earned by a taxpayer age 65 or older in a taxable year up to and including \$800 for a taxpayer filing a separate return and \$1,600 for each joint return;

(c) all benefits received under the Federal Employees' Retirement Act not in excess of \$3,600;

(d) all benefits, not in excess of \$360, received as an annuity, pension, or endowment under any private or corporate retirement plan or system;

(e) all benefits paid under the teachers' retirement law which are specified as exempt from taxation by 19-4-706;

(f) all benefits paid under The Public Employees' Retirement System Act which are specified as exempt from taxation by 19-3-105;

(g) all benefits paid under the highway patrol retirement law which are specified as exempt from taxation by 19-6-705;

(h) all Montana income tax refunds or credits thereof;

(i) all benefits paid under 19-11-602, 19-11-604, and 19-11-605 to retired and disabled firefighters, their surviving spouses and orphans;

(j) all benefits paid under the municipal police officers' retirement system that are specified as exempt from taxation by 19-9-1005;

(k) gain required to be recognized by a liquidating corporation under 15-31-113(1)(a)(ii);

(l) all tips covered by section 3402(k) of the Internal Revenue Code of 1954, as amended and applicable on January 1, 1983, received by persons for services rendered by them to patrons of premises licensed to provide food, beverage, or lodging;

(m) all benefits received under the workers' compensation laws;

(n) all health insurance premiums paid by an employer for an employee if attributed as income to the employee under federal law; and

*(o) all benefits paid under an optional retirement program that are specified as exempt from taxation by [section 8].*

(3) In the case of a shareholder of a corporation with respect to which the election provided for under subchapter S. of the Internal Revenue Code of 1954, as amended, is in effect but with respect to which the election provided for under 15-31-202, as amended, is not in effect, adjusted gross

income does not include any part of the corporation's undistributed taxable income, net operating loss, capital gains or other gains, profits, or losses required to be included in the shareholder's federal income tax adjusted gross income by reason of the said election under subchapter S. However, the shareholder's adjusted gross income shall include actual distributions from the corporation to the extent they would be treated as taxable dividends if the subchapter S. election were not in effect.

(4) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in his adjusted gross income the earnings and profits of the DISC in the same manner as provided by federal law (section 995, Internal Revenue Code) for all periods for which the DISC election is effective.

(5) A taxpayer who, in determining federal adjusted gross income, has reduced his business deductions by an amount for wages and salaries for which a federal tax credit was elected under section 44B of the Internal Revenue Code of 1954 or as that section may be labeled or amended is allowed to deduct the amount of such wages and salaries paid regardless of the credit taken. The deduction must be made in the year the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(6) Married taxpayers filing a joint federal return who must include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(7) A taxpayer receiving retirement disability benefits who has not attained age 65 by the end of the taxable year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to \$100 per week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, permanently and totally disabled means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months. (Subsection (2)(l) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983.)"

Section 11. Section 19-4-208, MCA, is amended to read:

**"19-4-208. Duties of employer.** Each employer shall:

(1) pick up the contribution of each member employed by him at the rate prescribed by 19-4-602 and transmit the contribution each month to the secretary of the retirement board;

(2) pay to the secretary of the retirement board the employer's contribution prescribed by 19-4-605, at the time that the employee contributions are transmitted to the secretary;

(3) keep records and, as required by the retirement board, furnish information to the board that is required in the discharge of the board's duties;

(4) upon the employment of a person who is required to become a member of the retirement system, inform him of his rights and obligations relating to the retirement system;

(5) *whenever applicable, inform an employee of his right to elect to participate in the optional retirement program under [sections 1 through 9];*

(6) at the request of the retirement board, certify the names of all persons who are eligible for membership or who are members of the retirement system; and

(7) notify the retirement board of the employment of a person eligible for membership and forward his membership application to the board."

Section 12. Section 19-4-302, MCA, is amended to read:

**"19-4-302. Active membership.** (1) Unless otherwise provided by this chapter, the following persons must be active members of the retirement system, with the exception that those persons who became eligible for membership on September 1, 1937, or on September 1, 1939, and who elected not to become members under the provisions of the law at that time are not required to be members:

(a) any person who is a teacher, principal, or district superintendent as defined in 20-1-101;

(b) any person who is an administrative officer or a member of the instructional or scientific staff of a unit of the Montana university system *and who has not elected to participate in the optional retirement program under [sections 1 through 9];*

(c) any person employed in an instructional services capacity by the office of the superintendent of public instruction, the office of a county superintendent, a special education cooperative, a public institution of the state of Montana, the Montana state school for the deaf and blind, or a school district;

(d) any person who has elected not to become a member of the retirement system and is reentering service in a capacity prescribed by (a), (b), or (c) of this subsection (1);

(e) any person who has elected not to become a member of the retirement system, who has been continuously employed in a capacity prescribed by (a), (b), or (c) of this subsection (1) since the time of such election, and who may thereafter elect to become a member of the retirement system.

(2) In order to be eligible for active membership, any person described in subsection (1) must:

(a) be employed in the capacity prescribed for his eligibility for at least 30 days in any fiscal year; and

(b) have the compensation for his creditable service totally paid by an employer as defined herein.

(3) At any time a person's eligibility to become a member of the retirement system is in doubt, the retirement board shall determine his eligibility for membership. All persons in similar circumstances shall be treated alike."

**Section 13. Extension of authority.** Any existing authority of the teachers' retirement board to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 14. Coordination instruction.** If any act of this legislature is passed and approved which amends 15-30-111 providing for the taxation of all or a portion of previously exempt retirement benefits, sections 8 and 10 of this act providing an exemption for retirement benefits of certain university system employees are void.

**Section 15. Effective date.** This act is effective July 1, 1987.

Approved April 15, 1987.

(4) *If any public record of the division contains material which is not exempt under subsection (3), as well as material which is exempt from disclosure, the division shall separate the exempt and nonexempt and make the nonexempt material available for examination."*

Section 4. Section 53-9-128, MCA, is amended to read:

**"53-9-128. Compensation benefits.** (1) A claimant is entitled to weekly compensation benefits when the claimant has a total actual loss of wages due to injury as a result of criminally injurious conduct. During the time the claimant seeks such weekly benefits, the claimant, as a result of such injury, must have no reasonable prospect of being regularly employed in the normal labor market. The weekly benefit amount is 66 ⅔% of the wages received at the time of the criminally injurious conduct, subject to a maximum of *one-half the state's average weekly wage as determined in 39-51-2201*. Weekly compensation payments shall be made at the end of each 2-week period. No weekly compensation payments may be paid for the first week after the criminally injurious conduct occurred, but if total actual loss of wages continues for 1 week, weekly compensation payments shall be paid from the date the wage loss began. Weekly compensation payments shall continue until the claimant has a reasonable prospect of being regularly employed in the normal labor market.

(2) The claimant is entitled to be reimbursed for reasonable services by a physician or surgeon, reasonable hospital services and medicines, and such other treatment as may be approved by the division for the injuries suffered due to criminally injurious conduct.

(3) (a) The dependents of a victim who is killed as a result of criminally injurious conduct are entitled to receive, in a gross single amount payable to all dependents, weekly benefits amounting to 66 ⅔% of the wages received at the time of the criminally injurious conduct causing the death, subject to a maximum of *one-half the state's average weekly wage as determined in 39-51-2201*. Weekly compensator payments shall be made at the end of each 2-week period.

(b) Benefits under subsection (3)(a) of this section shall be paid to the spouse for the benefit of the spouse and other dependents unless the division determines that other payment arrangements should be made. If a spouse dies or remarries, benefits under subsection (3)(a) shall cease to be paid to the spouse but shall continue to be paid to the other dependents so long as their dependent status continues.

(4) Reasonable funeral and burial expenses of the victim, not exceeding \$2,000, shall be paid if all other collateral sources have properly paid such expenses but have not covered all such expenses.

(5) Compensation payable to a victim and all of the victim's dependents in cases of the victim's death, because of injuries suffered due to an act of criminally injurious conduct may not exceed \$25,000 in the aggregate.

(6) Compensation benefits are not payable for pain and suffering, inconvenience, physical impairment, or nonbodily damage.

(7) (a) A person who has suffered injury as a result of criminally injurious conduct and as a result of such injury has no reasonable prospect of being regularly employed in the normal labor market, who was employable but was not employed at the time of such injury, may in the discretion of the division be awarded weekly compensation benefits in an amount determined by the division not to exceed \$100 per week. Weekly compensation payments shall continue until the claimant has a reasonable prospect of being regularly employed in the normal labor market or for a shorter period as determined by the division. The claimant shall be awarded benefits as provided in subsection (2) of this section.

(b) The dependents of a victim who is killed as a result of criminally injurious conduct and who was employable but not employed at the time of death may in the discretion of the division be awarded, in a gross single amount payable to all dependents, a sum not to exceed \$100 per week which shall be payable in the manner and for the period provided by subsection (3)(b) of this section or for such shorter period as determined by the division. The claimant shall be awarded benefits as provided in subsection (4) of this section.

(8) Amounts payable as weekly compensation may not be commuted to a lump sum and may not be paid less frequently than every 2 weeks."

Section 5. Section 53-9-131, MCA, is amended to read:

**"53-9-131. Appeals.** After the division has made final determination concerning any matter relating to a claim, if the claimant disputes the division's determination, he may appeal to the *district court for the county in*

*which he resides or Lewis and Clark County for review. Review on appeal must be in conformity with 2-4-701 through 2-4-704 of the Montana Administrative Procedure Act. The judge, after a hearing, shall make a final determination concerning the dispute and issue an appropriate order affirming, reversing, or modifying the division's determination."*

Section 6. Section 53-9-132, MCA, is amended to read:

**"53-9-132. Subrogation.** (1) If a claimant seeks compensation under this part and compensation is awarded, the division is entitled to full subrogation against a judgment or recovery received by the claimant against the offender *or a collateral source arising from the criminally injurious conduct committed by the offender* for all compensation paid under this part. The division's right of subrogation shall be a first lien on the judgment or recovery. If the claimant does not institute the action against the offender *or collateral source* within 1 year from the date the criminally injurious conduct occurred, the division may institute the action in the name of the claimant or the claimant's personal representative.

(2) If the claimant institutes the action, the division shall pay a proportional share of costs and attorneys' fees if it recovers under its subrogation interest.

(3) If the division institutes the action in the name of the claimant or the claimant's personal representative and the recovery is in excess of the amount of compensation paid to the claimant and costs incurred by the division in pursuit of the action, the excess shall be paid to the claimant.

(4) If a judgment or recovery includes both damages for bodily injury or death for which the division has paid compensation under this part and damages for which the division has not paid compensation, then the division's subrogation interest shall apply only to that proportion of the judgment or recovery for which it has paid compensation. In a civil action in a court of this state arising out of criminally injurious conduct, the judge, on timely motion, shall direct the jury to return a special verdict indicating separately the amounts of the various items of damages awarded. A claimant may not make recoveries against the offender *or collateral source* in such a way as to avoid and preclude the division from receiving its proper subrogation share as provided in this section. The division shall release its lien provided for in subsection (1) above upon receipt of its subrogation share."

Section 7. **Extension of authority.** Any existing authority of the workers' compensation division to make rules on the subject of the provisions of this act is extended to the division of crime control to make rules on the subject of the provisions of this act.

Section 8. **Effective date.** This act is effective July 1, 1987.

Approved April 15, 1987.

**CHAPTER NO. 497**

AN ACT TO ESTABLISH BLOOD ALCOHOL STANDARDS FOR PERSONS WHO OPERATE MOTORBOATS, INCLUDING A SAILBOAT PROPELLED BY A MOTOR OF ANY KIND, OR ARE MANIPULATING WATER SKIS, SURFBOARDS, OR SIMILAR DEVICES ATTACHED TO MOTORBOATS WHILE UNDER THE INFLUENCE OF ALCOHOL OR DRUGS; AMENDING SECTION 23-2-523, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 23-2-523, MCA, is amended to read:

**"23-2-523. Prohibited operation and mooring — enforcement.**

(1) No person may operate or knowingly permit any person to operate any motorboat or vessel or manipulate any water skis, surfboard, or similar device or other contrivance in a reckless or negligent manner so as to endanger the life, limb, or property of any person.

(2) No person may operate any motorboat, *including a sailboat propelled by a motor of any kind*, or manipulate any water skis, surfboard, or similar device attached to a motorboat while under the influence of alcohol or drugs.

(3) It is unlawful for the owner of any motorboat or vessel or any person having such in charge or in control to authorize or knowingly permit the same to be operated by any person who by reason of physical or mental disability is incapable of operating such watercraft under the prevailing circumstances.

(4) No person may operate or knowingly permit any person to operate any motorboat or vessel at a rate of speed greater than will permit such person, in the exercise of reasonable care, to bring the vessel to a stop within the assured clear distance ahead. However, nothing in this part is intended to prevent the operator of a vessel actually competing in a regatta which is sanctioned by an appropriate governmental unit from attempting to attain high speeds on a marked racing course.

(5) No person may make a reckless approach to, departure from, or passage by a dock, ramp, diving board, or float.

(6) Skiers being pulled by motorboats must have on their person a life preserver, buoyant vest, or ski belt.

(7) No person may moor a vessel to any of the buoys or beacons placed in any waters of this state by the authority of the United States, an agency of the United States, or the department or in any manner hang on with a vessel to such buoy or beacon, except in the act of maintenance work on such buoy or beacon, nor may any person deface, remove, or destroy any such buoy, beacon, or other authorized navigational marker maintained in the waters of this state.

(8) If an officer whose duty it is to enforce the sections of this law observes a vessel being used without sufficient lifesaving or firefighting

devices or in an overloaded or other unsafe condition and in his judgment such use creates an especially hazardous condition, he may direct the operator to take whatever immediate and reasonable steps would be necessary for the safety of those aboard the vessel, including directing the operator to return to mooring or launching site and to remain there until the situation creating the hazard is corrected or ended."

**Section 2. Blood alcohol concentration standards — evidence admissible — administration of tests.** (1) The presumptions contained in 61-8-401(3) apply to any criminal action or proceeding arising out of acts alleged to have been committed in violation of 23-2-523(2).

(2) Evidence of the amount of alcohol in a person's blood at the time of the act alleged and any other competent evidence bearing on the question of whether the person was under the influence of alcohol at the time of the act alleged is admissible in any criminal action or proceeding arising out of acts alleged to have been committed in violation of 23-2-523(2).

(3) If a person charged with violation of 23-2-523(2) refuses to submit to a chemical test of his blood, breath, or urine for the purpose of determining the alcoholic content of his blood, none will be given, but proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed in violation of 23-2-523(2).

(4) The provisions relating to administration of tests provided in 61-8-405 and the definition of blood alcohol concentration provided in 61-8-407 apply to any testing done to determine the blood alcohol concentration of a person charged with violation of 23-2-523(2).

**Section 4. Coordination instruction.** If House Bill No. 163, including the section defining the phrase "under the influence", is not passed and approved, section 2(5) of this act is void.

**Section 5. Effective date.** This act is effective on passage and approval.

Approved April 15, 1987.

## CHAPTER NO. 498

[HB 340]

AN ACT TO REVISE THE METHOD OF CALCULATING THE AVERAGE NUMBER BELONGING OF A SCHOOL DISTRICT FOR SCHOOL FUNDING PURPOSES; AMENDING SECTION 20-9-311, MCA; AND PROVIDING AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-9-311, MCA, is amended to read:

**"20-9-311. Calculation of average number belonging (ANB).** (1) Average number belonging shall be computed by determining the total of

the aggregate days of attendance by regularly enrolled, full-time pupils during the current school fiscal year plus the aggregate days of absence by regularly enrolled, full-time pupils during the current school fiscal year and by dividing such total by 180. However, when a school district has approval to operate less than 180 school days under 20-9-804, such total shall be calculated in accordance with the provisions of 20-9-805. Attendance for a part of a morning session or a part of an afternoon session by a pupil shall be counted as attendance for one-half day. In calculating the ANB for pupils enrolled in a program established under 20-7-117 prior to January 1, 1974, or pursuant to 20-7-117(1), attendance at or absence from a regular session of the program for at least 2 hours of either a morning or an afternoon session will be counted as one-half of a day attended or absent as the case may be. If a variance has been granted as provided in 20-1-302, ANB will be computed in a manner prescribed by the superintendent of public instruction, but in no case shall the ANB exceed one-half for each kindergarten pupil. When any pupil has been absent, with or without excuse, for more than 10 consecutive school days, including pupil-instruction-related days, his absence after the 10th day of absence shall not be included in the aggregate days of absence and his enrollment in the school shall not be considered in the calculation of the average number belonging until he resumes attendance at school.

(2) If a student spends less than half his time in the regular program and the balance of his time in school in the special education program, he shall be considered a full-time special pupil but shall not be considered regularly enrolled for ANB purposes. If a student spends half or more of his time in school in the regular program and the balance of his time in the special education program, he shall be considered regularly enrolled for ANB purposes.

(3) The average number belonging of the regularly enrolled, full-time pupils for the public schools of a district *must* be based on the aggregate of all the regularly enrolled, full-time pupils attending *the schools of the district, except that when:*

(a) *a school of the district is located more than 3 miles beyond the incorporated limits of a city or town or from another school of the district, all of the regularly enrolled, full-time pupils of the school must be calculated individually for ANB purposes;*

(b) *a junior high school has been approved and accredited as a junior high school, all of the regularly enrolled, full-time pupils of the junior high school shall be considered as high school district pupils for ANB purposes;*

(c) *a middle school has been approved and accredited, in which case pupils below the 7th grade shall be considered elementary school pupils for ANB purposes and the 7th and 8th grade pupils shall be considered high school pupils for ANB purposes; or*

(d) *a school has not been accredited by the board of public education, the regularly enrolled, full-time pupils attending the nonaccredited school shall not be eligible for average number belonging calculation purposes, nor will an average number belonging for the nonaccredited school be used in determining the foundation program for such district.*

(4) When 11th or 12th grade students are regularly enrolled on a part-time basis, high schools may calculate the ANB to include an "equivalent ANB" for those students. The method for calculating an equivalent ANB shall be determined in a manner prescribed by the superintendent of public instruction."

**Section 2. Extension of authority.** Any existing authority of the superintendent of public instruction to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 3. Applicability.** This act is applicable to the ANB calculated on the attendance during the school fiscal year 1988-89, and used for budgeting for the school fiscal year 1989-90, and thereafter.

## CHAPTER NO. 503

[HB 795]

AN ACT TO GENERALLY REVISE THE OIL AND GAS CONSERVATION LAWS TO INCORPORATE REGULATION OF CLASS II INJECTION WELLS AS DEFINED BY THE FEDERAL ENVIRONMENTAL PROTECTION AGENCY; ESTABLISHING AN INJECTION WELL OPERATING FEE; APPROPRIATING FUNDS; AMENDING SECTIONS 82-11-101, 82-11-111, 82-11-123, 82-11-141, 82-11-142, 82-11-147, AND 82-11-148, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 82-11-101, MCA, is amended to read:

**"82-11-101. Definitions.** As used in this chapter, unless the context requires otherwise, the following definitions apply:

(1) *"Administrator" means the administrator of the division of oil and gas conservation.*

(2) *"Board" means the board of oil and gas conservation provided for in 2-15-3303.*

(3) *"Class II injection well" means a well, as defined by the federal environmental protection agency or any successor agency, that injects fluids:*

(a) *that have been brought to the surface in connection with oil or natural gas production;*

(b) *for purposes of enhancing the ultimate recovery of oil or natural gas;*  
*or*

(c) *for purposes of storing liquid hydrocarbons.*

(4) *"Department" means the department of natural resources and conservation provided for in Title 2, chapter 15, part 33.*

(5) *"Determinations" means those decisions delegated to the state by or under authority of the Natural Gas Policy Act of 1978 or any successor or similar legislation relating to oil and gas.*

(6) *"Enhanced recovery" means the increased recovery from a pool achieved by artificial means or by the application of energy extrinsic to the pool; such artificial means or application includes pressuring, cycling, pressure maintenance, or injection into the pool of any substance or form of*

energy as is contemplated in secondary recovery and tertiary programs but does not include the injection in a well of a substance or form of energy for the sole purpose of aiding in the lifting of fluids in the well or stimulating of the reservoir at or near the well by mechanical, chemical, thermal, or explosive means.

(7) "Field" means the general area underlaid by one or more pools.

(8) "*Fluid*" means any material or substance that flows or moves, whether in a semisolid, liquid, sludge, gas, or any other form or state.

(9) "Gas" means all natural gases and all other fluid hydrocarbons as produced at the wellhead and not defined as oil in subsection (10) of this section.

(10) "Oil" means crude petroleum oil and other hydrocarbons regardless of gravity which are produced at the wellhead in liquid form by ordinary production methods and which are not the result of condensation of gas before or after it leaves the reservoir.

(11) "Owner" means the person who has the right to drill into and produce from a pool and to appropriate the oil or gas he produces therefrom either for himself or others or for himself and others, and the term includes all persons holding such authority by or through him.

(12) "Person" means any natural person, corporation, association, partnership, receiver, trustee, executor, administrator, guardian, fiduciary, or other representative of any kind and includes any agency or instrumentality of the state or any governmental subdivision thereof.

(13) "*Pollution*" means contamination or other alteration of the physical, chemical, or biological properties of any state waters that exceeds that permitted by state water quality standards or standards adopted by the board, including but not limited to the disposal, discharge, seepage, drainage, infiltration, flow, or injection of any liquid, gaseous, solid, or other substance into any state waters that will or is likely to create a nuisance or render the waters harmful, detrimental, or injurious to public health, recreation, safety, welfare, livestock, wild animals, birds, fish, or other wildlife. A disposal, discharge, seepage, drainage, infiltration, flow, or injection of fluid that is authorized under a rule, permit, or order of the board is not pollution under this chapter.

(14) "Pool" means an underground reservoir containing a common accumulation of oil or gas or both; each zone of a structure which is completely separated from any other zone in the same structure is a pool, as that term is used in this chapter.

(15) "Producer" means the owner of a well or wells capable of producing oil or gas or both.

(16) "*State waters*" means any body of water, either surface or underground.

(17) "Waste" means:

(a) physical waste, as that term is generally understood in the oil and gas industry;

(b) the inefficient, excessive, or improper use of or the unnecessary dissipation of reservoir energy;

(c) the location, spacing, drilling, equipping, operating, or producing of any oil or gas well or wells in a manner which causes or tends to cause reduction in the quantity of oil or gas ultimately recoverable from a pool under prudent and proper operations or which causes or tends to cause unnecessary or excessive surface loss or destruction of oil or gas; and

(d) the inefficient storing of oil or gas. (The production of oil or gas from any pool or by any well to the full extent that the well or pool can be produced in accordance with methods designed to result in maximum ultimate recovery, as determined by the board, is not waste within the meaning of this definition.)"

Section 2. Section 82-11-111, MCA, is amended to read:

**"82-11-111. Powers and duties of board.** (1) The board shall make such investigations as it considers proper to determine whether waste exists or is imminent or whether other facts exist which justify any action by the board under the authority granted by this chapter with respect thereto.

(2) Subject to the administrative control of the department under 2-15-121, the board shall:

(a) require measures to be taken to prevent contamination of or damage to surrounding land or underground strata caused by drilling operations and production, including but not limited to regulating the disposal or *injection* of water and *disposal* of oil field wastes;

(b) classify wells as oil or gas wells or *class II injection wells* for purposes material to the interpretation or enforcement of this chapter;

(c) adopt and enforce rules and orders to effectuate the purposes and the intent of this chapter.

(3) The board shall determine and prescribe what producing wells shall be defined as "stripper wells" and what wells shall be defined as "wildcat wells" and make such orders as in its judgment are required to protect those wells and provide that stripper wells may be produced to capacity if it is considered necessary in the interest of conservation to do so.

(4) With respect to any pool from which gas was being produced by a gas well on or prior to April 1, 1953, this chapter does not authorize the board to limit or restrain the rate (daily or otherwise) of production of gas from that pool by any well then or thereafter drilled and producing from that pool to less than the rate at which the well can be produced without adversely affecting the quantity of gas ultimately recoverable by the well.

(5) *The board has exclusive jurisdiction over all class II injection wells and all pits and ponds in relation to those injection wells. The board may:*

(a) *issue, suspend, revoke, modify, or deny permits to operate class II injection wells, consistent with rules made by it;*

(b) *examine plans and other information needed to determine whether a permit should be issued or require changes in plans as a condition to the issuance of a permit;*

*(c) clearly specify in a permit any limitations imposed as to the volume and characteristics of the fluids to be injected and the operation of the well;*

*(d) authorize its staff to enter upon any public or private property at reasonable times to:*

*(i) investigate conditions relating to violations of permit conditions;*

*(ii) have access to and copy records required under this chapter;*

*(iii) inspect monitoring equipment or methods; and*

*(iv) sample fluids which the operator is required to sample; and*

*(e) adopt standards for the design, construction, testing, and operation of class II injection wells."*

**Section 3. Confidentiality of records.** (1) Any information that is furnished to the board or the board's staff or that is obtained by either of them is a matter of public record and open to public use. However, any information unique to the owner or operator that would, if disclosed, reveal methods or processes entitled to protection as trade secrets must be maintained as confidential if so determined by the board.

(2) If an owner or operator disagrees with a determination by the board that certain material will not be maintained as confidential, the owner or operator may file a declaratory judgment action in a court of competent jurisdiction to establish the existence of a trade secret if he wishes such information to enjoy confidential status. The department must be served in any such action and may intervene as a party.

(3) Any information not intended to be public when submitted to the board or the board's staff must be submitted in writing and clearly marked as confidential.

(4) Data describing physical and chemical characteristics of a liquid, gaseous, solid, or other substance injected or discharged into state waters may not be considered confidential.

(5) The board may use any information in compiling or publishing analyses or summaries relating to water pollution if such analyses or summaries do not identify the owner or operator or reveal any information that is otherwise made confidential by this section.

**Section 4.** Section 82-11-123, MCA, is amended to read:

**"82-11-123. Requirements for oil and gas operations.** Subject to the administrative control of the department under 2-15-121, the board shall require:

(1) identification of ownership of oil or gas wells, producing properties, and tanks;

(2) the making and filing of acceptable well logs, including bottom-hole temperatures, to facilitate the discovery of potential geothermal energy sources, reports on well locations, and the filing of directional surveys, if made; however, logs of exploratory or wildcat wells need not be filed for a period of 6 months following completion of those wells;

(3) the drilling, casing, producing, and plugging of wells *and class II injection wells* in such manner as to prevent the escape of oil or gas out of one stratum into another, the intrusion of water into oil or gas stratum, blowouts, cavings, seepages, and fires and the pollution of fresh water supplies by oil, gas, salt, or brackish water;

(4) the restoration of surface lands to their previous grade and productive capability after a well is plugged or a seismographic shot hole has been utilized and necessary measures to prevent adverse hydrological effects from such well or hole, unless the surface owner agrees in writing, with the approval of the board or its representatives, to a different plan of restoration;

(5) the furnishing of a reasonable bond with good and sufficient surety, conditioned for performance of the duty to properly plug each dry or abandoned well;

(6) proper gauging or other measuring of oil and gas produced and saved to determine the quantity and quality thereof;

(7) that every person who produces, transports, or stores oil or gas *or injects or disposes of water* in this state shall make available within this state for a period of 5 years complete and accurate records of the quantities thereof, which records shall be available for examination by the board or its employees at all reasonable times, and that that person file with the board such reports as it may prescribe with respect to quantities, transportations, and storages of the oil or gas *or water*; and

(8) *the installation, use, and maintenance of monitoring equipment or methods in the operation of class II injection wells."*

Section 5. Section 82-11-141, MCA, is amended to read:

**"82-11-141. Administrative procedure.** (1) Unless otherwise provided, the Montana Administrative Procedure Act applies to this chapter.

(2) An order or amendment thereof, except in an emergency, may not be made by the board without a public hearing upon at least 10 days' notice. The public hearing shall be held at such time and place as may be prescribed by the board, and any interested person is entitled to be heard.

(3) When an emergency requiring immediate action is found to exist, the board may issue an emergency order without advance notice or hearing which shall be effective upon promulgation. An emergency order may not remain in effect *beyond the next regular meeting of the board.*

(4) If notice is required by the chapter and the Montana Administrative Procedure Act does not apply, the notice shall be made by publication in one or more issues of a newspaper in general circulation in Helena and a newspaper of general circulation in the county where the land or some part thereon is situated, and the board may also cause publication to be made in a trade journal or bulletin of general circulation in the oil and gas industry in the state.

(5) Proof of service by publication under subsection (4) shall be made by the affidavit of the printer or publisher of the newspaper, trade journal,

or bulletin in which the notice is published or by a foreman or principal clerk of the newspaper, bulletin, or trade journal.

(6) Except as provided otherwise in this chapter, the board may act upon its own motion or upon the petition of an interested person. On the filing of a petition concerning a matter within the jurisdiction of the board, the board shall promptly fix a date for a hearing thereon and shall cause notice of the hearing to be given. The hearing shall be held without undue delay after the filing of the petition. The board shall enter its order within 30 days after the hearing."

Section 6. Section 82-11-142, MCA, is amended to read:

**"82-11-142. Subpoena power — civil actions.** (1) If the Montana Administrative Procedure Act does not apply, the board may subpoena witnesses, administer oaths, and require the production of records, books, and documents for examination at any hearing or investigation conducted by it. Witnesses subpoenaed under this subsection shall be paid the same per diem and mileage as is provided to be paid to witnesses attending the district courts of this state.

(2) This chapter, a suit by or against the board, a violation charged or asserted against a person under this chapter, or a rule or order issued under this chapter does not impair, abridge, or delay a cause of action for damages or other civil remedy which a person may have or assert against a person violating this chapter or a rule or order issued under it. A person so aggrieved by the violation may sue for and recover such damages or relief as he otherwise may be entitled to receive.

(3) *A person, association, corporation, or agency of the state or federal government may apply to the board protesting a violation or a threatened violation of this chapter. The board shall make an investigation and make a written report to the person, association, corporation, or agency that made the protest. If a violation is established by the investigation of the board, the board shall take appropriate enforcement action. If the board fails to take appropriate enforcement action or to bring suit to enjoin a threatened violation of this chapter or a rule or order of the board within 10 days after receipt of written request to do so by a person who is or will be adversely affected, the person making the request may bring the suit in his own behalf to restrain the threatened violation in a court in which the board might have brought suit. The board shall be made a party defendant in the suit in addition to the person threatening to violate this chapter or a rule or order of the board, and the action shall proceed and injunctive relief may be granted without bond in the same manner as if suit had been brought by the board.*

(4) If a person fails or refuses to comply with the subpoena issued by the board or if a witness refuses to testify as to any material matter regarding which he may be interrogated, any district court in the state, upon good cause shown by the application of the board, may issue a warrant of attachment for the person and, if after hearing the court finds his failure or refusal to be unjustified, compel him to comply with the subpoena and to attend before the board and produce any subpoenaed records, books, and documents for examination and to give his testimony. The court may

punish for contempt as in the case of disobedience to a like subpoena issued by the court or for refusal to testify therein."

**Section 7. Prohibited activity.** (1) No person may:

(a) cause pollution of any state waters or place or cause to be placed any liquid, gaseous, solid, or other substance in a location where the substance is likely to cause pollution of any state waters;

(b) violate any provision set forth in a permit or stipulation, including but not limited to limitations and conditions contained in it;

(c) violate an order issued pursuant to this chapter; or

(d) violate a provision of this chapter.

(2) No person may drill, construct, convert, or operate a class II injection well or drill an oil or gas well or stratigraphic test well or core hole as described under 82-11-134 without a valid permit or order from the board.

**Section 8. Legal assistance.** When requested by the board, the attorney general or the county attorneys within their respective counties shall perform legal services and conduct legal proceedings necessary to carry out the purposes of this chapter. The board may also employ legal counsel to enforce this chapter and to conduct proceedings under it.

**Section 9. Emergencies — notice and hearing.** (1) Notwithstanding any other provisions of this chapter, if the administrator or a board member finds that a person is committing or about to commit an act in violation of this chapter or any order or rule issued under it which, if it occurs or continues, will cause substantial pollution, the administrator under order of the board or the board member is authorized to order the person to stop, avoid, or moderate the act, including immediate closure or shutdown of any well. This authority is limited to acts the harmful effects of which will not be remedied immediately after the commission or cessation of the act or will represent an immediate threat to public health, safety, or welfare.

(2) When any emergency requiring immediate action is found pursuant to subsection (1), the board is authorized to issue an emergency order without notice or hearing, which is effective upon issuance as provided in 82-11-141(3).

(3) The board may have written notice served, personally or by mail, on the alleged violator or his agent. The notice must state the provision alleged to be violated, the facts alleged to constitute the violation, the nature of corrective action the board requires, and the time within which the action is to be taken. For the purposes of this section, service by mail is complete on the date of mailing.

(4) The notice must indicate that the order is an emergency order.

(5) Pursuant to 82-11-141(3), the board may consider the emergency order at its next regular meeting, without compliance with the notice requirements of this chapter if they cannot be accomplished within the time available, and enter a second emergency order.

(6) Upon issuing an order under subsection (2), the board may fix a place and time for a hearing, not later than 5 days thereafter unless the person to whom the order is directed requests a later time. The board may deny a request for a later time if it finds that the person to whom the order is directed is not complying with the order. If the board considers it practicable, the hearing must be held in the county where the violation is alleged to have occurred. As soon as practicable after the hearing, the board shall affirm, modify, or set aside the order.

(7) If the order of the board is affirmed, it must be accompanied by a statement specifying the date or dates by which a violation must cease and may prescribe timetables for necessary action in preventing, abating, or controlling the pollution. An action for review of the order of the board may be initiated in the manner specified in 82-11-144. The initiation of such an action or taking of an appeal may not stay the effectiveness of the order unless the court finds that the board did not have reasonable cause to issue an order under this section.

Section 10. Section 82-11-147, MCA, is amended to read:

**"82-11-147. Violations.** *(1) Notwithstanding any other provisions of this chapter, if the board finds upon receipt of evidence:*

*(a) that a person is violating or threatening to violate this chapter or a rule or order of the board, the board may bring suit against that person in the district court of any county where the violation occurs or is threatened to restrain the person from continuing the violation or from carrying out the threat of violation; or*

*(b) that a person is violating this chapter or a rule or order of the board in a manner for which the board is authorized to institute proceedings pursuant to [section 11], the board may issue an order either assessing a civil penalty in the amount prescribed in [section 11], up to a maximum administrative penalty of \$125,000, or requiring compliance with this chapter or a rule or order, or both.*

*(2) In a suit under (1)(a), the court may grant to the board, without bond or other undertaking, such prohibitory and mandatory injunctions as the facts may warrant, including temporary restraining orders."*

Section 11. **Civil penalties.** (1) A person is guilty of a misdemeanor and is subject to a civil penalty of at least \$5,000 if that person violates any rule or order of the board or a provision of this chapter. Each day of violation constitutes a separate violation.

(2) Action under this section does not bar enforcement of this chapter or of rules or orders issued under it by injunction or other appropriate remedy.

(3) The board, or the attorney general upon request of the board, shall institute and maintain any enforcement proceedings in the name of the state.

Section 12. Section 82-11-148, MCA, is amended to read:

**"82-11-148. Criminal penalties.** A person is guilty of a misdemeanor and shall be subject to a fine of not more than \$10,000 per day

*of violation* or imprisonment in a county jail for a term not exceeding 6 months or to both the fine and imprisonment if that person willfully violates any lawful rule or order of the board or if that person, for the purpose of evading this chapter or any rule or order of the board, knowingly and willfully:

(1) makes or causes to be made a false entry or statement in a report required by this chapter or by a rule or order of the board or a false entry in a record, account, or memorandum required by this chapter or by a rule or order;

(2) omits or causes to be omitted from the record, account, or memorandum full, true, and correct entries as required by this chapter or by a rule or order; or

(3) removes from this state or destroys, mutilates, alters, or falsifies the record, account, or memorandum."

**Section 13. Class II injection well operating fee.** (1) For the purpose of providing funds for defraying the expenses of operating and enforcing the class II injection well regulatory program, as defined by the federal environmental protection agency or any successor agency, each operator of a class II injection well may be required to pay an annual operating fee not to exceed \$300 per injection well.

(2) The department shall collect the operating fee at such time as the board may prescribe by rule. All money collected under this section must be forwarded to the state treasurer for deposit in the state special revenue fund and must be used for the purpose prescribed in subsection (1).

(3) The board shall, by rule adopted pursuant to the provisions of the Montana Administrative Procedure Act, fix the amount of the fee described in subsection (1) and may from time to time reduce or increase the amount thereof as the expenses chargeable against the state special revenue fund may require. However, the assessment fixed by the board may not exceed the limits prescribed in subsection (1). The amount of the fee must be expressed in dollars.

**Section 14. Appropriation.** There is appropriated from the state special revenue fund to the board of oil and gas conservation \$45,000 for fiscal year 1988 and \$280,000 for fiscal year 1989 for purposes of administering this act.

**Section 15. Extension of authority.** Any existing authority of the board of oil and gas conservation and the department of revenue to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 16. Codification instruction.** Sections 3, 7 through 9, 11, and 13 are intended to be codified as an integral part of Title 82, chapter 11, part 1, and the provisions of Title 82, chapter 11, part 1, apply to sections 3, 7 through 9, 11, and 13.

**Section 17. Effective date.** This act is effective on passage and approval.

Approved April 15, 1987.

(c) Annual average: 0.02 parts per million, annual average, not to be exceeded, *except that persons causing or contributing to ambient annual concentrations of sulfur dioxide that exceeded 0.02 parts per million during 1985 must be considered in compliance with this rule if ambient concentrations do not exceed 0.03 parts per million.*

(2) Measurement method: For determining compliance with this rule, sulfur dioxide shall be measured by the pararosaniline method as more fully described in Title 40, Part 50 (Appendix A) Code of Federal Regulations (1979), or by an approved equivalent method."

Section 2. **Study of effects of sulfur dioxide on health and environment.** (1) To the extent that funds are available, the board shall conduct an ongoing study in areas of Montana where there are major industrial sources of sulfur dioxide. (2) Notwithstanding other funding sources to pay for the study, the board may accept funds and grants from private and public sources.

## CHAPTER NO. 505

[SB 51]

AN ACT GENERALLY REVISING THE LAWS RELATING TO LIABILITY; ELIMINATING JOINT LIABILITY IN CERTAIN CASES; AMENDING SECTIONS 27-1-702 AND 27-1-703, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY PROVISION.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 27-1-702, MCA, is amended to read:

**"27-1-702. Comparative negligence — extent to which contributory negligence bars recovery in action for damages.** Contributory negligence shall not bar recovery in an action by any person or his legal representative to recover damages for negligence resulting in death or injury to person or property if such negligence was not greater than the negligence of the person *or the combined negligence of all persons* against whom recovery is sought, but any damages allowed shall be diminished in the proportion to the amount of negligence attributable to the person recovering."

**Section 2.** Section 27-1-703, MCA, is amended to read:

**"27-1-703. Multiple defendants — determination of liability. (1)** *Except as provided in subsections (2) and (3), whenever the negligence of any party in any action is an issue, each party against whom recovery may be allowed is jointly and severally liable for the amount that may be awarded to the claimant but has the right of contribution from any other person whose negligence may have contributed as a proximate cause to the injury complained of.*

(2) *Any party whose negligence is determined to be 50% or less of the combined negligence of all persons described in subsection (4) is severally liable only and is responsible only for the amount of negligence attributable to him, except as provided in subsection (3). The remaining parties are jointly and severally liable for the total less the amount attributable to the claimant.*

(3) *A party may be jointly liable for all damages caused by the negligence of another if both acted in concert in contributing to the claimant's damages or if one party acted as an agent of the other.*

(4) *On motion of any party against whom a claim is asserted for negligence resulting in death or injury to person or property, any other person whose negligence may have contributed as a proximate cause to the injury complained of may be joined as an additional party to the action. For purposes of determining the percentage of liability attributable to each party whose action contributed to the injury complained of, the trier of fact shall consider the negligence of the claimant, injured person, defendants, third-party defendants, persons released from liability by the claimant, persons immune from liability to the claimant, and any other persons who have a defense against the claimant. The trier of fact shall apportion the percentage of negligence of all such persons. However, in attributing negligence among persons, the trier of fact may not consider or determine any amount of negligence on the part of any injured person's employer or coemployee to the extent that such employer or coemployee has tort immunity under the Workers' Compensation Act or the Occupational Disease Act of this state, of any other state, or of the federal government. Contribution shall be proportional to the liability of the parties against whom recovery is allowed. Nothing contained in this section shall make any party indispensable pursuant to Rule 19, Montana Rules of Civil Procedure.*

(5) *If for any reason all or part of the contribution from a party liable for contribution cannot be obtained, each of the other parties shall contribute a proportional part of the unpaid portion of the noncontributing party's share and may obtain judgment in a pending or subsequent action for contribution from the noncontributing party. A party found to be 50% or less negligent for the injury complained of is liable for contribution under this section only up to the percentage of negligence attributed to him."*

**Section 3. Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

**Section 4. Effective date — applicability.** (1) This act is effective July 1, 1987.

(2) This act applies to causes of actions arising on or after July 1, 1987.

Approved April 16, 1987.

**CHAPTER NO. 506****[SB 335]**

AN ACT TO PROVIDE FOR SPEEDY RESOLUTION OF QUESTIONS OF LAW AND PROCEDURE PRESENTED IN TAX CASES APPEALED TO THE STATE TAX APPEAL BOARD FROM COUNTY TAX APPEAL BOARDS OR THE DEPARTMENT OF REVENUE; AMENDING SECTION 15-2-304, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY PROVISION.

WHEREAS, many questions arise in tax cases with respect to the validity of a constitutional provision, statute, or rule of the Department of Revenue or the State Tax Appeal Board prior to the time when the parties are ready for a hearing on the merits before the State Tax Appeal Board; and

WHEREAS, the section that allows for a petition for interlocutory adjudication of questions of law, section 15-2-304, MCA, provides for determination of legal questions by the District Court only in the event that both parties to the controversy, namely the taxpayer and the Department of Revenue, agree, and experience has shown that such agreement is rarely achieved in practice; and

WHEREAS, failure to determine questions of law and procedure at an early date often compels the taxpayer to submit to a costly, lengthy, and avoidable procedure before the State Tax Appeal Board, which also adds to the burden of cases pending before the State Tax Appeal Board, and early resolution of these issues might reduce the costs, save time, and reduce the burden on the State Tax Appeal Board.

THEREFORE, the Legislature of the State of Montana finds it appropriate to amend the procedure for petitions involving interlocutory adjudication of questions of law and procedure by the District Court to reduce the expense and delay suffered by taxpayers, increase economy, and clarify the procedures now existing for the resolution of tax disputes.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 15-2-304, MCA, is amended to read:

**"15-2-304. Petition for interlocutory adjudication.** (1) (a) *Either party, within 30 days of the filing of an answer to an appeal before the state tax appeal board, may file a petition for an interlocutory adjudication under 15-2-305. The petition may be filed with the district court:*

- (i) *in the first judicial district;*
  - (ii) *in the county in which the taxable property is located; or*
  - (iii) *in cases not involving property taxes, in the county where the taxpayer resides or has his principal place of business in the state.*
- (b) *The petition must raise all questions raised by the pleadings involving the interpretation of a constitutional provision, a statute, or a rule*

*within 30 days of filing an answer to the appeal with the state tax appeal board.*

(2) After a proceeding has commenced before the state tax appeal board but before arguments have been heard, the parties to the proceeding may petition a district court to make an interlocutory adjudication as provided under 15-2-305. A petition for such adjudication shall be signed by each party to the proceeding.

(3) *In a petition under subsection (1) or (2), one party shall be designated as the petitioner and every other party shall be designated a respondent. The court may in its discretion grant such a petition if it appears that the issues presented involve the interpretation of a constitutional provision, a statute, or a rule and do not require the hearing of evidence to be resolved and that the controversy would be more expeditiously resolved by such adjudication.*

Section 2. **Effective date.** This act is effective on passage and approval.

Section 3. **Applicability to pending actions — notice.** The right to petition for interlocutory adjudication applies to all actions pending before the state tax appeal board on [the effective date of this act], where there has been no previous district court action. Petitions under this section must be filed within 90 days after notice from the state tax appeal board of the right to petition. The state tax appeal board shall give notice of the right to petition for interlocutory adjudication to the parties in pending cases, as soon as practicable after [the effective date of this act].

Approved April 16, 1987.

AN ACT PROVIDING THAT DISPOSITION BY THE DEPARTMENT OF ADMINISTRATION OF TORT CLAIMS AGAINST THE STATE IS A PREREQUISITE TO FILING AN ACTION AGAINST THE STATE IN DISTRICT COURT; AMENDING SECTION 2-9-301, MCA; AND PROVIDING AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 2-9-301, MCA, is amended to read:

**"2-9-301. Filing of claims against state and political subdivisions — disposition by state agency as prerequisite.** (1) All claims against the state arising under the provisions of parts 1 through 3 of this chapter *must be presented in writing* to the department of administration.

(2) *A complaint based on a claim subject to the provisions of subsection (1) may not be filed in district court unless the claimant has first presented the claim to the department of administration and the department has*

*finally denied the claim. The department must grant or deny the claim in writing sent by certified mail within 120 days after the claim is presented to the department. The failure of the department to make final disposition of a claim within 120 days after it is presented to the department must be considered a final denial of the claim for purposes of this subsection. Upon the department's receipt of the claim, the statute of limitations on the claim is tolled for 120 days. The provisions of this subsection do not apply to claims that may be asserted under Title 25, chapter 20, by third-party complaint, cross-claim, or counterclaim.*

(3) All claims against a political subdivision arising under the provisions of parts 1 through 3 shall be presented to and filed with the clerk or secretary of the political subdivision."

Section 2. **Extension of authority.** Any existing authority of the department of administration to make rules on the subject of the provisions of this act is extended to the provisions of this act.

(2) For purposes of this section, a minor is considered to be in voluntary participation in an event if:

(a) he has provided written consent to participate in the event; and

(b) the consent is approved by one of the minor's parents or by his legal guardian.

Section 2. Section 27-1-701, MCA, is amended to read:

**"27-1-701. AN ACT TO REQUIRE WRITTEN NOTICE IN CERTAIN CASES WHEN A CUSTODIAL PARENT MOVES A CHILD'S RESIDENCE FROM THE STATE; TO MAKE CHANGE OF A CHILD'S RESIDENCE TO ANOTHER STATE AND A CUSTODIAL PARENT'S ATTEMPTS TO PREVENT CONTACT OR VISITATION BETWEEN THE CHILD AND THE NONCUSTODIAL PARENT BASIS FOR MODIFICATION OF THE CUSTODY DECREE; AND AMENDING SECTIONS 40-4-217 AND 40-4-219, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 40-4-217, MCA, is amended to read:

**"40-4-217. Visitation.** (1) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger seriously the child's physical, mental, moral, or emotional health.

(2) In a proceeding for dissolution of marriage or legal separation, the court may, upon the petition of a grandparent, grant reasonable visitation rights to the grandparent of the child if the court finds, after a hearing, that the visitation would be in the best interest of the child.

(3) The court may modify an order granting or denying visitation rights whenever modification would serve the best interest of the child; but the court shall not restrict a parent's visitation rights unless it finds that the

visitation would endanger seriously the child's physical, mental, moral, or emotional health.

*(4) So long as a noncustodial parent who has visitation rights under a decree or a custody agreement remains a resident of this state, a resident custodial parent shall, before changing the child's residence to another state and unless the noncustodial parent has given written consent, give written notice to the noncustodial parent, as provided in subsection (5).*

*(5) The written notice required by subsection (4) must be served personally or given by certified mail not less than 30 days before the proposed change in residence. Proof of service must be filed with the court that issued the custody order. The purpose of the notice is to allow the noncustodial parent to seek a modification of his visitation schedule."*

**"40-4-219. Modification.** (1) The court may in its discretion modify a prior custody decree if it finds, upon the basis of facts that have arisen since the prior decree or that were unknown to the court at the time of entry of the prior decree, that a change has occurred in the circumstances of the child or his custodian and that the modification is necessary to serve the best interest of the child and if it further finds that:

- (a) the custodian agrees to the modification;
- (b) the child has been integrated into the family of the petitioner with consent of the custodian;
- (c) the child's present environment endangers seriously his physical, mental, moral, or emotional health and the harm likely to be caused by a change of environment is outweighed by its advantages to him;
- (d) the child is 14 years of age or older and desires the modification;
- (e) the custodian willfully and consistently:
  - (i) refuses to allow the child to have any contact with the noncustodial parent; or
  - (ii) attempts to frustrate or deny the noncustodial parent's exercise of visitation rights; or

(2) The court shall presume the custodian is not acting in the child's best interest if the custodian does any of the acts specified in subsection (1)(e).

(3) The court may modify the prior decree based on subsection (1)(f) to provide a new visitation schedule and to apportion transportation costs between the parents.

(4) Attorney fees and costs shall be assessed against a party seeking modification if the court finds that the modification action is vexatious and constitutes harassment.

(2) Any nontenure teacher who receives notification of his reelection for the ensuing school fiscal year shall provide the trustees with his written acceptance of the conditions of such reelection within 20 days after the receipt of the notice of reelection. Failure to so notify the trustees within 20 days may be considered nonacceptance of the tendered position.

(3) When the trustees notify a nontenure teacher of termination, the teacher may within 10 days after receipt of such notice make written request of the trustees for a statement in writing of the reasons for termination of employment. Within 10 days after receipt of the request, the trustees shall furnish such statement to the teacher.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 49-2-509, MCA, is amended to read:

**"49-2-509. Filing a complaint in district court.** (1) *Except as provided in subsection (2), the commission staff shall, at the request of either*

party, issue a letter entitling the complainant to file a discrimination action in district court if:

(a) the commission has not yet held a contested case hearing pursuant to 49-2-505; and

(b) 12 months have elapsed since the complaint was filed.

(2) The commission staff may refuse to permit removal of a case to district court if:

(a) the party requesting removal fails to comply with the terms of a lawful subpoena issued in the investigative process;

(b) the party requesting removal has waived the right to request removal to the district court;

(c) more than 30 days have elapsed since service of notice of hearing under 49-2-505, unless the commission fails to schedule a hearing to be held within 90 days of service of notice of hearing; or

(d) the party requesting removal has unsuccessfully attempted through court litigation to prevent the commission staff from investigating the complaint.

(3) The commission staff may dismiss a complaint filed under 49-2-501 and allow the complainant to file a discrimination action in district court if:

(a) the commission staff determines that the commission lacks jurisdiction over the complaint;

(b) the complainant fails to cooperate in the staff's investigation of the complaint or fails to keep the commission advised of changes of address; or

(c) the commission staff determines that the allegations of the complaint are not supported by substantial evidence.

(4) A decision of the commission staff to dismiss a complaint or to refuse to permit removal to the district court is final unless a party seeks review by filing objections within 14 days after the decision is served on him. The commission shall review the decision in informal proceedings under 2-4-604, except that 2-4-604(5) applies only to review of a refusal to permit removal.

If the claimant fails to petition the district court within 90 days after receipt of the letter, notice, or order issued by the commission staff, the claim shall be barred.

(6) If the district court finds, in an action under this section, that a person, institution, entity, or agency against whom or which a complaint was filed has engaged in the unlawful discriminatory practice alleged in the complaint, the court may provide the same relief as described in 49-2-506

for a commission order. In addition, the court may in its discretion allow the prevailing party reasonable attorney fees.

*(7) The provisions of this chapter establish the exclusive remedy for acts constituting an alleged violation of this chapter, including acts that may otherwise also constitute a violation of the discrimination provisions of Article II, section 4, of the Montana constitution or 49-1-102. No other claim or request for relief based upon such acts may be entertained by a district court other than by the procedures specified in this chapter."*

Section 2. Section 49-3-312, MCA, is amended to read:

manufactured or produced outside the state and comparable in price, quality, and performance are preferred for use in all projects and in all state institutions.

(3) Failure to comply with the law in this respect *disqualifies* such contractor as a qualified bidder for future contracts with the public agency for a period of 2 years.

[HB 437]

**AN ACT TO CREATE CEASE AND DESIST AUTHORITY FOR THE COMMISSIONER OF INSURANCE.***Be it enacted by the Legislature of the State of Montana:*

**Section 1. Injunctions and other remedies.** (1) Whenever it appears to the commissioner that a person has engaged in or is about to engage in an act or practice constituting a violation of 33-1-501; 33-14-201; chapters 2, 16 through 18, and 30 of this title; or part 4 of chapter 25 of this title; or any rule or order issued under this code, he may:

(a) issue an order directing the person to cease and desist from continuing the act or practice after reasonable notice and opportunity for a hearing;

(b) issue a temporary cease and desist order that must remain in effect until 10 days after the hearing is held. If the commissioner issues a temporary cease and desist order, the respondent has 15 days from receipt of the order to make a written request for a hearing on the allegations contained in the order. The hearing must be held within 20 days of the commissioner's receipt of the hearing request unless the time is extended by agreement of the parties. If the respondent does not request a hearing within 15 days of receipt of the order and the commissioner does not order a hearing, the order becomes final.

(c) without the issuance of a cease and desist order, bring an action in a court of competent jurisdiction to enjoin such acts or practices and to enforce compliance with this code or any rule or order issued under this code. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus must be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond.

(2) If a hearing is held on a cease and desist order, both parties have 20 days from the date the hearing is concluded or from the date a transcript of the hearing is filed if one is requested, to submit proposed findings of fact, conclusions of law, orders, and supporting briefs to the hearing examiner. The parties have an additional 10 days within which to submit comments on the opposing party's proposed findings of fact, conclusions of law, order, and briefs. A final order must issue within 30 days of the submission of the comments.

(3) The commissioner may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed \$5,000 per violation upon a person found to have engaged in an act or practice constituting a violation of a provision of this code or any rule or order issued under this code. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general

fund. Imposition of a fine under this subsection is an order from which an appeal may be taken pursuant to 33-1-711. If a person fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of that person in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of the person to pay a fine also constitutes a forfeiture of his right to do business in this state under this code.

- (G) possession of explosives as defined in 45-8-335;
- (H) criminal sale of dangerous drugs as included in 45-9-101;

(I) attempt as defined in 45-4-103 of any of the acts enumerated in subsections (1)(a)(ii)(A) through (1)(a)(ii)(H);

(b) a hearing on whether the transfer should be made is held in conformity with the rules on a hearing on a petition alleging delinquency, except that the hearing will be to the youth court without a jury;

(c) notice in writing of the time, place, and purpose of the hearing is given to the youth, his counsel, and his parents, guardian, or custodian at least 10 days before the hearing; and

(d) the court finds upon the hearing of all relevant evidence that there is *probable cause* to believe that:

(i) the youth committed the delinquent act alleged;

(ii) the seriousness of the offense and the protection of the community require treatment of the youth beyond that afforded by juvenile facilities; and

(iii) the alleged offense was committed in an aggressive, violent, or premeditated manner.

(2) In transferring the matter of prosecution to the district court, the court may also consider the following factors:

(a) the sophistication and maturity of the youth, determined by consideration of his home, environmental situation, and emotional attitude and pattern of living;

(b) the record and previous history of the youth, including previous contacts with the youth court, law enforcement agencies, youth courts in other jurisdictions, prior periods of probation, and prior commitments to

juvenile institutions. However, lack of a prior juvenile history with youth courts will not of itself be grounds for denying the transfer.

(3) *The court shall grant the motion to transfer if the youth was 16 years old or older at the time of the conduct alleged to be unlawful and the unlawful act would constitute deliberate homicide as defined in 45-5-102, mitigated deliberate homicide as defined in 45-5-103, or the attempt, as defined in 45-4-103, of either deliberate or mitigated deliberate homicide if the act had been committed by an adult.*

(4) Upon transfer to district court, the judge shall make written findings of the reasons why the jurisdiction of the youth court was waived and the case transferred to district court.

(5) The transfer terminates the jurisdiction of the youth court over the youth with respect to the acts alleged in the petition. No youth may be prosecuted in the district court for a criminal offense originally subject to the jurisdiction of the youth court unless the case has been transferred as provided in this section.

(6) Upon order of the youth court transferring the case to the district court, the county attorney shall file the information against the youth without unreasonable delay.

(7) Any offense not enumerated in subsection (1) that arises during the commission of a crime enumerated in subsection (1) may be:

(a) tried in youth court;

(b) transferred to district court with an offense enumerated in subsection (1), upon motion of the county attorney and order of the youth court judge.

(8) If a youth is found guilty in district court of any of the offenses transferred by the youth court and is sentenced to the state prison, his commitment shall be to the department of institutions which shall confine the youth in whatever institution it considers proper; however, no youth under 16 years of age may be confined in the state prison."

Section 4. Section 41-5-301, MCA, is amended to read:

**"41-5-301. Preliminary investigation and disposition.** (1) Whenever the court receives information from any agency or person, based upon reasonable grounds, that a youth is or appears to be a delinquent youth or a youth in need of supervision or, being subject to a court order or consent order, has violated the terms thereof, the probation officer shall make a preliminary inquiry into the matter.

(2) The probation officer may:

(a) require the presence of any person relevant to the inquiry;

(b) request subpoenas from the judge to accomplish this purpose;

(c) require investigation of the matter by any law enforcement agency or any other appropriate state or local agency.

(3) If the probation officer determines that the facts indicate a youth in need of care, the matter shall be immediately referred to the department of social and rehabilitation services.

(4) (a) The probation officer in the conduct of the preliminary inquiry shall:

(i) advise the youth of the youth's rights under this chapter and the constitutions of the state of Montana and the United States;

(ii) determine whether the matter is within the jurisdiction of the court;

(iii) determine, if the youth is in detention or shelter care, whether such detention or shelter care should be continued based upon criteria set forth in 41-5-305.

(b) Once relevant information is secured, the probation officer shall:

(i) determine whether the interest of the public or the youth requires that further action be taken;

(ii) terminate the inquiry upon the determination that no further action be taken;

(iii) release the youth immediately upon the determination that the filing of a petition is not authorized.

(5) The probation officer upon determining that further action is required may:

(a) provide counseling, refer the youth and his parents to another agency providing appropriate services, or take any other action or make any informal adjustment that does not involve probation or detention;

(b) provide for treatment or adjustment involving probation or other disposition authorized under 41-5-401 through 41-5-403, provided such treatment or adjustment is voluntarily accepted by the youth's parents or guardian and the youth, and provided further that said matter is referred immediately to the county attorney for review and that the probation officer proceed no further unless authorized by the county attorney;

(c) refer the matter to the county attorney for filing a petition charging the youth to be a delinquent youth or a youth in need of supervision.

(6) *The county attorney may apply to the youth court for permission to file a petition charging a youth to be a delinquent youth or a youth in need of supervision. The application must be supported by such evidence as the youth court may require. If it appears that there is probable cause to believe that the allegations of the petition are true, the youth court shall grant leave to file the petition.*

(7) A petition charging a youth held in detention must be filed within 5 working days from the date the youth was first *taken into custody* or the petition shall be dismissed and the youth released unless good cause is shown to further detain such youth.

(8) If no petition is filed under this section, the complainant and victim, if any, shall be informed by the probation officer of the action and the

reasons therefor and shall be advised of the right to submit the matter to the county attorney for review. The county attorney, upon receiving a request for review, shall consider the facts, consult with the probation officer, and make the final decision as to whether a petition shall or shall not be filed."

Section 5. Section 41-5-303, MCA, is amended to read:

**"41-5-303. Rights of youth upon questioning.** When a youth is detained for questioning upon a matter which could result in a petition alleging that the youth is either delinquent or in need of supervision, the following requirements must be met:

(1) The youth shall be advised of his *right against self-incrimination and his right to counsel.*

(2) The youth may waive such rights under the following situations:

(a) when the youth is *16 years of age or older*, the youth may make an effective waiver;

(b) when the youth is *under* the age of 16 years and the youth and a *parent or guardian* agree, they may make an effective waiver; and

(c) when the youth is *under* the age of 16 years and the youth and his *parent or guardian* do not agree, the youth may make an effective waiver only with advice of counsel."

Section 6. Section 41-5-304, MCA, is amended to read:

**"41-5-304. Investigation, fingerprints, and photographs.** (1) *All law enforcement investigations relating to a delinquent youth or youth in need of supervision must be conducted in accordance with this chapter and Title 46.*

(2) A youth may be fingerprinted or photographed for criminal identification purposes:

(a) *if arrested for conduct alleged to be unlawful that would be a felony if committed by an adult;*

(b) *pursuant to a search warrant, supported by probable cause, issued by a judge, justice of the peace, or magistrate; or*

(c) *upon the order of the youth court judge, after a petition alleging delinquency has been filed in which the unlawful act alleged would constitute a felony if the act had been committed by an adult.*

(3) Fingerprint records and photographs may be used by the originating agency for comparison and identification purposes in any other investigation."

Section 7. Section 41-5-305, MCA, is amended to read:

**"41-5-305. Detention and shelter care of youth.** (1) A youth taken into custody may not be detained in a jail or other facility for detention purposes unless:

(a) he has allegedly committed an act which if committed by an adult would constitute a criminal offense and the alleged offense is one specified in 41-5-206;

(b) he has escaped from a correctional or detention facility;

(c) he has violated a valid court order or an aftercare agreement;

(d) his detention is required to protect persons or property;

(e) he has pending court or administrative action or is awaiting a transfer to another jurisdiction and may abscond or be removed from the jurisdiction of the court;

(f) there are not adequate assurances that he will appear for court when required; or

(g) he meets additional criteria for detention established by the youth court in the judicial district that has current jurisdiction over him.

(2) A youth taken into custody may not be sheltered prior to the hearing on the petition except when:

(a) the youth and his family need shelter care to address their problematic situation when it is not possible for the youth to remain at home;

(b) the youth needs to be protected from physical or emotional harm;

(c) the youth needs to be deterred or prevented from immediate repetition of his troubling behavior;

(d) shelter care is necessary to assess the youth and his environment;

(e) shelter care is necessary to provide adequate time for case planning and disposition; or

(f) shelter care is necessary to intervene in a crisis situation and provide intensive services or attention that might alleviate the problem and reunite the family."

Section 8. Section 41-5-402, MCA, is amended to read:

**"41-5-402. Communications privileged.** An incriminating statement relating to any act or omission constituting delinquency or need of supervision made by the participant to the person giving counsel or advice in the discussions or conferences incident thereto may not be used against the declarant in any proceeding under this chapter, nor may the incriminating statement be admissible in any criminal proceeding against the declarant. *This section does not apply to the use of voluntary and reliable statements that are offered for impeachment purposes.*"

Section 9. Section 41-5-502, MCA, is amended to read:

**"41-5-502. Summons.** (1) After a petition has been filed, summons shall be served directly to:

(c) have attached to it a copy of the petition.

(3) The court may endorse upon the summons an order directing the person or persons having the physical custody or control of the youth to bring the youth to the hearing.

(4) If it appears to the court that the youth needs to be placed in detention or shelter care, the judge may endorse on the summons an order directing the officer serving the summons to at once take the youth into custody and to take him to the place of detention or shelter care designated by the court, subject to the rights of the youth and parent or person having custody of the youth as set forth in the provisions of the Montana Youth Court Act relating to detention and shelter care criteria and postdetention proceedings.

(5) If any youth is in shelter care or detained under any provision of this chapter pending an adjudication, the court, upon petition of the youth, his parents or guardian, or his counsel, shall, as soon as practicable, conduct a hearing in order to determine whether the circumstances of the case require such detention or shelter care and the form the detention or shelter care should take. All mentioned parties shall be notified of such petition process at the time of initial detention or shelter care.

(6) *The youth court judge may also admit the youth to bail in accordance with Title 46, chapter 9."*

Section 10. Section 41-5-522, MCA, is amended to read:

**"41-5-522. Dispositional hearing.** (1) As soon as practicable after a youth is found to be a delinquent youth or a youth in need of supervision, the court shall conduct a dispositional hearing. The dispositional hearing may involve a determination of financial liability as provided in 41-3-1123 and 41-3-1124.

(2) Before conducting the dispositional hearing, the court shall direct that a social summary or predisposition report be made in writing by a probation officer concerning the youth, his family, his environment, and other matters relevant to the need for care or rehabilitation or disposition of the case. The youth court may have the youth examined, and the results of the examination shall be made available to the court as part of the social summary or predisposition report. The court may order the examination of a parent or guardian whose ability to care for or supervise a youth is at

issue before the court. The results of such examination shall be included in the social summary or predisposition report. The youth, his parents, guardian, or counsel shall have the right to subpoena all persons who have prepared any portion of the social summary or predisposition report and shall have the right to cross-examine said parties at the dispositional hearing.

(3) Defense counsel shall be furnished with a copy of the social summary or predisposition report and psychological report prior to the dispositional hearing.

(4) The dispositional hearing shall be conducted in the manner set forth in subsections (3), (4), and (5) of 41-5-521. The court shall hear all evidence relevant to a proper disposition of the case best serving the interests of the youth and the public. Such evidence shall include but not be limited to the social summary and predisposition report provided for in subsection (2) of this section.

(5) If the court finds that it is in the best interest of the youth, the youth, his parents, or guardian may be temporarily excluded from the hearing during the taking of evidence on the issues of need for treatment and rehabilitation.

(6) In determining whether restitution, as authorized by 41-5-523, is appropriate in a particular case, the following factors may be considered in addition to any other evidence:

- (b) ability of the youth to pay;
- (c) ability of the parents or legal guardian to pay;
- (d) amount of damage to the victim; and
- (e) legal remedies of the victim, however the ability of the victim or his insurer to stand any loss may not be considered in any case."

- (b) place the youth for substitute care into a youth care facility as defined in 41-3-1102 or a home approved by the court;
- (c) place the youth in a private agency responsible for the care and rehabilitation of such a youth;
- (d) transfer legal custody to the department of institutions; provided, however, that in the case of a youth in need of supervision, such transfer of custody does not authorize the department of institutions to place the youth in a state youth correctional facility and such custody may not continue for a period of more than 6 months without a subsequent court order after notice and hearing;

- (e) order restitution by the youth or his parents;
- (f) impose a fine as authorized by law if the violation alleged would constitute a criminal offense if committed by an adult;

- (k) such further care, treatment, evaluation, or relief that the court considers beneficial to the youth and the community.

(2) At any time after the youth has been taken into custody, the court may, with the consent of the youth in the manner provided in 41-5-303 for consent by a youth to waiver of his constitutional rights or after the youth has been adjudicated delinquent or in need of supervision, order the youth to be evaluated by the department of institutions for a period not to exceed 45 days of evaluation at a reception and evaluation center for youths.

(3) No evaluation of a youth may be performed at the Montana state hospital unless such youth is transferred to the district court under 41-5-206.

(4) If the court finds that placement in a youth care facility other than a youth group home or youth foster home is necessary and in the best interests of the youth and the community, the court shall determine if the youth can receive appropriate treatment in a youth care facility located in Montana as follows:

(a) If the court finds the youth can receive appropriate treatment in a youth care facility located in Montana that will accept the youth, the court may not place the youth in a youth care facility located outside this state unless an out-of-state facility can provide appropriate treatment that:

(i) can be obtained at a cost less than that offered by any available facility in this state; and

(ii) is available in closer proximity to the youth's place of residence than any facility located in this state.

(b) When the department of social and rehabilitation services is ordered to pay the costs of caring for the child in a youth care facility other than a youth foster home or youth group home, the court shall provide the department at least 5 days' written notice and opportunity to be heard before ordering the placement of the youth.

(5) No youth may be committed or transferred to a penal institution or other facility used for the execution of sentence of adult persons convicted of crimes.

(6) Any order of the court may be modified at any time. In the case of a youth committed to the department of institutions, an order pertaining to the youth may be modified only upon notice to the department and subsequent hearing.

(7) Whenever the court vests legal custody in an agency, institution, or department, it must transmit with the dispositional judgment copies of a medical report and such other clinical, predisposition, or other reports and information pertinent to the care and treatment of the youth.

(2) When a petition is filed under 41-5-501, publicity may not be withheld *regarding* any youth formally charged with or proceeded against as or found to be a delinquent youth as a result of the commission of any offense that would be punishable as a felony if the youth were an adult. *All court proceedings must be open to the public with the exception of the transfer hearing specified in 41-5-206 if the youth court finds that a failure to close the hearing would jeopardize the right of the youth to a fair trial.*

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 87-1-304, MCA, is amended to read:

**"87-1-304. Fixing of seasons and bag and possession limits.** (1) The commission may fix seasons, bag limits, possession limits, and season limits; open or close or shorten or lengthen seasons on any species of game, bird, fish, or fur-bearing animal as defined by 87-2-101; and declare areas open to the hunting of deer, antelope, elk, moose, sheep, and goat by bow and arrow permit holders and designate times when only bows and arrows may be used to hunt deer, antelope, elk, moose, sheep, and goat in those areas. It may declare areas open to deer or elk or both deer and elk hunting where only bow and arrow or shotguns or both may be used to hunt or kill deer or elk. In areas where deer or elk or both deer and elk hunting is open to the use of shotguns, the commission shall authorize the use of muzzleloaders with restrictions as necessary for safety. It may declare areas open to special license holders only and issue special licenses in a limited

number when it determines, after proper investigation, that such a season is necessary to assure the maintenance of an adequate supply of game birds, fish, or animals or fur-bearing animals. It may declare a special season and issue special licenses when game birds or animals or fur-bearing animals are causing damage to private property or when written complaint of such damage has been filed with the commission by the owner of that property. In determining to whom those licenses shall be issued, it may, when more applications are received than the number of animals to be killed, award permits to those chosen under a drawing system. The procedures used for awarding the permits from the drawing system shall be determined by the commission.

(2) The commission may adopt rules governing the use of livestock and vehicles by archers during special archery seasons.

(3) It may divide the state into fish and game districts and create fish, game, or fur-bearing animal districts throughout the state. It may declare closed season for hunting, fishing, or trapping in any of those districts and later may open those districts to hunting, fishing, or trapping.

(4) It may declare a closed season on any species of game, fish, game birds, or fur-bearing animals threatened with undue depletion from any cause. It may close any area or district of any stream, public lake, or public water or portions thereof to hunting, trapping, or fishing for limited periods of time, when necessary to protect a recently stocked area, district, water, spawning waters, spawn-taking waters, or spawn-taking stations or to prevent the undue depletion of fish, game and fur-bearing animals, and game and nongame birds. It later may open the area or district upon consent of a majority of the property owners affected.

(5) The commission may authorize the director to open or close any special season upon 12 hours' notice to the public.

(6) It may declare certain fishing waters closed to fishing except by persons under 13 years of age. The purpose of this subsection is to provide suitable fishing waters for the exclusive use and enjoyment of juveniles under 13 years of age, at times and in areas the commission in its discretion considers advisable and consistent with its policies relating to fishing."

Section 2. Section 87-3-301, MCA, is amended to read:

## CHAPTER NO. 533

[HB 554]

AN ACT REQUIRING CREATION OF AN ESCROW FUND TO PAY CRIME VICTIMS FROM THE PERPETRATOR'S PROCEEDS OF A CRIME; AND AMENDING SECTION 53-9-104, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 53-9-104, MCA, is amended to read:

**"53-9-104. Powers and duties of division.** (1) The division shall:

- (a) adopt rules to implement this part;
- (b) prescribe forms for applications for compensation;

- (c) determine all matters relating to claims for compensation; and
- (d) *require any person contracting directly or indirectly with an individual formally charged with or convicted of a qualifying crime for any rendition, interview, statement, book, photograph, movie, television production, play, or article relating to such crime to deposit any proceeds paid or owed to the individual under the terms of the contract into an escrow fund for the benefit of any victims of the qualifying crime and any dependents of a deceased victim, if the individual is convicted of the crime, to be held for such period of time as the division may determine is reasonably necessary to perfect the claims of the victims or dependents. Deposited proceeds may also be used to pay the costs and attorney fees of court-appointed counsel for the charged person. Each victim and dependent of a deceased victim is entitled to his actual and unreimbursed damages of all kinds or \$5,000, whichever is greater. Proceeds remaining after payments to victims, dependents of deceased victims, and the county as reimbursement for any public defender or any attorney appointed for the charged person must be deposited in the account established in 53-9-109.*

(2) The division may:

(a) request and obtain from prosecuting attorneys and law enforcement officers investigations and data to enable the division to determine whether and the extent to which a claimant qualifies for compensation. A statute providing confidentiality for a claimant's juvenile court records does not apply to proceedings under this part.

(b) subpoena witnesses and other prospective evidence, administer oaths or affirmations, conduct hearings, and receive relevant, nonprivileged evidence;

(c) take notice of judicially cognizable facts and general, technical, and scientific facts within its specialized knowledge; and

[HB 622]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO THE FINANCIAL REGULATION OF INSURANCE COMPANIES; AND AMENDING SECTIONS 33-2-121, 33-2-534, 33-2-701, 33-2-806, AND 33-2-1114, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 33-2-121, MCA, is amended to read:

**"33-2-121. Duration of suspension — insurer's obligations — reinstatement.** (1) Suspension of an insurer's certificate of authority shall

be for such period as is fixed by the commissioner in the order of suspension *and shall continue until rescinded or otherwise removed by the commissioner*. During the suspension the commissioner may shorten the period thereof by his further order.

(2) During the period of the suspension the insurer shall file its annual statement and pay fees, licenses, and taxes as required under this code as if the certificate had continued in full force.

(3) *If within such period of suspension the certificate of authority has not been terminated, the insurer's certificate of authority may be reinstated if the commissioner finds that the causes of the suspension have been removed or that the insurer is otherwise in compliance with the requirements of this code.*

(4) Upon reinstatement of the insurer's certificate of authority, the authority of its agents in this state to represent the insurer shall likewise reinstate.

(5) The commissioner shall forthwith notify both the insurer and its agents in this state, as shown by his records, of such reinstatement."

Section 2. Section 33-2-534, MCA, is amended to read:

**"33-2-534. Valuation of property.** (1) Real property acquired pursuant to a mortgage loan or contract for sale shall not be valued at an amount greater than the unpaid principal of the defaulted loan or contract at the date of such acquisition, together with any taxes and expenses paid or incurred in connection with such acquisition, the cost of improvements thereafter made by the insurer, and any amounts thereafter paid by the insurer on assessments levied for improvements in connection with the property. *After the initial valuation as set forth herein, any land shall be valued at its acquisition cost and any improvements thereon shall be valued at depreciated acquisition cost.*

(2) Other real property held by an insurer shall not be valued at an amount in excess of *acquisition cost if land and depreciated acquisition cost if an improvement to land.*

(3) Personal property acquired pursuant to chattel mortgages made in accordance with 33-2-831 shall not be valued at an amount greater than the unpaid balance of principal on the defaulted loan at the date of acquisition, together with taxes and expenses incurred in connection with such acquisition, or the fair value of such property, whichever amount is the lesser."

Section 3. Section 33-2-701, MCA, is amended to read:

**"33-2-701. Annual statement — revocation or fine for failure to file — penalty for perjury.** (1) Each authorized insurer shall annually on or before March 1 file with the commissioner a full and true statement of its financial condition, transactions, and affairs as of the December 31 preceding. The statement shall be in such general form and context as is required or not disapproved by the commissioner, as is in current use for similar reports to states in general with respect to the type of insurer and kinds of insurance to be reported upon, and as supplemented for additional information required by the commissioner. The statement shall be verified

by the oath of the insurer's president or vice-president and secretary or, if a reciprocal insurer, by the oath of the attorney-in-fact or its like officers if a corporation. The commissioner may, in his discretion, waive any such verification under oath.

(2) The statement of an alien insurer shall relate only to its transactions and affairs in the United States unless the commissioner requires otherwise. If the commissioner requires a statement as to an alien insurer's affairs throughout the world, the insurer shall file such statement with the commissioner as soon as reasonably possible. The statement shall be verified by the insurer's United States manager or other officer duly authorized.

(3) The commissioner may refuse to accept the fee for continuance of the insurer's certificate of authority, as provided in 33-2-117, or may in his discretion suspend or revoke the certificate of authority of any insurer failing to file its annual statement when due.

(4) Any director, officer or agent, or employee of any company who subscribes to, makes, or concurs in making or publishing any annual statement or any other statement required by law knowing the same to contain any material statement which is false shall be punished by a fine of not more than \$1,000.

(5) At time of filing, the insurer shall pay to the commissioner the fee for filing its statement as prescribed in 33-2-708.

(6) *The commissioner may impose a fine not to exceed \$100 a day for each day after March 1 that an insurer fails to file the annual statement referred to in subsection (1). Such fine may not exceed a maximum of \$1,000."*

Section 4. Section 33-2-806, MCA, is amended to read:

**"33-2-806. Diversification of investments.** An insurer shall invest in or hold as admitted assets categories of investments only within applicable limits as follows:

(1) An insurer shall not, except with the consent of the commissioner, have at any one time any combination of investments in or loans upon the security of the obligations, property, or securities of any one person or insurer aggregating an amount exceeding 5% of the insurer's assets. This restriction shall not apply as to general obligations of the United States of America or of any state or include policy loans made under 33-2-825.

(2) An insurer shall not invest in or hold at any one time more than 10% of the outstanding voting stock of any corporation, except with the consent of the commissioner given with respect to voting rights of preference stock during default of dividends. This provision does not apply as to stock of a wholly-owned subsidiary of the insurer or to controlling stock of an insurer acquired under 33-2-821.

(3) An insurer, other than title insurer, shall invest and maintain invested funds not less in amount than the minimum paid-in capital stock required under this code of a domestic stock insurer transacting like kinds

of insurance, only in cash and the securities provided for under the following sections: 33-2-811(1), 33-2-812, and 33-2-830.

(4) A life insurer shall also invest and keep invested its funds in amount not less than the reserves under its life insurance policies and annuity contracts, other than variable annuities, in force in cash and/or the securities or investments provided for under 33-2-531.

(5) Except with the commissioner's consent, an insurer shall not have invested at any one time more than 20% of its assets in the class of securities described in 33-2-818, exclusive of obligations of public utilities.

(6) An insurer may invest and have invested at any one time in aggregate amount not more than 10% of its assets in all stocks under 33-2-820 and 33-2-821. Determination of the amount which an insurer has invested in common stocks for the purposes of this provision shall be based on the cost of such stocks to the insurer. This provision shall not apply as to stock of a controlled or subsidiary insurance corporation or other corporations under 33-2-821 and 33-2-822.

(7) *Except with the commissioner's consent, an insurer may not have invested at any one time more than 5% of its assets in securities allowed under 33-2-824.*

(8) Except with the commissioner's consent, an insurer shall not have invested at any one time more than 10% of its assets in the class of securities described in any one of the following sections: 33-2-814, 33-2-819, and 33-2-823.

(9) Limits as to investments in the category of real estate shall be as provided in 33-2-832. Other specific limits shall apply as stated in the sections dealing with other respective kinds of investments."

Section 5. Section 33-2-1114, MCA, is amended to read:

**"33-2-1114. Dividends and other distributions — commissioner approval.** (1) *An insurer subject to registration under 33-2-1111 and 33-2-1112 may not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until 30 days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment or the commissioner shall have approved such payment within such 30-day period.*

(2) For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds 10% of such insurer's surplus as regards policyholders as of December 31 next preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

(3) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner's approval thereof, and such a declaration shall confer no rights upon shareholders until the commissioner has approved the payment of such dividend or distribution or the commissioner has not disapproved such payment within the 30-day period referred to above."

Section 6. **Extension of authority.** Any existing authority of the commissioner of insurance to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved April 17, 1987.

## CHAPTER NO. 535

[HB 642]

AN ACT REVISING THE PERMIT AND UTILIZATION PROVISIONS OF THE WATER USE LAWS; ALTERING THE FILING AND ISSUANCE REQUIREMENTS OF A CERTIFICATE OF WATER RIGHT; REDUCING THE PUBLICATION REQUIREMENT FOR A PERMIT APPLICATION; REDEFINING A REASONABLE PERIOD OF TIME TO ESTABLISH BONA FIDE INTENT; REVISING THE PROCEDURE FOR GRANTING AN EXTENSION OF TIME FOR COMPLETING AN APPROPRIATION UNDER A PERMIT OR CHANGE AUTHORIZATION; EXPANDING AUTHORITY TO EXPEND MONEY FROM THE WATER RIGHT APPROPRIATION ACCOUNT; SUBORDINATING PRIORITY DATES OF MISSOURI RIVER BASIN RESERVATIONS IN A LIMITED CLASS OF CASES AND EXTENDING DEADLINES FOR RESERVATIONS BELOW FORT PECK DAM; REVISING THE COMPLIANCE PROVISION IN THE TRANSFER OF A WATER RIGHT; AMENDING SECTIONS 85-2-236, 85-2-306, 85-2-307, 85-2-310, 85-2-312, 85-2-318, 85-2-331, 85-2-402, AND 85-2-403, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 85-2-236, MCA, is amended to read:

**"85-2-236. Certificate of water right.** (1) When a final decree is entered, the water judge shall send a copy to the department. *Except as provided in 85-2-306*, the department shall on the basis of the final decree issue a certificate of water right to each person decreed an existing right. The original of the certificate shall be sent to the person to whom the right is decreed. The department shall keep a copy of the certificate in its office in Helena.

(2) The department shall provide to the county clerk and recorder of the county wherein the point of diversion or place of use is located quarterly reports and an annual summary report of all certificates of water right issued by the department within the county."

Section 2. Section 85-2-306, MCA, is amended to read:

**"85-2-306. Exceptions to permit requirements.** (1) Groundwater may be appropriated only by a person who has either exclusive property rights in the groundwater development works or the written consent of the person with those property rights. Outside the boundaries of a controlled

groundwater area, a permit is not required before appropriating groundwater by means of a well or developed spring with a maximum appropriation of less than 100 gallons per minute, *except that a combined appropriation from the same source from two or more wells or developed springs exceeding this limitation requires a permit.* Within 60 days of completion of the well or developed spring and appropriation of the groundwater for beneficial use, the appropriator shall file a notice of completion with the department on a form provided by the department at its offices and at the offices of the county clerk and recorders. Upon receipt of the notice, the department shall review the notice and may, before issuing a certificate of water right, return a defective notice for correction or completion, together with the reasons for returning it. A notice does not lose priority of filing because of defects if the notice is corrected, completed, and refiled with the department within 30 days or within a further time as the department may allow, not to exceed 6 months. If a notice is not corrected and completed within the time allowed, the priority date of appropriation shall be the date of refile of a correct and complete notice with the department. A certificate of water right may not be issued until a correct and complete notice has been filed with the department. The original of the certificate shall be sent to the *appropriator*. The department shall keep a copy of the certificate in its office in Helena. The date of filing of the notice of completion is the date of priority of the right.

(2) An appropriator of groundwater by means of a well or developed spring, first put to beneficial use between January 1, 1962, and July 1, 1973, who did not file a notice of completion, as required by laws in force prior to April 14, 1981, with the county clerk and recorder shall file a notice of completion, as provided in subsection (1) of this section, with the department to perfect the water right. The filing of a claim of existing water right pursuant to 85-2-221 is sufficient notice of completion under this subsection. The priority date of the appropriation shall be the date of the filing of a notice as provided in subsection (1) of this section or the date of the filing of the claim of existing water right. An appropriation under this subsection is an existing right, and a permit is not required; however, the department shall acknowledge the receipt of a correct and complete filing of a notice of completion, except that for an appropriation of less than 100 gallons per minute, the department shall issue a certificate of water right. *If a certificate is issued under this section, a certificate need not be issued under the adjudication proceedings provided for in 85-2-236.*

(3) A permit is not required before constructing an impoundment or pit and appropriating water for use by livestock if the maximum capacity of the impoundment or pit is less than 15 acre-feet and the appropriation is less than 30 acre-feet per year and is from a source other than a perennial flowing stream and the impoundment or pit is to be constructed on and will be accessible to a parcel of land that is owned or under the control of the applicant and that is 40 acres or larger. As used in this subsection, a perennial flowing stream means a stream which historically has flowed continuously at all seasons of the year, during dry as well as wet years. However, within 60 days after constructing the impoundment or pit, the appropriator shall apply for a permit as prescribed by this part. Upon receipt of a correct and complete application for a stockwater provisional

permit, the department shall then automatically issue a provisional permit. If the department determines after a hearing that the rights of other appropriators have been or will be adversely affected, it may revoke the permit or require the permittee to modify the impoundment or pit and may then make the permit subject to such terms, conditions, restrictions, or limitations it considers necessary to protect the rights of other appropriators.

(4) A person may also appropriate water without applying for or prior to receiving a permit under rules adopted by the board under 85-2-113."

Section 3. Section 85-2-307, MCA, is amended to read:

**"85-2-307. Notice of application.** (1) (a) Upon receipt of a proper application for a permit, the department shall prepare a notice containing the facts pertinent to the application and shall publish the notice *once* in a newspaper of general circulation in the area of the source.

(b) Before the date of publication, the department shall also serve the notice by first-class mail upon:

(i) an appropriator of water or applicant for or holder of a permit who, according to the records of the department, may be affected by the proposed appropriation;

(ii) any purchaser under contract for deed, as defined in 70-20-115, of property that, according to the records of the department, may be affected by the proposed appropriation; and

(iii) any public agency that has reserved waters in the source under 85-2-316.

(c) The department may, in its discretion, also serve notice upon any state agency or other person the department feels may be interested in or affected by the proposed appropriation.

(d) The department shall file in its records proof of service by affidavit of the publisher in the case of notice by publication and by its own affidavit in the case of service by mail.

(2) The notice shall state that by a date set by the department (not less than 15 days or more than 60 days after the date of publication) persons may file with the department written objections to the application.

(3) The requirements of subsections (1) and (2) of this section do not apply if the department finds, on the basis of information reasonably available to it, that the appropriation as proposed in the application will not adversely affect the rights of other persons."

Section 4. Section 85-2-310, MCA, is amended to read:

**"85-2-310. Action on application.** (1) The department shall grant, deny, or condition an application for a permit in whole or in part within 120 days after the last date of publication of the notice of application if no objections have been received and within 180 days if a hearing is held or objections have been received. However, in either case the time may be extended upon agreement of the applicant, or, in those cases where an

environmental impact statement must be prepared or in other extraordinary cases, not more than 60 days upon order of the department. If the department orders the time extended, it shall serve a notice of the extension and the reasons therefor by certified mail upon the applicant and each person who has filed an objection as provided by 85-2-308.

(2) However, an application may not be approved in a modified form or upon terms, conditions, or limitations specified by the department or denied, unless the applicant is first granted an opportunity to be heard. If no objection is filed against the application but the department is of the opinion that the application should be approved in a modified form or upon terms, conditions, or limitations specified by it or that the application should be denied, the department shall prepare a statement of its opinion and the reasons therefor. The department shall serve a statement of its opinion by certified mail upon the applicant, together with a notice that the applicant may obtain a hearing by filing a request therefor within 30 days after the notice is mailed. The notice shall further state that the application will be modified in a specified manner or denied, unless a hearing is requested.

(3) The department may cease action upon an application for a permit and return it to the applicant when it finds that the application is not in good faith or does not show a bona fide intent to appropriate water for a beneficial use. An application returned for any of these reasons shall be accompanied by a statement of the reasons for which it was returned, and there shall be no right to a priority date based upon the filing of the application. Returning an application pursuant to this subsection shall be deemed a final decision of the department.

(4) For all applications filed after July 1, 1973, the department shall find that an application is not in good faith or does not show a bona fide intent to appropriate water for a beneficial use if:

(a) an application is not corrected and completed as required by 85-2-302;

(b) the appropriate filing fee is not paid;

(c) the application does not document:

(i) a beneficial use of water;

(ii) the proposed place of use of all water applied for;

(iii) for an appropriation of 4,000 acre-feet a year or more and 5.5 cubic feet per second or more, a detailed project plan *describing* when and how much water will be put to a beneficial use. *The project plan must include a reasonable time line, not to exceed 10 years from the time of issuance of a permit, for the completion of the project and the actual application of the water to a beneficial use.*

(iv) for appropriations not covered in subsection (4)(c)(iii), a general project plan stating when and how much water will be put to a beneficial use; and

(v) if the water applied for is to be appropriated above that which will be used solely by the applicant or if it will be marketed by the applicant to other users, information detailing:

(A) each person who will use the water and the amount of water each person will use;

(B) the proposed place of use of all water by each person;

(C) the nature of the relationship between the applicant and each person using the water; and

(D) each firm contractual agreement for the specified amount of water for each person using the water; or

(d) the appropriate environmental impact statement fee, if any, is not paid as required by 85-2-124."

Section 5. Section 85-2-312, MCA, is amended to read:

**"85-2-312. Terms of permit.** (1) The department may issue a permit for less than the amount of water requested, but in no case may it issue a permit for more water than is requested or than can be beneficially used without waste for the purpose stated in the application. The department may require modification of plans and specifications for the appropriation or related diversion or construction. The department may issue a permit subject to terms, conditions, restrictions, and limitations it considers necessary to satisfy the criteria listed in 85-2-311, and it may issue temporary or seasonal permits. A permit shall be issued subject to existing rights and any final determination of those rights made under this chapter.

(2) *The department shall specify in the permit or in any authorized extension of time provided in subsection (3), the time limits for commencement of the appropriation works, completion of construction, and actual application of the water to the proposed beneficial use. In fixing those time limits, the department shall consider the cost and magnitude of the project, the engineering and physical features to be encountered, and, on projects designed for gradual development and gradually increased use of water, the time reasonably necessary for that gradual development and increased use. The department shall issue the permit or authorized extension of time subject to the terms, conditions, restrictions, and limitations it considers necessary to ensure that the work on the appropriation is commenced, conducted, and completed and that the water is actually applied in a timely manner to the beneficial use specified in the permit.*

(3) *The department may, upon a showing of good cause, extend time limits specified in the permit for commencement of the appropriation works, completion of construction, and actual application of the water to the proposed beneficial use. All requests for extensions of time must be by affidavit and must be filed with the department prior to the expiration of the time limit specified in the permit or any previously authorized extension of time. The department may issue an order temporarily extending the time limit specified in the permit for 120 days or until the department has completed its action under this section, whichever is greater. Upon receipt of a proper request for extension of time, the department shall prepare a*

*notice containing the facts pertinent to the request for extension of time and shall publish the notice in a newspaper of general circulation in the area of the source. The department may serve notice by first-class mail upon any public agency or other person the department determines may be interested in or affected by the request for extension of time. The department shall hold a hearing on the request for extension of time on its own motion or if requested by an interested party. The department may grant the extension of time in the absence of a hearing if no requests for a hearing are received and the extension of time is granted as requested, or the department may grant the extension of time in a modified form by following the process established in 85-2-310(2). Subsequent extensions of time may be made in the same manner.*

(4) The original of the permit shall be sent to the permittee, and a copy shall be kept in the office of the department in Helena.

(5) The department shall provide to the county clerk and recorder of the county wherein the point of diversion or place of use is located quarterly reports and an annual summary report of all water right permits, certificates, and change approvals issued by the department within the county."

Section 6. Section 85-2-318, MCA, is amended to read:

**"85-2-318. Water right appropriation account.** There is established a water right appropriation account in the state special revenue fund of the state treasury. All fees collected as provided in 85-2-113 shall be deposited in the account to help pay the expenses incurred by the department for administering and enforcing this part, part 1, part 4, and part 5 of chapter 2, Title 85, and Title 37, chapter 43."

Section 7. Section 85-2-331, MCA, is amended to read:

**"85-2-331. Reservations within Missouri River basin.** (1) The state or any agency or political subdivision thereof or the United States or any agency thereof that desires to apply for a reservation of water in the Missouri River basin shall file an application pursuant to 85-2-316 no later than July 1, 1989, *except that applications for reservation of water below Fort Peck dam must be filed no later than July 1, 1991.*

(2) Subject to legislative appropriation, the department shall provide technical and financial assistance to other state agencies and political subdivisions in applying for reservations within the Missouri River basin.

(3) (a) Before December 31, 1991, the board shall make a final determination in accordance with 85-2-316 on all applications filed before July 1, 1989, for reservations of water in the Missouri River basin *above Fort Peck dam.*

(b) *Before December 31, 1993, the board shall make a final determination in accordance with 85-2-316 on all applications filed before July 1, 1991, for reservations of water in the Missouri River basin below Fort Peck dam.*

(c) *The board shall determine which applications or portions of applications are considered to be above or below Fort Peck dam.*

(4) Water reservations approved by the board under this section have a priority date of July 1, 1985. *If the department issues a permit under Title 85, chapter 2, part 3, prior to the granting of a reservation under this section, the board may subordinate the reservation to the permit if it finds that the subordination does not interfere substantially with the purpose of any reservation. The board shall by order establish the relative priority of applications approved under this section.*"

Section 8. Section 85-2-402, MCA, is amended to read:

**"85-2-402. Changes in appropriation rights.** (1) An appropriator may not make a change in an appropriation right except as permitted under this section and with the approval of the department or, if applicable, of the legislature.

(2) Except as provided in subsections (3) through (5), the department shall approve a change in appropriation right if the appropriator proves by substantial credible evidence that the following criteria are met:

(a) The proposed use will not adversely affect the water rights of other persons or other planned uses or developments for which a permit has been issued or for which water has been reserved.

(b) The proposed means of diversion, construction, and operation of the appropriation works are adequate.

(c) The proposed use of water is a beneficial use.

(3) The department may not approve a change in purpose of use or place of use of an appropriation of 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water unless the appropriator proves by substantial credible evidence that:

(a) the criteria in subsection (2) are met;

(b) the proposed change is a reasonable use. A finding of reasonable use must be based on a consideration of:

(i) the existing demands on the state water supply, as well as projected demands of water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(ii) the benefits to the applicant and the state;

(iii) the effects on the quantity and quality of water for existing uses in the source of supply;

(iv) the availability and feasibility of using low-quality water for the purpose for which application has been made;

(v) the effects on private property rights by any creation of or contribution to saline seep; and

(vi) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

(4) The department may not approve a change in purpose of use or place of use for a diversion that results in 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water being consumed unless:

(a) the applicant proves by clear and convincing evidence and the department finds that the criteria in subsections (2) and (3) are met; and

(b) the department then petitions the legislature and the legislature affirms the decision of the department after one or more public hearings.

(5) (a) The state of Montana has long recognized the importance of conserving its public waters and the necessity to maintain adequate water supplies for the state's water requirements, including requirements for reserved water rights held by the United States for federal reserved lands and in trust for the various Indian tribes within the state's boundaries. Although the state of Montana also recognizes that, under appropriate conditions, the out-of-state transportation and use of its public waters are not in conflict with the public welfare of its citizens or the conservation of its waters, the following criteria must be met before out-of-state use may occur:

(b) The department and, if applicable, the legislature may not approve a change in appropriation right for the withdrawal and transportation of appropriated water for use outside the state unless the appropriator proves by clear and convincing evidence and, if applicable, the legislature approves after one or more public hearings that:

(i) depending on the volume of water diverted or consumed, the applicable criteria and procedures of subsection (2) or (3) are met;

(ii) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(iii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(c) In determining whether the appropriator has proved by clear and convincing evidence that the requirements of subsections (5)(b)(ii) and (5)(b)(iii) will be met, the department and, if applicable, the legislature shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the proposed change in appropriation might feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(d) When applying for a change in appropriation right to withdraw and transport water for use outside the state, the applicant shall submit to and

comply with the laws of the state of Montana governing the appropriation and use of water.

(6) For any application for a change in appropriation right involving 4,000 or more acre-feet of water a year and 5.5 or more cubic feet per second of water, the department shall give notice of the proposed change in accordance with 85-2-307 and shall hold one or more hearings in accordance with 85-2-309 prior to its approval or denial of the proposed change. The department shall provide notice and may hold one or more hearings upon any other proposed change if it determines that such a change might adversely affect the rights of other persons.

(7) The department or the legislature, if applicable, may approve a change subject to such terms, conditions, restrictions, and limitations as it considers necessary to satisfy the criteria of this section, including limitations on the time for completion of the change. *The department may extend time limits specified in the change approval under the applicable criteria and procedures of 85-2-312(3).*

(8) If a change is not completed as approved by the department or legislature or if the terms, conditions, restrictions, and limitations of the change approval are not complied with, the department may, after notice and opportunity for hearing, require the appropriator to show cause why the change approval should not be modified or revoked. If the appropriator fails to show sufficient cause, the department may modify or revoke the change approval.

(9) The original of a change approval issued by the department must be sent to the applicant, and a duplicate must be kept in the office of the department in Helena.

(10) A person holding an issued permit or change approval that has not been perfected may change the place of diversion, place of use, purpose of use, or place of storage by filing an application for change pursuant to this section.

(11) A change in appropriation right contrary to the provisions of this section is invalid. No officer, agent, agency, or employee of the state may knowingly permit, aid, or assist in any manner such unauthorized change in appropriation right. No person or corporation may, directly or indirectly, personally or through an agent, officer, or employee, attempt to change an appropriation right except in accordance with this section."

Section 9. Section 85-2-403, MCA, is amended to read:

**"85-2-403. Transfer of appropriation right.** (1) The right to use water shall pass with a conveyance of the land or transfer by operation of law, unless specifically exempted therefrom. All transfers of interests in appropriation rights shall be without loss of priority.

(2) Failure to comply with the provisions of 85-2-402 does not render a conveyance or reservation of a water right void, but the right may not be used until the department has approved the change. This subsection applies retroactively, within the meaning of 1-2-109, to a conveyance or reservation made after July 1, 1973."

**Section 10. Extension of authority.** Any existing authority of the board of natural resources and conservation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 11. Effective date.** This act is effective on passage and approval.

Approved April 17, 1987.

(3) *the insurance is not so procured for the purpose of securing advantages either as to:*

(a) *a lower premium rate than would be accepted by an authorized insurer; or*

(e) an agreement that the commissioner may examine the advisory organization under the provisions of subsection (3).

Section 11. Section 33-2-308, MCA, is amended to read:

**"33-2-308. Evidence of the insurance — changes — penalty.**

(1) Upon placing surplus lines insurance, the surplus lines agent shall promptly issue and deliver to the insured or the producing agent evidence of the insurance, consisting either of the policy as issued by the insurer or, if such policy is not then available, a cover note or certificate of insurance signed or countersigned by the agent. Such cover note or certificate must show the subject, coverage, conditions, and term of the insurance, the premium charged and taxes collected from the insured, and the name and address of the insurer. If the direct risk is assumed by more than one insurer, the cover note or certificate must state the name and address and proportion of the entire direct risk assumed by each such insurer.

(2) If after the issuance and delivery of any such cover note or certificate there is any change as to the identity of the insurers or the proportion of the direct risk assumed by the insurer as stated in the original cover note or certificate or in any other material respect as to the insurance coverage evidenced by the cover note or certificate, the agent shall promptly issue and deliver to the insured a substitute cover note or certificate accurately showing the current status of the coverage and the insurers responsible thereunder.

(3) If a policy issued by the insurer is not available upon placement of the insurance and the agent has issued and delivered a cover note or certificate as hereinabove provided, upon request therefor by the insured, the agent shall as soon as reasonably possible procure from the insurer its policy evidencing such insurance and deliver such policy to the insured in replacement of the cover note or certificate theretofore issued.

(4) Any surplus lines agent who knowingly or negligently issues or delivers a false cover note or certificate of insurance or fails promptly to notify the insured of any material change with respect to such insurance by delivery to the insured of a substitute cover note or certificate as provided in

*agent who fails to apply for a renewal of the license on or before March 1 shall pay a fine of \$100 before the commissioner renews the license.*

*(4) A corporation is eligible to be a resident surplus lines agent if:*

*(a) the corporate license lists the individuals within the corporation who have satisfied the requirements of this part to become surplus lines agents; and*

*(b) only those individuals listed on the corporate license transact surplus lines business."*

Section 7. Section 33-2-306, MCA, is amended to read:

**"33-2-306. Agent's authority under license — acceptance of business from other agents — placement fee.** (1) Under a surplus lines agent license the licensee may place surplus lines insurance, in compliance with The Surplus Lines Insurance Law, with any foreign or alien insurer or insurers not otherwise authorized to transact insurance in this state and as to such coverages to act as agent in this state for such insurer or insurers.

(2) The surplus lines agent may accept surplus lines insurance from any duly licensed agent of an authorized insurer and may compensate him therefor.

(3) A surplus lines agent who places or renews surplus lines insurance in accordance with subsection (1) may collect a placement fee of 0.5% of the premium charged to cover the costs of issuing and servicing the policy. The fee may not be less than \$10 or more than \$100."

Section 8. Section 33-2-307, MCA, is amended to read:

**"33-2-307. Requirements for eligible surplus lines insurers.** (1) A surplus lines agent may not place insurance with an unauthorized insurer unless, at the time of placement, the unauthorized insurer:

(a) has established satisfactory evidence of good reputation and financial integrity; and

(b) is qualified under one of the following subsections:

(i) the insurer maintains capital and surplus or its equivalent under the laws of its state of domicile, which equals the greater of:

(A) the minimum capital and surplus requirements of 33-2-109 and 33-2-110; or

(B) \$2.5 million 1 year after [the effective date of this act] and \$3.5 million 3 years after [the effective date of this act]. After 3 years from [the effective date of this act], an insurer possessing less than \$4 million subcapital and surplus may satisfy the requirements of this subsection upon an affirmative finding of acceptability by the commissioner. The commissioner's finding must be based upon such factors as quality of management, capital, and surplus of a parent company; company underwriting profit and investment income trends; and company record and reputation within the

industry. The commissioner may not make an affirmative finding of acceptability when the surplus lines insurer's capital and surplus is less than \$3 million.

(ii) in the case of Lloyd's or another similar unincorporated group of alien individual insurers, the insurer maintains a trust fund of not less than \$50 million as security to the full amount thereof for all policyholders and creditors in the United States of each member of the group. The trust must comply with the terms and conditions established in subsection (1)(b)(iv) for alien insurers.

(iii) in the case of an insurance exchange created by the laws of individual states, the insurer maintains capital and surplus, or their substantial equivalent, of not less than \$15 million in the aggregate. For an insurance exchange that maintains funds for the protection of each insurance exchange policyholder, each individual syndicate shall maintain minimum capital and surplus, or their substantial equivalent, of not less than \$1.5 million. If the insurance exchange does not maintain funds for the protection of each insurance exchange policyholder, each individual syndicate shall meet the minimum capital and surplus requirements of subsection (1)(b)(i).

(iv) in the case of an alien insurer, the insurer maintains in the United States an irrevocable trust fund in either a national bank or a member of the federal reserve system, in an amount not less than \$1.5 million, for the protection of all its policyholders in the United States and such trust fund consists of cash, securities, or letters of credit or of investments of substantially the same character and quality as those which are eligible investments for the capital and statutory reserves of insurers authorized to write like kinds of insurance in this state. Such trust fund, which must be included in any calculation of capital and surplus or its equivalent, must have an expiration date which at no time may be less than 5 years. In addition, the alien insurer must appear on the national association of insurance commissioners' Non-Admitted Insurers Quarterly Listing.

(c) has provided the commissioner a copy of its current annual statement, certified by the insurer no more than 6 months after the close of the period reported upon (or quarterly if considered necessary by the commissioner), and which is either:

(i) filed with and approved by the regulatory authority in the state of domicile of the unauthorized insurer; or

(ii) certified by an accounting or auditing firm licensed in the jurisdiction of the insurer's state of domicile.

(2) In the case of an insurance exchange, the statement required by subsection (1)(c) may be an aggregate combined statement of all underwriting syndicates operating during the period reported.

(3) In addition to meeting the requirements in subsection (1), an insurer is an eligible surplus lines insurer only if it appears on the most recent list of eligible surplus lines insurers published at least semiannually by the commissioner. This subsection does not require the commissioner to place or maintain the name of any unauthorized insurer on the list of eligible

*surplus lines insurers. No action may lie against the commissioner or an employee of the commissioner for anything said in issuing the list of eligible surplus lines insurers referred to in this subsection.*

(4) *As used in this section, the following definitions apply:*

(a) *"Capital", as used in the financial requirements of 33-2-307, means funds invested in for stocks or other evidences of ownership.*

(b) *"Surplus", as used in the financial requirements of 33-2-307, means funds over and above liabilities and capital of the insurer for the protection of policyholders."*

**Section 9. Withdrawal of eligibility from a surplus lines insurer.**

(1) The commissioner may declare an eligible surplus lines insurer ineligible if at any time the commissioner has reason to believe that it:

- (a) is in unsound financial condition;
- (b) is no longer eligible under 33-2-307;
- (c) has willfully violated the laws of this state; or
- (d) does not make reasonably prompt payment of just losses and claims in this state or elsewhere.

(2) The commissioner shall promptly mail notice of all such declarations to each surplus lines agent.

**Section 10. Surplus lines advisory organizations — examination by commissioner.** (1) A surplus lines advisory organization of surplus lines agents may be formed to:

- (a) facilitate and encourage compliance by its members with the laws of this state and the rules and regulations of the commissioner relative to surplus lines insurance;
- (b) provide means for the confidential examination of all surplus lines insurance written by its members to determine whether such insurance complies with this part;
- (c) communicate with organizations of authorized insurers with respect to the proper use of the surplus lines market; and
- (d) receive and disseminate to its members information relative to surplus lines insurance.

(2) Each advisory organization shall file with the commissioner:

- (a) a copy of its constitution, its articles of agreement or association, or its certificate of incorporation;
- (b) a copy of its bylaws, rules, and regulations governing its activities;
- (c) a current list of its members;
- (d) the name and address of a resident of this state upon whom notices or orders of the commissioner or processes issued at his direction may be served; and

(e) an agreement that the commissioner may examine the advisory organization under the provisions of subsection (3).

(3) The commissioner may make or cause to be made an examination of each advisory organization. The reasonable cost of an examination shall be paid by the advisory organization upon presentation to it by the commissioner of a detailed account of such cost. The officers, managers, agents, and employees of the advisory organization may be examined at any time, under oath, and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation. The commissioner shall furnish two copies of the examination report to the examined advisory organization and shall notify the organization that it may, within 20 days of receipt of the report, request a hearing on the report or on any facts or recommendations contained in it. If the commissioner finds the advisory organization or any of its members to be in violation of this part, he may issue an order requiring the discontinuance of the violation.

(4) The commissioner may by order compel a surplus lines agent to join an advisory organization as a condition of continued licensure under this part.

Section 11. Section 33-2-308, MCA, is amended to read:

**"33-2-308. Evidence of the insurance — changes — penalty.**

(1) Upon placing surplus lines insurance, the surplus lines agent shall promptly issue and deliver to the insured or the producing agent evidence of the insurance, consisting either of the policy as issued by the insurer or, if such policy is not then available, a cover note or certificate of insurance signed or countersigned by the agent. Such cover note or certificate must show the subject, coverage, conditions, and term of the insurance, the premium charged and taxes collected from the insured, and the name and address of the insurer. If the direct risk is assumed by more than one insurer, the cover note or certificate must state the name and address and proportion of the entire direct risk assumed by each such insurer.

(2) If after the issuance and delivery of any such cover note or certificate there is any change as to the identity of the insurers or the proportion of the direct risk assumed by the insurer as stated in the original cover note or certificate or in any other material respect as to the insurance coverage evidenced by the cover note or certificate, the agent shall promptly issue and deliver to the insured a substitute cover note or certificate accurately showing the current status of the coverage and the insurers responsible thereunder.

(3) If a policy issued by the insurer is not available upon placement of the insurance and the agent has issued and delivered a cover note or certificate as hereinabove provided, upon request therefor by the insured, the agent shall as soon as reasonably possible procure from the insurer its policy evidencing such insurance and deliver such policy to the insured in replacement of the cover note or certificate theretofore issued.

(4) Any surplus lines agent who knowingly or negligently issues or delivers a false cover note or certificate of insurance or fails promptly to notify the insured of any material change with respect to such insurance by delivery to the insured of a substitute cover note or certificate as provided in

subsection (2) shall be guilty of a violation of this code and upon conviction shall be subject to the penalties provided by 33-1-104 or to any greater applicable penalty otherwise provided by law.

(5) *A surplus lines agent may not issue or deliver any evidence of insurance or purport to insure or represent that insurance will be or has been written by any eligible surplus lines insurer unless he has authority from the insurer to cause the risk to be insured or has received information from the insurer in the regular course of business that such insurance has been granted.*"

Section 12. Section 33-2-309, MCA, is amended to read:

**"33-2-309. Liability of insurer as to losses and unearned premiums.** (1) As to a surplus lines risk which has been assumed by an unauthorized insurer pursuant to *The Surplus Lines Insurance Law* and if the premium thereon has been received by the surplus lines agent who placed such insurance, in all questions thereafter arising under the coverage as between the insurer and the insured, the insurer shall be deemed to have received the premium due to it for such coverage. The insurer shall be liable to the insured as to losses covered by such insurance and for unearned premiums which may become payable to the insured upon cancellation of such insurance, whether or not in fact the agent is indebted to the insurer with respect to such insurance or for any other cause. This provision shall not affect rights as between the insurer and the surplus lines agent.

(2) *A payment of premium to a surplus lines agent acting for a person other than himself in negotiating, continuing, or reviewing a policy of insurance under this part is considered to be payment to the insurer, notwithstanding any conditions or stipulations that may be inserted in the policy or contract.*

(3) Each unauthorized insurer assuming a surplus lines direct risk under *The Surplus Lines Insurance Law* is considered thereby to have subjected itself to the terms of this section."

Section 13. Section 33-2-310, MCA, is amended to read:

**"33-2-310. Records and annual statement — affidavit.** (1) Each surplus lines agent shall keep a separate record and account of all business transacted under his license, including a copy of each daily report, if any, and of each policy, certificate of insurance, cover note, or other evidence of insurance issued by him. The records must be available for examination by the commissioner at any reasonable time within 5 years after the issuance of the surplus lines insurance to which it relates.

(2) Prior to April 1 of each year the agent shall file with the commissioner a statement for the calendar year preceding, showing:

(a) name and address of each insured for whom surplus lines insurance was procured;

(b) name and home office address of each insurer providing the surplus lines insurance;

(c) amount of each surplus lines insurance policy, the premium rate, and the gross premium charged therefor;

- (d) date and term of the policy;
- (e) amount of premium returned on each policy canceled or not taken;
- (f) amount of tax and other sums to be collected from the insured;
- (g) identity of the producing agent;
- (h) the application and any correspondence from the surplus lines insurer or its representative; and
- (i) such additional information as the commissioner may reasonably require.

(3) *Each producing agent shall execute and each surplus lines agent shall file an affidavit, on a standardized form furnished by the commissioner, as to the diligent efforts to place the coverage with authorized insurers and the results of such efforts. An affidavit filed under this subsection is subject to public inspection unless the commissioner determines that the public interest requires otherwise. The producing agent shall state in the affidavit that he has expressly advised the insured in writing prior to placing the insurance that:*

*(a) the surplus lines insurer with whom the insurance is placed is not authorized in this state and is not subject to the same supervision as an authorized insurer; and*

*(b) in the event of the insolvency of the surplus lines insurer, the property and casualty guaranty fund of the state will not pay losses under the surplus lines coverage."*

Section 14. Section 33-2-311, MCA, is amended to read:

**"33-2-311. Tax on surplus lines.** There is imposed upon premiums collected for surplus lines insurance transacted in this state a tax at the same rate and computed in the same manner as provided in subsection (2)(b)(i) of 33-2-705 as to premiums of authorized insurers, except that amounts collected from the insured specifically for applicable state and federal taxes, and in excess of the premium otherwise required, *are not considered* to be part of the premium for the purposes of such computation. Upon filing of the annual statement referred to in 33-2-310(2), the surplus lines agent shall pay to the commissioner the amount of tax owing as to surplus lines insurance business transacted by him during the preceding calendar year. If a surplus lines insurance policy covers risks or exposures only partially in this state, the tax payable *must* be computed upon the proportion of the premium which is properly allocable to the risks or exposures located in this state."

Section 15. Section 33-2-312, MCA, is amended to read:

**"33-2-312. Penalty for failure to file statement or pay tax.** Every surplus lines agent who fails to make and file the annual statement as required under 33-2-310 or to pay the taxes as required under 33-2-311 is liable to a penalty of \$25 for each day of delinquency, commencing with April 1. The tax and penalty may be recovered in an action instituted by the commissioner in the name of the state in any court of competent jurisdiction, the attorney general representing him. The penalty when collected

shall be paid to the state treasurer and placed to the credit of the general fund. The surplus *lines agent* license is also subject to revocation as provided in 33-2-313."

Section 16. Section 33-2-313, MCA, is amended to read:

**"33-2-313. Revocation or suspension of agent license.** (1) The commissioner shall revoke or suspend any surplus *lines agent* license, together with his license as an insurance agent:

(a) if the agent fails to file his annual statement or to remit the tax as required by law;

(b) if the agent fails to keep the records or to allow the commissioner to examine his records, as required by law;

(c) if the agent falsifies the affidavit required by 33-2-310(3);

(d) if the agent removes the resident surplus *lines agent* office from this state;

(f) if the agent closes the resident surplus *lines agent* office for a period of more than 30 business days, unless the commissioner grants permission otherwise;

(g) if the agent violates any provision of this part; or

(h) for any of the causes for which an insurance agent's license may be revoked.

(2) The procedures provided by 33-17-1001 for the suspension or revocation of *agent* licenses apply to suspension or revocation of a surplus *lines agent* license.

(3) An agent whose license has been so revoked or suspended may not again be so licensed within 1 year thereafter or until he pays all penalties and delinquent taxes that he owes."

Section 17. Section 33-2-314, MCA, is amended to read:

**"33-2-314. At the time of filing such appointment, the insurer shall also file designation of the name and address of the person to whom process against it served upon the commissioner is to be forwarded. Section 24. Section 33-1-711, MCA, is amended to read:

**"33-1-711. Appeals from the commissioner.** (1) An appeal from the commissioner shall be taken only from an order on hearing or with respect to a matter as to which the commissioner has refused a hearing. Any person who was a party to such hearing or whose pecuniary interests are directly and immediately affected by any such order or refusal and who is aggrieved thereby may, within 30 days after the order has been mailed

or delivered to the persons entitled to receive the same, the commissioner's order denying rehearing or reargument has been so mailed or delivered, or the commissioner's refusal to grant a hearing, appeal from such order on hearing or such refusal of a hearing. The appeal shall be taken to the district court of Lewis and Clark County by filing written notice of appeal in such court and by filing a copy of such notice with the commissioner, except that in appeals from the suspension or revocation of the certificate of authority of a domestic insurer or of the license of an agent, solicitor, or surplus *lines* agent, the person taking the appeal may at his option, in lieu of the district court of Lewis and Clark County, take the appeal to the district court of the county of Montana in which the insurer has its principal place of business or the licensee resides.

(2) Upon filing of the notice of appeal therein, the court shall have full jurisdiction and shall determine whether such filing shall operate as a stay of the order or action appealed from, except that in the following instances the filing of the notice of appeal shall automatically stay the order appealed from pending the judgment of the district court on the appeal:

(a) appeal from suspension or revocation of the license of an agent, solicitor, or surplus *lines* agent;

(b) appeal from suspension or revocation of the certificate of authority of an insurer.

(3) Within 20 days after filing of the copy of the notice of appeal in his office, the commissioner shall make and return to the court in which the appeal is pending a copy of his order appealed from and a full and complete transcript, duly certified by the commissioner, of his record of the hearing upon which the order was issued, together with all exhibits and documentary evidence introduced thereat. If the appeal is from an action of the commissioner with respect to which a hearing was refused, the commissioner shall within such 20-day period make and return to the court a full and complete transcript, duly certified by him, of all documents on file in his office directly relating to the matter as to which such appeal is taken.

(4) Upon receipt of such transcripts and evidence, the court shall hear the matter *de novo* as soon as reasonably possible thereafter. Upon the hearing of the appeal, the court shall consider the evidence contained in the transcript, exhibits, and documents therein filed by the commissioner, together with such additional proper evidence as may be offered by any party to the appeal.

(5) After hearing the appeal, the court may affirm, modify, or reverse the order or action of the commissioner in whole or in part or remand the action to the commissioner for further proceedings in accordance with the court's direction.

(6) Costs shall be awarded as in civil actions.

(7) Appeal may be taken to the supreme court from the judgment of the district court as in other civil cases to which the state is a party. A stay of the effectiveness of any such judgment may be made only by order of

the supreme court upon the giving of such security as that court deems proper.

(8) This section shall not apply to appeals as to matters covered by chapter 16."

Section 25. Section 33-2-119, MCA, is amended to read:

**"33-2-119. Suspension or revocation for violations and special grounds.** (1) The commissioner may, in his discretion, suspend or revoke an insurer's certificate of authority if, after a hearing thereon, he finds that the insurer has:

(a) violated any lawful order of the commissioner or any provision of this code other than those for which suspension or revocation is mandatory;

(b) reinsured more than 90% of its risks resident, *located*, or to be performed in Montana, in another insurer. In considering suspension or revocation, the commissioner shall consider all relevant factors, including whether:

(i) after the reinsurance transaction all parties will be in compliance with Montana law; and

(ii) the transaction will substantially reduce protection and service to Montana policyholders.

(2) The commissioner shall, after a hearing thereon, suspend or revoke an insurer's certificate of authority if he finds that the insurer:

(a) is in unsound condition or in such condition or using such methods or practices in the conduct of its business as to render its further transaction of insurance in Montana injurious or hazardous to its policyholders or to the public;

(b) has refused to be examined or to produce its accounts, records, and files for examination or if any of its officers have refused to give information with respect to its affairs, when required by the commissioner;

(c) has failed to pay any final judgment rendered against it in Montana within 30 days after the judgment became final;

(d) with such frequency as to indicate its general business practice in Montana, has without just cause refused to pay proper claims arising under its policies, whether any such claim is in favor of an insured or is in favor of a third person with respect to the liability of an insured to such third person, or without just cause compels such insured or claimant to accept less than the amount due them or to employ attorneys or to bring suit against the insurer or such an insured to secure full payment or settlement of such claims;

(e) is affiliated with and under the same general management or interlocking directorate or ownership as another insurer which transacts direct insurance in Montana without having a certificate of authority therefor, except as permitted as to a surplus *lines* insurer under part 3 of this chapter.

(3) The commissioner may, in his discretion and without advance notice or a hearing thereon, immediately suspend the certificate of authority of any insurer as to which proceedings for receivership, conservatorship, rehabilitation, or other delinquency proceedings have been commenced in any state."

Section 26. Section 33-2-706, MCA, is amended to read:

**"33-2-706. Report and tax of independently procured coverages.** (1) Every insured who in this state procures or causes to be procured or continues or renews insurance in an unauthorized foreign insurer or any self-insurer who in this state so procures or continues excess loss, catastrophe, or other insurance upon a subject of insurance resident, located, or to be performed within this state, other than insurance procured through a surplus *lines* agent pursuant to The Surplus *Lines* Insurance Law or exempted from such law under 33-2-317, shall, within 30 days after the date such insurance was so procured, continued, or renewed, file a written report of the same with the commissioner on forms designated by the commissioner and furnished to such an insured upon request. The report shall show the name and address of the insured or insureds, name and address of the insurer, the subject of the insurance, a general description of the coverage, the amount of premium currently charged therefor, and such additional pertinent information as is reasonably requested by the commissioner. If any such insurance covers also a subject of insurance resident, located, or to be performed outside this state, a proper pro rata portion of the entire premium payable for all such insurance shall be allocated as to the subjects of insurance resident, located, or to be performed in this state, for the purposes of this section.

(2) Any insurance in an unauthorized insurer procured through negotiations or an application in whole or in part occurring or made within or from within this state or for which premiums in whole or in part are remitted directly or indirectly from within this state shall be deemed to be insurance procured or continued or renewed in this state within the intent of subsection (1) above.

(3) For the general support of the government of this state there is levied upon the obligation, chose in action, or right represented by the premium charged or payable for such insurance a tax at the rate of 2 <sup>3</sup>/<sub>4</sub>% of the gross amount of such premium. The insured shall withhold the amount of the tax from the amount of premium charged by and otherwise payable to the insurer for such insurance, and within 30 days after the insurance was so procured, continued, or renewed and coincidentally with the filing with the commissioner of the report provided for in subsection (1) above, the insured shall pay the amount of the tax to the state treasurer through the commissioner.

(4) If the insured fails to withhold from the premium the amount of tax herein levied, the insured shall be liable for the amount thereof and shall pay the same to the commissioner within the time stated in subsection (3) above.

(5) The tax imposed hereunder if delinquent shall bear interest at the rate of 6% per annum, compounded annually.

(6) The tax shall be collectable from the insured by civil action brought by the commissioner.

(7) This section does not abrogate or modify and shall not be construed or deemed to abrogate or modify any provision of 33-2-104 or 33-2-105 or any other provision of this code.

(8) This section does not apply as to life or disability insurances."

**"33-17-1001. Suspension, revocation, or refusal of license.** (1) Except as provided in 33-17-411, the commissioner may suspend for not more than 12 months or may revoke or refuse to continue any license issued under this chapter or any surplus *lines* agent license if, after hearing held on not less than 20 days' advance notice by certified mail of such hearing and of the charges against the licensee given as provided in 33-1-314(3) to the licensee and to the insurers represented, as to an agent, or to the appointing agent, as to a solicitor, he finds that as to the licensee any one or more of the following causes exist:

(2) No person shall willfully collect as premium or charge for insurance any sum in excess of or less than the premium or charge applicable to such insurance and, as specified in the policy, in accordance with the applicable classifications and rates as filed with and approved by the commissioner; or in cases where classifications, premiums, or rates are not required by

this code to be so filed and approved, such premiums and charges shall not be in excess of or less than those specified in the policy and as fixed by the insurer.
